CHARTER

CHARTER by SPECIAL ACT FOR THE TOWN OF MILTON

Chapter 27, Acts of 1927 "Representative Town Government by Limited Town Meetings" (Revised by Chap. 306 Acts of 1936, Chap. 63 Acts of 1948, Chap. 67 Acts of 1957 and Chap. 597 Acts of 1958).

Be it enacted, etc., as follows:

SECTION 1. The registered voters of each precinct in the town of Milton, at the annual town election to be held in the year nineteen hundred and thirty-seven, and the registered voters of any precinct affected by any revision of precincts, at the first annual town election following such revisions, shall elect by ballot and conformably to the laws relative to elections not inconsistent with this act from residents of the precinct town meeting members, to the largest number which is divisible by three and which will make the elected representation of such precinct bear approximately the same proportion to the total elected representation of the town as the number of registered voters in such precinct bears to the total number of registered voters in the town, and which will cause the total elected membership to be as nearly two hundred and seventy-nine as may be, and not in excess thereof. The first third in the order of votes received of members so elected shall serve until the third succeeding annual election, the second third in such order shall serve until the second succeeding annual election, and the remaining third in such order shall serve until the first succeeding annual election. After the annual town election in the year nineteen hundred and thirty-seven, except as herein provided, at each annual town election the registered voters of each precinct shall, in like manner, elect as town meeting members for the term of three years, such number of elected town meeting members as are necessary to provide for such precinct the total number of elected town meeting members to which it is then entitled, and shall, at such election, fill for the unexpired term or terms any vacancies then existing in the number of town meeting members in such precinct. In case of any revision of a precinct or precincts, the TERMS of office of all elected town meeting members from each precinct affected by such revision, shall cease upon the qualification of their successors elected as herein before provided. The number of precincts in said town shall be not less than four.

In the case of a tie vote which affects the election of town meeting members in any precinct otherwise than as to term of office, the members elected from such precinct at the same election other than those whose election is so affected, shall, by a majority vote, determine which of the voters receiving such tie vote shall serve as town meeting members from such precinct, and in case of a tie vote affecting the term of office of members elected, the members elected from such precinct at the same election other than those whose terms of office are affected by such tie vote shall, by a majority vote, determine which member receiving such tie vote shall serve for the longer and which for the shorter term.

The town clerk shall, after every election of town meeting members, forthwith notify each member, by mail, of his election.

CHARTER

The number of elected town meeting members to which each precinct is entitled for the ensuing municipal year shall be determined by the town clerk on or before January fifteenth of each year and shall bear approximately the same proportion to the total number of elected town meeting members of the town as the number of registered voters in such precinct bears to the total number of registered voters in the town on January first of that year.

SECTION 2. The representative town meeting held under the provisions of this act, except as otherwise provided herein, shall be limited to the elected town meeting members together with the following, designated as town meeting members *ex officiiis*, namely: any member of the general court of the commonwealth who is a registered voter of the town, the town moderator, the town clerk, the selectmen, the town treasurer, the town counsel if a registered voter of the town, the town collector of taxes, the chairman of the school committee, the chairman of the trustees of the public library, the chairman of the board of health, the chairman of the board of public welfare, the chairman of the park commissioners, the chairman of the water commissioners, the tree warden, the chairman of the planning board, the chairman of the assessors of taxes, the chairman of the sewer commissioners, the chairman of the board of trustees of the cemetery, the chairman of the warrant committee, and the chairman of the board of Personnel Administration.

The secretary or clerk of each of the above-named boards and commissions shall file with the town clerk a certificate of election of a chairman.

Any elected town meeting member who becomes by appointment or election one of the officers designated as town meeting members, *ex officiiis*, shall notwithstanding such appointment or election continue to serve as an elected town meeting member rather than as *ex officio* member. The town clerk shall notify the town meeting members of the time and place at which representative town meetings are to be held, such notices to be sent by mail at least three days before any such meeting, but failure to comply with this provision shall not affect the validity of any act of the meeting, and this provision shall be in addition to the warrant for such meeting duly published and served according to law. The representative town meeting shall have authority to determine the election and qualifications as set forth in this act, of its members. A majority of the town meeting members shall constitute a quorum for doing business; but a less number may organize temporarily and may adjourn from time to time. All town meetings shall be held in public. Town meeting members shall receive no compensation as such. Subject to such conditions as may be determined from time to time by the representative town meeting, any voter of the town who is not a town meeting member may speak at any representative town meeting, but he shall not vote. An elected town meeting member may resign by filing a written resignation with the town clerk, and such resignation shall take effect on the date of such filing. An elected town meeting member who removes from the precinct from which he was elected shall cease to be a town meeting member.

SECTION 3. Nominations of candidates for town meeting members to be elected under this act shall be made by nomination papers which shall bear no political designation, but to the name of a candidate for re-election there may be

CHARTER

added the words "Candidate for Re-Election". Any incumbent town meeting member may become a candidate for re-election by giving written notice thereof to the town clerk not later than fourteen days prior to the last day and hour for filing nomination papers notwithstanding any contrary provision in any special law. No nomination papers shall be valid in respect to any candidate unless his written acceptance is filed therewith.

SECTION 4. All articles in the warrant for every town meeting, so far as they relate to the election of the town moderator, town officers and town meeting members, and as herein provided, to referenda and all matters to be acted upon and determined by ballot, shall be so acted upon and determined by the registered voters of the town in their respective precincts. All other articles in the warrant for any town meeting, beginning with the annual town meeting in the year when said town meeting members are first elected, shall be acted upon and determined exclusively by town meeting members at a representative town meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for the meeting, and subject to the referendum provided for by section seven.

SECTION 5. A moderator shall be elected by the registered voters of the town by ballot at each annual town election, and shall serve as the moderator of all town meetings except as otherwise provided by law until his successor is elected and qualified. Nominations for moderator and his election shall be as in the case of other elective town officers, and any vacancy in such office may be filled by the town meeting members at a representative town meeting held for that purpose. If a moderator is absent, a moderator pro tempore may be elected by the town meeting members.

SECTION 6. In the event of any vacancy in the full number of elected town meeting members from any precinct the remaining elected members of the precinct may choose from among the registered voters thereof a successor to serve until the next annual town election. The town clerk may, and upon a petition therefor signed by not less than ten elected town meeting members from the precinct shall, call a special meeting for the purpose of filling such vacancy and shall mail notices thereof to the remaining elected members from the precinct specifying the object and the time and place of such meeting which shall be held not less than four days after the mailing of such notice. At such meeting a majority of such members shall constitute a quorum and shall elect from their own number a chairman and a clerk. The election to fill such vacancy shall be by ballot and a majority of the votes cast shall be required for a choice. The clerk shall forthwith file with the town clerk a certificate of such election, together with a written acceptance by the member so elected, who shall thereupon be deemed elected and qualified as an elected town meeting member, subject to the provisions of section two respecting the election and qualifications of elected town meeting members.

SECTION 7. No article in the warrant shall at any representative town meeting be finally disposed of by a vote to lay upon the table, to indefinitely postpone, or to take no action thereunder. No vote passed at any representative town meeting under any article in the warrant, except a vote to adjourn or a vote for the temporary borrowing of money in anticipation of revenue or a vote declared by a two thirds vote of the town meeting members present and voting thereon to be an emergency measure necessary for the immediate preservation of the peace, health,

CHARTER

safety or convenience of the town, shall take effect until after the expiration of seven days, exclusive of Sundays and holidays, from date of such vote. If, within said seven days a petition, signed by not less than five percent of the registered voters of the town, containing their names, together with their street addresses, is filed with the selectmen asking that the question or questions involved in such vote be submitted to the voters of the town at large, then the selectmen within fourteen days of the filing of such petition shall call a special town meeting which shall be held within twenty-one days after notice of the call, for the sole purpose of presenting to the voters at large the question or questions so involved. All votes upon any questions submitted shall be taken by ballot, and the check lists shall be used in the several precincts in the same manner in which they are used in the election of town officers. The polls shall be opened at two o'clock in the afternoon and shall be closed not earlier than eight o'clock in the evening and no ballots shall be removed or counted before the closing of the polls. The question or questions submitted to be voted upon at said town meeting shall be stated upon the ballot in substantially the same language and form in which they were stated when finally presented to said representative town meeting by the moderator as appears upon the records of said meeting, and such question or questions shall be determined by vote of the same proportion of the voters at large voting thereon as would have been required by law had the question been finally determined at a representative town meeting. If such petition be not filed within said period of seven days, the vote in the representative town meeting shall take effect upon the expiration of said period.

SECTION 8. The town of Milton, after the acceptance of this act, shall have the capacity to act through and be bound by its said town meeting members who shall, when convened from time to time as herein provided, constitute representative town meetings; and the representative town meetings shall exercise exclusively so far as will conform to the provisions of this act, all powers vested in the municipal corporation. Action in conformity with all provisions of law now or hereafter applicable to the transaction of town affairs in town meetings shall, when taken by any representative town meeting in accordance with the provisions of this act have the same force and effect as if such action had been taken in a town meeting open to all the voters of the town as heretofore organized and conducted.

SECTION 9. No right secured to the inhabitants of the town of Milton by the constitution of this commonwealth shall be abridged by this act; nor shall this act confer upon any representative town meeting the power to commit said town to any proposition affecting its municipal existence, or the form of its government without action thereon by the voters of said town at large using the ballot and check lists therefor.

SECTION 10. This act shall be submitted to the registered voters of the town of Milton at any annual or special town meeting called for the purpose within two years from the passage of this act. The vote shall be taken in precincts by ballot in accordance with the provisions of the general laws, so far as the same shall be applicable, in answer to the question, which shall be placed, in the case of a special meeting, upon a ballot to be used at said meeting, or, in case of an annual meeting upon the official ballot to be used for the election of town officers: "Shall an act

CHARTER

passed by the general court in the year nineteen hundred and twenty-seven, entitled 'An Act to erect and constitute in the Town of Milton representative town government by limited town meetings', be accepted by this town?"

SECTION 11. So much of this act as authorizes its submission for acceptance to the registered voters of the town shall take effect upon its passage and the remainder shall take effect upon its acceptance by a majority of the voters voting thereon.

GENERAL BYLAWS

GENERAL BYLAWS Town of Milton, March 10, 1934 AS AMENDED

CHAPTER 1

General Provisions

SECTION 1. The bylaws of the Town adopted March 2, 1902, may be designated as heretofore, as the "Revised Bylaws," but said revised bylaws as heretofore or at this meeting may be designated as the General Bylaws.

SECTION 2. So far as the provisions of these bylaws are the same in effect as those of previously existing bylaws, they shall be construed as a continuation of such bylaws but, subject to said limitations and the provisions of the next section, all bylaws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any bylaw, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECTION 3. These bylaws and the repeal of all bylaws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any bylaw thereby have the effect of reviving any bylaw theretofore repealed or suspended.

SECTION 4. When in a bylaw anything is prohibited from being done without the license or permission of a certain officer, officers or board, such officer, officers, or board shall have the power to license or permit such thing to be done.

SECTION 5. In all these bylaws the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word public way shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; the owner or occupant of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word person may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECTION 6. Whoever violates any of the provisions of these bylaws whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECTION 7. Whoever shall refuse or neglect to obey any lawful order of any Town officer or board of Town officers, issued under any of these bylaws, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for every such offence a fine not exceeding twenty dollars.

SECTION 8. Prosecutions for the breach of any of the provisions of these bylaws shall be commenced within six months from such breach.

SECTION 9. Any or all of these bylaws may be repealed or amended or other bylaws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

GENERAL BYLAWS

CHAPTER 2

Town Meetings

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and notice of such meetings shall be given by posting attested copies of the warrant in each of the post-offices of the Town at least seven days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days before the day of such meetings.

SECTION 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the morning until eight o'clock in the evening for the election of such Town officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

SECTION 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of the annual meeting to the second Saturday of March at one o'clock in the afternoon.

SECTION 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting. If a motion is susceptible of division it shall be divided and the question put separately upon each part thereof if ten town meeting members so request.

SECTION 5. Upon taking the question, the sense of the meeting shall be taken by the voices of the town meeting members and the Moderator shall first announce the vote as it appears to him by the sound.

If the Moderator is unable to decide by the sound of the voices or if his announcement made thereupon is doubted by seven town meeting members arising in their places for that purpose, the Moderator shall request the town meeting members to be seated, and shall appoint tellers; the question then shall be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall report their count to the Moderator, who thereupon shall announce the vote. If the vote is further doubted and twenty-five town meeting members arise in their places and ask for a division of the meeting by the taking of the yeas and the nays, then the roll of the meeting shall be called in alphabetical order by the Town Clerk, and each town meeting member shall rise in his place if he answers yea or nay when his name is called, and the Moderator shall announce the vote. No town meeting member shall be allowed to vote after the vote is declared.

SECTION 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the town meeting members present and voting thereon, provided that the time which shall elapse between any adjournment and the next calling to order of the meeting following such adjournment shall be excluded in computing the hour since the adoption of said vote.

SECTION 7. If a motion for the previous question is adopted by vote of the meeting no person shall speak to the motion then under consideration more than once or for longer than five minutes without a vote of permission of the meeting, except that the Chairman of the Warrant Committee may speak again to close the debate, but not for more than five minutes.

GENERAL BYLAWS

SECTION 8. When a question is before the meeting, the following motions, viz:—
to adjourn,
to lay on the table,
for the previous question,
to postpone to a certain time,
to commit (or recommit) or refer,
to amend or substitute,

shall have precedence in the order in which they are placed in this section; but no article in the warrant shall be finally disposed of by a vote to lay on the table, to postpone indefinitely, or to take no action thereunder. In proposed amendments, involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECTION 9. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town meeting shall disclose the fact of his employment before speaking thereon.

SECTION 10. No appropriation of a sum of money exceeding five hundred dollars shall be made until the subject matter thereof has been considered and estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for the purpose in pursuance of a vote of the Town.

SECTION 11. Whenever, pursuant to General Laws, Chapter 39, Section 10, any subject is inserted in the Warrant for an Annual Town Meeting at the request of ten or more registered voters, the fact of said request and the names and addresses of the first ten registered voters making the request shall be printed in the Warrant immediately following the Article involved.

CHAPTER 3

The Warrant Committee

SECTION 1. The Town shall have an advisory committee to be known as the Warrant Committee consisting of fifteen legal voters of the Town. On or before the first day of June in each year the Moderator shall appoint fifteen members to the Warrant Committee each of whom shall serve for a term of one year beginning on the first day of June in the year of appointment.

SECTION 2. The Warrant Committee shall, prior to the fifteenth day of June in each year, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

a. They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECTION 3. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meeting; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECTION 4. The Warrant Committee shall consider the various articles in the warrants for all the Town Meetings held during the period for which they were ap-

GENERAL BYLAWS

pointed including the various articles in the warrant for the annual Town Meeting next after their appointment; they shall also consider all questions submitted to the voters of the Town at any meeting, including State elections; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town. Copies of such reports shall be left at the dwelling houses in the Town at least four days before the day set for consideration of the various articles in the warrant considered by them and at least four days before the day upon which the voters are to consider questions submitted to them at any meeting including State elections.

a. On or before November first of each year each board, committee or officer of the Town, shall file with the Selectmen, who shall transmit the same to the Warrant Committee, a statement in detail of the appropriation or appropriations recommended by such board, committee or officer for the work under its or his charge for the ensuing year.

b. The Warrant Committee shall include in its report of recommendations for the annual Town Meeting a statement setting forth the total appropriations so requested, the appropriations recommended, and the totals of such appropriations requested and recommended, and an estimate of the tax rate for the ensuing year if such recommendations are adopted. The copies of such reports may be combined with the warrants of the Selectmen for publication and delivery as provided in Section 1 of Chapter 2.

CHAPTER 4

The Town's Finances and Property

SECTION 1. The Selectmen shall annually, not less than seven days before the annual town meeting, cause to be printed such number of copies of the annual town report as they shall determine to be sufficient for the use of the inhabitants. Such report shall contain a detailed report of all moneys received into and paid out of the Town treasury during the financial year next preceding, with such information and recommendations as the Selectmen may deem proper; the report of the school committee; the records of the meetings of the Town held since the last annual report; the report of the collector of taxes, of receipts, payments and abatements; statements concerning the condition and funds of the public library and the cemetery to be furnished by the trustees thereof respectively, and statements of all other funds belonging to the Town or held for the benefit of its inhabitants; a statement of the liability of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town for perpetual care of cemetery lots; and such other matters as the said report is required by law to contain, or as may be inserted by the Selectmen under the discretion granted them by law.

SECTION 2. No officer of the Town shall in his official capacity make or pass upon or participate in making or passing upon, any sale, contract or agreement or the terms or amount of any payment in which the Town is interested and in which such officer has any personal interest.

SECTION 3. The Warrant Committee shall send to the Selectmen and to the town accountant certified copies of all votes whereby transfers are made out of the Reserve Fund for extraordinary or unforeseen expenditures.

SECTION 4. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town or its officers in their official capacity and to appear and defend suits brought against it or its officers in their official capacity, unless otherwise ordered by a vote of the Town.

SECTION 5. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall

GENERAL BYLAWS

be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless otherwise ordered by a vote of the Town.

SECTION 6. The Selectmen shall appoint a Town Accountant who shall perform the duties prescribed by law. There shall annually be an audit of the accounts of the Town under the supervision of the State Director of Accounts, as provided in General Laws, Chapter 44, section 35.

SECTION 7. Whenever damages may be recovered against the Town under General Laws, chapter 79, entitled "Eminent Domain," the Selectmen, unless otherwise provided by vote of the Town, may exercise in the name and behalf of the Town all the powers granted in section 39 of said chapter relative to settlement of damages, assumption of betterments, offers of settlement, and other matters in said section contained.

SECTION 8. The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds. If it shall seem advisable to the town collector that suit or suits should be instituted and prosecuted in the name of the Town, in connection with the collection of any accounts due to the Town, he shall so advise the Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

SECTION 9. In addition to the authority to them granted by section 8, the Selectmen shall have authority as agents of the Town to settle claims against the Town, after receiving the advice of the town counsel, payment for such settlements to be taken from the appropriation for the law department.

SECTION 10. Any Board or Officer in charge of a department may, with the approval of the Selectmen, sell any personal property or material not required by said department to an aggregate amount not exceeding \$300 in value in any one fiscal year.

SECTION 11. Except as otherwise provided by law the Selectmen shall have custody of deeds, of bonds of Town officers, of insurance policies and of other similar documents owned by the Town.

SECTION 12. No contract shall be awarded for any work or service, other than professional service, to be performed for the Town by an independent contractor, and no purchase of materials, supplies or equipment shall be made, the estimated cost of which in either case is \$1000 or more, unless competitive bids have been invited therefor. Such bids shall be invited by the sending of letters of invitation on the same day to such number of vendors, contractors or other qualified persons deemed by the Town Officer, Board or Committee sufficient to obtain fair competition, and, in the case of all such contracts and of purchases estimated to cost \$2500 or more such bids shall also be invited by public advertisement by at least one insertion in a newspaper of general circulation in the Town, said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids. Such invitation shall state where plans and specifications for proposed work or purchases may be obtained, or may contain such plans and specifications, and shall state the time and place at which bids shall be opened and shall reserve to the Board, Officer or Committee the right to reject any or all bids. All bids shall be opened in public at the time and place specified therefor. No purchase or work for which a contract is proposed shall be split or divided for the purpose of evading the provisions of this Section. This Section shall not apply in cases of emergency requiring immediate action for the preservation of life or the protection of property, nor to the purchase of materials, supplies or equipment for which there is no reasonable substitute by reason of natural or actual monopoly, peculiarity of design or type of article, patent right or copyright, certified by the officer, Board or Committee. All bids submitted, plans and specifications, certificates setting forth the reasons why competitive bids were not invited and contracts shall as soon as practicable be filed with the Town

GENERAL BYLAWS

Accountant and shall be kept on file at least three years and shall be open to public inspection at reasonable times.

SECTION 13. Every contract for construction work, whether for alterations, repairs or original construction, the estimated cost of which amounts to \$5,000 or more, shall be accompanied by a suitable bond for the performance of the same, or by the deposit of money or security to the amount of the estimated cost.

SECTION 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

SECTION 15. All Town Officers are required to pay all fees received by them by virtue of their office into the Town Treasury.

CHAPTER 5

The Cemetery

SECTION 1. The sole care, superintendence, management and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

SECTION 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family subject to these bylaws and the regulations of the Trustees, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECTION 3. The Trustees may sell lots, when and at such rates as they may deem advisable; provided that the rate shall not be less than two dollars a square foot, and the purchasers shall in some way be connected with Milton people.

SECTION 4. The proprietor of each lot shall cause to be erected, at his own expense, cornerstones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such land marks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECTION 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECTION 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECTION 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

GENERAL BYLAWS

SECTION 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose and erect over the remains a suitable memorial stone.

SECTION 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

Police Regulations

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor having obtained such permit, without complying with the restrictions and provisions thereof.

SECTION 2. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a police officer; provided that the provisions of this section shall not apply to the placing of ashes, refuse or garbage in proper receptacles for collection under public authority.

SECTION 3. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon buildings materials or rubbish shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECTION 4. No person shall throw or place or cause to be thrown or placed, any ice or snow into or upon any public way in such a manner as to obstruct traffic or endanger travel upon the public way.

SECTION 5. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish

GENERAL BYLAWS

or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offense.

SECTION 6. No person shall stand on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 7. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these bylaws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECTION 8. No person shall ride or drive any beast of burden, carriage or draught, or shall drive or propel or cause to be driven or propelled any bicycle, tricycle, motor vehicle or any vehicle whatsoever, in or over any crossing in any public way at such a rate of speed as to endanger the lives and safety of the public.

SECTION 9. No person shall permit any vehicle under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any vehicle in any public way so near to another vehicle as to obstruct public travel; and no person shall stop with any vehicle upon or across any crossing in any public way.

SECTION 10. No person shall coast upon ice or snow upon any public way except one on which the Selectmen or chief of police by public notice permit such coasting and no person shall ride any animal or drive, wheel or draw any coach, cart, wheelbarrow, hand cart, velocipede, bicycle, or any vehicle except children's carriages, or coast upon any sidewalk in the Town. Whoever violates the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 11. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 12. Any person or persons who shall play or perform on any musical instrument, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 13. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 14. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons in any public way.

SECTION 15. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or

GENERAL BYLAWS

upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall be not less than twenty dollars for each offence.

SECTION 16. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECTION 17. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other buildings whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECTION 17A. Whoever shall throw or cause to be thrown into any brook or stream any substance, rubbish, debris or waste matter whatsoever which will obstruct or tend to obstruct, or alter or tend to alter the flow of water in such brook or stream, or which will pollute or tend to pollute or cause an offensive smell or odor in such brook or stream, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECTION 18. The Selectmen may license hackney carriages or motor vehicles for the conveyance of persons for hire from place to place within the town, and they may revoke such licenses at their discretion, and a record of all licenses so granted or revoked shall be kept by the Selectmen.

No person shall set up, use or drive in the town any unlicensed hackney carriage or motor vehicle for the conveyance of passengers for hire from place to place within the town under a penalty not exceeding twenty dollars for each offence.

Licenses shall expire on the thirtieth day of April next after the date thereof, and shall not be transferred without the consent of the Selectmen indorsed thereon. For each license the sum of ten dollars shall be paid to the town treasurer for the use of the town. A license so granted shall become void if the applicant neglects or refuses to take out and pay for his license within ten days after notice that it has been granted.

The Selectmen may grant to the holder of a license under the preceding paragraphs of this section a license to use a certain portion of a public way as a carriage stand for the solicitation of passengers for hire and no person shall use any portion of any public way for such purposes without such license.

Any person who violates any of the provisions of this section shall be punished by a fine of not more than twenty dollars for each offence.

SECTION 19. No person shall distribute papers, circulars or advertisements through the Town or any portion thereof in such manner as to make a litter or otherwise cause public annoyance.

SECTION 20. No person shall fire, discharge, explode or set off any torpedo, fire-cracker or fireworks in such manner as to disturb the peace or quiet of any neighborhood. No person shall hunt or fire, discharge, explode or set off any firearm within the limits of any park, playground or other public property except with the consent of

GENERAL BYLAWS

the Board of Selectmen or within the limits of any private property except with the consent of the owner or the lawful occupant thereof. With respect to firearms, this Section shall not prohibit the lawful defense of life or protection of property nor be applicable to any law enforcement officer acting in the discharge of his duties.

SECTION 21. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECTION 22.

- A. No person shall own or keep a dog which by barking, biting, howling or in any other manner disturb the peace and quiet of any neighborhood or endangers the safety of any person.
- B. The owner, keeper, parent or guardian of a minor owner or keeper of a dog shall not allow said dog to be off the premises of its said owner or keeper except:
 - 1. in the immediate restraint and control of some person by means of a leash or by effective command, or
 - 2. on the premises of another with the permission of such other.
- C. Any violation hereof shall be punished by a fine of not more than \$10 for each offense. In addition any violation shall permit the dog officer to order the dog restrained or to impound the dog. Return to the owner or keeper shall not be made until after the payment to the town of the sum of \$5 together with \$1.50 for each day the dog is so held. Dogs impounded and unclaimed by the owner or keeper after ten days shall be disposed of by the dog officer.

SECTION 23. No person shall burn anything so as to emit noxious odors to the discomfort of the neighborhood.

SECTION 24. No person shall place or suffer to accumulate on his premises any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created so as to endanger the health or comfort of the neighborhood.

SECTION 25. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles from place to place in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subject to the provisions of law. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

SECTION 26. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

GENERAL BYLAWS

SECTION 27. Except when otherwise provided by law, prosecutions for offences under the bylaws of the Town may be made by any police officer of the Town.

SECTION 28. The Superintendent of Streets or other officer having charge of ways is authorized, for the purpose of removing or plowing snow or for removing ice from any way, to remove or cause to be removed to some convenient place including in such term a public garage any vehicle interfering with such work and said Superintendent of Streets or other officer having charge of ways is authorized to impose liability for the cost of such removal and of the storage charges if any resulting therefrom upon the owner of such vehicle.

SECTION 29. No person, organization or corporation may sell any merchandise or services on any public park or playground, nor erect or maintain a booth, stand, tent or apparatus of any kind for the purpose of a financial profit, after July 1, 1965.

SECTION 30. No utility company shall install or construct, except by way of replacement or upgrading of existing facilities, any poles, overhead wires or associated overhead structures upon, along or across any public way within the Town of Milton. Any person violating this Section shall be punished as provided by General Laws, Chapter 166, Section 22C.

SECTION 31. No person shall sell, solicit or display goods, articles, wares or merchandise upon the public ways of the Town unless duly licensed to do so by first having obtained a written permit from the Board of Selectmen.

SECTION 32. It shall be unlawful for anyone to solicit from house to house for the sale of any articles or thing in the Town from sunset to sunrise on any day, or at any time on Sunday or any legal holiday.

GENERAL BYLAWS

CHAPTER 6A

School Traffic Control

SECTION 1. There shall be a School Traffic Control Unit in the Police Department consisting of not less than five nor more than twelve female Special Police Officers appointed by the Board of Selectmen to serve at the pleasure of the Board. The duties of such special police officers shall be supervised by and be under the direction of the Chief of Police.

SECTION 2. Special Police Officers appointed under this Chapter shall be designated as School Traffic Supervisors and shall have all the power and authority of regular police officers in the enforcement of Chapter 90 of the General Laws and Acts and amendments thereof and in addition thereto, and of all other laws and of the Bylaws of the Town relating to the operation, standing or use of vehicles.

CHAPTER 6B

Traffic Commission

SECTION 1. A Town Traffic Commission is hereby created.

SECTION 2. The Traffic Commission shall be composed of five members as follows:

Chief of the Police Department

Chief of the Fire Department

Town Engineer

Superintendent of Highways

Director of Safety of the Milton Public School Department, or if such is a non-resident, then the fifth member to be selected by the other members.

SECTION 3. The members of the Traffic Commission shall receive no compensation for their services as commissioners, but all expenses incurred shall be paid by the Town out of an appropriation for such services.

SECTION 4. The Chief of Police shall act as the Chairman of the Traffic Commission.

SECTION 5. The Traffic Commission shall designate one of its members as Secretary. The Secretary shall arrange meetings, supply records, obtain data, prepare reports and attend to such other duties as shall be decided by the Traffic Commission.

SECTION 6. The Traffic Commission shall study the traffic situation in the Town and shall suggest and advise the Selectmen in ways and means to regulate traffic in the Town and recommend changes and amendments to the Traffic Rules and Orders of the Town with a view towards reducing accidents and relieving traffic congestion.

SECTION 7. All Bylaws, Traffic Rules and Orders, complaints or suggestions relative to traffic conditions in the Town shall first be submitted through the Secretary of the Traffic Commission to that Commission for study and recommendation before being acted on by the Selectmen.

CHAPTER 7

Building Code

Chapters 7 and 8 were amended in 1934 by being renumbered as Chapter 7.

The title of said Chapter was amended by striking out the words "Building and Plumbing Laws", and inserting in place thereof the words:—BUILDING CODE—.

GENERAL BYLAWS

Amendments to Chapter 7 have been made at the Annual Town Meetings held March 9, 1935, March 14, 1936, March 12, 1938, March 13, 1948, March 12, 1949, March 19, 1955, March 8, 1958, March 12, 1960, March 11, 1961, March 10, 1962, March 9, 1963, March 13, 1965, March 11, 1967, March 9, 1968, and March 13, 1971.

The Building Code is available in pamphlet form in the Building Inspector's office.

CHAPTER 8

Town Ways

SECTION 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than fifty feet in width, provided, however, that upon written certification by the Planning Board, with respect to the layout of a particular way, that the requirement of a width of fifty feet will cause practical difficulty or unnecessary hardship, such way may be laid out less than fifty feet in width.

SECTION 2. If an existing private way the fee of which is in the abutters shall be laid out for the acceptance of the Town as a town way such way shall not be accepted unless and until the Selectmen shall have certified in writing that such way is well built, and as constructed it is equal to the average construction of existing highways of the Town; provided, however, that this section shall not apply to ways laid out subject to the provisions of law relating to the assessment of betterments and shall not apply to ways shown on plats approved by the Planning Board and constructed in accordance with rules and regulations of the Planning Board.

CHAPTER 9

Billboards

SECTION 1. No person or corporation shall erect or maintain a billboard sign or other outdoor advertising device, except as provided in Section 32 of Chapter 93 of General Laws, on any location within three hundred feet of any public park or playground of Metropolitan Park or Parkway, if within public view from any portion of such parks, playgrounds or parkways; or within three hundred feet of any other public way and within public view from any portion of the same, if such billboard, sign or device exceeds five feet in height or eight feet in length, and no billboard, sign or device placed within three hundred feet of any such public way and within public view shall be nearer than fifty feet to any other such billboard, sign or device; or at the corner of any public ways and within the radius of one hundred and fifty feet from the point where the center lines of such ways intersect; or in any place unless the lowest portion of such billboard, sign or device is at least three feet from the ground, and the entire structure, including its braces and supports, is maintained in good repair, painted, and free from accumulation of rubbish and filth and from the pupae, eggs and caterpillars of gypsy and brown-tail moths and other tree and shrub destroying pests; provided that this section shall not apply to signs or other devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertise the property itself or any part thereof if for sale or to let.

CHAPTER 10

Zoning

SECTION I. Definitions.

4. In this bylaw the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meanings:

1. *Street*. The word "street" shall include public ways established by or main-

GENERAL BYLAWS

tained under public authority, private ways open for public use, and private ways plotted or laid out for ultimate public use, whether or not constructed.

2. *Lot.* A "lot" is a single area of land in one ownership defined by metes, bounds or boundary lines in a recorded deed or on a recorded plan. After this bylaw is adopted new lots may be established by recording the same or by filing with the Building Inspector as a part of an application for a building permit the plan of the lot appurtenant to the building signed by the owner or owners of the lot and defining the lot by metes and bounds on such plan. In determining lot areas no part thereof within the limitation of the street shall be included.
3. *One Ownership.* The term "one ownership" means an undivided ownership by one person or by several persons whether the tenure be joint, in common, or by entirety.
4. *Recorded.* The term "recorded" or "of record" means recorded or registered in the Norfolk County Registry of Deeds or a record title to a parcel of land disclosed by any or all pertinent public records.
5. *Building.* The word "building" shall include "structure."
6. *Erected.* The word "erected" shall include the words "built," "constructed," "reconstructed," "altered," "enlarged," and "moved."
7. *Frontage.* Frontage of a lot is the distance measured in a straight line between the points where the side boundary lines of the lot intersect the side line of the street which provides access to the lot.
8. All references to the time of adoption of this bylaw shall mean February 10, 1938.

SECTION II. Establishment of Districts.

A. Classes of Districts. The Town of Milton is hereby divided, as shown on the Zoning Map entitled "Map of Milton, Massachusetts, showing Zoning Districts," dated January 7, 1938 and filed with the Town Clerk, and hereby declared a part of this bylaw, into five classes of districts:

1. Residence A districts;
2. Residence B districts;
3. Residence C districts;
4. Business districts;
5. Residence D districts.

B. Boundaries of Districts. The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this bylaw. The boundaries of Residence A Districts, Residence B Districts, Residence C Districts and Residence D Districts shall be as shown on the Zoning Map. Unless otherwise specifically indicated on the Zoning Map the boundaries between districts are either the center lines or streets of boundary lines of lots, or lines parallel to and a dimensioned distance from the nearest side lines of streets.

(Zoning map changed by votes passed under Article 57 at the March 9, 1940 Town Meeting, at the March 8, 1947 Town Meeting under Article 57 and at the March 8, 1958 Town Meeting under Article 48, and at the November 18, 1969 Special Town Meeting under Article 3.)

C. Lots in Two Districts. Where a district boundary line divides a lot recorded prior to the time this bylaw is adopted, the regulations and restrictions of the less restricted portion of such lot shall govern such portion of such lot as shall be within the more restricted district and shall lie within thirty feet of said boundary line, provided the lot has a frontage on a street in the less restricted district.

SECTION III. Use Regulations.

A. Residence A, B, and C District Uses. In a Residence A, B, C District, except as herein otherwise provided, no building or land shall be used and no building shall

GENERAL BYLAWS

be erected or altered which is intended or designed to be used for a store or shop, or for manufacturing or commercial purposes, or for other purposes except one or more of the following:

1. Detached one-family dwelling;
2. Church;
3. Educational use, not conducted for profit;
4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure;
5. Municipal use, other than housing of any kind whether controlled by a Milton Housing Authority or otherwise.
6. Accessory use on the same lot with and customarily incident to any of above permitted uses, or to the uses permitted in accordance with the following sub-section numbered 7, and not detrimental to a residential neighborhood;
7. Any of the following uses, if authorized by permit issued by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit;
 - (a) Private clubs not conducted for profit;
 - (b) Cemetery, not conducted for profit;
 - (c) The garaging or maintaining of more than three automobiles when accessory to a dwelling;
 - (d) Greenhouse or nursery selling only produce raised on the premises;
 - (e) Charitable or philanthropic use (including hospital or sanitarium) not conducted for profit, but not including any use described in paragraph D. of this Section.
 - (f) Riding stable;
 - (g) Public utility or public communications building not including a service station or outside storage of supplies;
 - (h) A two-family house (as defined below) if the lot on which it will stand lies between two lots on which are buildings designed for occupancy by two or more families each, located on the same side of the street and less than 100 feet apart. A two-family house is a residential building fitted to be occupied by two families which are independent of each other as regards the preparation of food;
 - (i) A dwelling used primarily and principally for residential purposes may be used incidentally but without public display of goods or wares, or signs except as permitted in subsection *B 1* (g) hereof, for the sale of foods or of goods of home manufacture prepared or made therein by the occupants of such dwelling, for the operation of a telephone answering service, or for other incidental purposes which are not primarily industrial, trade, manufacturing, or commercial purposes, provided, in each case, the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood;
 - (j) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A.

GENERAL BYLAWS

B. Accessory Use in Residence A, B and C Districts.

1. In Residence A, B and C Districts the following are hereby specifically declared not to be "accessory uses" within the meaning of this bylaw;
 - (a) The garaging or maintaining on any lot of a total of more than three registered automobiles at any time, or the maintaining of any unregistered automobile whether assembled or disassembled unless such unregistered automobile is stored within an enclosed building, unless a Special Permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
 - (b) The maintaining on any lot of any commercial automobile, except in the case of a lot used for agriculture or for a municipal use, except that one such commercial vehicle may be maintained provided that such commercial vehicle is garaged.
 - (c) The garaging or maintaining on any lot used for agriculture of more than four commercial automobiles;
 - (d) The sale of produce not raised on the premises unless, in the case of a commercial greenhouse established and doing business prior to the adoption of this bylaw, a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
 - (e) The accommodation of, or renting space to, more than four lodgers, boarders or paying guests;
 - (f) Accessory use shall not include dwellings, except that there may be constructed as part of a garage or stable, family living quarters for and to be occupied only by an employee of the owner or occupant of the dwelling to which such garage or stable is an accessory use; provided, however, that such employment is of the type customarily incident to the use of said dwelling;
 - (g) An accessory use shall not include an advertising sign except a real estate sign not over four square feet in area advertising for sale or rent the property on which it is placed, but may include a sign not over one square foot in area, bearing a name and the designation of any authorized occupation and being such a sign as is customarily used for a purpose permitted by this section of this bylaw; but no political sign of any size shall be considered an accessory use.

C. Business District Uses. In a Business District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious or offensive to a neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatsoever except the following purposes:

1. Any use permitted in a Residence A, B or C District;
2. Offices, banks, assembly halls or places of amusement;
3. Signs permitted in a Residence A, B or C District and signs advertising goods or services offered by an occupant of the premises for sale, hire or use; but no signs shall be illuminated, directly or indirectly, and no such signs shall be over four square feet in area.
4. Retail or wholesale stores, shops for custom work where the product is sold directly by the producer to the consumer, places where services are performed, places of the building trades, sales rooms and repair shops for motor vehicles, garages, filling stations, storage warehouses, restaurants and other

GENERAL BYLAWS

places for serving food and drink, places of business of bakers, dyers, confectioners, launderers, photographers, printers and undertakers. Other uses of substantially the same character may be permitted only if authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit all in accordance with the provisions of Section VIII, C.

5. Any of the following uses, if authorized by permit issued by the Board of Selectmen and subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Selectmen and made a part of the permit. As a basis for such permit the Board of Selectmen must be satisfied that such use will not have any substantially detrimental or injurious effect on the neighborhood.
 - (a) Signs of the kind and for the purposes permitted in Subsection 3 above, if they are to be illuminated directly or indirectly or if they are to be larger in area than four square feet;
 - (b) Outside lighting used only in connection with advertising goods or services offered by an occupant of the premises for sale, hire or use;
 - (c) Signs or outside lighting not used for advertising but used only in connection with celebrating holidays or public occasions.

D. *Residence D. Use.* In a Resident D District, except as herein otherwise provided, no building or land shall be used and no building shall be erected or converted except for the following purposes:

1. To provide Housing for the Elderly, such housing to be owned and operated only by either a private non-profit organization or by a local Housing Authority established under General Laws Chapter 121 Section 26K, as it may from time to time be amended, or owned and operated jointly by such organizations so far as permitted by law.
2. For the purposes of this Section a "private non-profit organization" shall mean a corporation, foundation or other organization no part of the net earnings of which inures to the benefit of any private shareholder or individual, which has been granted tax-exempt status under applicable state and federal laws, and which obligates itself to pay taxes annually to the Town of Milton on its real estate used for Housing for the Elderly or to make annual payments in lieu thereof to the Town, in the latter case the payments to be in such amount as shall be approved from time to time by the Milton Board of Assessors.
3. If any part of land included in a Limited Residence D District is not being used for Housing for the Elderly, the owner may apply to the Board of Appeals for a special permit to use said part of the land for any use permitted in a Residence A, B, or C District. If the permit is granted, all provisions in this by-law applicable to the most appropriate Residence District shall apply and the Board of Appeals shall determine whether the land for which the permit is granted shall be governed by the provisions of a Residence A, B, or C District. While any such permit is in force any such land shall be free of all restrictions and conditions applicable to the use of land for Housing for the Elderly and need not be owned or operated by a non-profit corporation or Housing Authority. Land subject to such a permit may at any time, on application of the owner or with his consent, be redesignated by the Board of Appeals for the primary use of the Section D.
4. On each lot in a Residence D District, permitted accessory uses shall include one separate building, not exceeding one story in height, to house snow removal and mowing machines, garden and other tools and other equipment required to maintain and service the Housing for the Elderly buildings erected on said lot and shall include such other accessory uses as are customarily incident to such Housing. Signs, except to indicate vacancies, shall not be acceptable as an accessory use.

GENERAL BYLAWS

SECTION IV. **Non-conforming Uses of Buildings and Land.**

A. Continuation of Non-conforming Uses of Building and Land. Any building or use of a building or use of land or part thereof lawful and existing at the time this bylaw is adopted may be continued, unless and until abandoned, although such building or use does not conform to the provisions hereof. In any event, non-use of such land or building for a period of three years shall constitute abandonment thereof. No increase in the extent of the non-conforming use of the building or land may be made except that any such non-conforming building may be added to, enlarged, reconstructed or replaced, and such addition, enlargement, reconstruction or replacement used for the purpose, or for a purpose substantially similar to the purpose, for which the original buildings may lawfully be used if authorized by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit. As a basis for such permit the Board of Appeals must be satisfied that such addition, enlargement, reconstruction or replacement and the use to be made thereof will not substantially increase any detrimental or injurious effect of the building or use on the neighborhood.

SECTION IV A. **Earth Materials Removal.**

1. The removal of sod, loam, soil, clay, sand, gravel, or stone from any land in the Town of Milton not in public use to any location outside of said Town is hereby prohibited, and any such removal within said Town is hereby prohibited except as may be authorized in any zoning district by a permit issued by the Board of Appeals and except such removal as is permitted by paragraph 3 of this section. No such permit shall be issued except upon written application therefor to the Board of Appeals with copy to the Planning Board and after a public hearing on such application by the Board of Appeals. Such application shall include a diagram to scale of the land concerned, indicating existing and proposed elevations in the area to be excavated and stating the ownership and boundaries of the land for which such permit is sought, the names of all adjoining owners as found in the most recent tax list and the approximate locations of existing public and private ways nearest such land. Notice of said public hearing shall be given by publication in a newspaper published in or of general circulation in Milton eight (8) days at least before the date of such hearing.

2. A copy of any permit granted hereunder by the Board of Appeals, stating all of the conditions imposed, if any, including but not limited to limitation of such removal in:

- (a) extent of time,
- (b) area and depth of excavation,
- (c) steepness of slopes excavated,
- (d) distance between edge of excavation and neighboring properties or ways,
- (e) temporary or permanent drainage,
- (f) the posting of security or bond,
- (g) the replacement of not less than six (6) inches of topsoil over the whole of any area from which earth materials are removed where the location of such removal is afterward to become a residential sub-division, or,
- (h) in the case of continuing sand or gravel pit operations in one general locus, re-covering the finished cut banks with a minimum of four (4) inches of topsoil;

GENERAL BYLAWS

or a copy of the denial by the Board of Appeals of any application for such, stating the reasons for such denial shall be mailed forthwith by the Board to the parties in interest, including also the Planning Board and the Building Inspector.

3. The provisions of this section shall be deemed not to prohibit the removal of such sod, loam, soil, clay, sand, gravel or stone as may be required to be excavated for the purposes of constructing foundations for buildings or other allowable structures for which building permits have been issued, or for the purpose of constructing ways in accordance with lines and grades approved by the Planning Board or by the Board of Appeals or for the purpose of constructing utilities or other engineering works for public service. Nor shall this regulation be deemed to prohibit the transferral of sod, loam, soil, clay, sand, gravel, or stone from one part of a lot, tract or parcel of land to another part of the same lot, tract, or parcel of land in the same ownership.

SECTION IV. B. Wetlands Regulations

1. The purpose of this section is to provide for the reasonable protection and conservation of certain irreplaceable natural features, resources and amenities for the health, safety and welfare of the present and future inhabitants of the Town. For this purpose, the following terms shall have the meanings herein ascribed to them.

- a. *Stream*. Any natural watercourse, generally containing water, through and along which water may flow from a pond, swamp, spring or similar body of water to another, to another stream, or to the ocean.
- b. *Tidal river*. Any stream in which action of the oceanic tide causes the water to ebb and flow or the water level therein to rise and fall with some regularity, exclusive of hurricane tides irrespective of any actual incursion or admixing of oceanic salt water.
- c. *Marsh*. Any essentially flat, frequently wet and occasionally flooded area adjoining open water along the shores of a pond or the banks of a stream and lying between such open water and the adjacent natural or artificial upland.
- d. *Tidal Marsh*. Any marsh area in which action of the oceanic tide causes a change in the water level from time to time, exclusive of hurricane tides or tidal waves and any marsh area developed and maintained by incursion of oceanic salt water or by action of the oceanic tide.
- e. *Swamp*. Any depressed area of poor drainage in which the water table is generally at or above the ground level, not caused or affected by salt water or action of the oceanic tide.
- f. *Pond*. Any body of open water, other than a stream or the ocean, habitually more than 5,000 square feet in area.

2. Any person wishing to perform, or cause to be performed, any of the following acts or operations shall first obtain a special permit from the Board of Selectmen after a duly advertised public hearing.

- a. Obstructing, filling, dredging, excavating or changing the course of any stream or tidal river.
- b. Filling or excavating within any part of any swamp, marsh or tidal marsh or in or along the shore of any pond so as to alter the shore line.

Notice of such hearing shall be given pursuant to the provisions of Section XIII of this Chapter.

GENERAL BYLAWS

3. In granting a permit for any of the foregoing, the Board of Selectmen shall be guided by current State and Federal laws and regulations pertaining to such acts of operations and shall take into consideration any recommendations of the Conservation Commission pertaining thereto.

SECTION V. Height Regulations.

A. Building Heights in Residence A, B and C Districts. In a Residence A, B or C District no building shall be erected or altered to exceed two and one-half stories in height unless it is set back from each street and lot line 15 feet farther than is required by Section VI. No building shall in any event exceed three stories in height. The term "half-story" shall mean a story in a sloping roof, the area of which story at a height four feet above the floor does not exceed two-thirds the floor area of the story immediately below it.

B. Building Heights in Residence D Districts. In a Residence D District no building used for Housing for the Elderly shall exceed a maximum of 35 feet in height above that point in the center line of the street or way adjacent to the building which is directly opposite the principal entrance thereof, subject to the exceptions in paragraph D. of this Section and provided further, that the permitted height may be increased to not more than 65 feet if authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit.

C. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

D. Height Exceptions. Chimneys, elevators, poles, spires, tanks, towers, and other projections not used for human occupancy may extend above the height limits herein fixed.

SECTION VI. Area Regulations.

A. Lot Sizes and Frontages.

1. In a Residence A District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 40,000 square feet each and having each a frontage of not less than 150 feet,

GENERAL BYLAWS

and not more than one dwelling shall be erected on each such lot except that (a) a lot recorded at the time of the adoption of this bylaw or, if not so recorded, if authorized by permit from the Board of Appeals, containing less than 80,000 and more than 64,000 square feet may be divided into lots containing not less than 32,000 square feet each and each having a frontage of not less than 150 feet, and one dwelling may be erected on each such lot, and (b) if a lot recorded at the time of the adoption of this bylaw or, if not so recorded, if authorized by permit from the Board of Appeals, contains more than 80,000 square feet and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and (c) one dwelling may be erected on a lot containing less than 40,000 square feet, or having a frontage of less than 150 feet, if such lot was recorded at the time of the adoption of this bylaw, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot. No such adjoining land or any part thereof shall be deemed "available for use" (as that phrase is used in this subsection (c)) if such land is a parcel which was so recorded, on which at the time of such adoption a dwelling existed, and which then contained no more than 40,000 square feet and had a frontage of no more than 150 feet.

2. In a Residence B District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this bylaw is adopted, as hereinbefore provided, containing not less than 20,000 square feet each and having each a frontage of not less than 100 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot recorded at the time of the adoption of this bylaw or, if not so recorded, if authorized by permit from the Board of Appeals, containing less than 40,000 and more than 32,000 square feet may be divided into lots containing not less than 16,000 square feet each and each having a frontage of not less than 80 feet, and one dwelling may be erected on each such lot, and (b) if a lot recorded at the time of the adoption of this bylaw or, if not so recorded, if authorized by permit from the Board of Appeals, contains more than 40,000 square feet and if after division into as many lots as practicable, each containing not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and (c) one dwelling may be erected on a lot containing less than 20,000 square feet, or having a frontage of less than 100 feet, if such lot was recorded at the time of the adoption of this bylaw, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot. No such adjoining land or any part thereof shall be deemed "available for use" (as that phrase is used in this subsection (c)) if such land is a parcel which was so recorded, on which at the time of such adoption a dwelling existed, and which then contained no more than 20,000 square feet and had a frontage of no more than 100 feet.

GENERAL BYLAWS

3. In a Residence C District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 7,500 square feet each and having each a frontage of not less than 75 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot recorded at the time of the adoption of this bylaw or if not so recorded, if authorized by permit from the Board of Appeals, containing less than 15,000 and more than 12,000 square feet may be divided into lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and (b) if a lot recorded at the time of the adoption of this bylaw or, if not so recorded, if authorized by permit from the Board of Appeals, contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and (c) one dwelling may be erected on a lot containing less than 7,500 square feet, or having a frontage of less than 75 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot. No such adjoining land or any part thereof shall be deemed "available for use" (as that phrase is used in this subsection (c)) if such land is a parcel which was so recorded, on which at the time of such adoption a dwelling existed, and which then contained no more than 7,500 square feet and had a frontage of no more than 75 feet.
4. (a) in a Residence D District no building or buildings shall be erected or maintained to furnish Housing for the Elderly except on a lot containing not less than 100,000 square feet and having a frontage of not less than fifty (50) feet, and no such building or buildings, shall in the aggregate cover more than 25% of said lot. And no building or buildings shall be converted for such use without a permit from the Board of Appeals, and (b) each such building shall have three or more independent dwelling units consisting of a room or suite of rooms, its own bath and toilet facilities, and its own kitchen facility. Each such building may also include central kitchen and dining facilities for providing meals to residents thereof and their guests but not to the public and may also provide lounge rooms for the common use of residents and their guests. In one of such buildings, a unit may be included for occupancy by the manager of the project and his immediate family, one room of which may be used as an office, and (c) except for the unit to be occupied and used as aforesaid by the manager, no unit in such a building shall be occupied unless at least one of the tenants is a person who is sixty-two years of age or over.
5. Reserved for future use.

GENERAL BYLAWS

6. Notwithstanding the foregoing provisions of this section, if adjacent lots, any of which has less area or frontage than required by this section, are recorded as all in the same ownership at the time this bylaw is adopted, and if (a) substantial expenditures have been incurred, prior to that time, toward the improvement of these lots or approved ways giving access thereto, or toward utilities serving such lots, which improvements or utilities would be diminished in value in a substantial amount by a literal enforcement of the terms of this section, or if (b) adjoining areas have been, prior to that time, developed to a substantial extent by the construction of houses on lots generally smaller than is prescribed by this section and the standard of the neighborhood so established does not reasonably require a subdivision of the applicant's land into lots as large as is hereby prescribed, then the owner of these lots may apply to the Board of Appeals for relief from the terms of this section as applying to any of these lots, and the Board of Appeals may grant such relief by making special exceptions to the terms of this section, subject to appropriate conditions and safeguards in harmony with the general purpose and intent of this bylaw, where desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this bylaw.

B. Front Yards.

1. In a Residence A or D District no building shall be erected within 30 feet of the line of the street on which it fronts, provided that no building need be set back more than 30 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 30 feet being counted as though occupied by a building set back 30 feet.
2. In a Residence B District no building shall be erected within 25 feet of the line of the street on which it fronts, provided that no building need be set back more than 25 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet being counted as though occupied by a building set back 25 feet.
3. In a Residence C District no building shall be erected within 20 feet of the line of the street on which it fronts, provided that no building need be set back more than 20 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 20 feet being counted as though occupied by a building set back 20 feet.
4. In Residence A, B and C Districts no part of an accessory building shall be located within 40 feet of the front line of the lot, unless such accessory building is within the body of a dwelling or attached to a dwelling and such accessory building complies with the setback from said front line established for such dwelling.

GENERAL BYLAWS

C. Side Yards.

1. No building except a one-story building of accessory use shall be erected or maintained in a Residence A District within 15 feet of a side lot line, or within 30 feet of any other building on an adjacent lot, in a Residence B District within 12 feet of a side lot line or within 24 feet of any other building on an adjacent lot, or in a Residence C District within 10 feet of a side lot line, or in a Residence D District within twenty (20) feet of a lot side line.
2. No building of accessory use shall be erected or maintained within 10 feet of a side lot line in a Residence A District or a Residence B District nor within 8 feet of a side line in a Residence C District.
3. On a lot abutting on two intersecting streets no building shall be erected or maintained in a Residence A District within 30 feet, in a Residence B District within 25 feet, and in a Residence C District within 20 feet of the line of the side street.
4. The provisions of this section shall not reduce to less than 26 feet the buildable width of any lot in a Residence A, B or C District recorded at the time this bylaw is adopted, provided, however, that no building shall extend within 6 feet of any side lot line, and provided further that where a building is erected less than 10 feet from either side line by virtue of the provision of this paragraph 4 the buildable width shall not exceed 26 feet.
5. In a Business District no building shall be erected or maintained within 6 feet of a side line of any lot unless the wall adjoining such side be either a party wall or a wall with its outer face coincident with the lot side line.

D. Rear Yards.

1. In a Residence A, B or C District no building except a one-story building of accessory use shall be erected or maintained within 30 feet of the rear lot line, provided that no building need be set back from the rear lot line more than 30 per cent of the mean depth of the lot.
2. In a Business District no dwelling shall be erected or maintained within 20 feet of the rear lot line, and no other building shall be erected or maintained within 12 feet of a rear lot line of any lot unless the wall adjoining such rear lot line be either a party wall or a wall with its outer face coincident with the rear lot line.
3. No building of accessory use shall be erected or maintained within 10 feet of a rear lot line in a Residence A District nor within 8 feet of a rear lot line in a Residence B or a Residence C District, nor within fifteen (15) feet of a rear lot line in a Residence D District.

E. Appurtenant Open Space.

No yard or other open space required for a building by this bylaw shall, during the existence of such building, be occupied by or counted as open space for another building.

GENERAL BYLAWS

F. Projections.

Nothing herein shall prevent the projection of steps, eaves, chimneys and cornices not exceeding 18 inches in width, windowsills, or belt courses into any required yard or open space.

G. Corner Clearance.

On lots in Residence A, B, C and D Districts no building, fence, or other structure shall be erected and no tree, shrub or other planting shall be planted, or allowed to exist, which prevents an unobstructed view through the space between 4 feet and 8 feet above the ground within the area formed by the intersecting side lines forming the corner of the intersecting streets and a line joining points on such lines 25 feet distant from the point of intersection in a Residence A District, or 20 feet distant from the point of intersection in a Residence B or a Residence C District, provided, however, that where consideration of public safety requires, the clearance area shall be determined by the Town Engineer, the Building Inspector, and the Chief of Police, acting jointly.

H. Landscaping.

In all Residence D Districts being used for Housing for the Elderly, there shall be provided suitable landscaping adequate to screen parking and service areas from public or private ways and adjacent properties.

I. Parking, Ways and Lighting.

1. In a Residence D District being used for Housing for the Elderly, off-street parking shall be provided which may be either indoor or outdoor or a combination thereof. At least one parking space shall be provided for each unit contained in each residence building.
2. In a Residence D District being used for Housing for the Elderly, driveways within each lot, including those for ingress and egress, shall be thirty (30) feet in width, with twenty (20) feet paved for the use of vehicles and with two (2) sidewalks each five (5) feet in width. Adequate lighting shall be provided for driveways, and driveways and parking areas shall be suitably graded and provided and maintained with a permanent dust-free surface, adequate drainage and bumper guards when needed for safety.

J. Cluster Developments.

The purpose of this subsection relating to Cluster Development, that provides for planned development of single family detached dwellings in residence districts at no greater density than would otherwise be allowed for but with larger open spaces between groupings of dwellings, is to encourage the preservation of open space and to promote the more efficient use of land in harmony with its natural features within the general intent of the Zoning Bylaw.

1. A Cluster Development is a complex of detached one-family dwellings located on a parcel of land in one ownership having an area of not less

GENERAL BYLAWS

than 10 acres established by the owner (herein called the Developer) and the Development shall be so laid out that there shall be groups of dwellings within the complex with suitable open spaces surrounding them.

2. No Cluster Development shall be established except under a special permit issued by the Board of Appeals as provided in this sub-section J. and in Section VIII. C.
3. A Cluster Development may be located only in a Residence A or Residence B District or in an area lying in both Districts, except that the Board of Appeals may permit the inclusion in the Development of small areas of land located in a Residence C District if the inclusion is reasonably necessary to round out parts of buildable lots or open land.
4. In a Cluster Development no detached one-family dwelling shall be erected or maintained except on lots containing not less than 20,000 square feet each and having each a frontage of not less than 75 feet, and not more than one such dwelling shall be erected on each such lot.
5. Every Cluster Development shall include "open land" which, for the purpose of this subsection J., means land within the Development available for open space, recreation, flower gardens, landscaping and land left in its natural state, and, if approved by the Board of Appeals, for other similar purposes consistent with the Development and the character of the neighborhood. No land shall be counted as open land which is included in a lot on which the erection or maintenance of a dwelling is permissible. (Such lots are hereinafter referred to as "buildable lots.") No land set aside for streets shall constitute open land. Neither shall land be so counted which, in the opinion of the Board of Appeals, is unsuitable for use as open land because, for example, it is wet, swampy, dangerous, or otherwise unsuitable as a buildable lot or subject to rights or easements inconsistent with purposes of open land in a Cluster Development in Milton.
6. At least 25 percent of the entire area of the Cluster Development shall be open land and used for no other purposes, except for underground utility services necessary for the Development, and for parking to the extent permitted by the Board of Appeals.
7. In a Cluster Development the number of buildable lots shall not exceed the number of lots that would be allowed if a special permit were not applied for under this subsection J.
8. The Cluster Development shall be so laid out that each buildable lot abuts open land having an area of not less than one acre and the minimum width of such open land between any group of buildable lots and adjacent property and between every two groups of buildable lots within the Cluster Development is at least 50 feet.
9. Every dwelling in a Cluster Development shall be set back from the street on which it is located to a place on its lot where the lot width is

GENERAL BYLAWS

at least 100 feet and the distance from the nearest point of the building from the street is at least 30 feet; and the other sides of the building shall be set back at least 15 feet from any other lot line and 30 feet from any building on an adjacent buildable lot.

10. With respect to Cluster Developments, matters relating to appurtenant open space and projections shall be governed by Section VI. E. and F. and matters relating to corner clearance at intersecting streets shall be governed by the provisions of Section VI. G. as if the entire Development were in a Residence B District.
11. No accessory building on a buildable lot shall be located within 40 feet of a street unless it is within the body of the dwelling or attached thereto and the accessory building complies with the set back from the street established for the building; and any such accessory building shall also set back at least 10 feet from all other lot lines.
12. All utilities, including wiring for lights on open spaces, paths and drive-ways, shall be placed underground.
13. On open land only structures such as lamp posts, small sheds for tools or sports equipment, fences, including the kind enclosing a tennis court or swimming pool, bath houses and other structures for accessory uses incidental to open land in a Cluster Development, shall be permitted and the number of such accessory structures and their locations, uses and sizes shall be subject to approval by the Board of Appeals, provided however that all such uses together with such parking areas as may be permitted under Paragraph 6 shall not involve the use of more than 20% of all the open land in the Cluster Development.
14. The Developer shall include in his overall plans for the Development:
 - (a) provisions whereby the title to all open land shall be always and only vested in a non-profit corporation, the members of which shall be all and only those having title from time to time in fee simple to the buildable lots within the Development;
 - (b) provisions whereby the said corporation under its charter and by-laws shall have the exclusive right to manage and maintain the open land, determine the uses thereof and the construction, use and maintenance of facilities thereon, all as permitted under the Zoning Bylaw;
 - (c) provisions whereby all open land in the Cluster Development shall be always open to use at least by every regular occupant of any of the dwellings located in the Development, except that use of special facilities such as a swimming pool, tennis court or the like may be restricted to those who have and are contributing to the cost and maintenance thereof;
 - (d) provisions for owners of buildable lots to bear equitably the costs of said corporation and provisions for the imposition of real estate liens on the buildable lots of owners who fail to meet their said obligations;

GENERAL BYLAWS

- (e) provisions in the corporate charter that the open land shall be permanently dedicated and restricted to the open land uses incident to Cluster Developments in Milton and provisions that the open land shall not be mortgaged or pledged;
- (f) provisions that should said open land or the corporation be subjected involuntarily to any lien or the corporation be subject to dissolution or bankruptcy or receivership, the members of the corporation shall use all reasonable means to secure the discharge of any such lien and to arrange for the payment of any debt of the corporation; and provisions that each such member shall hold the corporation harmless and indemnify the corporation from all loss, cost or damage resulting from the use of the open land by that member or the members of his household; and
- (g) additional provisions whereby the said corporation when it acquires Title to the open land shall be bound to establish an Easement running to, the Town of Milton but vesting in the Town only if, notwithstanding provisions in (f) above, the corporation is dissolved. The terms of the Easement shall be such as to assure that the open uses of such land shall not be violated.

The rights and obligations set forth in the foregoing paragraphs numbered (a) through (g) shall be duly set forth in one or more legally binding and enforceable instruments prepared by the Developer and, when appropriate, shall be drawn so as to inure to the benefit of and be binding upon successors in title and the heirs, executors, administrators, successors and assigns of the parties; and in said instruments and the charter and bylaws of the corporation, provision shall be made foreclosing any right of amendment to or diminution of the rights and obligations described in said paragraphs (a) through (g), unless for cause shown the same shall be permitted by a court of competent jurisdiction.

- 15. Every application for a Cluster Development permit shall be filed with the Board of Appeals. The application and all required plans, drawings and documents shall be filed in duplicate and shall include samples of all instruments on which the Developer intends to rely to assure compliance with paragraph 14 of this subsection J. Plans and drawings shall be prepared by or under the direction of a Registered Professional Engineer or Registered Land Surveyor, stamped or sealed accordingly, and shall comply with all applicable rules of the Board of Appeals, the Subdivision Control Law, and the Rules and Regulations of the Planning Board pertaining to subdivisions and streets. The plans shall show all land immediately adjacent to the proposed Development, including nearby buildings and structures.
- 16. Every application under this Subsection J. shall be referred to the Planning Board before final action thereon is taken by the Board of Appeals.
- 17. The Board of Appeals shall transmit to the Planning Board a copy of every application for a Cluster Development permit, together with copies of all papers filed therewith or at anytime made a part thereof,

GENERAL BYLAWS

with a request that the Planning Board investigate the same and make such additional plans and reports as it deems necessary, and the Board of Appeals shall not set the application down for hearing until the Planning Board has filed a report on the applications with detailed recommendations, or has had a reasonable time to do so.

18. The Board of Appeals in addition to the provisions of Section VIII. C. shall take into account that every Cluster Development involves long term planning with respect to ten or more acres of land with at least one-fourth thereof permanently dedicated for open land use only, and the Board shall issue a permit for such a Development only if it is satisfied that the plan presented for approval is financially practical and will in reasonable probability be completed. The Board may set time limits for completion of parts of and the whole of a Cluster Development, and determine the order of construction.
19. After a Cluster Development permit has been issued, lines of buildable lots, the uses of open land, the uses and locations of structures thereon may be changed upon petition to the Board of Appeals and a public hearing, (with the provisions of paragraphs 16 and 17 applying) provided that the proposed change or changes do not substantially derogate from the intent and purpose of this subsection J.
20. The provisions of this subsection J. shall be construed as being additional to and in substitution for Section II. C. and all other provisions of Section VI. except subsections E., F. and G. Otherwise Cluster Developments shall be subject to all other provisions of this bylaw where the intent and context permits.

Section VII Parking Regulations

- A. *Parking Requirements in Residence A, B, and C Districts.* In a Residence A, B or C District no building shall be erected, altered or used for any of the purposes permitted by paragraphs A and B of Section III unless off-street automobile parking spaces shall be provided in connection with such erection, alteration or use as hereinafter set forth;
 1. Detached One-family Dwellings or a Two Family House (as defined by SECTION III, A. 7. (h) – one parking space for each family unit.
 2. Housing for the Elderly - at least one space for each unit contained in each residence building.
 3. All Other Places with Sleeping Accommodations, including hospitals, school and college dormitories, fraternity, sorority and lodging houses - one parking space for each sleeping room for single or double occupancy, or, where not divided into such rooms (as in a dormitory), one space for each two (2) beds.

GENERAL BYLAWS

4. Places of Public Assembly, including churches, meeting halls, auditoriums, gymnasiums and stadiums, libraries, museums, art galleries, community buildings, private clubs and lodges, restaurants and other eating establishments, theatres, bowling alleys, skating rinks and other amusements, bus depots and other passenger terminals - one parking space for each four (4) seats. Where benches are installed each two (2) lineal feet of bench shall equal one seat; where no fixed seats are used (as in a terminal or dance hall) each twenty (20) square feet of public floor space shall equal one seat.
 5. Recreational Uses, not involving intensive assembly, such as golf courses, riding stables, boat liverys and other like uses - sufficient parking spaces as shall be deemed adequate by the Board of Appeals to accommodate the automobiles of employees and patrons under average conditions.
- B. Parking Requirements in Business Districts.* In a Business District no building shall be erected, altered or used for any of the purposes permitted by SECTION III. C. unless off-street automobile parking spaces shall be provided in connection with such erection, alteration or use as hereinafter set forth;
1. Retail Stores and Offices, including salesrooms and showroom, consumer service establishments, public administration buildings, business and professional offices, executive and administrative offices, banks and other financial institutions - one parking space for each two hundred fifty (250) square feet of gross floor area. For the purposes of this Section, "gross floor area" means the total floor area contained within the exterior walls, including space used for heating and other utilities and for incidental storage.
 2. Other Business Uses, including places where services are performed, salesrooms and repair shops for motor vehicles, filling stations, garages, open air sales lots, restaurants and other places serving food and drink, places of business of bakers, dyers, confectioners, launderers, photographers, and undertakers and other business uses of substantially the same character permitted by the Board of Appeals in accordance with SECTION VIII. C. - sufficient parking spaces as shall be deemed adequate by the Board of Appeals to accommodate the automobiles of employees and patrons under average conditions.
 3. Storage, Distribution, Manufacturing and Industrial Uses, including places of the building trades, storage warehouses, wholesale showrooms, printing and publishing establishments, contractors' plants, lumber yards, laboratories, trucking terminals, and utility plants - one parking space for each two hundred fifty (250) square feet of gross floor area on the ground floor (as defined above), or one parking space for each

GENERAL BYLAWS

three (3) employees (based upon the maximum number employed at any one time), whichever requires the greater number of parking spaces.

- C. *Mixed Uses.* In the case of mixed uses, the parking spaces required shall be the sum of the requirements for the various individual uses, computed separately in accordance with this Section; parking spaces of one use shall be considered as providing the required parking facilities for any other use unless it can be clearly demonstrated to the Board of Appeals that the need for parking occurs at different times.
- D. *Pre-Existing Uses.* Any building or use of a building, or use of land or part thereof, lawful and existing at the time this Section is adopted, may be continued, unless and until abandoned, although such building or use does not conform to the provisions of this Section, provided however that any existing parking facilities which do not meet the requirements hereof shall not hereafter be reduced in size, or otherwise rendered more non-conforming. If there is a lawful change in said use of such land or building, or if such building is lawfully added to, enlarged, reconstructed or replaced, said new use may be undertaken and any such addition, enlargement, reconstruction or replacement may be made without there being compliance with this Section, but only if the new use or building change does not increase by 25% or more the number of off-street parking spaces that would have been required had compliance with this Section been necessary before the new use or building change.
- E. *Changes in Requirements.* Whenever after the date of adoption of this Bylaw, there is a change in the lawful use of the premises or in any unit of measurement specified in any of the foregoing paragraphs of this Section, and whenever such change creates a need for an increase or decrease of more than twenty-five (25) per cent of the number of off-street automobile parking spaces as determined by the provisions of this Section, more off-street parking spaces shall, and less spaces may, respectively, be provided within a reasonable time on the basis of the adjusted needs.
- F. *Location of Facilities.* Off-street automobile parking spaces to the extent required in this Section, may be provided either on the same lot or premises with the parking generator or on any lot or premises associated therewith a substantial portion of which, at least, is within three hundred (300) feet of such generator.

GENERAL BYLAWS

G. Design Standards.

1. A space of two hundred (200) square feet of appropriate dimensions for the parking of any automobile, exclusive of access drives or aisles, shall be considered as one (1) parking space.
2. Required spaces shall be in a parking lot designed with appropriate means of vehicular access to a street and to each space. Access to and from the lot shall be through designated driveways with openings or curb cuts not in excess of forty (40) ft. in width at the street line.
3. Said parking lot shall be provided and maintained with a dust-free surface with adequate drainage.
4. Required spaces shall be used for vehicular parking only, with no sales, dead storage, repair work, dismantling or servicing of any kind.

SECTION VIII. Administration.

A. Enforcement.

1. The Inspector of Buildings shall enforce the provisions of this bylaw. If the Inspector of Buildings shall be informed or have reason to believe that any provision of this bylaw or of any permit or decision thereunder has been, is being, or is about to be violated, he shall make or cause to be made an investigation of the facts, including the inspection of the premises where the violation may exist, and, if he finds any violation, he shall give immediate notice in writing to the owner or his duly authorized agent and to the occupant of the premises.
2. If, after such notice, such violation continues, with respect to any use contrary to the provisions of this bylaw, the Inspector of Buildings shall forthwith revoke any permit issued in connection with the premises, and shall take such other action as is necessary to enforce the provisions of this bylaw.
3. Where a special permit from or relief by the Board of Appeals is required pursuant to the provisions of this bylaw, or where an appeal from an order or decision of an administrative officer, or an appeal or petition involving a variance is pending, the Building Inspector shall issue no building permit until so directed in writing by said Board.

B. Submission of Plots.

All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this bylaw. A careful record of such applications and plots shall be kept in the office of the Building Inspector. Deviation from the terms and dimensions shown on the plot shall constitute violation of

GENERAL BYLAWS

the terms of the permit. In connection with furnishing Housing for the Elderly, the applicant for a permit shall file with the Building Commissioner detailed plans of all matters included in Section VI.1.2., and the Building Commissioner shall refer said plans to the Town Engineer for his advice before any permit is issued.

C. Occupancy Permit.

It shall be unlawful to use or permit the use of any land, building, or structure or part thereof which is erected or altered, wholly or partly, in its use or construction, or moved, or which has its open spaces in any way reduced, until the Building Inspector shall have certified on the building permit, or, in case no permit is required, shall have certified in a certificate of occupancy that the building and premises have been regularly inspected by the Building Inspector and apparently conform to the statutes and bylaws relating to the construction and occupancy of buildings and land in the Town of Milton.

SECTION IX. Board of Appeals.

A. Appointment.

The Board of Appeals is and shall be the board of appeal appointed from time to time pursuant to Chapter 7 of these bylaws known as the Building Code, and said board of appeal under said Building Code is hereby constituted the Board of Appeals pursuant to the provisions of General Laws (Ter. Ed.), Chapter 40A, as amended.

B. Notice.

When an appeal, application or petition is filed with the Board of Appeals pursuant to any of the provisions of this bylaw, the Board shall give notice thereof and hold a hearing pursuant to its rules and regulations and to the law. The Building Inspector shall be entitled to receive notice in all cases involving the issuance of a building permit.

C. Special Permits.

Where a special permit by the Board of Appeals is required pursuant to the provisions of this bylaw, the applicant shall make written application and shall show to the satisfaction of the Board, in addition to any specific requirements herein or in the law contained, that the desired relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this bylaw. The Board of Appeals may make appropriate conditions and limitations necessary in its opinion to safeguard the legitimate use of the property in the neighborhood and the health and safety of the public, such conditions and limitations to be stated in writing by the Board and made a part of the permit.

D. Variances and Appeals.

Appeals from an order or decision of an administrative officer and appeals or petitions involving variances from the terms of this bylaw shall be dealt with by the Board of Appeals in accordance with the provisions of General Laws (Ter. Ed.), Chapter 40A, as amended.

GENERAL BYLAWS

E. Relief.

When relief is applied for pursuant to the provisions of Section VI, A, 5 hereof the applicant shall file with the Board a plan, map, drawing, or document sufficient clearly to show all of the local real estate holdings of the applicant in the neighborhood, the date or dates of the recording of the lots involved; and such other pertinent documentary evidence as the Board may require, and shall show to the satisfaction of the Board that the facts requisite for such relief exist.

SECTION X. Other Bylaws, Rules or Regulations.

The provisions of this bylaw shall be construed as being additional to and not as annulling, limiting or lessening to any extent, whatsoever the requirements of any other bylaw, rule or regulation, provided that, unless specifically excepted, where this bylaw is more stringent it shall control.

SECTION XI. Penalty.

"Any person, firm or corporation who violates, disobeys, neglects, or refuses to comply with any of the provisions of this Bylaw shall be fined in a sum not to exceed fifty dollars (\$50.00) for each offense;

SECTION XII. Validity.

The invalidity of any section of provision of this bylaw shall not invalidate any other section or provision hereof. If for any reason the area requirements in any district shall be or become invalid or inoperative, then the area requirements of the next less restricted district shall be and become the area requirement for such more restricted district.

SECTION XIII. Amendments.

The Planning Board, upon petition of not less than ten citizens of the Town, or upon its own initiative, shall from time to time hold public hearings for the consideration of proposed amendments to the Zoning Map or to this bylaw and report to a regular or special Town Meeting its recommendations as to what action should be taken. Notice of the time and place of such public hearings and of the subject matter, sufficient for identification, shall be published in a newspaper of general circulation in the Town in each of two successive weeks, the first publication being not less than fourteen days before the day of such hearing.

CHAPTER 11

Planning Board and Board of Appeals

SECTION 1. A Planning Board is hereby established under the provisions of General Laws (Ter. Ed.), Chapter 41, Section 81A (Acts of 1936, Chapter 211) and any amendments thereto, with all the powers and duties therein and in any existing bylaws of the Town provided, to consist of five members to be elected by ballot at the annual Town Meeting in March, 1939, one for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years and thereafter in accordance with the provisions of the statute.

SECTION 2. The existing Board of Appeals appointed from time to time pursuant to Chapter 7 of the General Bylaws (known as the Building Code) shall act as and

GENERAL BYLAWS

be the Board of Appeals under Chapter 10 of the General Bylaws (known as the Zoning Bylaw), act as and be the Board of Appeals under General Laws (Ter. Ed.), Chapter 40A and amendments thereto (known as the Zoning Enabling Act), and act as and be the Board of Appeals under General Laws (Ter. Ed.), Chapter 41, Section 81Z and amendments thereto (known as the Subdivision Control Law).

CHAPTER 12

Board of Water Commissioners

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.), Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

*Voted March 13, 1971 under Article 14 to petition the Massachusetts Legislature to enact legislation to permit the Board of Selectmen to serve as Water Commissioners effective March 5, 1972. Chapter 319, Sections 1 and 2 of the Acts of 1971. Approved May 20, 1971.

CHAPTER 13

Wage and Salary Determination and Personnel Administration

SECTION I. Enabling Laws

By virtue of authority established under General Laws, Chapter 41, Section 108A and 108C as amended, and all other acts thereto enabling, there is hereby established a plan pertaining to wage and salary determination and personnel administration of the Town to be known as the Personnel Administration Plan, and sometimes hereinafter referred to in this Chapter as the "Plan".

SECTION II. Application Coverage

All Town departments and positions in the Town service for which compensation is paid (whether full-time, part-time, seasonal, casual, special, Civil Service or others) shall be considered as being within the scope of coverage unless otherwise stated, and shall be subject to, and have the benefits of this Chapter with the following exceptions and/or limitations:

- A. In conformance with Chapter 41, Section 108, of the General Laws, as amended, salaries paid to elected Town Officials shall be established annually by vote of the Town. The Personnel Board shall, however, maintain the

GENERAL BYLAWS

required records to properly evaluate the worth of such service, and on request, shall make recommendations as to equitable salaries for these positions.

- B. Positions under the direction and control of the School Committee in conformance with Chapter 41, Section 108A, of the General Laws, as amended, shall not be included unless such inclusion shall be at the specific request of the School Committee.

SECTION III. Administration (General)

A. Personnel Board

1. *Appointment Procedure*

There shall be a Personnel Board, consisting of five (5) unpaid members, each of whom shall be appointed by the Moderator for a term of five (5) years, beginning the first day of June in the year of appointment. Terms of service shall be so arranged that the term of one (1) member expires each year. Every member shall serve until his successor has been appointed. There shall be a Chairman of the Board, designated by the Moderator each year and he shall hold office for one (1) year beginning on the first day of June and until his successor is appointed. Vacancies in the membership of the Board shall be filled by the Moderator to cover the unexpired term of the vacated member. In the event of a vacancy in the office of Chairman, the members of the Board shall elect a Chairman to serve until the next first of June.

2. *Board Membership*

No Board members shall be in a paid service to the Town, either elected, appointed or hired.

B. General Administration Authority of Personnel Board

The Personnel Board shall administer the provisions of this Chapter and shall determine all questions arising thereunder. The Personnel Board shall, from time to time, establish rules for the administration of the Plan and the conduct of its affairs not inconsistent with this Chapter, and may at any time amend or revoke the same. Such rules shall include specifications for minimum requirements of every classified position and no person shall be employed by the Town, unless in the opinion of the Personnel Board, such person meets said requirements. A majority of the Board shall constitute a quorum. Within its appropriation the Personnel Board may employ such personnel and incur such expenses as it deems necessary. The Personnel Board shall from time to time review the work of all positions covered by the Plan and the salary schedules provided in the Plan.

The Plan shall not be amended except at Annual Town Meetings, but the Personnel Board may add positions, abolish positions, or reclassify positions in the Plan, and so far as permitted by law, change salary rates, all such action to be effective until the final adjournment of the next Annual Town Meeting.

The Personnel Board shall make an annual report in writing to the Town on or before January first of each year.

C. Records and Information

The Personnel Board shall maintain adequate records, including detailed Personnel records of all employees. Each department, committee and board of

GENERAL BYLAWS

the Town shall, in accordance with procedures prescribed by the Personnel Board, furnish the Board with all facts, figures and other information pertaining to the employees of the Town under their respective jurisdiction, as the Personnel Board shall require.

SECTION IV. Wage and Salary Determination

A. The Plan

A classification and compensation plan utilizing clearly defined formal evaluation procedures and a consideration of general current wage levels, as a basis for determining equitable rates of compensation is hereby established.

The Plan requires the maintenance, on a current basis, of accurate and detailed descriptions of job or position requirements, the proper evaluation of same through the use of Job and Staff Evaluations provided herewith and their classification into job and salary grades.

B. Current Classifications and Compensation Values

All positions are hereby classified into groups or grades which represent substantially similar over-all requirements, as evaluated, in accordance with the classification and compensation plan procedures indicated in Section IV-A above. These values are contained in Salary and Job Schedules attached hereto and made a part hereof. These schedules include minimum and maximum wage and salary rates, with intermediate step-rate increases, and reflect the value of specific services as currently performed and in accordance with detailed descriptions contained in supporting records.

C. Installing the Plan

No present employee's wage or salary or paid vacation shall be reduced as a result of the installation of this Plan. Any existing rates of present employees above the maximum shall become Personal Rates and shall apply only to the present incumbent. Such rates are not subject to general increases until such time as these rates conform to the Grade Value as currently indicated in the Compensation Plan. When the incumbent leaves the employ of the Town, or is transferred to another position which carries a higher rate than his Personal Rate, or voluntarily changes to another position, the Personal Rate shall disappear. No other employee assigned to or hired for the position shall advance beyond the maximum of the job.

D. Operating the Plan

1. *Job and Position Descriptions*

The Personnel Board shall maintain up to date descriptions for each job or position in the Plan, describing the specific duties, requirements and characteristics of each, in sufficient detail as to make available the necessary information to insure a fair evaluation and/or re-evaluation. These descriptions shall not be interpreted as being a complete or limiting definition of job requirements and it is expected that the employee will perform any duties assigned by those delegated to supervisory functions.

2. *Job and Position Evaluation and Re-evaluation*

As new jobs or positions are added to the Plan, or as changes take place in the specific requirements of those already evaluated, they shall be evaluated in accordance with the established procedures to determine the grade or change in grade, if any, resulting from such evaluation.

GENERAL BYLAWS

3. *Changes of Grade*

An employee advancing to a higher grade shall start at the lowest step in the new grade which does not reduce his compensation, provided, however, that the Personnel Board may start such employee in a higher step than prescribed when it concurs with the opinion of the Department Head that special circumstances warrant such action.

4. *Step-Rate Advances*

Employees may be advanced by merit increases within their salary grade, one step each year as of January first, until the maximum is reached. A new employee may be eligible to advance on January first to the next higher step of his grade if he has been in continuous Town employment for at least three (3) months. If he has not been so employed for at least three (3) months he shall not be eligible for advancement until the second January first after his employment. When salary increases are made on the first day of January as aforesaid, increases in compensation shall, if required by law, be made at the next annual Town Meeting but shall be retroactive to January first. Every increase shall be made on the basis of merit only, upon recommendation of the Department Head and with the approval of the Personnel Board. Where differences may exist the employee may be granted a hearing for the purpose of receiving a clarification of the basis for decision in this area.

5. *Classification of New Employees*

The Personnel Board shall be notified of all requisitions for persons to fill positions or perform duties, subject to the compensation Plan and shall advise upon the appropriate classification to which such person shall be assigned. No new employees shall start work, receive wages or receive compensation in any form without the prior approval of the Personnel Board.

6. *Hours of Employment*

The base used in establishing each evaluated rate of compensation is the hour. Normal hours of employment are thus made a part of the salary and job grade schedules attached hereto. Deviation from these normal hours after forty hours/week, with the exception of the Fire Department whose normal work week is forty-two hours, becomes the basis for overtime consideration, except as otherwise stated. It is to be assumed that all work hour schedules will be determined with a consideration of all laws affecting hours of employment. For services rendered beyond forty hours in any one week, or forty-two hours in the case of the Fire Department, overtime may be paid up to one and one-half times the regular rate of pay, time off equal to the overtime served may be granted, or such extra pay and time off may be combined to compensate for the overtime hours. Heads of departments and/or Administrative Assistants are not eligible for overtime payment.

All offices of the Town shall be open continuously for the transaction of business between 8:30 A.M. and 5:00 P.M. on every day except Saturdays, Sundays, legal holidays and days observed as legal holidays.

GENERAL BYLAWS

SECTION V. Fringe Benefits

A. Paid Holidays

The following paid holidays shall be granted to all full-time employees: New Year's Day, Washington's Birthday, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day and Christmas Day.

Seasonal or temporary employees shall not be granted paid holidays.

Regular part-time employees shall have paid holidays on a proportionate basis.

B. Vacations

Paid vacation time shall be granted to all regular full-time employees in accordance with the following table and regular part-time employees shall have vacation periods on a proportionate basis. Temporary employees shall not be granted paid vacations.

<i>Years of Service</i>	<i>Vacation</i>
"From 30 weeks through 7th yearly vacation period	Two weeks
Beginning with the 8th yearly vacation period and through 15th yearly vacation period	Three weeks"
Beginning with the 16th yearly vacation period	Four weeks

All Library Personnel qualified for professional classifications shall receive four weeks after the completion of 30 weeks of full-time, continuous service.

Vacation time shall be taken within each calendar year and shall not be accumulated from one year to another.

C. Sick Leave

Paid sick leave shall be granted to all regular full-time employees in accordance with the following table. Regular part-time employees shall have paid sick leave periods on a proportionate basis. Temporary employees shall not be granted paid sick leave.

<i>Years of Service</i>	<i>Leave</i>
Not more than one year nor less than six months	Five working days
Not more than five years nor less than one year	Ten working days each year
More than five years	Fifteen working days each year

Upon acceptance of this Bylaw, paid sick leave may accumulate from year to year, provided, however, that any use of paid sick leave in excess of forty-five (45) days in one year shall be subject to review by the Personnel Board. Paid sick leave shall never be available except to cover actual illness and every use of paid sick leave shall be verified by the Head of Department and/or Governing Board. A physician's certificate of illness, if deemed necessary by the

GENERAL BYLAWS

Department Head or Personnel Board, may be required. If an employee is injured in the course of his employment and receives Workmen's Compensation benefits, he shall be entitled to make up the difference between his Workmen's Compensation benefits and his regular week's pay by the use of any accumulated sick leave to which the employee may be entitled.

D. Paid Leave

1. *Jury Duty*

An employee called for jury duty on days falling within his usual work period for the Town shall be paid for those days, the difference between the compensation he would have received from the Town and his fees, exclusive of travel allowances, for such services.

2. *Military Duty*

An employee called for an annual tour of duty with the military forces shall be paid an amount equal to the difference between compensation for a normal working period of two weeks and the amount paid for such military service, exclusive of any travel allowance. This temporary military duty shall in no way affect the regular vacation time earned by the employee.

E. Retirement

No person shall be employed by the Town or remain in the employ of the Town after reaching age 70 or after reaching any lesser age at which retirement is prescribed by law, without the approval of the Personnel Board.

F. Extra Compensation for More than Ten Years of Service

As a matter of policy the Town recognizes that loyalty, skill, attention to duty and incentive usually develop from long continuous employment and that these qualities are enhanced and encouraged by regular increases in compensation. Therefore, employees who qualify in accordance with the following specifications shall receive in addition to all other compensation the following special annual increase in compensation, the same to be paid on the payroll which includes December 15th each year.

1. Employees of the Town who on December thirty-first of any year have been in continuous full-time employment for ten years or more, shall have special compensation for the succeeding year in the amount of \$5.00 for full year of service in addition to their rates as specified in the Plan.
2. Each regular part-time employee otherwise qualified as above shall receive a proportionate part of the special compensation as aforesaid. Continuous part-time employment and continuous full-time employment shall be considered in combination to determine qualification under this Section and the Personnel Board shall consider these cases individually.

GENERAL BYLAWS

3. Employees who qualify for such extra compensation and then leave the employ of the Town will not be entitled to the extra compensation if re-employed until they have served a new ten-year period of full-time continuous employment. Compulsory military service or military service deemed the equivalent thereof by the Personnel Board shall not constitute an interruption of employment under this Section.
4. Longevity Benefits provided above shall not apply to persons employed or re-employed on or after March 13, 1967.

G. Bereavement Leave.

In the event of a death in the immediate family of an employee, he will be granted up to three (3) days leave without loss of pay, the last day of which shall be the funeral or memorial services, and such leave shall not be charged to sick leave or vacation leave. Immediate family is defined as spouse, mother, father, son, daughter, brother or sister.

In the event of the death of a mother-in-law, father-in-law, grandmother, grandfather, or any relative living in the household of an employee, the employee shall be entitled to one (1) day off without loss of pay to attend funeral or memorial services.

Leave authorized by this provision is subject to the approval of the employee's Department Head.

SECTION VI. Miscellaneous General Provisions and Policies

- A. The number of persons employed by the Town temporarily or otherwise, shall not be increased without the approval of the Personnel Board.
- B. No Head of Department receiving compensation from the Town shall at any time engage in private work which has or could have any relation to Town affairs.
- C. Employees shall not receive compensation by way of salaries, wages or fees from more than one department, Board, or Committee unless otherwise provided for in this Plan, or unless such compensation is approved by the Personnel Board.
- D. Provisions in this Chapter requiring or authorizing payments of compensation are in every case subject to appropriations being made, from time to time, by Town Meetings unless such payments are otherwise authorized by law.
- E. If any provision of this Plan shall conflict with any Civil Service Law or any other law presently or hereinafter in force, such a provision of this Plan shall be deemed modified, but only to the extent required to conform to law.
- F. The invalidity of any section or provision of this Chapter shall not invalidate any other section or provision thereof.

The foregoing Chapter 13 entitled "Personnel Administration" was first added to the General Bylaws as voted under Article 8 of the warrant of the 1956 Annual Town Meeting.

Section 32 of Chapter 40 of the General Laws requires approval of the Attorney General on all bylaws but this Chapter 13 is adopted under authority provided in G. L. Chapter 41, Section 108C because it is a consolidation into a single chapter of all provisions pertaining to personnel administration.

Section 108C ends with the following clause: ". . . provided, however, such consolidated bylaw shall not be subject to the approval of the Attorney General as provided in Section 32 of Chapter 40." This new Chapter 13 was advertised three successive weeks in a local newspaper, the Milton Record, March 16, 23 and 30, 1956 as required by law.

The amendments to Chapters 4, 7 and 10 voted at the Annual Town Meeting held March 9, 1935, were approved by the Attorney General, June 10, 1935.

The amendment to Chapter 7 voted at the Annual Town Meeting held March 14, 1936, was approved by the Attorney General, April 3, 1936.

The amendment to Chapter 10 voted at the Special Town Meeting held January 29, 1938, was approved by the Attorney General, February 10, 1938.

The amendments to Chapters 7, 10 and 11 voted at the Annual Town Meeting held March 12, 1938, were approved by the Attorney General, April 11, 1938.

The amendments to Chapter 10 voted at the Annual Town Meeting held March 9, 1940, were approved by the Attorney General, April 11, 1940 and May 1, 1940.

The amendments to Chapters 2, 3 and 4, voted at the Annual Town Meeting held March 8, 1941, were approved by the Attorney General, March 20, 1941.

The amendments to Chapters 4 and 10 voted at the Annual Town Meeting held March 13, 1943, were approved by the Attorney General, March 24, 1943, and April 13, 1943, respectively.

The amendments to Chapters 2, 4, 10 and 12 voted at the Annual Town Meeting held March 10, 1945, were approved by the Attorney General, March 21, 1945.

GENERAL BYLAWS

The amendment to Chapter 5, Section 1, voted at the Annual Town Meeting held March 9, 1946, was approved by the Attorney General, March 28, 1946.

The amendment to Chapter 10 voted at the Annual Town Meeting held March 8, 1947, was approved by the Attorney General, April 10, 1947.

The amendments to Chapter 7 voted at the annual Town Meeting held March 13, 1948 were approved by the Attorney General on April 1, 1948.

The amendments to Chapters 3 and 7 voted at the annual Town Meeting held March 12, 1949 were approved by the Attorney General, March 22, 1949.

"See decision of Supreme Judicial Court in the case of *Barney & Carey Company v. Town of Milton*, 324 Mass. 440".

The amendment to Chapter 2 voted at the annual Town Meeting held March 11 1950, was approved by the Attorney General April 26, 1950.

The amendment to Chapter 8 voted at the annual Town Meeting held March 10, 1951, was approved by the Attorney General April 17, 1951.

The amendments to Chapters 3 and 10 voted at the annual Town Meeting held March 8 and 15, 1952, were approved by the Attorney General, July 1, 1952.

The amendments to Chapters 3 and 10 voted at the annual Town Meeting held March 21, 1953 were approved by the Attorney General, June 1, 1953.

The amendment to Chapter 10 voted under Article 55 at the Annual Town Meeting held March 20, 1954, was approved by the Attorney General April 23, 1954.

The amendment to Chapter 11, voted under Article 58 at the Annual Town Meeting held March 19, 1955, was approved by the Attorney General, May 20, 1955.

The amendment to Chapter 7 voted under Article 59 at the Annual Town Meeting held March 19, 1955, was approved by the Attorney General, May 20, 1955.

The amendment to Chapter 10 voted under Article 60 at the Annual Town Meeting held March 19, 1955, was approved by the Attorney General, May 20, 1955.

The amendment to Chapter 6 voted under Article 3 at the May Special Meeting held May 24, 1955, was approved by the Attorney General June 20, 1955.

The amendment to the General Bylaws adding Chapter 13 relating to Personnel Administration was adopted by the Town under Article 8 at the 1956 Annual Town Meeting. This amendment did not require the approval of the Attorney General. See Chapter 41, Section 108-C, General Laws. See Chapter 337, Acts of 1952.

Under Article 13 of the 1963 Town Meeting the title of this chapter was changed to: "Wage and Salary Determination and Personnel Administration."

The amendment to Chapter 6 of the General Bylaws by adding a new section 17A, voted under Article 53 at the Annual Town Meeting held March 10, 1956, was approved by the Attorney General, April 17, 1956.

The amendment to Chapter 6 of the General Bylaws by substituting a new Section 20, voted under Article 58 at the Annual Town Meeting held March 10, 1956, was approved by the Attorney General, April 17, 1956.

GENERAL BYLAWS

The amendment to Chapter 10 of the General Bylaws having to do with zoning, "Earth Material Removal", voted under Article 47 of the Warrant for the annual Town Meeting held March 9, 1957, was approved by the Attorney General April 26, 1957.

The amendment to Chapter 10 of the General Bylaws, having to do with zoning, "Frontage", voted under Article 48 of the Warrant for the annual Town Meeting held March 9, 1957, was approved by the Attorney General April 26, 1957.

The amendment to Chapter 2 of the General Bylaws whereby the polls are to be open from eight o'clock in the morning until eight o'clock in the evening for the election of Town Officers and the determination of such matters as by law required to be elected or determined by ballot, voted under Article 1 at the Special Town Meeting held May 27, 1957, was approved by the Attorney General June 12, 1957.

The amendment to Section I(C) of the Building Code (Chapter 7 of the General Bylaws) pertaining to fees charged on all building permits, voted under Article 58 at the Annual Town Meeting held March 8, 1958, was approved by the Attorney General on March 28, 1958.

The amendment to Section XV (A), paragraph 3 of the Building Code (Chapter 7 of the General Bylaws) pertaining to fees charged on all permits issued by the Inspector of Wires for repairs or installing electric wiring, plants or appliances, voted under Article 59 at the Annual Town Meeting held March 8, 1958, was approved by the Attorney General on March 28, 1958.

The amendment to Section XVII (A), paragraph 8 of the Building Code (Chapter 7 of the General Bylaws) regarding fees charged on all permits issued by the Plumbing Inspector, voted under Article 60 at the Annual Town Meeting held March 8, 1958, was approved by the Attorney General, on March 28, 1958.

The amendment to Chapter 10 of the General Bylaws of the Town (having to do with zoning) by changing designation of land hereto included in Residence "B" district which hereafter will be included in Residence "A" district Zoning map changed by vote passed under Article 48 at the March 8, 1958 Town Meeting, approved by Attorney General on March 28, 1958.

The amendment to Chapter 4 of the General Bylaws, adding thereto, as provided in General Laws, Chapter 40, Section 21 (13), Section 15, whereby all Town officers are required to pay all fees received by them by virtue of their office into the Town Treasury was voted under Article 15 of the warrant for the annual Town Meeting held March 14, 1959. Approved by the Attorney General March 30, 1959.

The amendment to General Bylaws inserting a new Chapter 6B, entitled "Traffic Commission," was voted under Article 48 of the warrant for the annual Town Meeting held March 14, 1959. Approved by the Attorney General, March 30, 1959.

The amendment to Chapter 7 of the General Bylaws, inserting in the Building Code a new Section XIX, relating to SPRINKLERS, FIRE PROTECTION AND ALARM SYSTEMS and the Administration thereof, voted under Article 50 at the Annual Town Meeting held March 12, 1960, was approved by the Attorney General on April 6, 1960.

The amendment to Section 1 of Chapter 4 of the General Bylaws, striking out the words "a list of births, marriages and deaths, to be furnished by the Town Clerk;" voted under Article 51 at the Annual Town Meeting held March 12, 1960, was approved by the Attorney General on April 8, 1960.

GENERAL BYLAWS

The amendment to Section 18 of Chapter 6 of the General Bylaws, increasing the fee for hackney carriages or motor vehicles from \$1.00 to \$10.00, voted under Article 52 at the Annual Town Meeting held March 12, 1960, was approved by the Attorney General on April 8, 1960.

March 11, 1961, under Article 11, Chapter 6 was amended by adding Section 28, permitting the Superintendent of Streets or other officer to remove vehicles from streets to facilitate snow and ice removal. Approved by the Attorney General on April 14, 1961.

March 11, 1961. Under Articles 12, 13 and 14 Amendments to Chapter 7 "Building Code" were approved by the Attorney General on April 14, 1961.

Article 12: new paragraph added "Swimming Pools", "Excavations", "Second-hand Structural Materials", "Backfilling" and General Miscellaneous provisions.

Article 13: amended Sec. XVII of Chap. 7 of the Bldg. laws. Said section having to do with the regulation and inspection of plumbing.

March 12, 1949. **Voted**, To accept Chapter 552 of the Acts of 1948 which by amendment to Chapter 32 of the General Laws provides additional and new benefits through annuities to dependents of certain public employees who die from injuries or hazards in the performance of their duties.

March 12, 1949. **Voted**, To accept Chapter 588 of the Acts of 1948 which provides that pensions or retirement allowances payable to certain former public employees of their beneficiaries shall be increased by \$200.

March 11, 1950. **Voted**, To accept Section 6B of Chapter 40 of the General Laws (Ter. Ed.) authorizing the town to appropriate money for the purchase of uniforms for members of its Police and Fire Departments.

March 11, 1950. **Voted**, To accept Chapter 391 of the Acts of 1945 (now incorporated in the General Laws as Chapter 41, Section 100A.)

March 10, 1951. **Voted**, To accept Chapter 538 of the Acts of 1950 which provides that cities and towns may, at the expense of the abutters make temporary minor repairs on private ways in certain cases.

LEGISLATIVE ACTS

March 10, 1951. **Voted,** To accept Chapter 820 of the Acts of 1950, which provides that pensions, retirement allowances, annuities and other benefits payable to any former employee who was separated from the service by retirement prior to November 1, 1949 and at the time of such separation had at least fifteen years creditable service, or to any person claiming under such former employee whether as beneficiary, dependent or otherwise, shall be increased by one hundred dollars; provided, the annual amount is not in excess of two thousand dollars.

March 10, 1951. **Voted,** To accept Chapter 783 of the Acts of 1950 making applicable increases in retirement allowances to those persons retired after January first, nineteen hundred and forty-six with a minimum allowance, said Chapter amending Section 25 of Chapter 32 of the General Laws as appearing in Section 1 of Chapter 658 of the Acts of 1945.

March 8, 1952. **Voted,** To accept Chapter 781 of the Acts of 1951 which provide that pensions, retirement allowances, annuities and other benefits payable to any former employee who was separated from the service of the Town by retirement prior to November 1, 1949 and at the time of such separation had at least fifteen years creditable service, or to any person claiming under such former employee whether as beneficiary, dependent or otherwise, shall be increased by one hundred dollars; provided the annual amount is not in excess of two thousand dollars; and further provides that if any such former employee was separated from the service at age sixty and had at the time of retirement at least 25 years of creditable service, and his pension as increased above is less than \$1200., it shall be increased to \$1200.

March 14, 1953. **Voted,** To accept Chapter 624 of the Acts of 1952 which provides that pension, retirement allowances or annuity payable under any general or special law to any former employee, except teachers retired under Section 43 of Chapter 32 of the General Laws, who was separated from the service prior to April 1, 1951, and at the time of such retirement had attained age fifty-five and had at least fifteen years of creditable service, or to any person retired for disability caused by accident or hazard undergone while in the performance of his duties, regardless of years of creditable service, shall be increased by one hundred dollars; provided, the annual amount is not in excess of \$2500.; and further provides that if any such employee was separated from the service at age sixty-five and had at the time of retirement at least thirty-five years of creditable service and his pension is less than \$1500., it shall be increased to \$1500.; and further provides that the annual amount of any annuity or allowance payable under the provisions of section nine, eighty-nine A or under options (c) or (d) of subdivision (2) of section twelve of Chapter 32 of the General Laws, or any similar law, to the widow of any deceased employee of the town, shall be increased by \$100.; provided, that the member whose widow is receiving a pension under said options (c) or (d) had at least fifteen years of creditable service, and further provided, that such widow does not remarry.

March 13, 1954. **Voted** under Article 21 to accept the last paragraph of Section 15 of Chapter 129 of the General Laws under which provision is made for nomination of Inspectors of Animals by the Board of Health.

March 13, 1954. **Voted** under Articles 36 and 37 to accept Chapter 147 of the Acts of 1954 pertaining to sale of land by the Park Commissioners.

March 20, 1954. **Voted** under Article 61 to accept Chapter 146 of the Acts of 1954 which amends Chapter 307 of the Acts of 1902 by striking out Section 11 of said chapter which prohibits a person being elected a Water Commissioner who at the time of his election holds any elective Town office.

LEGISLATIVE ACTS

March 12, 1955. **Voted** under Article 9 that the town accept Section 851 of General Laws (Ted. Ed.), Chapter 32 inserted by Chapter 268 of the Acts of 1954 which grants additional retirement benefits to members of the police and fire departments who have served as reserve police officers or reserve or call firemen.

March 10, 1956. **Voted** under Article 10, to accept Section 17A of Chapter 147 of the General Laws, inserted by Chapter 268 of the Acts of 1952, relative to holiday compensation of Police.

March 10, 1956. **Voted** under Article 11, to accept Section 57A of Chapter 48 of the General Laws, inserted by Chapter 640 of the Acts of 1953, relative to holiday compensation for Firemen.

March 10, 1956. **Voted** under Article 12, to accept Chapter 670 of the Acts of 1955, relative to pensions, retirement allowances or annuity for any former employee, separated from the service, prior to April 1, 1951.

March 10, 1956. **Voted** under Article 26, to accept Sections 42-G to 42-I inclusive of General Laws, Chapter 40, inserted in said Chapter of the General Laws by Chapter 332 of the Acts of 1955, to authorize the Board of Water Commissioners to levy special assessments to meet the cost of laying water pipes in public or private ways.

March 9, 1957. **Voted** under Article 17 to accept Chapter 401 of the Acts of 1956, which extends to certain Civil Defense Volunteers the provisions of law applicable to municipal employees for indemnification of damages sustained through the operation of publicly owned vehicles.

March 1, 1958. Question was placed on the ballot. **Voted**, To accept Chap. 32B of the Gen. Laws, authorizing the Town of Milton to provide a plan of group life insurance, group accidental death and dismemberment insurance, and group general or blanket hospital, surgical and medical insurance for certain persons in the service of the Town of Milton and their dependents.

March 8, 1958. **Voted** under Article 10 to accept Chapter 374 of the Acts of 1956, which amends Chapter 32 of the General Laws, by inserting after Section 85-I new Section 85-J, which would provide pensions for widows of policemen and fire fighters under the non-contributory pension system.

March 8, 1958. **Voted** under Article 11 to accept Chapter 750 of the Acts of 1957, which amends Chapter 32 of the General Laws, by inserting after Section 77 new Section 77A which would provide pensions for widows of laborers under the non-contributory pension system.

March 8, 1958. **Voted** under Article 12 to accept Chapter 427 of the Acts of 1957 which provides that the amount of pension of every retired police officer and fire fighter who, at the time of his retirement had attained age sixty and had at least twenty years of creditable service, and the amount of pension of every police officer and fire fighter, retired for disability incurred through no fault of his own in the actual performance of his duties, shall be increased by three hundred dollars; provided, however, that the total annual amount of any such pension as so increased shall not exceed twenty-five hundred dollars.

March 12, 1960. **Voted** under Article 11 to accept Chapter 120 of the Acts of 1959, which provides that the amount of pension of every retired police officer and fire fighter who at the time of his retirement had at least twenty years of creditable

LEGISLATIVE ACTS

service shall be increased by three hundred dollars; provided, however, that the total annual amount of any such pension as so increased shall not exceed twenty-five hundred dollars, and provided, further that no pension increase shall be paid under this act to any police officer or fire fighter who is eligible for, or who has received a pension increase under the provisions of Chapter four hundred and twenty-seven of the Acts of Nineteen hundred and fifty-seven.

March 12, 1960. **Voted** under Article 12 to accept Chapter 493 of the Acts of 1959 which provides that the annual amount of every pension, retirement allowance or annuity payable under any general or special law to any former employee, including teachers, who at the time of such retirement had attained age sixty and had at least twenty years of creditable service or who at the time of his retirement had at least twenty-five years of service, regardless of his age, shall be increased by one hundred dollars; provided, that no such increase shall be made in the case of any pension, retirement allowance or annuity which is in excess of fifteen hundred dollars, exclusive of any amount of additional annuity obtained by special purchase as provided under paragraph (g) of subdivision (1) of section twenty-two of chapter thirty-two of the General Laws, or under any similar law, and no such increase shall be made which will make the total annual amount of such pension, retirement allowance or annuity, exclusive of any such additional annuity, exceed fifteen hundred dollars.

Nov. 8, 1960. State Election ballot — **Voted**, To accept section 58B of Chapter 48 of the General Laws providing for a forty-eight hour week for permanent members of the Fire Department. (Nov. 5, 1968 town accepted Sec. 58D of Chap. 48 Gen. Laws for 42 hour work week)

March 11, 1961. **Voted** under Article 19 to accept Chapter 647 of the Acts of 1960. This chapter pertains to pensions, retirement allowances and annuities.

March 10, 1962. **Voted** under Article 26 to accept Section 95A of Chapter 32 of the General Laws (inserted by Chapter 488 of the Acts of 1961), to grant an annuity of the surviving spouse or minor children of any official or employee who has been retired or pensioned under the provisions of any non-contributory retirement law, or who was entitled to be retired under the provisions of any such law but who died before being retired, under which such official or employee had no rights under the provisions of law relative to said retirement allowance or pension to elect that benefits be paid to a survivor; provided, that the official or employee has been permanently employed on a full-time basis for not less than fifteen years, and that the surviving spouse or minor children are not receiving a retirement allowance or pension under the provisions of any general or special law; such annuity to be paid in such amount as the Town may determine but not to exceed one-half of the regular annual compensation received by such official or employee of \$2,000.00 whichever is less; and to act on anything relative thereto.

March 10, 1962. Voted Under Article 28 to accept Chapter 71 of the Acts of 1961 which extends the same survivorship option rights to policemen and fire fighters who may be retired under Section 85E of Chapter 32, Gen. Laws (Ter. Ed.) as are already available now to policemen and fire fighters retired under Chapter 374 of the Acts of 1956 which was accepted by the Town in 1958.

March 2, 1963. Question was placed on ballot. **Voted** that the Town extend Contributory Group Hospital, Surgical and Medical Insurance to elderly persons retired from the service of the Town and to their dependents with fifty per cent of the premium cost and a portion of the administrative expense to be paid by the Town.

LEGISLATIVE ACTS

March 9, 1963. Voted under Article 10 to accept Chapter 409 of the Acts of 1962, which has become part of Chapter 90 Sec. 18A of the General Laws (Ter. Ed.) relating to Pedestrian Control Regulations.

March 9, 1963. Voted under Article 23 to accept Chapter 646 of the Acts of 1962, relating to increase of \$300 to people retired before December 31, 1960 because of accident incurred in the performance of duty.

March 9, 1963. Voted under Article 27 to extend the Workmen's Compensation Insurance to include all employees except members of the Police or Fire Force under the provisions to General Laws, Chapter 152 Sections 69 to 75 inclusive, as amended.

March 7, 1964: On the ballot at the Town Election, the Town voted to pay one-half the premium costs payable by a retired employee for group life insurance and for group general or blanket hospital, surgical and medical insurance.

March 14, 1964 under Article 8 of the Warrant for the Annual Town Meeting, the Town accepted Chapter 478 of the Acts of 1963, providing for increases to the annual pension, retirement allowance or annuity to any former employee, including teachers.

March 13, 1965. Under Article 8 of the Warrant for the Annual Town Meeting, the Town accepted Chapter 486 of the Acts of 1964, increasing the annual amount of every pension, retirement allowance or annuity payable under any general or special law to any former employees, including teachers.

March 13, 1965. Under Article 28 of the Warrant for the Annual Town Meeting, the Town accepted Chapter 157 of the Acts of 1964, placing the Inspector of Gas Piping and Gas Appliances under the Selectmen rather than the Building Inspector.

March 9, 1968. Under Article 46 of the Warrant for the Annual Town Meeting the Town voted to Accept Section 20C of Chapter 90 of the General Laws establishing schedules of fines for parking violations committed within the Town.

Nov. 5, 1968. Presidential Election Ballot: Town Voted to accept section 58D of Chap. 48 of the Gen. Laws, providing for a forty-two hour work week for permanent members of the Fire Department.

March 7, 1970: On the ballot at the Town Election, the Town voted to have its Selectmen appoint a Tree Warden.

March 7, 1970: On the ballot at the Town Election the Town voted to purchase additional group life and group accidental death and dismemberment insurance for employees in accordance with the provisions of Chapter 32B of the Gen. Laws with no premium contribution by the town.

March 7, 1970: On the ballot at the Town Election the Town voted to pay one half of the premium costs payable by the surviving spouse of an employee or retired employee for group general or blanket hospital, surgical, medical and other health insurance.

March 21, 1970: Voted under Art. 50 of the warrant to accept Sec. 21C of Chap. 40 of the Gen. Laws which authorizes cities and towns to grant leaves of absence with pay to employees while they attend union conventions as an officer, delegate or alternate delegate.

LEGISLATIVE ACTS

March 21, 1970: Voted under Art. 51 of the warrant to accept Sec. 17D of Chap. 147 of the Gen. Laws which requires cities and towns to excuse police officers from duty without loss of pay for two days while in attendance at the Mass. Police Association Annual Convention.

March 13, 1971: Voted under Article 20 of the Warrant to accept Section 53C of Chapter 44 of the Gen. Laws which provides for the establishment of a revolving fund for the payment of police officers for off-duty details.

March 13, 1971: Voted under Article 22 of the Warrant to accept Section 57B of Chapter 48 of the Gen. Laws which authorizes cities and towns to grant leaves-of-absence with pay to firefighters to attend the biennial four (4) day convention of the Associated Firefighters of Massachusetts, AFL-CIO.

March 13, 1971: Voted under Article 37 of the Warrant to accept Section 8E of Chapter 40 of the Gen. Laws which authorizes cities and towns to establish a Youth Commission.

March 13, 1971: Voted under Article 14 to petition Massachusetts Legislature to enact Legislation to permit Board of Selectmen to act as Water Commissioners effective March 5, 1972. Approved by Massachusetts Legislature May 20, 1971.

March 4, 1972: On the Ballot at the Town Election, the town voted to grant licenses for the operation, holding or conducting a game commonly called beano.

November 7, 1972: State Ballots Town voted to grant licenses for the sale of all alcoholic beverages to be consumed on the premises of apartment houses having a dining room capacity of not less than ninety-nine persons.

November 7, 1972: State Ballot: Town voted to grant licenses for the sale of all alcoholic beverages to be consumed on the premises by members and guests of War Veterans' Organizations located within the boundaries of the Town.

MARCH MEETING

MILTON TOWN RECORDS IN
THE MUNICIPAL YEAR 1972

1972 MARCH MEETING
WARRANT

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
In Precinct 3.	Police Station, Central Avenue,
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road,
In Precinct 5A.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 5B.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road,
In Precinct 7.	St. Agatha's Auditorium, Adams Street,

on Saturday, March Fourth next, at eight o'clock in the forenoon, and then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

MARCH MEETING

Three Selectmen and Surveyors of Highways for the term of one year.
One Town Clerk for the term of one year.
One Assessor for the term of three years.
One Town Treasurer for the term of one year.
Two Members of the School Committee for the term of three years.
One Park Commissioner for the term of three years.
One Member of the Board of Health for the term of three years.
Three Trustees of the Public Library for the term of three years.
One Trustee of the Cemetery for the term of five years.
One Moderator for the term of one year.
One Member of the Planning Board for the term of five years.
One Hundred Town Meeting Members as follows:

Precinct 1.	Sixteen for three years. One for one year.
Precinct 2.	Ten for three years. One for one year.
Precinct 3.	Nine for three years. One for one year.
Precinct 4.	Nine for three years. One for one year.
Precinct 5A. and 5B.	Twenty-five for three years. One for two years and one for one year.
Precinct 6.	Fifteen for three years.
Precinct 7.	Nine for three years. One for one year.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting to meet on the following Saturday, to wit, March Eleventh next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 53 inclusive, acted upon at adjourned meeting.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Town seven days at least before said fourth day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said fourth day of March, next.

Given under our hands at Milton the Tenth day of February, Nineteen Hundred and Seventy-two.

(Signed) FRANCIS F. BROOKS
RALPH L. KENT
JOHN P. LINEHAN

MARCH MEETING

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on February 25, 1972, and leaving attested copies at the dwelling of the inhabitants.

(Signed) JOHN E. WHEARTY
Constable of Milton

The Warrant, including report of the Warrant Committee and recommendations on the articles in the 1972 Warrant, was posted in the post offices at East Milton and Milton Village on February 25, 1972, and was filed in the Town Clerk's Office on February 25, 1972. The Warrant was delivered to the homes of the inhabitants on February 26, 1972.

PRECINCT 7

Frank W. Page, Warden
Katherine M. Linnehan, Dep. Warden
Phylliss A. Driscoll, Clerk
Francis H. Kemp, Dep. Clerk

Gottfrid E. Sanford, Inspector
Harold A. Rais, Dep. Insp.
Paul V. Morrisette, Insp.
Alice M. McMullen, Dep. Insp.

The Town Clerk upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 1:00 A.M. March 5, 1972.

The meeting adjourned at 1:00 A.M. on March 5, 1972, to meet on the following Saturday, to wit, March Eleventh next, at one o'clock in the afternoon at the Milton High School Auditorium, 191 Brook Road, in said Milton, then and there to act upon the fifty-three articles included in the Warrant.

The Absentee Ballot, as it is used in Massachusetts, is available for all state and national elections. It is also used at city and town elections. Chapter 632 of the Acts of 1968.

At our Town Election, held Saturday, March 4, 1972, Milton had Absentee Ballots with the following results:

PRECINCT	1	2	3	4	5A	5B	6	7	TOTAL
Ballots Cast	6	8	7	6	5	3	12	4	51

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes, and they were counted with the ballots cast in the precinct.

GRACE M. COLES
Town Clerk

MARCH MEETING

ADJOURNED TOWN MEETING March 11, 1972

The Town Meeting which was held at the High School Auditorium was opened at 1:05 P.M. by the Moderator, Robert K. Lamere. Those present stood while Rev. James Cosbey from The Church of the Holy Spirit delivered the invocation. The Moderator read the names of the following Town Meeting Members who had died since our last Annual Town Meeting: Esther P. Edwards, William H. Farnham, Walter N. Kernan, Stanley C. MacGaregill and W. Russell MacWilliams. The Town Meeting Members stood for a moment of silence.

The Town Meeting Member stood again and were sworn in by Town Clerk, Grace M. Coles.

The Moderator checked with the Town Clerk as to the attendance and announced that a quorum was present. Twenty-five (25) Town Meeting Members were absent, as follows:

- | | |
|-----------|---|
| Prec. 1. | George W. Collins, Norman E. Kingsbury,
Vincent G. Mason, Joel M. Miller, Arthur L. Timmins, |
| Prec. 2. | John J. Desmond, III, Richard C. Ogar, |
| Prec. 3. | Blake G. Cruckshank, Robert H. Culver,
Scott R. Foster, |
| Prec. 4. | Murray A. Cappers, |
| Prec. 5A. | Thomas P. McSharry, John B. Moore, Marcia J. Pierce, |
| Prec. 5B. | Julia G. Chestna, James D. Colt, |
| Prec. 6. | C. Frederick Bent, III, John P. Curran, |
| Prec. 7. | Joseph L. Bertram, Jr., Joseph F. Duggan, Jr.,
Thomas F. Fallon, Thomas C. Malloy, Samuel F. McCormack,
P. Bradford Sheppard, and Stewart Williams. |

Permission was given to certain members of Boards and Committees who are not Town Meeting Members to sit with the Town Meeting Members with no right to vote.

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

VOTED: To elect James E. Curran and Theodore E. Kenney, Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

MARCH MEETING

VOTED: To accept the Report of the Town Accountant as printed on page 314 of the 1971 Town Report.

At this time the Moderator recognized Mr. Charles F. Batchelder, Chairman of the 300th Anniversary Committee, who made a motion which was seconded that the Committee be discharged. It was so voted.

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial years beginning January 1, 1972 and January 1, 1973, in accordance with the provisions of the General Laws Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED: That the Town vote as follows: That the Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial years beginning January 1, 1972 and January 1, 1973 in accordance with the provisions of the General Laws Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed collector, may use.

VOTED: That the Town vote "YES."

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED: That the Town vote "YES."

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED: That the Town vote "YES."

COMMITTEE

Robert D. O'Leary, Chrm., 45 Spruce Street
James Dineen, 21 Hilltop Street
Michael F. Farrington, 112 Dyer Avenue
George N. Hurd, Jr., 189 Canton Avenue
Philip Lemelman, 33 Wendell Park

MARCH MEETING

ARTICLE 7. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, as follows:

By striking out the section "Position Identification by Grade, Department and Municipal Division" and also the section "Position Classification-Schedule of Rates" and inserting in place thereof two new sections as follows:

Items enumerated within the Departmental totals set forth above shall be treated as segregated. The amount appropriated for the Student Work Study Program shall not prohibit other Departments from employing students in seasonal or part time positions under this program and using departmental salary accounts to meet the costs of additional Student Work Study Program participants. Departments are hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment. Out-of-state travel is for necessary expenses of officers and employees of the Departments incurred outside the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Departments (G.L. Ch. 40, Sec. 5-34).

ARTICLE 13. To see what sum of money the Town will vote to appropriate for the observance of Memorial Day, Fourth of July and Veterans' Day and for lighting and decorating the Town at Christmas in 1972; and to act on anything relating thereto.

VOTED: That the sum of \$2,035 be appropriated as follows:

Memorial Day\$ 700
Fourth of July\$ 725
Veterans' Day\$ 250
Lighting and Decorating the Town at Christmas\$ 360

ARTICLE 14. To see if the Town will vote to authorize the construction, equipping and furnishing of a police station to be located on Town owned land at the easterly side of

MARCH MEETING

Highland Street near the intersection of Canton Avenue, which building shall be set back a minimum of 100 feet from the existing sidelines of these two streets; to see what sum of money the Town will appropriate for said project; to determine how the appropriation will be raised; and further to see if the Town will authorize the Moderator to appoint a committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts, and to supervise the construction, equipping and furnishing of said police station, all in the name and behalf of the Town, and to act on anything relating thereto.

VOTED: That there is hereby authorized the construction, equipping and furnishing of a police station to be located on Town owned land at the easterly side of Highland Street near the intersection of Canton Avenue, which building shall be set back a minimum of 100 feet from the existing sidelines of these two streets;

That the sum of \$626,000 is hereby appropriated to meet the cost of constructing, equipping and furnishing said police station, and to meet said appropriation \$81,000 be transferred from the Stabilization Fund and the Treasurer is hereby authorized and directed to sell bonds of the Town, aggregating not over \$545,000 in principal amount, under the authority of Section 7 (3) of Chapter 44 of the General Laws and any other enabling authority. Said bonds shall be signed by the Treasurer and countersigned by a majority of the Selectmen in the name and behalf of the Town, and shall be in such form and have such dates, maturities, rates of interest and other details as the officers signing and countersigning the same shall approve, their approval to be conclusively evidenced by their signature and countersignatures thereon; provided, however, that the dates of maturities of each issue of bonds shall be such that the loan represented by that bond issue shall be payable in its entirety in not less than 10 years or more than 20 years from the date of the first bond of that issue.

That the moderator is hereby authorized to appoint a committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts, and to supervise the construction, equipping and furnishing of said police station, all in the name and behalf of the Town, and to act on anything relating thereto.

Passed on a 2/3rds vote YES – 225 NO – 8

COMMITTEE

Philip M. Horan, Jr., Chrm., 1095 Canton Avenue
Dean M. Boylan, 1063 Metropolitan Avenue
Robert J. Kelly, 190 Highland Street
Joseph J. Lane, 48 Whitelawn Avenue
Warren J. Murdock, 16 Allen Circle

6. Sidewalks	22,000
7. Chapter 90—Non-participating expenses	1,000
8. New Equipment	25,900
9. Public works yard office	15,000
10. Highway safety program	12,000
Total\$428,555

From the aggregate amounts appropriated under the Highway Department and Articles 21, 24 and 26 taken together the sum of \$274,952 but no more, shall be available for salaries and wages and overtime.

4. Water	
Salaries and wages\$193,214
Expenses	54,950
New Equipment	5,200
Interest and Maturing debt	34,455

MARCH MEETING

Building for replacement	
of shop and storage 8,000
Purchase of Water from Metropolitan	
District Commission 120,000
Out-of-state travel 350
Water System Improvements 40,000
Total \$456,169

and that the Board of Selectmen acting as Water Commissioners be authorized to expend this appropriation in accordance with Chapter 307 of the Acts of 1902 and Acts in amendment thereof; and that to meet such appropriation the sum of \$416,169 from the tax levy of the current year and that \$40,000 be transferred from the Water Department surplus as of December 31, 1971.

Items enumerated within the Departmental totals set forth above shall be treated as segregated. Departments are hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment and the Water Department is authorized to sell junk, metal, cast iron and similar material and discarded meters, whether dismantled or not, in the usual course of its operations to furnish additional funds for the purpose of replacement items. Out-of-state travel is for necessary expenses of officers and employees of the Departments incurred outside the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Departments (G.L. Ch. 40, Sec. 5-34).

ARTICLE 24. To see if the Town will vote to appropriate the sum of \$80,250 for the purpose of reconstruction, maintenance and repair of public ways including the resurfacing of the following streets:

- AVALON ROAD
- BAILEY AVENUE
- DENMARK AVENUE
- ELIOT STREET (part of)
- ENGINE ROAD
- FERNCROFT ROAD (part of)
- GUN HILL STREET (part of)
- HILLSVIEW ROAD
- LOTHROP AVENUE
- MATHAURS STREET
- VICTORY AVENUE
- WILLIAMS AVENUE

under the provisions of Chapter 497 of the Acts of 1971.

VOTED: That the Town vote “YES” and that the sum of \$80,250 be appropriated; said sum to be expended from the proceeds of receipts from the Commonwealth of Massachusetts under Chapter 497 of the Acts of 1971, if and when available.

ARTICLE 25. To see if the Town without the assessment of betterments and without making an appropriation will vote to accept the following street as a Town Way, as laid out by the Selectmen:

MARCH MEETING

March 11, 1972

Planning Board Report – Article 25

The Planning Board held a public hearing on February 3, 1972 and on a subsequent vote unanimously approved the acceptance of Whittier Road as a non-betterment street.

MILTON PLANNING BOARD
RICHARD C. FITZGERALD, Chairman
C. MITCHELL DRAPER, JR., Secretary
GEORGE N. HURD, JR.
PATRICK H. DONAHUE
THOMAS F. GARVEY

WHITTIER ROAD (from Canton Avenue to Private Land)

and to act on anything relating thereto.

VOTED: That the Town vote “YES.”

ARTICLE 26. To see if the Town will vote to accept the following street as a Town Way, as laid out by the Selectmen under laws authorizing assessments of betterments and to raise and appropriate by borrowing or otherwise money for the construction of said public ways, including the cost of payments of land damages;

PAGODA CIRCLE (Public Portion to Public Portion)

and to act on anything relating thereto.

VOTED: That the Town vote “YES” in respect to the street named in this article, and that to pay for same the sum of \$15,600.00 be appropriated and that to meet said appropriation the sum of \$8,764.80 be raised from the tax levy of the current year and that the balance of \$6,835.20 be transferred from the balance remaining from the amount appropriated under Article 27 by the 1971 Annual Town Meeting.

ARTICLE 27. To see if the Town will vote to accept Section 6-I of Chapter 40 of the General Laws which authorizes a town to construct, reconstruct, resurface and repair any private way which has been used by the public for 50 years or more, and to act on anything relating thereto.

A motion was made and seconded that the Town recommend a “NO” vote on this article.

VOTED: That the Town Vote “NO.”

ARTICLE 28. To see what sum of money the Town will vote to appropriate for the improvement, development, maintenance and protection of Trout Brook in the Town of Milton, said sum to be paid to the Treasurer of the Commonwealth under General Laws, Chapter 91, Section 29, as amended, for the improvement of Trout Brook if the Selectmen enter into an agreement with the Commonwealth for such work; and to act on anything relating thereto.

VOTED: That the Town vote to appropriate the sum of \$3,000.

MARCH MEETING

ARTICLE 29. To see if the Town will vote to authorize the Selectmen in the name and behalf of the Town to enter into an agreement with the Commonwealth of Massachusetts as authorized by General Laws, Chapter 91, Section 29, as amended, under the terms of which the Town will assume liability for all damages to property suffered by any person by any taking of land or of any right, interest, or easement therein made by the Commonwealth through the Department of Public Works in connection with the improvement, development, maintenance and protection of Trout Brook in the Town of Milton; and to act on anything relating thereto.

VOTED: That the Town vote "YES."

ARTICLE 30. To see what sum of money the Town will vote to appropriate for expenditure by the Board of Selectmen acting as Water Commissioners, said sum to be held in a special account to be known as the Account for Mains in Private Ways and to be expended for the purpose of constructing water mains and appurtenances in private ways, for which deposits shall have been made to reimburse the Town for such expenditures. No such expenditure shall be made in or liability incurred in connection with any such way in excess of the deposit made for such way until after such deposit has been made, and until after takings have been made of rights and easements necessary for the construction and maintenance of such mains and appurtenances; and to act on anything relating thereto.

VOTED: That the sum of \$8,080 be appropriated from available funds on hand January 1, 1972.

ARTICLE 31. A. To see if the Town will vote to authorize the Board of Selectmen to accept as a gift for the promotion and development of natural resources and for the preservation of open space a certain parcel of land at the Southwesterly corner of Brook Road and Canton Avenue containing 3512 square feet and being shown as Lot 1 on a plan entitled "Plan of Land (Corner of Canton Avenue and Brook Road) Milton, Massachusetts" dated January, 1972 by Lawrence W. DeCelle, Jr., Town Engineer which plan is on file at the office of the Town Engineer.

B. To see if the Town will vote to authorize the Board of Selectmen to purchase for the promotion and development of natural resources and for the preservation of open space a certain parcel of land situated between Brook Road and Canton Avenue and containing 7661 square feet of land. Said parcel is shown as Lot 2 on the plan referred to above; to appropriate money to acquire said parcel and to act on anything relating thereto.

VOTED: That the Town vote "YES" and that the sum of \$10,000 be appropriated and that to meet said appropriation the sum of \$5,000 be transferred from the present balance of the money appropriated under Article 31 of the 1970 Town Meeting and the balance of \$5,000 be transferred from the Conservation Fund.

Passed on a standing vote of YES – 167 NO – 72

On behalf of the Board of Selectmen, Chairman John Linehan, accepted as a gift this parcel of land, Lot 1, in the naem of the Town of Milton.

ARTICLE 32. To see if the Town will vote to amend Chapter 10 of the General Bylaws of the Town known as the Zoning Bylaw by adding a new section IV. B. as follows:

IV. B. Wetlands Regulations

1. The purpose of this section is to provide for the reasonable protection and conservation of certain irreplaceable natural features, resources and amenities

MARCH MEETING

for the health, safety and welfare of the present and future inhabitants of the Town. For this purpose, the following terms shall have the meanings herein ascribed to them.

- a. Stream—Any natural watercourse, generally containing water, through and along which water may flow from a pond, swamp, spring or similar body of water to another, to another stream, or to the ocean.
 - b. Tidal river—Any stream in which action of the oceanic tide causes the water to ebb and flow or the water level therein to rise and fall with some regularity, exclusive of hurricane tides irrespective of any actual incursion or admixing of oceanic salt water.
 - c. Marsh—Any essentially flat, frequently wet and occasionally flooded area adjoining open water along the shores of a pond or the banks of a stream and lying between such open water and the adjacent natural or artificial upland.
 - d. Tidal Marsh—Any marsh area in which action of the oceanic tide causes a change in the water level from time-to-time, exclusive of hurricane tides or tidal waves and any marsh area developed and maintained by incursion of oceanic salt water or by action of the oceanic tide.
 - e. Swamp—Any depressed area of poor drainage in which the water table is generally at or above the ground level, not caused or affected by salt water or action of the oceanic tide.
 - f. Pond—Any body of open water, other than a stream or the ocean, habitually more than 5,000 square feet in area.
2. Any person wishing to perform or cause to be performed, any of the following acts or operations shall first obtain a special permit from the Board of Selectmen after a duly advertised public hearing.
 - a. Obstructing, filling, dredging, excavating or changing the course of any stream or tidal river.
 - b. Filling or excavating within any part of any swamp, marsh or tidal marsh or in or along the shore or any pond so as to alter the shore line.Notice of such hearing shall be given pursuant to the provisions of Section XIII of this Chapter.
 3. In granting a permit for any of the foregoing, the Board of Selectmen shall be guided by current State and Federal laws and regulations pertaining to such acts of operations and shall take into consideration any recommendations of the Conservation Commission pertaining thereto.

VOTED: That the Town vote "YES."

UNANIMOUS VOTE

Boston, Mass. May 25, 1972. The foregoing amendment to Chap. 10 adopted under Article 32 is approved by the Atty. Gen.

MARCH MEETING

March 11, 1972

Planning Board Report – Article 32

The Planning Board held a public hearing on February 3, 1972 and on a subsequent vote unanimously approved the amendment to Chapter 10 of the General By-laws of the Town.

The Board feels that this is a necessary supplement to the present State regulations governing Wetlands.

It gives local control over the planning, conservation, and regulation of specific lands which heretofore were only controlled after the fact in many cases and not necessarily given the proper thought by regulatory boards outside of the Town.

This By-law will reassure proper public consideration of a concerned land areas by the Selectmen, Board of Appeals, Conservation Committee, and the Planning Board.

MILTON PLANNING BOARD
RICHARD C. FITZGERALD, Chairman
C. MITCHELL DRAPER, JR., Secretary
GEORGE N. HURD, JR.
PATRICK H. DONAHUE
THOMAS F. GARVEY

ARTICLE 33. To see if the Town will vote to amend the present Zoning Bylaw Chapter 10 of the General Bylaws as follows:

AMEND Section XI by rewriting as follows:

“Any person, firm or corporation who violates, disobeys, neglects, or refuses to comply with any of the provisions of this Bylaw shall be fined in a sum not to exceed fifty dollars (\$50.00) for each offense;”

and to act on anything relating thereto.

VOTED: That the Town vote “YES.”

March 11, 1972

Planning Board Report – Article 33

The Planning Board held a public hearing on November 11, 1971 and on a subsequent vote unanimously approved the amendment to Chapter 10 of the General By-laws of the Town.

MILTON PLANNING BOARD

MARCH MEETING

Boston, Mass. May 25, 1972. The foregoing amendment to Chap. 10 adopted under Article 33 is approved by the Atty. Gen.

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five citizens, said committee to be known as the Committee on Elderly Affairs, to advise the Board of Selectmen on the coordination of activities and needs of the elderly in the Town; to see what sum of money the Town will vote to appropriate for the purpose of such coordination, such sum to be administered by the Board of Selectmen; and to act on anything relating thereto.

VOTED: That the Town vote “YES” and that no appropriation be made.

COMMITTEE

- Alice Coghlan, Chrm., 62 Belcher Circle
- Charles J. Hackley, 1090 Canton Avenue
- Annette Finizio, 564 Pleasant Street
- Nancy Chase, 235 Randolph Avenue
- Ernest F. Chute, 50 Rustlewood Road

ARTICLE 35. To see what sum of money the Town will vote to appropriate for the celebration of the two hundredth anniversary of the American Revolution in accordance with the provisions of Chapter 911 of the Acts of 1971 and to authorize the Selectmen to appoint a committee to arrange plans for the same; and to act on anything relating thereto.

VOTED: That the Town vote “YES” and that the sum of \$600 be appropriated for this purpose and that to meet said appropriation the sum of \$450 be raised from the tax levy of the current year and the balance of \$150 be transferred from available funds in the Account of the Committee to Plan the Celebration of the Town’s 300th Anniversary.

COMMITTEE

- Charles R. Morris, Chrm., 179 School Street
- Mrs. James D. Colt, 1350 Canton Avenue
- Arthur W. Monks, 324 Reedsdale Road
- Michael J. Cummings, 16 Cedar Terrace St.
- William P. Melley, Jr., 16 Andrews Road

ARTICLE 36. To see what sum of money the Town will vote to appropriate for the general use of the Board of Park Commissioners for the present year; and to act on anything relating thereto.

John Shields made a motion to amend the Warrant committee’s recommendation for Capital Outlay from \$2,264 to \$17,264 in order to renovate the Tennis Court at Kelly Field. This motion was seconded and the motion to amend carried.

VOTED: That the sum of \$120,166 be appropriated, segregated as follows:

Salaries and wages \$ 69,345
Expenses	10,310
New Equipment	7,847
Field Material	4,900
Fish stocking	1,500
Capital Outlay	17,264

MARCH MEETING

Handicapped5,000
Recreation for elderly2,500
Land appraisal1,500
Total\$120,166

The Department is hereby authorized to sell or exchange old equipment to furnish additional funds for the purchase of new equipment.

ARTICLE 37. To see what sum of money the Town will vote to appropriate for the support of Schools for the year 1972; and to act on anything relating thereto.

VOTED: That the sum of \$4,797,868 be appropriated segregated as follows:

Salaries and wages	\$4,100,000
General Expenses	585,168
Custodians-Private Work5,000
Out-of-state travel (G.L. Ch. 40, S. 5-34)4,700

Summer Educational Development	11,500
School Lunch Program	72,300
Summer School Program5,200
Research and Development5,000

and that to meet said appropriation the sum of \$4,796,454 be raised from the tax levy of the current year and the balance of the appropriation \$1,414 be transferred from available funds in the Federal Grant to Public Schools Account.

ARTICLE 38. To see what sum of money the Town will vote to appropriate for Vocational Education under the provisions of General Laws (Ter. Ed.) Chapter 74; and to act on anything relating thereto.

VOTED: That the following appropriations be made:

1. Vocational education \$25,000
2. Adult evening practical art courses \$11,000

ARTICLE 39. To see what sum of money the Town will vote to appropriate for the transportation of pupils to and from school in the present year, said sum to be administered by the School Committee; and to act on anything relating thereto.

VOTED: That the sum of \$202,000 be appropriated to be administered by the School Committee.

ARTICLE 40. To see what sum of money the Town will vote to appropriate for the purpose of supplying clinical services for emotionally disturbed children of Milton through the South Shore Mental Health Association, such sum of money to be administered by the School Committee; and to act on anything relating thereto.

VOTED: That the Town vote "YES" and the sum of \$6,100 be appropriated.

The Moderator declared a twenty minute recess at 3:30 P.M. and reconvened at 3:50 P.M.

MARCH MEETING

At this juncture Moderator, Robert Lamere, recognized Selectman, Francis F. Brooks, who presented plaques to the members of the Board of Water Commissioners in recognition of their years of service to the Town of Milton. John B. Moore served as Water Commissioner from 1936 to 1972. Mrs. Moore accepted the plaque for him and thanked the Town through Mr. Brooks for this remembrance. Ernest E. Erickson served as Water Commissioner from 1940 to 1972. His Daughter, Mrs. Ashton, accepted his plaque and extended his thanks to the Town for this recognition. Paul F. Dolan served as Water Commissioner from 1971 to 1972, and he also extended his thanks for his plaque.

Town Meeting Member, Roger Connor recommended that the next three articles be taken up in the following sequence: Article 41, Article 43 and Article 44. The Town Meeting Members voted to accept this recommendation and the articles were voted on in the above order.

ARTICLE 41. To see if the Town will authorize the Moderator to appoint a committee of five citizens, the Committee to be known as the High School Building Study Committee, to investigate the best means of renovation or additional construction at the present senior high school or at another suitable location; to see if the Town will authorize said committee to employ the services of an architect and other professional assistants to prepare preliminary plans and cost estimates for said renovations and construction and to report in writing to the Selectmen no later than December 1, 1972; to see what sum of money the Town will appropriate for these purposes, and to act on anything relating thereto.

After considerable discussion among the Town Meeting Members, Town Meeting Member, Thomas W. O'Connor presented an amendment to the Warrant Committee's Recommendation. Mr. O'Connor made a motion that the vote be taken on the amended motion. The motion was seconded and it was so voted.

VOTED: That the present committee appointed pursuant to Article 36 of the 1971 Town Meeting be continued for the purpose of further study of the building needs of the school system of the Town, and further that the Town authorize said committee to employ the services of an architect and other professional consultants as needed and to report to the Selectmen as soon as possible but no later than October 1, 1972 and that an appropriation of \$50,000 be made for this purpose.

Passed on a standing vote YES – 177 NO – 53

COMMITTEE

James F. Dinneen, 21 Hilltop Street
Frank W. Crimp, 56 Mingo Street
C. Mitchell Draper, Jr., 641 Harland Street
David Jeffries, 1268 Canton Avenue
Patricia M. Schneider, 4 Catherine Road
Frances L. Sheehan, 97 Wendell Park
Johnston Torney, 170 Centre Street

ARTICLE 43. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to employ the services of an architect, engineer or other consultant for the purposes of preparing final plans and specifications for the construction of an elementary school including the erection, equipping and furnishing of such facilities to be located on land off Gile Road; that the Committee be authorized to obtain firm bids for said project and report within five days after receipt of said bids to the School Committee

MARCH MEETING

and Board of Selectmen; to see what sum of money the town will vote to appropriate for these purposes; and to act on anything relating thereto.

VOTED: That the Town vote "NO" and that the present committee appointed pursuant to Article 36 of the 1971 Town Meeting be continued for the purpose of further study of the building needs of the school system of the Town, to report to the Board of Selectmen as soon as possible but not later than June 1, 1972, and that no appropriation be made for this purpose.

ARTICLE 42. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or gift or take by eminent domain for municipal purposes a parcel of land containing 47 acres, more or less with frontage on Gile Road, shown on a plan entitled "1972 Land Acquisition, Gile Road" dated January 1972 by Lawrence W. DeCelle, Jr., Town Engineer, which plan is on file at the office of the Town Engineer, to appropriate money to acquire said parcel, to determine how said appropriation shall be raised, and to act on anything relating thereto.

VOTED: That the Town vote "NO" and that the present committee appointed pursuant to Article 36 of the 1971 Town Meeting be continued for the purpose of further study of the building needs of the school system of the Town, to report to the Board of Selectmen as soon as possible but no later than June 1, 1972, and that no appropriation be made for this purpose.

ARTICLE 44. To see what sum of money the Town will vote to appropriate for the leasing or the purchase and erection of two portable classrooms at Glover School, such sum of money to be administered by the School Committee, and to act on anything relating thereto.

Miss S. Frances Marden made the following recommendation to Article 44: "I move the recommendation under Article 44, to see what sum of money the town will vote to appropriate for the leasing or for the purchase and erection of two portable classrooms be changed from the recommendation of the Warrant Committee". The motion was seconded and the amended recommendation was voted.

VOTED: That the Town vote to appropriate the sum of \$38,000 for the purchase and erection of two portable classrooms at Glover School, such sum of money to be administered by the School Committee.

ARTICLE 45. To see if the Town will vote to amend Chapter 6 of the General Bylaws of the Town by adding a new section as follows:

SECTION 32. It shall be unlawful for anyone to solicit from house to house for the sale of any articles or thing in the Town from sunset to sunrise on any day, or at any time on Sunday or any legal holiday.

and to act on anything relating thereto.

VOTED: That the Town vote "YES."

Boston, Mass., May 25, 1972. The foregoing amendment to General By-laws adopted under Article 45 is hereby approved by the Attorney General.

MARCH MEETING

ARTICLE 46. To see if the Town will vote to amend Chapter 6 of the General Bylaws of the Town by adding a new section as follows:

SECTION 31. No person shall sell, solicit or display goods, articles, wares or merchandise upon the public ways of the Town unless duly licensed to do so by first having obtained a written permit from the Board of Selectmen.

and to act on anything relating thereto.

VOTED: That the Town vote "YES."

Boston, Mass. May 25, 1972. The foregoing amendment to General By-laws adopted under Article 46 is hereby approved by the Attorney General.

ARTICLE 47. To see if the Town will vote to amend Section 12 of Chapter 4 of the General Bylaws pertaining to the awarding of contracts for work or services by striking out the figure \$300 in line four and inserting in place thereof the amount of \$1,000 and further by striking out the figure \$1,000 in line eight and inserting in place thereof the amount of \$2,500; and to act on anything relating thereto.

VOTED: That the Town vote "YES."

Boston, Mass. May 25, 1972. The foregoing amendment to General Bylaws adopted under article 47 is hereby approved by the Attorney General.

ARTICLE 48. To see if the Town will vote to amend Chapter 6 of the Town's Bylaws by inserting after section 29 a new section to be known as Section 30 and to read as follows:

"SECTION 30. LEASING OF DOGS.

No person owning or keeping a dog in the Town of Milton shall permit such dog to be at large in the Town of Milton elsewhere than on the premises of the owner or keeper, except if it be on the premises of another person. Such owner or keeper of a dog in the Town of Milton, which is not on the premises of the owner or upon the premises of another person, with the knowledge and permission of such person shall restrain such dog by a chain or leash not exceeding six feet in length.

In any prosecution hereunder, the presence of such dog at large upon premises other than the premises of the owner or keeper of such dog shall be prima facie evidence that such knowledge and permission was not had.

Any dog found to be at large in violation of the bylaw shall be caught and confined by the Dog Officer and placed in a cage in suitable quarters. The Dog Officer shall make a complete registry, entering date, the breed, color and sex of such dog, and whether licensed. If licensed, he shall enter the name and address of the owner and the number of the license tag. The owner, if known, shall be notified as soon as possible that the dog has been confined, and given a period of ten days within which to recover the dog, failing which the dog shall be turned over to the Animal Rescue League. Return of the dog to the licensed owner or keeper (within the ten day period) shall be dependent upon admission of ownership or the keeping of the dog and the assumption of

MARCH MEETING

responsibility by the licensed owner or keeper. The Dog Officer shall enter and prosecute a complaint against the owner or keeper of any dog taken into his custody under this section, provided, however, if within the twelve months next preceding this offense the owner or keeper has not been convicted for violation of this bylaw, or a dog owned or kept by him has not been taken into custody for violation of this bylaw, the Dog Officer may waive prosecution. A Dog Officer having custody of a dog confined under this bylaw shall be allowed the sum of one dollar per day for each day of confinement for the care of such dog, payable by the owner or keeper thereof.

A violation of this bylaw shall be punishable by a fine of not more than ten dollars (\$10.00) for each offense.”

and to act on anything relating thereto.

An amended motion to the Warrant Committee’s recommendation was presented to the Town Meeting Members, and a motion was made and seconded to vote on the amended motion.

VOTED: That the town vote to amend Section 22 of Chapter 6 of the General Bylaws by striking out said section and inserting in place thereof the following:

SECTION 22

- A. No person shall own or keep a dog which by barking, biting, howling or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.
- B. The owner, keeper, parent or guardian of a minor owner or keeper of a dog shall not allow said dog to be off the premises of its said owner or keeper except:
 - 1. in the immediate restraint and control of some person by means of a leash or by effective command, or
 - 2. on the premises of another with the permission of such other.
- C. Any violation hereof shall be punished by a fine of not more than \$10 for each offense. In addition any violation shall permit the dog officer to order the dog restrained or to impound the dog. Return to the owner or keeper shall

MARCH MEETING

not be made until after the payment to the town of the sum of \$5 together with \$1.50 for each day the dog is so held. Dogs impounded and unclaimed by the owner or keeper after ten days shall be disposed of by the dog officer.

Boston, Mass. May 25, 1972. The foregoing amendment to General By-laws adopted under Article 48 is hereby approved by the Attorney General.

ARTICLE 49. To see if the Town will vote to appropriate a sum of money, Fifteen Thousand (\$15,000) dollars, to be expended by the Board of Selectmen, for expanding and/or equipping present Town kennel facilities, or constructing new fully equipped kennel facilities; for the purchase of an appropriate dog transportation vehicle; for additional full-time or part-time personnel services as deemed necessary; all for the purpose of implementing the dog-control Bylaws, Rules, Regulations, etc., as approved by the Town Meeting, and to act on anything relating thereto.

MARCH MEETING

VOTED: That the Town vote "YES."

Passed on a standing vote YES – 111 NO – 76

ARTICLE 51. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt for the present year and to act on anything relating thereto.

VOTED: That the following appropriations be made for:

1. Interest	\$167,798
2. Maturing Debt	\$355,000

ARTICLE 52. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures for the current year and to apply from overlay reserve such amount as the Town shall determine to meet in whole or in part such appropriation; and to act on anything relating thereto.

VOTED: That the sum of \$60,000 be appropriated and that to meet said appropriation the sum of \$60,000 be raised from the tax levy of the current year.

ARTICLE 53. To see what sum of money the Town will vote to appropriate from available funds on hand January 1, 1972 for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23.

VOTED: That the Town vote to appropriate the sum of \$430,000 from available funds on hand January 1, 1972 for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with provisions of General Laws, Chapter 59, Section 23.

The Meeting was dissolved at 6:40 P.M.

GRACE M. COLES
Town Clerk

Re: Amendments to the Zoning Bylaws passed at the Annual Town Meeting held March 11, 1972 and approved by the Attorney General May 25, 1972. Amendments to the Zoning Bylaws adopted under Articles 32 and 33 of the Warrant at the Annual Town Meeting held in March 1972 were sent to the Attorney General on April 10, 1972 and as of May 25, 1972 were approved by the Attorney General.

Re: Amendments to the General Bylaws passed at the Annual Town Meeting held March 11, 1972 and approved by the Attorney General May 25, 1972. Amendments to the General Bylaws adopted under Articles 45, 46, 47 and 48 of the Warrant at the Annual Town Meeting held in March 1972 were sent to the Attorney General on April 10, 1972 and as of May 25, 1972, were approved by the Attorney General.

No bylaw becomes effective until after approval of the Attorney General and publication as provided by G.L. (Ter. Ed.) Chap. 40 Sec. 32.

As of June 9, 1972 the Bylaw changes have been published in a town pamphlet, copies of which have been posted in public places in each precinct of the town. Therefore as of June 9, 1972 the bylaw changes are in effect.

Town Clerk

SPECIAL PRIMARY

1972 SPECIAL PRIMARY
WARRANT

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Special State Primaries to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
In Precinct 3.	Police Station, Central Avenue,
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School on Gile Road,
In Precinct 5A.	Gymnasium, Pierce Junior High School on Gile Road,
In Precinct 5B.	Gymnasium, Pierce Junior High School on Gile Road,
In Precinct 6.	Gymnasium, Cunningham Junior High School on Edge Hill Road,
In Precinct 7.	St. Agatha's Auditorium, Adams Street,

on Tuesday, February twenty-ninth next, at eight o'clock in the forenoon, then and there to bring in their vote to the Precinct Officers of their respective Precincts for the Candidate of their Political Party for the following office:

Senator for the Sixth Suffolk Senatorial District

For these purposes the Polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk before said meeting.

SPECIAL PRIMARY

Given under our hands at Milton this Tenth day of February, Nineteen Hundred and Seventy-two.

(Signed) FRANCIS F. BROOKS
RALPH L. KENT
JOHN P. LINEHAN
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on February 22, 1972, and leaving attested copies at the dwellings of the inhabitants.

(Signed) JOHN E. WHEARTY
Constable of Milton

The Warrant was posted in the post offices at East Milton and Milton Village on February 22, 1972, and was filed in the Town Clerk's Office on February 25, 1972. The Warrant was delivered to the homes of the inhabitants on February 22, 1972.

on Tuesday, March twenty-eight next, at eight o'clock in the forenoon, then and there to bring in their vote to the Precinct Officers of their respective Precincts for the Candidate of their Political Party for the following Office:

SENATOR for the Sixth Suffolk Senatorial District

For these purposes the Polls will be open at each and all of said precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk before said meeting.

SPECIAL STATE ELECTION

Given under our hands at Milton this second day of March, Nineteen Hundred and Seventy-two.

(Signed) FRANCIS F. BROOKS
RALPH L. KENT
JOHN P. LINEHAN
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on March 22, 1972, and leaving attested copies at the dwelling of the inhabitants.

(Signed) John E. Whearty
Constable of Milton

The Warrant was posted in the post offices at East Milton and Milton Village on March 22, 1972, and was filed in the Town Clerk's Office on March 23, 1972. The Warrant was delivered to the homes of the inhabitants on March 23, 1972.

| In Precinct 5A. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 5B. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 6. | Gymnasium, Cunningham Junior High School, Edge Hill Road, |
| In Precinct 7. | St. Agatha's Auditorium, Adams Street |

on Tuesday, April twenty-fifth next, at eight o'clock in the forenoon, then and there to bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

PRESIDENTIAL PREFERENCE

- | | |
|----|--|
| 20 | DELEGATES AT LARGE TO the National Convention of the DEMOCRATIC PARTY. |
| 12 | ALTERNATE DELEGATES AT LARGE TO the National Convention of the DEMOCRATIC PARTY. |
| 10 | DELEGATES AT LARGE TO the National Convention of the REPUBLICAN PARTY. |
| 10 | ALTERNATE DELEGATES AT LARGE TO the National Convention of the REPUBLICAN PARTY. |

APRIL PRIMARIES

- 7 DISTRICT DELEGATES TO the National Convention of the DEMOCRATIC PARTY – Eleventh Congressional District.
- 4 ALTERNATE DISTRICT DELEGATES TO the National Convention of the DEMOCRATIC PARTY – Eleventh Congressional District.
- 2 DISTRICT DELEGATES TO the National Convention of the REPUBLICAN PARTY – Eleventh Congressional District.
- 2 ALTERNATE DISTRICT DELEGATES TO the National Convention of the REPUBLICAN PARTY – Eleventh Congressional District.

DISTRICT MEMBERS OF STATE COMMITTEE (One Man and One Woman) for each Political Party for the Sixth Suffolk Senatorial District.

35 MEMBERS OF THE DEMOCRATIC TOWN COMMITTEE

35 MEMBERS OF THE REPUBLICAN TOWN COMMITTEE

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the Post Offices of said Town seven days at least before said twenty-fifth day of April, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before said twenty-fifth day of April next.

Given under our hands at Milton this Sixth day of April, Nineteen Hundred and Seventy-two.

(Signed) JOHN P. LINEHAN
RALPH L. KENT
FRANCIS F. BROOKS
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the times and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on April 18, 1972, and leaving attested copies at the dwelling of the inhabitant.

(Signed) John E. Whearty
Constable of Milton

The Warrant was posted in the Post Offices at East Milton and Milton Village on April 18, 1972, and was filed in the Town Clerk's Office April 21, 1972. The Warrant was delivered to the homes of the inhabitants on April 19, 1972.

See page for Result of Primary by Precincts.

SEPTEMBER PRIMARIES

1972
SEPTEMBER PRIMARIES

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Primaries and in Town affairs, to meet at the several designated Polling Places in their respective Precinct in said Milton, to wit:

- | | |
|-----------------|--|
| In Precinct 1. | Tucker School Hall, Blue Hills Parkway, |
| In Precinct 2. | Basement Kidder Branch, Milton Public Library, Blue Hills Parkway, |
| In Precinct 3. | Police Station, Central Avenue, |
| In Precinct 4. | Basement Playroom, rear of Pierce Elementary School, Gile Road |
| In Precinct 5A. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 5B. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 6. | Gymnasium, Cunningham Junior High School, Edge Hill Road, |
| In Precinct 7. | St. Agatha's Auditorium, Adams Street |

on Tuesday, September nineteenth next, at eight o'clock in the forenoon, then and there to bring in to the Precinct Officers their votes for the Nomination of Candidates of Political Parties for the following Offices:

SENATOR IN CONGRESS for the Commonwealth of Massachusetts

REPRESENTATIVE IN CONGRESS for the Eleventh Congressional District

COUNCILLOR for the Fourth Councillor District

SENATOR for the Sixth Suffolk Senatorial District

TWO REPRESENTATIVES IN GENERAL COURT for the
Sixth Norfolk Representative District

REGISTER OF PROBATE AND INSOLVENCY for the
County of Norfolk

SEPTEMBER PRIMARIES

TWO COUNTY COMMISSIONERS for the County of Norfolk
for four-year term

COUNTY TREASURER for the County of Norfolk for six-year term

For these purposes the polls will be open at each and all of said Precincts at eight-o'clock in the forenoon and will be closed at eight o'clock in the evening.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said Meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said Meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before said nineteenth day of September, next.

Given under our hands at Milton this Tenth day of August, Nineteen Hundred and Seventy-two.

(Signed) JOHN P. LINEHAN
RALPH L. KENT
FRANCIS F. BROOKS
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town of September 8, 1972, and leaving attested copies at the dwelling of the inhabitants.

(Signed) John E. Whearty
Constable of Milton

The Warrant was posted in the Post Offices at East Milton and Milton Village on September 8, 1972, and was filed in the Town Clerk's Office September 8, 1972. The Warrant was delivered to the homes of the inhabitants on September 11, 1972.

NOVEMBER ELECTION
1972
WARRANT
NOVEMBER ELECTION

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Primaries and in Town affairs, to meet at the several designated Polling Places in their respective Precinct in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	Basement Kidder Branch, Milton Public Library, Blue Hills Parkway,
In Precinct 3.	Police Station, Central Avenue,
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road
In Precinct 5A.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 5B.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road,
In Precinct 7.	St. Agatha's Auditorium, Adams Street

On Tuesday, November seventh next, at eight o'clock in the forenoon, then and there to bring in their ballots for Electors of President and Vice President; Senator in Congress; Representative in Congress for the Eleventh Congressional District, Councillor for the Fourth District; Senator for the Sixth Suffolk District; Two Representatives in General Court for the Sixth Norfolk District; Register of Probate and Insolvency for Norfolk County; Two County Commissioners for Norfolk County; County Treasurer for Norfolk County; also to vote on the acceptance of the following Questions:

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 221 votes in the affirmative and 22 in the negative, and in a joint session of the two branches held May 12, 1971, received 238 votes in the affirmative and 14 in the negative? YES NO

NOVEMBER ELECTION

SUMMARY

The proposed amendment would authorize the Legislature to enact a law that agricultural and horticultural lands shall be valued, for taxation purposes, according to their agricultural or horticultural uses. No parcel of land less than five acres which has not been actively devoted to such uses for two years preceding the tax year could be valued at less than fair market value.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 143 votes in the affirmative and 113 in the negative, and in a joint session of the two branches held May 12, 1971, received 243 votes in the affirmative and 11 in the negative? YES NO

SUMMARY

The proposed amendment would bring the State Constitution into conformity with the 26th Amendment to the Constitution of the United States by setting the minimum age for voting at eighteen.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 258 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 12, 1971, received 262 votes in the affirmative and 1 in the negative? YES NO

SUMMARY

The proposed amendment would remove the prohibition against paupers from voting.

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 264 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 12, 1971, received 264 votes in the affirmative and 0 in the negative? YES NO

SUMMARY

The proposed amendment would authorize the Legislature to enact a law to permit the Commonwealth to make loans for tuition and board at any college, university or institution of higher learning to students who are residents of the Commonwealth.

NOVEMBER ELECTION

QUESTION NO. 5

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 5, 1969 received 239 votes in the affirmative and 0 in the negative, and in a joint session of the two branches held May 12, 1971, received 266 votes in the affirmative and 0 in the negative? YES NO

SUMMARY

The proposed amendment would annul Article 49 of the Articles of Amendment to the Constitution and substitute a new amendment which declares that the people have the right to clean air and water, freedom from excessive and unnecessary noise, and the natural, scenic, historic and esthetic qualities of their environment. It further declares that the protection of the right to the conservation, development and utilization of the agricultural, mineral, forest, water, air and other natural resources is a public purpose.

The Legislature is authorized to adopt necessary legislation and to provide for eminent domain takings where required for the purposes of the amendment. Any property so taken may only be used for other purposes or disposed of upon two thirds vote of the Legislature.

QUESTION NO. 6

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 2, 1969, received 204 votes in the affirmative and 49 in the negative, and in a joint session of the two branches held May 12, 1971, received 245 votes in the affirmative and 20 in the negative? YES NO

SUMMARY

The proposed amendment would authorize, but not require, the Legislature to modify the Massachusetts Income tax laws by the use of graduated rates instead of the present flat or uniform rates. The Legislature could do this in any one of three ways:

1. Apply a uniform rate of percentage to an individual's federal income tax liability; or
2. Apply graduated rates to an individual's federal taxable income; or
3. Apply graduated rates to income determined to be taxable under Massachusetts law.

The Legislature would also be authorized to provide for reasonable exemptions, deductions and abatement and make the definition of any term used in the state tax law automatically the same as it is under Federal Law.

NOVEMBER ELECTION

QUESTION NO. 7

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 18, 1969, received 198 votes in the affirmative and 63 in the negative, and in a joint session of the two branches held May 12, 1971, received 231 votes in the affirmative and 31 in the negative? YES NO

SUMMARY

The proposed amendment would require that all judges must retire upon reaching seventy years of age.

QUESTION NO. 8

Do you approve of an act passed by the general court in the year nineteen hundred and seventy-two, entitled "An Act lowering to eighteen years the age requirement of a person licensed to sell or allowed to purchase alcoholic beverages?" YES NO

QUESTION NO. 9

"Shall the voluntary recitation of prayer be authorized in the public schools of the commonwealth? YES NO

QUESTION NO. 10

E. Shall licenses be granted in the town of Milton for the sale therein of all alcoholic beverages to be consumed on the premises of apartment houses having a dining room capacity of not less than ninety-nine persons? YES NO

F. Shall licenses be granted in the town of Milton for the sale therein of all alcoholic beverages to be consumed on the premises by members and guests of war veterans' organizations located within the boundaries of the Town? YES NO

All to be voted for on one ballot.

The polls will be open from 8 o'clock A.M. to 8 o'clock P.M., and you are directed to warn said inhabitants qualified as aforesaid to meet at the time and places and for the purpose herein mentioned by posting attested copies of this Warrant in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make due return of this Warrant or a certified copy thereof with your doings thereon to the Town Clerk as soon as may be and before said meeting. Given under our hands at Milton this Nineteenth day of October, Nineteen Hundred and Seventy-two.

(Signed) JOHN P. LINEHAN
RALPH L. KENT
FRANCIS F. BROOKS
Board of Selectmen

NOVEMBER ELECTION

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant. I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on October 30, 1972, and leaving attested copies at the dwelling of the inhabitants.

(Signed) John E. Whearty
Constable of Milton

The Warrant was posted in the Post Offices of East Milton and Milton Village on October 30, 1972 and was filed in the Town Clerk's Office October 31, 1972. The warrant was delivered to the homes of the inhabitants on October 31, 1972.

SPECIAL TOWN MEETING WARRANT

SPECIAL TOWN MEETING WARRANT
DECEMBER 5, 1972

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs to meet at the Milton High School Auditorium on Brook Road in said Milton on Tuesday, the fifth day of December next, at eight o'clock in the evening, then and there to act upon the following Articles, to wit:

ARTICLE 1. To see if the Town will vote to authorize a school project consisting of:

1. The construction, original equipping and furnishing of a new three year high school building;
2. The reconstruction, remodeling, rehabilitation and modernization as may be required at the present senior high school and to render the same suitable for use as a junior high school;
3. The reconstruction, remodeling, rehabilitation and modernization as may be required at the present Pierce Junior High School and the Cunningham Junior High School to render the same suitable for use as elementary schools;

to see what sum of money the Town will vote to appropriate for the foregoing purposes or any of them; and determine how said appropriation shall be raised, whether by appropriation of unused funds or other monies, by borrowing or otherwise, and if by borrowing to authorize the issuance of obligations of the Town therefor under any applicable provision of law; and in connection with the project described above to see if the Town will authorize the Moderator to appoint a committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts, and to supervise the aforesaid school project, all in the name and behalf of the Town; and to act on anything relating to the foregoing.

RECOMMENDED that the Town vote "YES", that the sum of \$10,760,000.00 be appropriated for the school project described in Article 1 and to meet said appropriation the sum of \$40,000.00 be transferred from available funds as follows:

High School Addition Construction	\$18,775.02
Glover School Addition Construction	5,389.00
Collicot School Building Addition	13,387.25
Collicot School Remodeling	794.78
School Building Needs Committee	1,653.95
	\$40,000.00

and that the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of \$10,720,000.00 under and pursuant to the provisions of Chapter 645 of

SPECIAL TOWN MEETING WARRANT

the Acts of 1948, as amended and that the Moderator be authorized to appoint a committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts, and to supervise the aforesaid school project, all in the name and behalf of the Town.

ARTICLE 2. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or gift or take by eminent domain for school purposes a parcel of land containing 44 acres, more or less, with frontage on Gile Road, shown on a plan entitled, "High School Land Acquisition, Gile Road", dated November 1972 by Lawrence W. DeCelle, Jr., Town Engineer, which plan is on file at the Office of the Town Engineer; to appropriate a sum of money therefor and determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise; and to act on anything relating thereto.

RECOMMENDED that the Board of Selectmen be authorized to acquire in the name and on behalf of the Town by purchase or gift or take by eminent domain for school purposes the parcel of land described in this article and that the sum of \$304,000.00 be appropriated for this purpose, and that to meet said appropriation the sum of \$14,000.00 be transferred from available revenue funds in the School Building Needs Committee Account and the Treasurer with the approval of the Board of Selectmen be authorized to borrow the sum of \$290,000.00 under and pursuant to the provisions of General Laws, Chapter 44, Section 7, Clause 3.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the time and place and for the purposes herein mentioned by posting attested copies of this Warrant in each of the post offices of said Town seven days before said fifth day of December and leaving printed copies thereof at the dwelling houses in said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said fifth day of December, next.

Given under our hands at Milton the Sixteenth day of November, Nineteen Hundred and Seventy-two.

(Signed) JOHN P. LINEHAN
RALPH L. KENT
FRANCIS F. BROOKS
Board of Selectmen

Commonwealth of Massachusetts) ss.
County of Norfolk)

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the times and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the town on November 21, 1972 and leaving attested copies at the dwelling of the inhabitants.

(Signed) John E. Whearty
Constable of Milton

The Warrant was posted in the Post Offices at East Milton and Milton Village on November 21, 1972, and was filed in the Town Clerk's Office November 22, 1972. The Warrant was delivered to the homes of the inhabitants on November 29, 1972.

SPECIAL TOWN MEETING

SPECIAL TOWN MEETING DECEMBER 5, 1972

The Special Town Meeting held at the Milton High School Auditorium was opened at 8:00 P.M. by the Moderator, Robert K. Lamere. Those present stood while Rev. Francis X. Delaney from St. Mary of the Hills Church, delivered the invocation. The Moderator read the names of Town Meeting Members Edward P. Hamilton, Martin J. Joyce and Walter J. Murphy, who had died since our last Annual Town Meeting.

There were 240 Town Meeting Members in attendance. The Moderator declared there was a quorum present. Those absent were as follows:

- | | |
|-------------|---|
| Precinct 1. | George W. Collins, John L. Cronk, John H. Cunningham, Jr.,
Benedict L. Margarone, Albert J. McKinnon, Paul R. Mc-
Naughton, Arthur L. Timmins. |
| Precinct 2. | John F. Fitzgerald, Jr., Robert F. Joyce, Richard C. Ogar, |
| Precinct 3. | Scott R. Foster, John C. Robinson, |
| Precinct 4. | Michael F. Farrington, John W. Kenney, Eugene L. Mason, |
| Precinct 5. | G. Leo Bessette, Charles E. Colson, Joseph M. Donahue,
Edward Dyson, Craig B. Haines, Thomas P. McSharry,
John B. Moore, Richard H. Schmidt, Martha M. Wiswell, |
| Precinct 6. | Francis C. Bates, Arthur J. Doyle, Charles W. Duffy, |
| Precinct 7. | Joseph L. Bertram, Jr., Edward E. Graves, Thomas C. Malloy,
Samuel F. McCormack, Joseph J. Mullen, P. Bradford Sheppard,
Richard Sullivan, Stewart Williams. |

Permission was given to certain members of Boards and Committees who are not Town Meeting Members to sit with the Town Meeting Members with no right to vote.

ARTICLE 1. To see if the Town will vote to authorize a school project consisting of:

1. The construction, original equipping and furnishing of a new three year high school building;
2. The reconstruction, remodeling, rehabilitation and modernization as may be required at the present senior high school to render the same suitable for use as a junior high school;
3. The reconstruction, remodeling, rehabilitation and modernization as may be required at the present Pierce Junior High School and the Cunningham Junior High School to render the same suitable for use as elementary schools;

to see what sum of money the Town will vote to appropriate for the foregoing purposes or any of them; and determine how said appropriation shall be raised, whether by appropriation of unused funds or other monies, by borrowing or otherwise, and if by borrowing to authorize the issuance of obligations of the Town therefor under any applicable provision of

SPECIAL TOWN MEETING

law; and in connection with the project described above to see if the Town will authorize the Moderator to appoint a committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts, and to supervise the aforesaid school project, all in the name and behalf of the Town; and to act on anything relating to the foregoing.

After considerable discussion by members of the School Committee, School Needs Study Committee, the Warrant Committee and Town Meeting Members the following vote was taken.

VOTED: That the Town vote "YES", that the sum of \$10,760,000 be appropriated for the school project described in Article 1 and to meet said appropriation the sum of \$40,000.00 be transferred from available funds as follows:

High School Addition Construction	\$18,775.02
Glover School Addition Construction	5,389.00
Collicot School Building Addition	13,387.25
Collicot School Remodeling	794.78
School Building Needs Committee	1,653.95

\$40,000.00

and that the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of \$10,720,000.00 under and pursuant to the provisions of Chapter 645 of the Acts of 1948, as amended, and that the Moderator be authorized to appoint a committee of five citizens to employ the services of an architect, to advertise and secure bids, to let a contract or contracts, and to supervise the aforesaid school project, all in the name and behalf of the Town.

Standing Vote YES----114 NO----112 This Article failed to pass because it lacked the necessary two-thirds vote.

ARTICLE 2. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or gift or take by eminent domain for school purposes a parcel of land containing 44 acres, more or less, with frontage on Gile Road, shown on a plan entitled, "High School Land Acquisition, Gile Road", dated November 1972 by Lawrence W. DeCelle, Jr., Town Engineer, which plan is on file at the Office of the Town Engineer; to appropriate a sum of money therefor and determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise; and to act on anything relating thereto.

VOTED: That the Board of Selectmen be authorized to acquire in the name and on behalf of the Town by purchase or gift or take by eminent domain for school purposes the parcel of land described in this article and that the sum of \$304,000.00 be appropriated for this purpose, and that to meet said appropriation the sum of \$14,000.00 be transferred from available revenue funds in the School Building Needs Committee Account and the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of \$290,000.00 under and pursuant to the provisions of General Laws, Chapter 44, Section 7, Clause 3.

Standing Vote YES----102 NO----111

The Meeting was dissolved at 11:20 P.M.

Grace M. Coles
Town Clerk

REPORTS OF SPECIAL COMMITTEES

PERMANENT INSURANCE ADVISORY COMMITTEE

REPORT OF PERMANENT INSURANCE
ADVISORY COMMITTEE

To the Honorable Board of Selectmen:

Milton's insurance program is in very satisfactory shape. Although the market for municipal coverages has been thin, Milton has been able to obtain all the protection deemed necessary by this committee at reasonable cost.

There has been a significant increase in the area of Workmen's compensation coverage. A combination of increased payroll, and adverse loss experience which resulted in an increased experience modification, created a substantial premium increase for the next fiscal period.

We are now in the third year of a three year Property policy covering Town buildings and their contents. We are hopeful that market conditions will improve before we negotiate renewal of this vital coverage.

It has been our policy to have the Town buildings appraised every three years by the firm of Fay, Spofford & Thordike. Such an appraisal was done during 1972 and we are in the process of adjusting the limits on the Property policy to reflect the increased values revealed by the appraisal.

In order to minimize an otherwise staggering effect on the insurance budget of the transitional eighteen month fiscal period, the committee changed the audit procedure on the workmen's compensation policy from an anual to a quarterly basis. This change avoided the necessity of budgeting for two full annual premiums within the single fiscal period. To this end we also extended the Property policy for 130 days to expire July 1, 1974.

During 1972 our committee regretfully accepted the resignations of two loyal members. Phillip Richenburg retired after many years of devoted service. He has been replaced by Michael B. O'Toole of 87 Cary Avenue. Robert R. Hamel resigned after serving as chairman for several years. Daniel F.X. Davis of 23 Indian Spring Road was appointed to complete Mr. Hamel's term.

Respectfully submitted,

BRUCE B. ALEXANDER, Chairman
MICHAEL B. O'TOOLE
DANIEL F.X. DAVIS

ELDERLY AFFAIRS COMMITTEE

REPORT OF THE ELDERLY AFFAIRS COMMITTEE

January 19, 1973

To the Honorable Board of Selectmen:

The Elderly Affairs Committee submits the following report based on five meetings with members of the Committee, and meetings with the Youth Coordinator, the Health Planning Council for Greater Boston, and the Quincy Council on Aging.

The Committee decided that a booklet listing the various beneficial services available would be the best means of keeping senior citizens informed on matters of interest to them. Upon completion, the booklet will be distributed to all senior citizens in the town.

In order to know our senior citizens, a card file was made, and as of December 31, 1972, there were 6164 persons 60 years or older listed.

20 persons have volunteered for the Food Surplus Project, and numerous people have stated they would keep in touch with lonely senior citizens.

Two Clinics were held for Flu Shots in December, 1972, with 311 people 50 years and older being inoculated.

Respectfully submitted,

ALICE E. COGHLAN, Chairman
ERNEST F. CHUTE, Secretary
ANTOINETTE FINIZIO, Member
NANCY B. CHASE, Member
CHARLES J. HACKLEY, Member

COMMITTEE ON HOUSING
COMMITTEE ON HOUSING

January 3, 1973

To The Honorable Selectmen
Town of Milton
Milton, Massachusetts

Gentlemen:

On May 31, 1971 the Moderator appointed Susan B. Cabot to the Standing Committee on Housing to replace Thomas F. Garvey and appointed William E. Albers as Chairman under Article 1 of the November 1969 Special Town Meeting. The members of the Committee are deeply grateful to Mr. Garvey for his leadership of the Committee during his term of office.

Mr. Frank Knowlton, the Executive Director of Milton Residences for the Elderly, Inc. attended many meetings of the Committee to keep them posted on the progress of Unquity House. The Chairman of this Committee attended the meetings of M.R.E. Copies of M.R.E.'s financial report are appended. The dedication of Unquity House was held on December 2, 1972. Unquity House is at long last a going operation with all apartments full and a long waiting list. The Town will always be grateful to the Clergy and their associates for the many long years of faithful and devoted work in seeing this most needed project completed. The Town can be justly proud of this magnificent though belated home for a small portion of our elderly citizens. The Committee would like to particularly recognize the tireless efforts of Frank Knowlton.

In the course of its deliberations the Committee considered all areas in the Town that might be suitable for rezoning into zone D for either low cost or housing for the elderly. The Committee strongly feels that there remains a most urgent need in the Town not only for housing for the elderly but also low cost housing for Milton residents.

There exists as of December 31, 1972 a waiting list of 250 qualified elderly persons seeking apartments at Unquity House.

The M.R.E. does not have another site and does not have funds available to privately purchase another site. They have expressed interest in managing another housing for the elderly facility for a Housing Authority if one were to be created. We believe this would be a prudent and feasible approach to developing additional facilities to meet the housing for the elderly need.

Therefore, the Committee urges the Town to take the first step towards creating a Housing Authority by voting a Home Rule Petition seeking the authority to create an appointed Housing Authority.

It should be clearly understood that this is a two step process. The first step of the Home Rule Petition merely would seek a special act of the General Court that would permit four members of the Housing Authority to be appointed by the Board of Selectmen rather than be elected. The fifth member, who must also be a resident of the Town, would be appointed by the Governor.

This Home Rule Petition in itself would not bring into existence an operating Housing Authority. The second step would require that the Town Meeting vote that the

COMMITTEE ON HOUSING

need for such housing exists in accordance with Chapter 121B, Section 3. Therefore, the article we propose for consideration by the 1973 Town Meeting merely sets the stage for an orderly format for the establishment of a Housing Authority.

This format for establishing an appointed Milton Housing Authority is in keeping with the policy of the Town to centralize operating agency responsibility in the executive authority of the Town, namely the Board of Selectmen. It would help to avoid the splintering personnel and operating policy effect which have troubled certain other Towns where elected Housing Authorities have adopted personnel and purchasing practices at odds with existing Town Departments.

We call to your attention Chapter 121B, the Massachusetts Housing Authority Statute, which, contrary to some beliefs, is designed to serve the needs of local residents and gives them strong preference over any other consideration.

A Housing Authority allows the Town to take advantage of many more financial and subsidy resources than are available to the private non-profit agency. There are distinct advantages to a Housing Authority and also strict controls by the Town Meeting. Housing Authorities cannot bind the Town credit by bond issue and a two-thirds vote of Town Meeting is required for any site selection.

The Committee looks forward in 1973 to cooperating with the Planning Board in work on the revision of the Master Plan. In the course of this planning effort, we hope to statistically determine the need for Low Income Housing within the Milton Community in addition to the known need for Housing for the Elderly. We also hope that the Master Plan work will identify sites for future housing facilities which might be considered by future Town Meetings for rezoning for either Housing Authority use or M.R.E. purchase.

The current balance of our appropriation remains \$250.00.

The members of the Committee are grateful for the cooperation they have received from the officers and employees of the Town. We are particularly grateful to Roger A. Nicholas, Planning Director, Robert D. O'Leary, Town Counsel, Lawrence W. DeCelle, Jr., Town Engineer and John A. Cronin, Executive Secretary, as well as Mrs. James B. Atkins of the League of Women Voters and Frank Knowlton of M.R.E. who attended many of our meetings and provided us with much valuable information.

Respectfully submitted,

SUMMARY OF SCHOOL NEEDS

REPORT OF THE SCHOOL BUILDING NEEDS COMMITTEE

To: The Honorable Board of Selectmen

The School Building Needs Committee was appointed in 1971 under Article 36 of the March Town Meeting Warrant and provided with the sum of \$500 for expenses.

The Committee reported to the Town Meeting of March (1972) that there was a need for new school construction in the Town of Milton. The Town Meeting Body instructed the Committee to continue its study and to obtain the services of an architect and an educational consultant to determine cost estimates. A sum of \$50,000 was provided for professional services.

The Committee interviewed a number of experienced educational consultants and architects and selected: Dr. George J. Collins, Educational Associates, Inc. and Earl R. Flansburgh and Associates, Inc. for architectural and engineering studies.

Dr. Collins had conducted the National Inventory of School and Personnel for President John F. Kennedy, was formerly Assistant Commissioner for School Facilities in Massachusetts, had considerable experience with long-range planning and cost studies, and submitted the best outline proposal for a study with the lowest fee.

Earl R. Flansburgh is an experienced architect who has won numerous awards for school designs and recently worked on several experimental school projects which will reduce costs. He has a firm of 35 persons, and presented a coordinated team approach to scheduling and completing the work required by the Committee.

A study of current educational programs and the adequacy of existing school facilities was developed by the educational/architectural team and presented to the School Building Needs Committee and School Committee during the summer months.

Numerous options to the facility needs in Milton were extensively analyzed and possible solutions evolved which required several preliminary design drawings to determine long-range cost estimates.

On the basis of Milton's educational requirements and the cost studies, the Committee changed its recommendation because no addition to the high school was satisfactory, economical or educationally acceptable. The School Plant Specialist for the State School Building Assistance Bureau agreed emphatically with this finding.

This report is drawn from two larger reports prepared by our consultants which are filed with the Board of Selectmen:

1. *A Report of School Needs, Milton, Massachusetts*, Dr. George J. Collins, Esq.
2. *Physical Evaluation of School Buildings and Grounds: Town of Milton, Massachusetts*, July 1, 1972, Earl R. Flansburgh and Associates.

We cover on the following pages:

- 1) the educational program and statutory responsibilities,
- 2) the enrollment history and projections,
- 3) the decline of nonpublic school enrollments,

SUMMARY OF SCHOOL NEEDS

- 4) the condition of educational facilities,
- 5) the options studied,
- 6) the recommendations for the option selected, and
- 7) some important cost considerations.

The Committee selected a long-range plan that will improve educational facilities at all levels of education with the construction of a new three-year high school, remodeling of the current high school to a junior high and repairs for Cunningham.

We believe this plan provides the best and most economical investment for Milton.

Respectfully submitted,

JOHNSTON TORNEY
School Building Needs Committee

SUMMARY OF A REPORT OF SCHOOL NEEDS

I. EDUCATIONAL PROGRAMS AND RESPONSIBILITIES

Colonial Massachusetts established two precedent policies on the construction of schools in the New World. First, the *Ol' Deluder Law of 1642* required each town to provide a school to teach the THREE R's – READING, 'RITING and RELIGION, when it had fifty households. To uphold that law, it also required residents of the local households *to build, provide or fund the construction of "a sufficient number of schoolhouses."* Throughout its Colonial history Milton faithfully complied with its legal responsibilities for schoolhouses.

When the Commonwealth was established, the *prime fiscal decision* made by the General Court continued the duty of local residents to provide all funds for local schools. This fiscal policy also continued after the acceptance of Federal cooperation under the Constitution of the United States, because the people wanted to be assured that schools would be a State and local responsibility.

Statutory Program Requirements

The General Laws of Massachusetts require that:

“Every town shall maintain . . . a sufficient number of schools for the instruction of all children . . . (CHAPTER 71, SECTION 1), . . .”

“maintain a high school, adequately equipped . . .” (SECTION 4).

Financial Resources

For more than 300 years, local taxpayers of Milton provided complete support of local school services mandated by the legislature.

SUMMARY OF SCHOOL NEEDS

Currently, Milton is eligible for a State Construction Grant of 65 percent which means that the responsibility of local taxpayers is the remaining 35 percent.

Educational Programs

Current technological developments and research are causing changes in nearly every aspect of living and working. Some changes are rapid and immediately noticeable; other changes are more subtle and hardly noticeable until they surface. Consequently, the primary responsibilities of parents and local taxpayers is and will be to prepare students for a new world that is more complex and rapidly changing.

Present Milton Educational Facilities and Programs

Kindergarten programs and facilities are generally ready for the Seventies and the Twenty-first Century. Most spaces are the recommended 1,200 square feet. The Tucker facilities are noticeably small (1,082 and 563 square feet).

The Kindergarten program and facilities are among the best in the district. Parents, school officials and teachers can be proud of the wonderful beginning they offer most Milton Kindergarteners.

Primary Grades (1-3) have some excellent instructional space at the Glover school (over 900 square feet) and acceptable rooms in most schools, except the Tucker (17 rooms below 800 square feet) and the Collicot (13 rooms below 800 square feet). The recommended area for this program is 900 square feet. Consequently, the first signs of inequality are noticeable in the first grade. Rooms of adequate size have space for small group work, reading books, a small library, manipulative materials for arithmetic (i.e., pegs, counting sticks, blocks, etc.), painting areas, space to move, display areas, and storage for materials and a student's work in progress.

Intermediate Grades (4-6) have spaces which are generally similar to primary facilities—the Glover is excellent; the Pierce is acceptable, but most of the Tucker and some of the Collicot spaces are small. Library facilities are a decided handicap, except for Collicot (3,000 square feet).

Exhibit I presents an inventory of Elementary school facilities and the noticeable inadequacies.

Junior High Programs (7-9) provide a variety of instructional opportunities and overall the best facilities for students in the grades. Exhibit X shows the special facilities available and that there are some problems with space inadequacies.

Senior High Programs (10-12) are handicapped by spaces which limit the opportunities for students. Appropriate industrial arts programs are available, but student opportunities are limited by constraints of space. The library is an inadequate research facility and accommodates a very limited number of students.

The programs in English, languages, math, business, social sciences, homemaking, music and science are comparable to the better high schools in the Nation and Commonwealth.

The credentials of the high school faculty are impressive, the materials of instruction and instructional opportunities provided by the teachers are also comparable to the better high schools in the Nation.

SUMMARY OF SCHOOL NEEDS

The gym facilities, however, are so limited that they cause Milton to violate the statutory requirements of the General Laws of Massachusetts (Chapter 71, Section 4).

In summary, program offerings are admittedly in unduly restricted spaces. Unfortunately these inadequacies at the high school are coupled with a severely inadequate site which compounds the problem: a building addition would further restrict the physical education and athletic programs.

Although the programs in the elementary and junior high schools comply with most statutory requirements, one problem is caused by the crowding of instructional spaces.

Where the Town of Milton violates State laws and where the educational program is limited, it is again a partial violation of State laws by failure to provide "adequate" instructional facilities. The most serious inadequacies are the facilities in Milton High School and the Tucker School.

II. Student Enrollment Patterns

In Milton, enrollments increased from 3,839 students in 1961 to 4,468 students in 1971. (Please refer to Table 1.) This was an increase of 629 students or 17 percent. The largest percentage of increase, however, was in the three high school grades. Enrollments in grades ten through twelve increased from 917 students in 1961 to 1,207 students in 1971 or 32 percent.

Since the last addition to the high school in 1964, the increase has been from 1,045 to 1,207 or 162 students in October (1971) and 197 by June (1972).

Births

An analysis of Kindergarten enrollments between 1962 and 1971 provides a clue to the cause of enrollment increases in Milton. Although the number of births decreased significantly during the period (of 1957 to 1966) from 354 annually to 227 annually, the number of students continued to increase. More recently, the decrease was down to 175 in 1970 and 169 births in 1971.

Migration to Milton

Table 4 shows the number of students in public and non-public schools in 1971 compared to the number of births for that grade. The average in-migration factor shows an increase of 56 percent for the class of 1971. Students from grades seven through twelve average an increase of more than 60 percent because of the larger number of years for migration to Milton.

Planning for the future requires not only a concern for the immediate future, but for the full development or population saturation under present zoning laws. (If zoning laws change, the population will also change.) The best estimate of Town Planner, Roger Nicholas is that Milton could reach about 34,000 persons at saturation. Subsequently, enrollments might vary considerably from a low birth rate where public school enrollments will be about 13.2 percent to a higher birth rate with enrollments of 16.6 percent of the population. These limits would provide a need to accommodate from about 4,500 to about 5,660 students.

SUMMARY OF SCHOOL NEEDS

III. Nonpublic School Attendance

Historically there has been a high preference among parents in Milton to send their children to private and parochial schools. In 1966 the nonpublic school enrolled 2,488 of 6,539 school age children. This was a very high 38 percent which was unlike most suburban school districts and more like a large city with high nonpublic school enrollments.

In 1971, however, the percentage of nonpublic school students had declined to 30 percent (1,840 students). Overall there was a decline of 231 school age children in five years. In that same period from 1966 to 1971, public school enrollments increased from 4,051 to 4,468 students.

The decline in nonpublic school students is apparent in every grade, but in grades one through six the decrease was from 1,240 in 1966 to 885 students or 29 percent in 1971.

	1966	1967	1968	1969	1970	1971
Nonpublic	2448	2491	2255	2196	1980	1840
Total K-12						

IV. Existing Educational Facilities (Physical Plant)

An evaluation of educational facilities in 1972, has several important elements that must be considered. First and foremost, is the educational or instructional impediments. When it is determined that the building is "acceptable" (Chapter 71 of the General Laws) as an educational facility in the long-range plans of a school district or that modification or additions will make the buildings "acceptable"; then a second and equally important evaluation must be made to determine the code violations of the *Board of Schoolhouse Structural Standards* and the certification of the Department of Public Safety for the Commonwealth.

A supporting publication prepared by Earl R. Flansburgh and Associates, Inc.—*Physical Evaluation of School Buildings and Grounds: Town of Milton, Massachusetts* (July 1, 1972)—provides a thorough and detailed architectural and engineering analysis of each school with respect to safety and code requirements for structural, mechanical, electrical, water and sanitary facilities.

High School Facilities

These are the most critical years in a student's life. His career preferences are generally developed and with supporting educational programs, a student can begin to study for attaining his ambitions in college and employment opportunities.

An inventory of instructional rooms provides an evaluation of the educational facilities. If this building were presented to the State Board of Education for a grant under the School Building Assistance Act in 1972, it *would not be acceptable* as it is.

Primarily, the building is too small. The educational capacity is 1,093 students and the high school had 1,242 students in the 1971-72 school year—which is 149 student spaces less than required.¹ In addition to the inadequacy in number, the following instructional spaces are inadequate:

Art (1)	Library (1)
Shops (4)	Audio-Visual (1)
Physical Education (1)	Offices
Science Lab (1)	

SUMMARY OF SCHOOL NEEDS

Assuming some possible conversions of space use, the following minimal instructional spaces would be required to make the school acceptable:

Shops (3)
Physical Education (2)

Library (1)
Audio-Visual (1)

These instructional spaces would require about 43,000 square feet of new construction at a school site which is already inadequate.² The recommended size for a school of 1,242 students is 43 acres, but it is located on 8.78 acres.

At a glance, Exhibit VII presents a comparison of required instructional spaces, available spaces and needs. To provide adequate facilities for the educational program requirements, Milton High School needs 26 new or remodeled instructional spaces. Some of the 20 inadequate classrooms can be remodeled to provide 2 acceptable rooms from 3 smaller rooms to meet the Board of Schoolhouse Structural Standards (November 1968 and amended September 1969).

For a limited time, about five to ten years, minimal acceptability for accreditation purposes of the New England Association of Colleges and Secondary Schools could be accomplished with three (3) shops, two (2) physical education stations and a library-audio-visual center or about 43,000 square feet. This would not be the most economical legacy to the current youth and future citizens of Milton.

¹ A previous analysis of student increases since the 1964 addition showed a shortage from 1964 caused by an in-migration increase in Milton of 197 students to June of 1972.

² Without a State grant, the minimal construction of an addition at the existing Milton High School would cost about \$2.2 million and with an elementary school would cost the Town \$6.5 million which should be compared to \$5.7 million for a new school with a State grant. (Please refer to Exhibit XXI, page 37 in this report).

V. Options and Alternatives for Constructing "Adequate" Facilities

On the basis of the educational program requirements (Chapter 1), Student enrollment patterns (Chapter II), nonpublic school attendance (Chapter III), and existing educational facilities (Chapter IV), a number of options are available to Milton. They differ in degrees of educational quality and in the cost of construction.

Each option presents a long-range master plan for every grade in Milton. The long-range master plan for each option presents the need for new facilities based on: 1) the program organization, 2) grades, 3) student capacity, and 4) student projections for 1975, 1980 and for a saturated population of Milton. With the present zoning laws, the saturation population is estimated at 34,000 by Town Planner, Roger Nicholas. For school purposes, a range in public school population would be from 13.2 percent to 16.6 percent depending on the number of children in a family and the preference for public or nonpublic schools.

Although there were seven basic options and three alternates to the basic options, four were developed in detail for the architectural feasibility study. The four options provided for complete development of elementary, junior high and senior high school facilities. Option 1A was developed primarily for an addition to the existing high school. It represents current conditions and *Figure 1* shows the relationship between facilities and student needs.

SUMMARY OF SCHOOL NEEDS

Option VIA provided for a four-year high school using the Pierce Junior High and Elementary school facilities as a basic starting point. Option VII, again using the Pierce, was developed for a three-year high school. On the basis of architectural cost estimates for these three high school options and required additional elementary school facilities, the Committee decided to take a look at the economic advantages of one new school construction project, rather than two or three.

Option VA (*Figure 2*) was selected to provide a new three-year high school and conversion of the existing high school to a junior high school. The Pierce and Cunningham Junior High schools would be converted to elementary schools, to augment the accommodations, Kindergarten through grade six, already provided by the Glover, Collicot and Pierce elementary schools. The Tucker school could be used as an occupational work training center for high school students, a communication production center for all grades (K-12), program coordinators' offices, and administrative offices, or phased out.

Estimated Cost of Options

Architects Earl R. Flansburgh and Associates developed design plans and cost estimates for the four preferred options. Each school was analyzed for code violations of the Board of Schoolhouse Structural Standards, remodeling for educational programs and additions. The master plan of each option was developed and cost estimates prepared. (Please refer to Exhibit XV.)

*Renovate and Remodel Existing Facilities

**A unit would accommodate 1 room per grade or 150 students for 6 grades and 40 spaces for Kindergarten or 190 students — 2 units would accommodate 340 students, 3 units — 530 students, 4 units — 680 students, and 5 units — 870 students

†The Tucker will be phased out in about 1976 under option VA

() Figures in parentheses are number of student spaces needed by 1975

SUMMARY OF SCHOOL NEEDS

VI. Recommendations

The most serious problem in Milton is the inadequate high school. This was documented in Chapter IV. To provide an "adequate" high school as required by Chapter 71 of the General Laws, several options were available. *First*, an addition to the existing high school was studied (Option 1A), *then*, additions for a four-year (Option VIA) and three-year (Option VII) high school conversion of the Pierce Junior High and Elementary facilities were developed.

The cost estimates were higher than anticipated because of difficulty of adapting facilities, the needs of the educational program and safety code requirements. Consequently, a *fourth option* (VA) was developed for a new high school which seems to provide the best educational facilities for all grade levels with the best economical tax investment of State (65 percent) and local (35 percent) funds.

We, (the School Building Needs Committee), list the following reasons for favoring this project, Option VA for a new three-year high school, which:

1. Avoids the problems of adding to the existing high school and which proved very unsatisfactory because of structure and site.
2. Eliminates the disruption and safety hazards which would accompany additions at Milton High School or the Pierce schools.
3. Provides adequate facilities (i.e., library, shops, art, music, social science, English, languages, health and physical education) at all grade levels.
4. Gives assurance of accreditation by the New England Association of Colleges and Secondary Schools for many years.
5. Constructs better facilities than an addition to Pierce.
6. Costs less than other plans for comparable student accommodations.
7. Initiates the best long-range and most economical investment for schools.
8. Provides the most flexible plan for all grade levels for the anticipated future Milton of 34,000 persons.
9. Solves the problem of inadequate physical education and athletic facilities.
10. Accommodates educational programs better than any other option.

SUMMARY OF SCHOOL NEEDS

FIGURE 1
Comparison of Student Capacity and Student Projections
Option IA

* Kindergarten is not included.

SUMMARY OF SCHOOL NEEDS

FIGURE 2

Comparison of Student Capacity and Student Projections
Option VA

* Kindergarten is not included.

SUMMARY OF SCHOOL NEEDS

11. Eliminates the use of Tucker as a school for small children.
12. Continues the current grade organization, K-6, 7-9 and 10-12.
13. Requires attendance at only three schools to complete high school.
14. Coincides with the highest order of priority recommended by the school plant specialist in the School Building Assistance Bureau.
15. Improves facilities in grades Kindergarten through six by utilizing the physical facilities at Pierce and Cunningham.
16. Operates to reduce some transportation costs under current attendance patterns.
17. Purchases more expensive high school facilities first – to reduce the effect of inflation and assure the 65 percent State grant, and postpones the investment of least expensive elementary facilities.

Option VA also has some disadvantages, but fewer than most options available to Milton with existing facilities:

1. The estimated construction and interest cost to Milton is \$5,743,150 or \$136,960 more than Option 1A.
2. The capacity provides more than minimal facilities at some grade levels.
3. The Tucker school will continue in service until 1976 without major improvements.
4. Popular acceptance may be difficult to understand because it requires a realignment of schools.
5. Estimated increase in the operating budget for this plan is about \$200,000 which is about \$47,000 more than for Option 1A – an addition to the high school.

VII. Fiscal Investments in Education

Dating back to the first settlers of 1636, few towns in America possessed the blessings of prime natural, economic and human resources as Milton. The area abounds with historical and recreational landmarks. The sources of wealth for early settlers were fur trading and then manufacturing from the power generated by the Neponset River.

In 1970 the U.S. Census reported about 10,700 persons in the civilian labor force or about 40 percent of the 27,190 persons in Milton. Although only about 2,000 persons were employed in 274 firms in Milton, a larger portion of the labor force, about 5,000 or close to one-half, were employed as professionals, technicians, managers, proprietors, craftsmen and foremen.

Bond Obligations

The principal payments for six (6) bond issues was \$250,000 and interest payments made the total \$321,615. The \$71,615 applied for interest decreases annually as the unpaid

SUMMARY OF SCHOOL NEEDS

balance on the bonds is reduced. Exhibit XX¹ provides a schedule of future bond payments which will be reduced as follows for current principal payments:

<u>Year of Change</u>	<u>Principal</u>	<u>Estimated Reductions For New Schools</u>
1972	\$250,000.	0
1974	200,000.	1st year
1977	165,000.	4th year
1978	75,000.	5th year
1979	35,000.	6th year
1984	0	11th year

Net Cost of Options

The net cost of the four selected options is presented in Exhibit XXI. The construction cost figures were provided by Earl R. Flansburgh and Associates. The computations for net costs show the effect of a State grant for 65 percent of construction and interest costs. All past bond obligations in Milton did not include grants for interest charges, because Chapter 645, the School Building Assistance Act was amended to include interest with an effective date of January 1, 1970. Most bond grants for School Building Assistance were for 40 percent and now the minimum is 50 percent with a 15 percent increase to 65 percent when the Boston SMSA is cited in "Area Trends" for October and November by the U.S. Department of Labor.

The average cost to Milton per year for a 20-year bond at 5 percent interest for Option VA for a new high school would be *\$4.04 per \$1000*. This is 9 cents more than adding to the existing Milton High School, and about 95 cents less than adding to the Pierce School.

¹ Exhibit XX is part of the larger report.

SUMMARY OF SCHOOL NEEDS

Site Evaluation Studies

A report by the Town Planning Board (December 18, 1970) was reviewed. Discussions with the Town Planner, Roger Nicholas were conducted and an independent analysis by the architect was prepared.

Under our recommended alternative, a site of about 44 acres should be acquired. An analysis of all available sites narrowed the choice to two: one site off Hillside Street, and the other off Gile Road.

Architect Earl R. Flansburgh evaluated configuration, size, vehicular access, site lines, topography, drainage, vegetation, excavation, soil bearing capacity, expansion potential, pre-existing or adjacent site development and school population service areas.

Examination of all of the reports, reaffirmed the Committee's choice of the Gile Road property.

The cost analysis on the previous pages did not include the cost of the site because the State does not reimburse Towns under the School Building Assistance Act. An appraiser is preparing a report which will be available before Town Meeting.

The School Building Needs Committee Recommends Action by a *Special Town Meeting*:

- a. To assure the receipt of a 65 percent State grant.
- b. To avoid escalation of construction costs which are estimated at about 6 percent per year.
- c. To prevent delays of six months or more for the occupancy of the facilities.

Recommended Actions by the Special Town Meeting are:

1. To acquire for school purposes approximately 44 acres of land off Gile Road by purchase, gift, or eminent domain.
2. To establish a building committee to employ an architect and an educational consultant to prepare detailed plans and specifications and to obtain bids for construction of:
 - a. a new three-year high school for 1250 students.
 - b. upon completion of a new high school to convert Milton High School to a junior high school.
 - c. upon completion of the conversion of the Milton High School to a junior high school, the Tucker School will be phased out of use if both nonpublic schools do not close.
3. To accept this report and to discharge the School Building Needs Committee appointed under Article 36 of the 1971 Town Meeting.

A Special Recommendation to the School Committee:

To prepare and to develop annually a five-year plan for operating and staffing budgets which will avoid unnecessary increases.

REVOLUTIONARY WAR BICENTENNIAL CELEBRATION COMMITTEE

REVOLUTIONARY WAR BICENTENNIAL CELEBRATION
COMMITTEE

January 12, 1973

To the Citizens of the Town of Milton:

The Committee to plan the celebration of the 200th anniversary of the American Revolution was appointed by the Selectmen on April 6, 1972 to serve until May 15, 1973. Appointed were Charles R. Morris, Chairman; Mrs. James D. Colt, William P. Melley, Jr., Arthur W. Monks, and Michael J. Cummings. Since then, Kenneth P. Lodge has accepted the chairmanship of a Parade Committee, and Theodore S. Pina has agreed to become chairman of a Youth Committee. Other committee members will be added as the need arises.

Since the town of Milton has "a good thing" in The Suffolk Resolves, it is proposed to have Milton's celebration on, and near, the Bicentennial of the unanimous adoption of the Suffolk Resolves in Milton, September 9, 1774. To provide an up-to-date account of the Resolves, and their importance in the history of our country, funds are being asked of the 1973 Town meeting for the publication of a pamphlet which will contain, among other important things, a copy of the Resolves just as they were printed in the Journal of the First Continental Congress for September 17, 1774. Funds are also being asked for the publication of a portfolio of documents and illustrative materials. The pamphlet and the portfolio are now being prepared.

Members of the Committee have met with the Milton Board of Selectmen, and Mr. Melley and Mr. Morris have met with a sub-committee of the Warrant Committee. In addition six meetings of the Committee have been held: in 1972, June 12, September 26, October 3, November 3, and November 28; in 1973, January 9.

Progress, through publicity, is being made in interesting the entire town in Milton's celebration, and it is hoped by the Spring of 1973 to provide each town organization with a detailed program and suggestions for their participation.

CHARLES R. MORRIS
Chairman

REPORT OF THE VOCATIONAL REGIONAL SCHOOL DISTRICT
PLANNING COMMITTEE

REPORT OF THE VOCATIONAL REGIONAL SCHOOL DISTRICT
PLANNING COMMITTEE

January 12, 1973

To the Honorable Board of Selectmen:

At a previous Town Meeting it was unanimously voted to create a special, three member, unpaid citizen's committee, one of whom to be a member of the School Committee, to join with like committees from the communities of Hingham, Hull, and Weymouth, forming a Regional School District Planning Board for the purpose of studying the advisability of establishing a vocational regional school district in accordance with the provisions of Section 14 of Chapter 71 of the General Laws. The members of the Board accepted the challenge to study, in depth, the charge given by the Town Meeting and to report its recommendations at a future Town Meeting.

The philosophy of the members was to explore every conceivable way to increase the availability and options for occupational education for a greater number of students than were now being accommodated in the most practical and economical way. Presently, available existing occupational programs are limited and inadequate to serve the needs of our youth. It has been well documented that a greater emphasis must be placed upon this form of education. Every student should have the right to obtain a salable skill by the time he graduates in order to prepare him for the option of going to work or to further his education.

Consensus ruled out blanket approval of what is now generally accepted as the only way to offer occupational education. A more practical solution, for the communities involved, would be sought. This approach to occupational education appealed to the Massachusetts Department of Education, Division of Occupational Education and a grant of \$10,000 was awarded to study the feasibility of alternative methods to the traditional regional school concept. Under the direction of Dr. Ronald Saris, Director of the Research Coordinating Unit, three research personnel worked with the members of the Board gathering data base information from which a greater in-depth study could be pursued to attain the goal of seeking a realistic, practical and economical solution of providing more occupational education for the citizens. Meeting regularly, twice a month, the Board has made remarkable progress to date as attested by the Director of RCU who is in a position to evaluate other study committees.

Producing the data base completes phase one of the study as perceived by the Board. The next phase is to apply this data base to alternative plans for occupational education. This perhaps, is the most difficult phase of the study and requires joint effort of lay people, educators, and knowledgeable consultants to appraise and evaluate. Each community is being asked to support this phase of the study effort with modest financial assistance. The Massachusetts Department of Education will be petitioned to continue their financial support in the final development of this project. At the conclusion of this phase a full report of the Board and its recommendations will be made to the citizens through the Town Meeting.

Respectfully submitted,

JOHN C. CROWLEY, School Committee Representative
COLETTE D. KNIGHT
HUGO W. SORGI

WARRANT COMMITTEE FOR MARCH ELECTION

REPORT OF THE WARRANT COMMITTEE
FOR MARCH ELECTION

REFERENDUM QUESTION FOR BALLOT

To the Voters of the Town of Milton:

Pursuant to the provisions of Section 4, Chapter 3, of the General By-laws of the Town, your Warrant Committee is required to consider and report in print upon all questions submitted to the Voters of the Town. The following is the recommendation of your Committee:

Question: "Shall licenses be granted in this town for the operation, holding or conducting a game commonly called beano?"

WE RECOMMEND THAT THE TOWN VOTE "YES."

This question appears on the ballot as a result of the enactment of the provisions of Chapter 486 of the Acts of 1971 amending Chapter 271 of the General Laws which provides that the question of whether the Selectmen may license religious, fraternal and veterans' organizations in the Town to conduct beano on one night per week between the hours of 7:00 to 12:00 P.M., provided that the game is controlled by officers of the respective organizations, and that minors are not permitted, appear on the 1972 ballot.

The Committee feels that an affirmative vote on this referendum question would not be detrimental to the interests of the Town. Furthermore it would produce revenue in that the annual \$50 license fee would be divided equally between the state and the town and the town would receive 5 percent of the gross amount wagered each year.

Respectfully submitted,
JAMES D. COLT, Chairman
GEORGE T. RYAN, Secretary
PHILIP R. BYRNE

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

REPORT OF THE WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

INTRODUCTION

Last year the Warrant Committee analyzed the causes of the tremendous rise in the tax rate during the 4 year period ending in 1970, an increase the principal causes of which were the decline in state aid coupled with the increase in state assessments, large annual increments to the school budget and inflation. Our committee was hopeful that some action would be taken in 1971 to lighten the burden of the harassed real property owner, action along the lines suggested by the President in his general revenue sharing proposal, or through regional government or from the implementation of the recommendations of the State Master Tax Plan Commission.

As everyone knows none of our hopes was realized. There was, of course, the one cent rise in the state gasoline tax to be distributed to the cities and towns for repairs to public ways (Article 24). The General Court also enacted a law in 1971 changing the maximum percentage for reimbursement for school construction capital costs from 50 to 65 percent and the minimum from 40 to 50 percent with the additional proviso that the applicable percentage of interest would also be paid by the state. These measures, although helpful, are restricted in their scope and amount, and fall far short of the needed general relief to our taxpayers which would result from federal revenue sharing or the implementation of the Master Tax Plan's recommendations.

Without such relief an annual tax increase is inevitable. The principal constituents of the increase this year are the projected \$267,000 increment in the MBTA assessment and the large rise in the school budget (Article 37). In the former area the Town Meeting has no control whatsoever while in the latter it has no practical control.

In many areas, however, the Town Meeting does have authority over expenditures and in these areas, as in all others, the Warrant Committee, consonant with its responsibility under Section 4 of Chapter 3 of the Town Bylaws has carefully examined and considered all articles, financial and special. Every effort has been made by our Committee responsibly to reduce expenditures and to cut all budgets operating and capital, to their very marrow. The Warrant Committee is hopeful that the Town Meeting, in the main, will accept our recommendations.

ESTIMATED 1972 TAX RATE. (SEE TABLE #1)

The Committee's estimate of the 1972 tax rate, and the word estimate should be scored in that the cherry sheet has not been received, is \$141 an increase of \$13 over 1971.

The main elements of the increment are as follows: The School Budget (Article 37) and all ancillary School Articles (38-40) will add up to appropriations of about \$5,007,000, if the Warrant Committee's recommendations are approved, opposed to about \$4,630,000 last year. This is an increase of about \$375,000 or about \$5.50 on the tax rate. A substantial increase in the Town's 50 per cent share of group medical insurance from \$121,600 in 1971 to \$173,792 this year and an increase of about \$22,000 in the cost to the Town of contributory and non-contributory pensions (Article 9) from about \$502,000 to about \$524,000 will add about \$1 to the tax rate. Increases in the General Government section (Article 12), notably the substantial increase in the Election and Registration budget of

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

about \$30,000, in property insurance of about \$20,000 and for the Youth Committee of \$14,000 will increase our tax rate by about \$1. The increase under the Personnel By-law of \$112,000 (Article 7) will add about \$1.50 to our tax rate. The increase of about \$50,000 in the category of Protection of Persons and Property (Article 15) plus the increase in the Health budget of about \$22,000 (Article 16) will increase the tax rate by about \$1. The estimated increase of about \$270,000 in the MBTA assessment plus the projection of the net loss in State aid, i.e. the amount received from the State versus the amount assessed on the Town by the State and County other than the MBTA assessment at \$50,000 will add over \$4 to the tax rate. The central maintenance garage to be built at a cost of \$75,000 will add \$1 to our tax rate (Article 22). The Overlay Reserve which by necessity must rise with each increase in taxes is up to \$500,000 from \$438,000, an increase of a little less than \$1 on the tax rate.

Table 1

ESTIMATED EXPENDITURES

1. Net appropriation affecting tax levy	\$ 9,807,117
2. State and County assessments	1,850,000
3. Total expenses	<u>\$11,657,117</u>

ESTIMATED RECEIPTS

1. Town receipts from all sources except those listed below	\$ 160,000
2. 1972 Motor Vehicle Excise Tax	850,000
3. State Tax Distributions	1,090,000
4. Amount to be raised by taxation	9,557,117
5. Total receipts	<u>\$11,657,117</u>

TAX RATE

1. Estimate of total taxable valuation as of January 1, 1972	\$71,500,000
2. Tax rate to raise \$9,557,117 plus Overlay Reserve of \$500,000	\$ 141.00

An increase in Free Cash from \$265,000 to \$430,000 (Article 53), no Stabilization Fund article this year (last year \$25,000) and miscellaneous decreases in various budgets, including \$15,000 in the Wire Department will offset the anticipated increase of \$16 by \$3. With increases of \$16 and decreases of \$3, we estimate the 1972 tax rate at \$141 up \$13 from 1971.

This estimate is founded on a number of assumptions, of course, which may prove to be incorrect. If it is any consolation to our taxpayers, our estimated increase of \$11 last year proved to be \$6 above the final official figure of \$128.

The Warrant Committee expresses its gratitude to the Board of Assessors for their kind cooperation with our Committee in making this estimate.

PENSIONS AND BENEFITS

The recommended appropriation for 1972 is approximately \$21,600 over the 1971 appropriation. Of this total approximately \$15,800 is an increase in the Town's share of the

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

Contributory Retirement Fund and the balance, the cost-of-living adjustment to the non-contributory Pension Fund as required by law.

GROUP INSURANCE

During 1971 there was a substantial increase in the rates for group hospitalization and medical insurance. This increase, plus increased membership in the plan, coupled with a minor increase in the level of benefits has resulted in the need to recommend a 1972 appropriation of \$173,792 which is approximately \$42,600 more than the 1971 cost.

GENERAL GOVERNMENT

The recommendations for 1972 include a number of new items and new programs which are considered by the Warrant Committee to be of sufficient value to the Town to justify the increase in 1972 appropriations.

The total recommended appropriation for General Government for 1972 is \$464,868. The increase is evident from the following trend table:

	1969	\$302,880	Cumulative Increase
	1970	348,913	\$ 46,033
Appropriated	1971	384,602	81,722
Recommended	1972	464,868	161,988

If the suggested personnel article is also voted the total indicated increase for 1972 is \$86,729 or 22.5% over 1971.

	Recommended	Appropriated	Increase Without 1972 Personnel Article
	1972	1971	
Assessors	\$37,190.	\$33,885.	\$ 3,305.
Election & Registration	41,935.	12,905.	29,030.
Town Office Bldg.	36,201.	29,442.	6,759.
Insurance	87,517.	63,082.	24,435.
General Services	33,573.	28,647.	4,926.
Youth Program	24,115.	10,000.	14,115.

The Assessor's budget is up mainly to allow for conversion to computer record keeping and this program, after conversion, should produce a net savings in personnel and expenses.

Election and Registration is increased chiefly because of the number of elections in 1972 and \$10,545 for purchase of voting machines. The voting machine purchase, recommended at \$10,545., is the first one-third of a \$31,635, purchase expected to be completed in three years. The purchase cost of the equipment will be returned in about eight years at today's cost of election officials. Payout will be in less time if we consider the rising cost of running elections.

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

The Town Office Building budget includes \$11,000. for final work on the grounds which was not accomplished within the \$30,000. appropriated by Article 31 of the 1971 Warrant.

The insurance recommendation reflects the current Underwriters attitude toward Municipal fire and multi-peril risks. Fire and multi-peril insurance is expected to cost \$41,680. in 1972 compared to an appropriation of \$25,000. for 1971.

The General Services increase is caused primarily by the temporary addition of a clerk to assist the Election and Registration Department during the 1972 year.

The Youth Program budget is for the first full year of activity and includes \$3,120. for part time help for the Youth Coordinator, expense for establishment of a "Hot Line," several drug prevention programs and expenses related to a drop-in center at the Thacher Building.

The other departments in the General Government section are recommended at the prior year level or lower.

PROTECTION OF PERSONS AND PROPERTY

The first major budget to be considered by the Sub-Committee was submitted by the Fire Department and was recommended to the full committee in the amount of \$799,510. The increase in this budget was minimal and the chief of the department should be commended for the early presentation of and business like explanation of the budget to the Warrant Committee. We wish to take this opportunity to wish Chief Lyons well in his retirement.

The Police Department budget was submitted to the Sub-Committee on January 20th and was considered in depth with key members of the department. This budget was recommended for approval by the Warrant Committee in the amount of \$794,460.

As a result of a recently completed Police Department Management Study, requests have been approved for "In Service Training," 40 hours per man, as prescribed by the President's Commission on Crime. A twenty-five man squad will also be trained in "Riot-Disorder Control," 40 hours per man.

Personnel changes recommended by the Committee will result in the assignment of a Lieutenant as Executive Officer to the Police Chief. One Sergeant will be promoted to Lieutenant and three patrolmen promoted to Sergeant. Five new patrolmen will be hired, three to replace the Sergeants and one to fill the vacancy caused by the creation of the K-9 officer. The fifth man will be assigned to the SPAIS Program. The K-9 Program will be of great assistance to the Department and has the full support of the Warrant Committee.

The SPAIS Program is a mutual aid-Computerized program between Milton, Quincy, Braintree and Weymouth and will be used to tie in the four departments on a local basis and also with the State Police, Boston Police and the FBI. This Program has the full support of the Warrant Committee.

The Department will embark on an extensive vehicle preventative maintenance program to prolong vehicle and equipment life.

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

Under new equipment four new cruisers will be purchased in line with the annual rotation policy and six cruisers will be converted and modernized by installing stretchers, lights, sirens, fire extinguishers, flares, etc.

The force will be equipped with new service revolvers replacing the old and worn-out ones.

The appropriation of \$6,617 for the Police Safety Program will be 100% reimbursed by grants.

The Sub-Committee wishes at this time to strongly emphasize to the Selectmen the necessity of getting the major department budgets to the Warrant Committee as nearly as possible to the date indicated in the by-laws so that they may be given the consideration they need.

The remaining departments, Building, Plumbing, Wire, Civil Defense, Traffic Lights, Street Lighting, and Hydrants have a total appropriation less than 1971.

The net result of the Protection of Persons and Property Budgets reflect an increase of approximately \$50,096 over 1971.

The Committee would like to thank the Selectmen and the heads of the various departments for their understanding and cooperation in arriving at equitable and workable budgets for 1972.

The Police Station Study Committee, Chairman Philip M. Horan, Jr. met once with the Sub-Committee for the Protection of Persons and Property. The broad program for the financing and construction of the proposed new facility was discussed. The gross project cost is estimated at \$626,000 less \$100,000 for the requested Civil Defense contribution. Another reduction is anticipated from the sale of the present Police Station amounting to \$75,000 leaving a net impact on the town of \$451,000.

The Warrant Committee after meeting three times with the Police Station Committee and considering the entire proposal with all its benefits to the Police Force and the town and with the concurrence of the Sub-Committee is recommending approval of this project. We wish at this time to thank Mr. Horan and his committee for their cooperation and assistance during their discussions with the Warrant Committee.

HEALTH AND SANITATION

The present contract for the collection of rubbish and garbage expires June 30, 1972. A separate contract for the land filling operation expires April 30, 1972. In addition the town presently landfills its own wood wastes as approved in 1971 as a result of a State Health Department regulation.

The Board of Health unanimously recommends the acceptance of proposal "A," the weekly collection at curbside of combined rubbish and garbage and the entire landfill operation including wood waste to commence July 1, 1972, for the three year bid price of \$795,000 (\$265,000 per year) to Charles Bosworth Company, Inc. This compares to the current cost to the town which includes a single collection of garbage, rubbish collection, landfill and the town caring for its own wood waste landfill at \$252,400 per year. Acceptance of the recommended proposal "A" would result in an overall increase of \$12,600 per year.

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

Proposal "B" a weekly collection of both rubbish and garbage (as is now being done) and which will also provide for wood waste landfill is a bid price also by Charles Bosworth Company, Inc., for three years at \$1,011,000 (\$337,000 per year). A savings of \$72,000 per year is realized by acceptance of proposal "A" as recommended by the Board of Health.

The present landfill contract which expires April 30, 1972, will have to be extended two months to June 30, 1972, in order that a complete all inclusive contract can commence July 1, 1972. The cost for the landfill operation for this period is estimated at \$7,000.

As was the appropriation in 1971 the modest amount of \$1,000 is to help defray the administrative costs of the South Shore Mental Health Association, in connection with the Youth Adult Mental Health Programs.

The sum of \$2,500 is recommended to improve the entrance to the town disposal area and to alleviate the existing traffic hazard caused by the narrowness of the driveway. This project will be accomplished by using town employees and equipment.

LIBRARY

The Library submitted a request of \$192,752 for personal services. The portion for part-time employees was \$45,359, an increase of \$4,658.00 over 1971. The Library Department ended 1971 with an unexpended balance of \$3,474.39 in their Salary and Wage Account and they are to receive 1640 hours from the Work Study Program. With these facts in mind, the Warrant Committee feels that \$42,359.00 should be the appropriation for this item.

The request for a new carpet in the Reading Room was denied. The book appropriation was increased \$1,500.00 this year. Previous yearly increases have been only \$1,000.00.

PUBLIC WORKS ARTICLES

The Warrant Committee has continued its practice of considering articles dealing with the Highway Budget as a single unit. De facto Public Works Articles are 23 (Highway, Forestry, Engineering, and Water), 21 (Chapter 90), 26 (Street Betterments), 25 (Street Acceptance) and 30 (Mains in Private Ways).

The Engineering budget shows a minimal increase to allow for increased work load. To help provide for this work load increase the recommended budget includes a computer.

The Highway personnel has been reduced by one position. This brings the total personnel reduction to 5 since 1969. Substantial equipment rental savings will be realized by the recommended replacement of a 14-year-old back hoe. The realized savings are one-third of the cost.

The major special item included in the Highway budget is the cost of moving to the Highway Yard and refabricating the former lumber yard sales office presently at the M.R.E. site. The building has been made available to the Town through the generosity of the M.R.E. Acquisition and rehabilitation of this building will allow consolidation of clerical staffs at the Highway Yard site leading to more efficiency, the demolition of dilapidated tool sheds, storage space for expensive tools and supplies, and more efficient control of the entire yard operations.

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

The Chapter 90 Highway request (Article 21) is recommended so that the Town can continue with the necessary reconstruction of Brush Hill Road. The total estimated cost is \$58,200 of which \$43,650 will be reimbursed by the State and County.

The betterment program, this year Article 26, calls for the reconstruction of only one street, Pagoda Circle. Permanent construction contained in Article 23 calls for reconstruction of a portion of Highland Street and Milton Street from Blue Hill Avenue to Brush Hill Road.

The Water budget request (Article 23) is to be funded from Water Surplus. This surplus as expected will cover the operational costs as well as permitting substantial system improvements. These improvements will continue in the future on a pay as you go basis provided there are no further increases by the M.D.C. in its water charges.

PARK

The Board of Park Commissioner's budget included a request of \$45,000 for capital expenditures which the Warrant Committee reluctantly does not recommend because of other more pressing capital needs.

SCHOOLS

The sub-committee for Schools wishes to thank the School Committee, the Superintendent, Assistant Superintendent and all department heads for their cooperation during the budget negotiations. The request for the School Lunch Program this year is \$72,300 as compared with \$68,324 in 1971. This amount includes the salary of the Director of Cafeterias, a four percent salary increase for employees effective January 1, 1972 and an estimate of further increases, after negotiation, effective July 1, 1972. The reduction of government commodities continues to drive the lunch program costs higher.

A new summer school program is being provided this year at the High School. Courses of high interest which are not available in the regular curriculum will be offered. Pupils will be charged a tuition rate that would make the program self-supporting and courses will be offered only if a minimum number of pupils are enrolled. The \$5,200 request is necessary to get the program started.

A new account and the request of \$5,000 for Research and Development is recommended by the Warrant Committee. This fund will enable the school administration to hire professional consultants to make surveys that are required from time to time in the normal operation of the school system.

The Warrant Committee is recommending deletion in the Salary and Wages account of \$35,000. We are also recommending a reduction of \$35,000 in the General Expense account.

The cost of transporting eligible public and parochial school students last year was \$192,334. This expenditure was \$27,165 less than the appropriated amount of \$219,500. This saving was the direct result of changes in school starting times which provided more flexibility and better utilization of school buses. The request for this year is \$202,000 and continues to include transportation of emotionally disturbed and mentally retarded pupils out of town for which we receive fifty per cent reimbursement.

The South Shore Mental Health Account has been increased by \$1,100 over 1971 because of greater use of services during the past year. In 1970 fifty-nine patients received aid from the clinic; in 1971 this number had increased to eighty-one patients.

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

The request for an appropriation of \$6,100 in 1972 is based on the number of hours of professional services provided by the clinic staff at the rate of \$10 per hour.

SPECIAL ARTICLES

NEW POLICE STATION. ARTICLE 14

This project, which results from the work of the Police Station Study Committee appointed pursuant to the Town Meeting's vote on Article 19 of the 1971 Warrant, is, in the judgment of our Committee, of such importance that, while described in an earlier section of our report, merits an additional word here. The two floor building recommended by the Study Committee, contains about 13,500 square feet, is ideally situated close to the center of the Town, is pleasing aesthetically and will permit use of the new techniques required for efficient police work. Our committee, which met twice with the Study Committee, strongly favors the construction of this new police station, the cost of which is estimated at \$30 a square foot.

CENTRAL MAINTENANCE GARAGE. ARTICLE 22

This proposed building, which stems from a Town Government Study Committee 1971 Survey, will permit the servicing in one location of the approximately 140 vehicles owned by the Town. This servicing is presently performed in several locations and in some instances by outside garages. It will also encourage the bulk purchasing of vehicular parts and gas and oil. The estimated saving in labor costs and from bulk purchasing which will result from the construction and operation of this facility is \$15,000 a year and your Warrant Committee recommends a Yes vote.

TROUT BROOK IMPROVEMENT AND TROUT BROOK LIABILITY. ARTICLES 28 and 29

Whenever there occurs a severe storm, Trout Brook floods over in the area between Robbins and Sumner Streets. The recommended amount of \$3,000 would pay the State for plans and cost estimates by the Department of Public Works. The total estimated amount of \$50,000 necessary to control the flooding would be split equally between the State and Town. The Warrant Committee considers this flood control project to be a necessary and worthwhile one.

CONSERVATION LAND AT CORNER OF BROOK ROAD AND CANTON AVENUE. ARTICLE 31

Under this Article, which is sponsored by the Conservation Commission, the corner parcel of the Voses Lane triangle which juts out into Brook Road would be acquired by the Town, partially by gift and partially by purchase. This appears to the Warrant Committee to be a wise acquisition from an aesthetic, conservation and traffic safety point of view and we therefore recommend a Yes vote on this Article.

SCHOOL BUILDING NEEDS COMMITTEE. ARTICLES 41, 42, 43

The complex issues involving large amounts of money raised by these three Articles have received as much attention by the Warrant Committee as time would permit. We have met with the School Building Needs Committee three times to discuss these issues.

The Warrant Committee is sympathetic to the need for new construction. It is our opinion, however, that we have not had the time and have not received all the information

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

necessary to make reasoned and sensible recommendations on the issues raised which have been so thoroughly and conscientiously explored by the School Building Needs Committee.

It is possible, however, that further study by our Committee prior to the Town Meeting may result in a revision of our recommendations.

Under Section 10 of Chapter 2 of our General By-laws no appropriation of money exceeding \$500 shall be made until an estimate of cost has been reported to the Town by the Committee responsible.

The School Building Needs Committee estimates that the appropriation under Article 42 would be between \$150,000 and \$300,000 depending upon the size of the tract acquired. Under Article 43 the sum of \$140,000 and under Article 41 the sum of \$25,000 is estimated.

PORTABLE CLASSROOMS. ARTICLE 44

The School Committee also submitted Article 44 which would authorize the purchase or lease of two portable classrooms for the Glover School to meet interim needs. They have estimated that the total cost for these two classrooms would not exceed \$40,000.

ELDERLY AFFAIRS COMMITTEE. ARTICLE 34

The creation of this Committee was recommended to the Board of Selectmen by an ad hoc committee appointed by the Selectmen to study the advisability of establishing a Milton Council on Aging. The Warrant Committee recommends a Yes vote with no appropriation.

200th ANNIVERSARY OF AMERICAN REVOLUTION COMMITTEE. ARTICLE 35

The suggested appropriation of \$600 would match funds committed by the Massachusetts Council of Arts and Humanities to a project of the Milton Historical Society, the purpose of which is to collect in one place and begin the indexing of all the valuable papers of historical importance to the Town.

CHANGES IN BY-LAWS. SOLICITOR'S LICENSE AND SOLICITATION AFTER DARK. ARTICLES 45 and 46.

These suggested changes in the Town's By-laws would strengthen the hands of the authorities in discouraging solicitation of business on the public ways at any time and such solicitation from house to house from sunset to sunrise on any day or at any time on Sunday or any legal holiday. Both are closely patterned on two Town of Avon By-laws, which have been approved by the Attorney-General of the Commonwealth and in the Warrant Committee's judgment would help to alleviate a growing problem in our Town.

CHANGE IN PURCHASING BY-LAW. ARTICLE 47

This Article which is suggested by the Board of Selectmen, the School Committee and the Town Government Study Committee, brings the amounts in the By-law in line with the depreciation in the value of the dollar since its passage. This seems to be a reasonable and sensible step to the Warrant Committee.

WARRANT COMMITTEE FOR ANNUAL TOWN MEETING

LEASHING OF DOGS AND TOWN KENNEL. ARTICLES 48 and 49

Packs of roaming dogs constitute a growing nuisance and menace in our Town but in our opinion do not as yet justify the expense incident to the passage of these two Articles, which the proponents of which estimate to be \$15,000.

NON-PROFIT CLUB LIQUOR LICENSE. ARTICLE 50

In our view the Town Meeting spoke decisively against the issuance of liquor licenses to non-profit organizations by the negative vote on Article 44 of the 1971 Warrant and for this reason we recommend a No vote.

CONCLUSION

The basic duties of the Warrant Committee, which is composed of fifteen citizens appointed by the Moderator, are to make recommendations to the Town Meeting on all Articles in the Warrant, to make recommendations to the voters on all questions on the ballot and to make transfers from the Reserve Fund. This year we again divided into nine subcommittees, which had innumerable meetings with town officials. In addition, the full committee held 25 meetings, the longest of which lasted 8 hours. We plan to hold a special meeting on February 9, to hear our fellow citizens' views on matters of general public interest.

The Committee thanks all the Town Officials with whom we worked this year. The Chairman thanks all the members of the Committee, and in particular the Secretary and the Subcommittee Chairmen, for their devoted, intelligent and loyal efforts. He also thanks our Clerk, Martha Wiswell, for her patience and devotion to duty.

WARRANT COMMITTEE

REPORT OF THE WARRANT COMMITTEE

NOVEMBER ELECTION – NOVEMBER 7, 1972

To the Voters of the Town of Milton:

Pursuant to the provisions of Section 4, Chapter 3 of the General Bylaws of the Town, dated March 10, 1934, as amended, your Warrant Committee is required to consider and report in print upon all questions submitted to the voters of the Town. Following are the recommendations of your Committee:

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES"

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES"

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES"

QUESTION NO. 4

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES"

QUESTION NO. 5

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES"

QUESTION NO. 6

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "NO"

QUESTION NO. 7

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES"

QUESTION NO. 8

AGE REQUIREMENT—ALCOHOLIC BEVERAGES

The Warrant Committee makes no recommendation on this question.

QUESTION NO. 9

PRAYER IN PUBLIC SCHOOLS

The Warrant Committee makes no recommendation on this question.

QUESTION NO. 10

E. LIQUOR LICENSES FOR MILTON APARTMENT HOUSE
DINING ROOMS

We recommend that the Town vote "YES"

WARRANT COMMITTEE

F. LIQUOR LICENSES FOR MILTON WAR VETERANS' ORGANIZATIONS PREMISES

We recommend that the Town vote "NO"

REPORT OF THE WARRANT COMMITTEE

The Warrant Committee hereby submits its recommendations on the Articles in the Warrant for the Special Town Meeting of December 5, 1972 as required by Chapter 3, Section 4, of the General Bylaws of the Town.

School Building and Remodeling Projects

The School Building Needs Study Committee report (see appendix) of October 1, 1972 included recommendations to the Selectmen as follows:

Construct New Senior High School	\$10,048,000
Convert present Senior High School to Junior High	561,000
Convert Pierce and Cunningham Junior High Schools to elementary facilities	151,000
	<u>\$10,760,000</u>

(SEE TABLE #1 FOR DETAILED COST BREAKDOWN)

The Warrant Committee joins the School Building Needs Committee in their concern with the probationary accreditation status of the Senior High School now in effect and the short and long term implications of the potential loss of accreditation.

The accreditation authority's, the New England Association of Colleges and Secondary Schools, main reason for limiting the accreditation to only a 5-year term was the inadequacy of proper space in the present high school to carry out the needed curriculum.

The School Building Needs Committee examined many options and concluded that the optimum solution was the construction of a new three year high school and the subsequent conversion of the balance of the facilities.

The School Building Needs Committee has stressed the availability of 65% reimbursement for perhaps a limited period, from the School Building Assistance Bureau, because of the present high unemployment in the Metropolitan area (normal reimbursement 50%). The 65% reimbursement is for building costs and interest, and is available only on application and is subject to approval by the School Building Assistance Bureau.

WARRANT COMMITTEE

Land Acquisition

The high school site recommended by the study committee is located between Gile Road and Blue Hills Parkway. (see Plate 1). This location was recommended after a careful planning analysis. (See Plate 2). The 44 acre site to be acquired for \$304,000 is part of a 56 acre tract formerly known as the Lamb estate. Competent professional appraisers were consulted to arrive at the recommended purchase or taking price.

The final acquisition cost may be subject to economic adjustment if taken by eminent domain. The cost estimate for acquiring the entire 56 acre parcel is \$115,000 greater than that recommended and would require a total appropriation of \$419,000. If the entire parcel were acquired for School and conservation of open space purposes state and/or federal reimbursement may be available. Our recommendation, however, is based on meeting the school needs with the lowest possible investment.

Tax Rate Impact

Of major interest to all is the influence of the recommended project on the current and future tax rates.

Our estimate is based on the bonding of the major portion of the land acquisition costs and the construction and equipping costs for a period of 20 years. The land acquisition cost or bond interest thereon is not subject to the 65% reimbursement under Chapter 645 of the Acts of 1948 as amended.

The total bonded indebtedness of the Town as of January 1, 1973 adjusted for 1973 maturities is \$2,195,000. This indebtedness will be increased by \$11,010,000 if the Town Meeting votes in favor of our recommendations.

Our estimate of the tax rate effect per 12 month year for the first five years is as follows:

<i>Year</i>	<i>1st</i>	<i>2nd</i>	<i>3rd</i>	<i>4th</i>	<i>5th</i>
Land	\$.61	\$.40	\$.39	\$.38	\$.37
Construction, renovation, etc.	7.68	7.30	6.92	6.54	6.16
Operating costs	—	—	3.00	3.00	3.00
Total Cost/thousand	<u>\$ 8.29</u>	<u>\$ 7.70</u>	<u>\$10.31</u>	<u>\$ 9.92</u>	<u>\$ 9.53</u>

The gross tax rate effect may be reduced somewhat in the first two years by the investment of unexpended bond proceeds in short term investments, but the reimbursement of the 65% may lag and counter the investment income.

The incremental operating costs associated with the proposed project are the best estimates available at this time.

Summary

Despite the projected tax effect of the proposed program, the majority of the Warrant Committee urges favorable action by the Town Meeting.

WARRANT COMMITTEE

We wish to thank Mr. Dinneen and his committee for their cooperation during discussions with the Warrant Committee.

**APPENDIX
TO
WARRANT COMMITTEE REPORT
FOR
DECEMBER 5, 1972
SPECIAL TOWN MEETING**

Because of the educational importance and tax rate impact resulting from the proposals to be considered by the Special Town Meeting, the Warrant Committee is including the following "Report of the School Building Needs Committee" as an Appendix to the Warrant Committee Report.

REPORT OF POLICE STATION STUDY COMMITTEE

REPORT OF POLICE STATION STUDY COMMITTEE

January 15, 1973

Board of Selectmen
Town Hall
Milton, Massachusetts

Gentlemen:

The following is the report of the Police Station Building Committee to the Board of Selectmen. This is in accordance with the action taken by the March 11, 1972 Town Meeting. Article 14 of the Warrant authorizing the moderator to appoint a committee of five citizens to employ the services of an architect, to let a contract or contracts, and to supervise the construction, equipping and furnishing of said police station. The vote of the Town Meeting was 225 yes and 8 no and the sum of \$626,000 was appropriated.

The Committee held its organizational meeting on April 6, 1972 and has held nine meetings since that date.

The committee's first action was to retain the services of the architectural firm of Hughes & MacCarthy, Inc. of Natick, with Mr. John T. Hughes, Jr. representing the firm.

The site work for the project was the first phase of construction undertaken and was under the direction of the Committee and the Town Engineer, Lawrence W. DeCelle.

The bids for the General Construction work were received at the Town Hall. The low bidder was Michael Racioppi, Inc. of Boston. A contract between the Town and Michael Racioppi, Inc. was signed on August 24, 1972.

Approval for the Federal Matchings Funds for the Emergency Operating Center was submitted to the Board of Selectmen on August 24th by Col. Francis J. Willard, Sector Director, representing State Civil Defense Director, Louis F. Saba.

As of this date January 15, 1973 the construction phase of the project is about 20 percent complete.

The Committee wishes to extend its thanks to all Town Departments, Boards and Committees for their excellent cooperation.

Respectfully submitted,

ROBERT J. KELLY
DEAN M. BOYLAN
JOSEPH J. LANE
WARREN J. MURDOCK
PHILIP M. HORAN, JR.

DEPARTMENT REPORTS

BOARD OF SELECTMEN

REPORT OF THE BOARD OF SELECTMEN

December 31, 1972

To the Citizens of Milton:

The following is our report for the year ending December 31, 1972.

On March 4th the members of the Board were re-elected and on March 9th the Board was organized with John P. Linehan as Chairman and Ralph L. Kent as Secretary.

I-95

The dramatic decision of Governor Francis W. Sargent not to build I-95 (the Southwest Expressway) through Milton was a major victory for the Town. Your Board of Selectmen has been opposed to this project since it was first conceived by the Massachusetts Department of Public Works over a decade ago.

In an historic announcement on November 30, 1972 Governor Sargent declared, "No, we will not repeat history, we shall learn from it. We will not build the expressways." In announcing that no new expressways would be built within Rt. 128, he unveiled a major transportation plan formulated to revitalize the region's antiquated public transportation system including public transit between Mattapan Square and Dudley Street.

We are grateful for the decision by Governor Sargent and to the citizens of Milton who worked with us over the years to influence this decision. We must continue the effort to insure that the decision is resolute and that the new transit program becomes a reality.

MBTA

In spite of our efforts through the Advisory Board, the MBTA assessments for the cost of transit service rise at an unacceptable rate. We participated in creating a budget crisis last summer which resulted in the suspension of the Advisory Board's powers but caused the creation of a Special Commission to study the MBTA Assessments. By the year's end, it was clear that both the majority and minority reports resulting from the Commission studies would recommend substantial assessment reductions for Milton in the coming years. It is unclear whether the new formulas and subsidies will reduce the amount to be raised by the Town through the tax levy in 1973.

The following table of assessments against Milton illustrate our cause for concern:

TAX YEAR	MBTA ASSESSMENT
1967	\$164,594.72
1968	178,561.97
1969	214,617.76
1970	294,732.00
1971	501,800.00
1972	626,514.00
1973 (estimated)	780,000.00
1974 (estimated)	860,000.00

BOARD OF SELECTMEN

INSTITUTIONAL PROPERTIES

The Selectmen continue to be concerned about the ultimate disposition of two major institutional properties in the Town, namely, the 35 acre Columban Fathers Seminary on the westerly border of Milton and the 57 acre Wollaston Golf Course on the easterly border of Milton. The Columban Fathers worked with the Selectmen, Planning Board and other Town Officials to explore possible municipal uses for the property. The School authorities and Town Officials determined that the Seminary building was not suitable for conversion into municipal use. The Seminary has been offered for sale and the Town is cooperating with the real estate broker and the Seminary officials to explore the best possible use of the property with each potential purchaser. The Board of Selectmen appreciates the excellent cooperation they have received from the officials of the Columban Fathers Seminary, especially Very Rev. Hugh O'Rourke, Director. Foremost in the goals of both the Selectmen and the Columban Fathers has been that the purchaser of the property have the same sensitivity to the community and neighborhood as the Columbans have demonstrated over the years.

Wollaston Golf Course in East Milton may become a Norfolk County Recreation facility. The Governor this summer signed into law an Act to authorize the County Commissioners to acquire the Golf Course. Negotiations between the Golf Club and the County Commissioners had not been completed at the end of 1972, however, Norfolk County had received preliminary approval for a Federal Aid grant to reimburse the County for one-half the purchase and development costs. The Board of Selectmen support the County acquisition and are hopeful that terms of the purchase will allow the Wollaston Club to construct a new course and club house on the former Cote Farm property which they purchased several years ago.

BUSINESS DISTRICTS

The quality of the three business districts in Milton continued to improve in 1972. In East Milton the Warshaw property changed hands again and the new owner has embarked upon a remodeling program which will enhance the entire neighborhood just as the new Norfolk County bank eliminated the blight of an outmoded garage. The new office building at the corner of Pierce Street and Granite Avenue necessitated some traffic pattern changes to protect the adjacent residential district and will require some additional drainage work on Pierce Street in 1973. The Selectmen are hopeful that through the Federally funded TOPICS program some curbing and pedestrian safety work will also be installed in 1973 at the Pierce Street and Granite Avenue intersection. At the year end, the Selectmen had reason to believe that additional new construction will be taking place in East Milton in the coming months. Two of the gasoline stations in East Milton cooperated with the Selectmen by landscaping and installing fences to maintain the residential character of their premises to the maximum extent possible.

In Milton Village property owners have continued to upgrade the quality of their commercial properties. The merchants expanded and improved their off-street parking facilities in the area.

The Central Avenue business district has been adversely impacted by the Central Avenue bridge closing. However, optimism on the long-range viability of the area is indicated by the number of parties expressing interest in purchasing the old Police Station which will be vacated in the summer of 1973. Hendries Ice Cream is building an addition on air rights leased from the MBTA over the Central Avenue Parking lot and has arranged for 28 or more additional employee parking spaces on the Dorchester side of the bridge in

BOARD OF SELECTMEN

compliance with the Town's Off-Street Parking Bylaw, although only two additional employees will be added for the new facility. This is expected to result in a solution to the off-street parking problem at the Central Avenue business district.

RESIDENTIAL PROPERTIES

In spite of high mortgage rates and the sale of about 37 homes by elderly who moved into the Unquity House, Milton Residences for the Elderly, residential property values in our Town remained high and real estate brokers found a continued strong interest by purchasers. Milton residential property is sold at a substantial premium over comparable properties in other municipalities. The Selectmen will continue their efforts to maintain this enviable position through quality fire and police protection, street and sidewalk maintenance, tree planting and beautification projects, open space land acquisition and strict code enforcement.

We are hopeful that the Planning Board will in 1973 give serious consideration to the Selectmen's proposals for bylaws on aesthetic zoning and bylaw change eliminating construction of residences on sub-standard lots. With the increasing turnover of homes, we also urge the Board of Health to draft a bylaw to require sanitary code inspections upon the vacancy of any residence to insure that blight would be prevented from every neighborhood in our community. The Board of Health last year rejected this proposal but we continue to recommend such action as a preventive measure. Many other communities postponed the adoption of this type of bylaw until it was too late. With strong regional pressures on our community, the Board of Selectmen feel that every precaution should be fully explored to maintain the quality of our fine residential community.

The Selectmen's Wetlands zoning bylaw and Police bylaws regulating door to door solicitation and prohibiting solicitation after dark and on Sundays and Holidays were adopted by the 1972 Town Meeting and have been strongly enforced.

Two bylaws will appear before the 1973 Town Meeting which we have sponsored and urge the Town Meeting to adopt. The first is to regulate the parking and use of mobile homes and campers on residential property and the second is to define swimming pools as structures and regulate their location relative to property lines. Each of these will clarify the existing laws and will allow the Building Commissioner to protect the property of abutters from thoughtlessness by a neighbor. Mobile homes, campers and similar recreational vehicles have become exceedingly popular but they should be garaged or stored in a manner to screen them. Certainly they should not be used as a residence.

PLANNING

The Board of Selectmen worked on a number of matters with the Planning Board. Our staff provided the Board with services and your attention is called to the Planning Director's report and the Capital Budget.

At year's end final negotiations were under way between the Town and the Massachusetts Department of Community Affairs for the updating of the Town's Master Plan. Hopefully work will commence on the project by March 1, 1973.

MRE HOUSING AUTHORITY

144 units of housing for the elderly were occupied this fall at Unquity House, the new Milton Residences for the Elderly, Inc. facility. The Selectmen and all Town officials

BOARD OF SELECTMEN

are grateful to the Clergy of Milton and dozens of lay people who worked on the committee to complete this much needed facility. In December of 1972, 250 qualified Milton elderly were on the waiting list seeking apartments at Unquity House. More units are obviously required and the community has demonstrated its capacity to plan and execute such a facility without adverse impact. In fact the Unquity House is a distinct neighborhood improvement at that location.

The Town's Standing Committee on Housing has submitted an Article in the 1973 Town Meeting Warrant to take the first step in creating a Housing Authority. They explain that M.R.E. does not have another site and does not have funds available to privately purchase another site. The Committee believes that M.R.E. would be interested in managing a housing for the elderly facility for a Housing Authority, if an Authority were to be created.

A Housing Authority would allow the Town to take advantage of many more financial resources than are available to the private non-profit agency. The Massachusetts statute relating to Housing Authorities, Chapter 121B, is designed to serve the needs of local residents and gives them strong preference over any other consideration.

The 1973 Town Meeting Article calls for a Home Rule Petition to the Legislature seeking authority to create an appointed Housing Authority that would permit four members of the Housing Authority to be appointed by the Selectmen. If approved by the Town Meeting and accepted by the Legislature, the Town Meeting in March of 1974 could decide whether or not to bring into existence an operating Milton Housing Authority.

Housing Authorities are subject to Town Meeting control in that each site must be specifically zoned for its use by a two-thirds vote of the Town Meeting. Housing Authorities also cannot bind the Town's credit by bond issue.

The Town Housing Committee will work with the Planning Board in 1973 on identifying possible sites for future housing facilities and further qualify the need by family income brackets. We are confident that sufficiently detailed information will be developed in 1973 to provide the Town Meeting members with the information they will require before deciding on the question in 1974 whether or not to bring into existence an operating Milton Housing Authority.

We are pleased that the Warrant Committee is recommending that the Town vote "YES" on the Housing Authority Article.

BEAUTIFICATION OF TOWN

The Town conducted a "spring offensive" on litter with the help of numerous citizens and youth groups. The Public Works employees made a special pickup of garden debris and heavy objects not usually collected by the Town rubbish contractor.

The Superintendent of Streets erected "Littering - \$200 Fine" signs at all approaches to the Town.

Arbor Day was celebrated by all of the public and private schools. The Selectmen appreciated the following special gifts:

White Pine Tree at Pierce School donated by Mrs. Irene E. Kelley, School Librarian

White Dogwood at High School, Crabtree at Turner's Pond and Flowering Cherry at

BOARD OF SELECTMEN

Turner's Pond donated by Miss Rose Depoyan, Chairman of the Mathematics Department

Red Oak at 21 Thacher Street donated by Paul Lovett

Flowering Cherry at Pierce School donated by Robert G. Connolly, Principal

Four specimen Pink Dogwoods, an Oxydendron and a Yellowwood planted on the grounds of the Town Office Building and donated by Mrs. William T. Whitney.

The Forestry Department planted four hundred shade trees throughout the Town. The M.D.C. this year planted along Truman Highway and on Blue Hills Parkway near the entrance to Unquity House.

OPEN SPACE LAND ACQUISITION

Two parcels were acquired by the Selectmen in 1972 as part of the Conservation Commission's program of land acquisition aimed at preserving the semi-rural character of the Town.

The first parcel at the westerly corner of the intersection of Brook Road and Canton Avenue, triangular in shape and totalling 11,173 sq. ft. was acquired by gift and purchase under the authorization of the 1972 Town Meeting vote on Article 31 from the Fisher brothers of Milton. The second parcel, off Dean Road, totalling 35,805 sq. ft. was acquired without cost from the Lindsey Brothers who plan to develop the former Pine Garden property.

The 1973 Town Meeting will have the opportunity to acquire a wooded parcel at the southerly corner of the intersection of Hillside Street and Randolph Avenue totalling 10,647 square feet. This parcel is abutted by the Copeland Farm tomato field. The owner has agreed to sell it to the Town for \$10,000 although it has been appraised for \$12,000 and offers in that amount have been refused previously by the owner. It is a non-conforming but buildable house lot prominently located in the 40,000 sq. ft. zone. Its acquisition and preservation as a wooded lot surely will help maintain the character of this neighborhood and the country-like atmosphere that helps make Milton unique. The Warrant Committee recommends that the Town Meeting vote "YES".

Several other parcels for future consideration by Town Meeting are under study and negotiations will continue with the landowners. The Conservation Commission is also working with the M.D.C. on possible expansion of the Blue Hills and Neponset River Reservation in Milton.

RECYCLING

The Board of Selectmen commend the efforts of citizens in the Town and especially Mrs. Adele Holmes in encouraging recycling of paper, glass and cans. The Selectmen constructed the recycling center at the Town Disposal Area in cooperation with Mrs. Holmes. We are hopeful that sufficient funds will be available in 1973 to pave the driveway and approaches to the recycling area. To the Town Engineer, Highway Superintendent, Planning Director, Forestry Department and Highway men who made special efforts in this project go our thanks.

BOARD OF SELECTMEN

LIBRARY

In November the Board of Selectmen and the Trustees of the Milton Public Library elected William P. Melley, Jr. to fill the vacancy on the Board of Trustees caused by the death of Edward P. Hamilton. Col. Hamilton had served the Town in many capacities including that of Selectman. For many years he served as the Town Historian and his authoritative History of Milton was published in 1957.

COMMITTEES APPOINTED BY THE SELECTMEN

The 1972 Town Meeting voted to establish a Committee for the Celebration of the Two Hundredth Anniversary of the American Revolution and the Board of Selectmen appointed Charles R. Morris as Chairman and Elizabeth R. Colt, Michael J. Cummings, William P. Melley, Jr. and Arthur W. Monks as members of the Committee. During the year, Theodore S. Pina, Kenneth P. Lodge, Edward H. Baker, Richard J. Ryan, Kenneth Recanzone and Herbert Stokinger were named as Associate Members. The Committee's efforts to date include cataloging relevant historical data available in the Public Library Archives, writing a booklet commemorating the Suffolk Resolves and preparing for celebrations of the 200th Anniversary of the September 9, 1774 signing of the Suffolk Resolves. More Associate Committee members and Subcommittees will be appointed in 1973 and all interested volunteers are encouraged to contact Charles Morris.

We were especially pleased that Paul's Bridge was designated as a National Historical Landmark this fall. The work which Mr. Morris and Mrs. Elizabeth Houghton did to research the history of the bridge and in filing the application is appreciated.

The 1973 Town Meeting will be asked to establish a Milton Historical Commission to provide the official body to carry on the projects initiated by the Bicentennial Committee.

A Committee on Elderly Affairs was appointed this year by the Board of Selectmen in accordance with the Town Meeting vote on Article 34 in the 1972 Warrant. We appointed Mrs. Alice Coghlan as Chairman and Mrs. Nancy Chase, Ernest F. Chute, Mrs. Antoinette Finizio and Charles J. Hackley as members. The committee's assignment is to advise the Selectmen on the coordination of activities and the needs of the elderly. The committee has no appropriation and requested that no appropriation be made for the 18 month year beginning January 1, 1973. Their efforts have included encouraging the establishment of the 1972 Fall Flu Shot Clinic, increased funding for the Park Department's Recreation for the Elderly program, the compilation of an information booklet on services available for the elderly, and the expansion of the Youth Committee's "Hot Line" to answer telephone inquiries from the elderly. The Selectmen are delighted with the progress this committee of volunteers has made.

The Selectmen's Youth Committee continued an expanded program in 1972 with several State and Federal Grants. Your attention is called to the report of the Youth Coordinator contained in the following pages which details the activities of the Youth Program. Through the Emergency Employment Program and Neighborhood Youth Corps program, a large number of young persons were employed on various Town projects last summer. We were especially pleased with the success of the informal series of Police/Student seminars conducted at the High School under the auspices of the Youth Coordinator. All participating Police Officers donated their off-duty time and joined in rather frank but refreshing dialogue with the High School students. The series was enlightening to both the Police and the students and the discussions contributed substantially to maintaining the fine relationship which has existed in our Town between the young people and the Police. These seminars will be continued in 1973.

BOARD OF SELECTMEN

TRAFFIC COMMISSION

A major traffic problem on Brush Hill Road was resolved this year when Curry College closed their campus entrance from that street. However, the problem was shifted in part to Atherton Street. The Traffic Commission held a hearing in the fall and has recommended that motor vehicles be banned from a section of Atherton Street where both sides are owned by Curry. The ban would be for a trial period. The Selectmen believe that this experiment may be feasible now that Brush Hill Road, Bradlee Road and Milton Street have been reconstructed and actuated Traffic Signals are in operation at the intersection of Blue Hill Avenue and Bradlee Road. Atherton Street clearly is not suitable for the major entrance to this increasingly busy College. Negotiations are underway with Curry College to bear the expense of the fencing and cul-de-sacs for the experiment. The Selectmen hope that the experiment can be conducted in the spring of 1973.

The Commission conducted a number of other studies and their recommendations are detailed in their report.

PUBLIC WORKS

Great progress was made this year in consolidating the four departments under our jurisdiction - Engineering, Forestry, Highway and Water - into a de facto Public Works Department.

The Selectmen accepted the gift of Milton Residences for the Elderly of an 80 ft. long wood frame building which was formerly the office of the Diamond Match Lumber Company. The Public Works Department moved the structure from the Unquity House site to 633 Randolph Avenue, the Town Yard. The building was completely renovated by Town work forces. The work was completed with the appropriation for the new Public Works Yard Office in the 1972 Highway Budget of \$15,000.

The addition to the Water Department building at 635 Randolph Avenue is 85% complete and by March 1973 the meter shop and Water Department storage area will be relocated from the Thacher Building basement to the new facility. The School Department Maintenance Division will then occupy the basement of the Thacher Building to alleviate overcrowding at the Pierce School.

The Central Maintenance Garage is under construction and will be finished during the spring. Work was delayed because of poor soil conditions, state building code requirements necessitating plan changes, and wet weather after the foundation contract was awarded.

A Central Maintenance Division has been budgeted under the Highway Department. It will be headed by Superintendent James H. Morris, the former Water Department Motor Equipment Repair man and the senior man employed by the Town. We were deeply grieved by the untimely death of Fire Department Mechanic George Higgins who had assisted in the planning of the Central Maintenance Division. The new Central Maintenance Division will perform maintenance services for all departmental vehicles including the School Department.

The Water Department installed 1775 feet of 12 inch pipe in Harland Street and 623 feet of 12 inch pipe on Vinewood Road as part of a major system improvement program which will be continued in 1973.

Our three year program for reconstructing Brush Hill Road between Truman Highway and Milton Street was completed in 1972. Avalon Road, a section of Gun Hill

BOARD OF SELECTMEN

Street, a short section of Highland Street and the entire length of Milton Street were also resurfaced in 1972. Dana Avenue will be reconstructed under Chapter 90 in the 1973 fiscal year.

The Central Avenue bridge was condemned by Massachusetts Department of Public Works engineers and is scheduled for reconstruction in April 1973. The D.P.W. expects the bridge to be reopened late in 1973. The bridge will be reconstructed at no cost to the Town and a temporary foot bridge will be installed for pedestrian convenience throughout the construction period. This has been accomplished through the combined efforts of our Executive Secretary, Senator Joseph B. Walsh, Representative M. Joseph Manning and Representative Joseph J. Semensi.

367 feet of Pagoda Circle was reconstructed under the Betterment Act in 1972. Regrettably no additional Betterment Streets are proposed for 1973. The Board of Selectmen continues to favor the acceptance of Section 6I of Chapter 40 of the General Laws to allow the Town to repair private ways which have been used by the public for fifty years or more. The Town is obliged to plow and patrol these streets and many are used by school buses. For a variety of reasons the property owners oppose their complete reconstruction under the Betterment Act. The acceptance of this statute would allow the Town to fill the potholes and perform minor works of improvement in the interest of public safety and to minimize damage to Town vehicles.

Permanent roadway curbing improvements were installed on Granite Avenue, between Squantum Street and Wood Street, on Pond Street near Pierce Street, on Randolph Avenue near North Russell Street, on Engine Road at Clapp Street and Thacher Street, on Randolph Avenue at the disposal area entrance and at the Town Office Building.

Drainage was installed on a section of Highland Street and numerous other locations in the Town. A total of 1769 lineal feet of drainage was installed and 13 catch basins were constructed. 115 feet of lineal feet of Town built sewers were installed bringing the total system to 81.3 miles serving 92.63% of the population. The Town Engineer's recommendation for a major trunk sewer extension program which would require a bond issue was deferred until the Town Master Plan is updated.

Major efforts were made by the Highway Department to repair and reconstruct sidewalks throughout the Town and your attention is called to the listing of sidewalks completed contained in the Town Engineer's report. The Department also reconstructed numerous street patches on thoroughfares throughout the Town. These efforts will be continued in 1973.

An Article is included in the 1973 Town Meeting Warrant to codify the existing de facto Public Works Department. The Article seeks a legislative act by Home Rule Petition to allow the formal consolidation of the four departments. Benefits to the Town include flexibility in manpower allocation, exemption from Civil Service requirements of the key supervisory positions, and formalization of the contractual procedure with which the Town has experimented during the past few years. The concept is as originally proposed by the Town Government Study Committee and the Warrant Committee is recommending that the Town vote "YES".

FIRE DEPARTMENT

For the Fire Department, 1972 was a transitional year with Chief Lewis G. Lyons retiring in February. We appointed Deputy Chief John J. Grant to the position of Chief and he has carried on in the same tradition of his predecessor to keep our Fire Department the

BOARD OF SELECTMEN

best trained and best equipped of comparable suburban communities. With our approval, Chief Grant instituted a policy of sending all new Firefighters to the Boston Fire Department Training Academy. In 1973 Chief Grant will institute a series of in-service training utilizing the new Police Department 16mm movie projector and video tape equipment purchased with Federal funds. Chief Grant initiated a program to alert homeowners who had inadequate street numbers identifying their residences. He also completed an index of hydrant locations for the radio dispatcher to use to advise apparatus enroute to a working fire. The Selectmen and Warrant Committee are recommending favorable action on the Chief's appropriation request of \$65,000 for the replacement of Engine 2 located in East Milton. The engine is 20 years old and was purchased before the Southeast Expressway was constructed.

The Board of Selectmen were pleased to approve the Chief's promotion of Lieutenants John M. Hanafin and Eugene H. Lorden to Deputy Fire Chief and the promotion of Firefighters Stanley R. Perry, Jr. and Donald P. Affanato to Fire Lieutenant. Robert M. Tucker, David E. Oveson, John P. Foley, Jr. and Robert J. Rota were appointed as Firefighters in 1972.

The Selectmen also appreciate the new Fire Chief's cooperation in submitting his budget in September. It was carefully prepared and sufficiently detailed to enable the Warrant Committee to give it their early attention as they worked on this difficult transitional 18 month fiscal year.

POLICE DEPARTMENT

The Police Department underwent major reorganization in 1972 as elements of the Police Management Study were implemented.

Lt. Joseph C. Ryan was appointed Commander of the Uniformed Division and the Division was organized into three separate platoons. Lt. Ryan commanded the day platoon and Lt. Joseph W. Gaughan was named as night Platoon Commander. The Board of Selectmen promoted Sgt. David E. Macdonald to the rank of Lieutenant and he was assigned as Commander of the second night platoon. Detective Thomas F. Murphy, Officer Harvey A. Goudy, Juvenile Officer Robert C. Green, and Detective Richard G. Wells were all promoted to the rank of Sergeant. The additional Sergeant positions substantially strengthened the supervision of patrol in the Town, which is essential under the Town's one-man cruiser program. Both a Patrol Supervisor Sergeant and a Desk Sergeant are scheduled for duty at all times during days and evenings except for vacations and periods of unscheduled absences. These promotions bring the most experienced and most highly trained officers of our Department to these important supervisory positions and we were pleased to have the Town Meeting's approval to strengthen the Department in this manner.

Officer John B. MacDonald was appointed as Juvenile Officer. He is the father of five school age Milton children, is a member of the Milton Youth Club Board and attended a two week training program at Yale University this fall with educators, youth leaders and clergymen from Milton.

Officer George Skinner was appointed as Planning Officer to succeed Sgt. Richard Wells. His assignment includes the development of the regional police projects with Quincy, Weymouth and Braintree and primarily has been on the criminal information computer system scheduled for startup in 1973. Officer Skinner brings to this special assignment the viewpoint of an experienced officer whose concern is to have a computer system designed to serve the information needs of the men on patrol.

BOARD OF SELECTMEN

Sgt. George F. Dillon was named Training Officer and Commander of a new 25 man Riot Control Unit. A mandatory 40 hour in-service training program was instituted in 1972 for all officers and supervisory officers.

The 25 man Riot Control Unit was organized and equipped through a Federal Grant and is part of a South Metropol regional unit which enables Milton and the other communities to call upon a 125 man unit of well trained officers in an emergency.

Complications between the Massachusetts Civil Service and Federal Courts prevented the Selectmen from making permanent appointments of Patrolmen, however we were pleased to appoint the following as provisional Police Officers: Vincent L. Maglio, Russell A. Bartlett, Robert J. Delaney, Peter K. Doyle, Laurence D. Smith, Joseph G. Sullivan, Thomas F. Gately, Kevin C. Sorgi and William J. Winn.

The Police Department acquired four new cruiser wagons and traded in one. All service revolvers for Patrolmen were replaced with Smith and Wesson 38 caliber heavy barrel Model 10 sidearms. Under a 50% Federally funded safety program a new 16mm movie projector and screen, video tape, radar and a series of safety films were purchased for use by the Safety Officer. All cruisers were outfitted with electronic sirens, dual bluelights, stretchers, life preservers, first aid kits, manual respirators and other vital emergency equipment. One new 100 Watt mobile radio was acquired and two walkie-talkie radios authorized in the 1971 appropriation were purchased.

LIQUOR LICENSES

The 1971 Town Meeting voted to petition the Legislature for a special referendum question on the issuance of liquor licenses to restaurants with minimum dining room seating capacity of 99. Clearly intended for the Milton Hill Restaurant, the Legislature and Governor Sargent gave the measure their approval. The 1972 Town Meeting voted approval to a similar petition to allow Club liquor licenses to be issued to Veteran's organizations which was also enacted into law by the Commonwealth.

Both questions were approved by the Milton voters on the November 7, 1972 ballot. Applications were received from the Milton Hill Restaurant and the Milton Post 114 American Legion.

The Selectmen after a substantial study adopted Rules and Regulations for both Restaurants and Veteran's organizations. These will be published early in 1973. We will be monitoring both licenses in 1973 to insure that the public's interests are protected.

CIVIL DEFENSE

Col. Howard S. Patterson retired this year as Director of Civil Defense.

This Board is deeply indebted to him for his dedicated services to the Town. John J. Boles, Jr. served as Director for several months and was instrumental in processing the Town's successful applications for Federal grants which will approach \$100,000 towards the cost of the new Police Station. Due to business demands, he resigned in the fall of 1972 and we appointed Arthur Southall as his successor. Director Southall has been an active member of the Milton Civil Defense Auxiliary Police for over 20 years and this year is serving as Vice President of the Massachusetts Auxiliary Police Officers Association.

TOWN GOVERNMENT STUDY COMMITTEE REPORT

TOWN GOVERNMENT STUDY COMMITTEE REPORT

January 12, 1973

COMMITTEE CHANGES

The terms of Marvin A. Gordon and Robert H. Culver expired at adjournment of the 1972 Town Meeting. Herbert Lemelman was appointed and Robert H. Culver was reappointed, both to serve until the adjournment of the 1975 Town Meeting. During the year, Ralph L. Gifford and Robert S. Sylvester resigned and Edward J. Spellman and James D. Colt were appointed to serve for the remainder of the unexpired terms.

The Members of the Committee wish to extend their sincere thanks to Messrs. Gordon, Gifford and Sylvester for the time and effort spent in behalf of their town. As chairman for the past two years Marvin Gordon deserves particular recognition for his unlimited donation of time and effort.

DATA PROCESSING

The study of data processing including a proposal for its implementation has been completed by System Technology Associates Incorporated of Cambridge, Mass. The Committee after a great deal of review has recommended that a final step be taken in the application of automated data processing in town government. The initial step is to be taken by the Town Clerk and is to be considered a pilot program.

PUBLIC WORKS DEPARTMENT

The appropriation of \$75,000 by the 1972 Town Meeting for construction of a "Town Garage" as a maintenance and service facility for town vehicles was an additional step in furthering the Public Works Department concept.

Our next area of review involves the management of the Town Disposal Area. "Management" as to whether the Disposal Area should continue under the Board of Health or be included in the Public Works Department concept.

OTHER STUDIES

In addition to those items mentioned above which are continuing studies, other areas which we feel require analysis are the organization of the Financial Department and the overlapping functions of the Park and Cemetery Departments as related to the Public Works Department concept.

Respectfully submitted,

PAUL C. GIROUARD, Chairman
JAMES D. COLT
ROBERT H. CULVER
FRANCIS J. KELLEY, JR.

HYMAN B. PAVE
EDWARD J. SPELLMAN

REPORT OF THE EXECUTIVE SECRETARY

REPORT OF THE EXECUTIVE SECRETARY

December 31, 1972

To the Honorable Board of Selectmen:

I am pleased to submit my fifth annual report on the activities of the Executive Secretary which includes tables and other information which will be helpful in understanding the fiscal problems faced by the Town.

As you requested I have continued to assist the department heads and committees under the jurisdiction of the Board and to work with other department heads, the Planning Board, Warrant Committee, Personnel Board, Town Government Study Committee, Standing Housing Study Committee, Police Station Study Committee, School Needs Study Committee and other Boards and Commissions in an effort to assist and coordinate.

MUNICIPAL ECONOMICS

The tax rate in Milton rose 6.29% in 1972. The following table contains a six year comparison of Milton's financial situation:

Year	Tax Rate	Assessed Valuation	Tax Levy	State Assessments	State Aid
1972	\$136	\$71,831,850	\$9,769,131	\$1,619,050	\$1,174,652
1971	128	70,899,300	9,075,111	1,430,973	989,882
1970	123	69,737,150	8,577,669	1,226,761	933,728
1969	102	67,614,150	6,986,643	1,069,116	1,208,730
1968	89	66,222,800	5,893,829	901,162	1,413,794
1967	75	64,945,850	4,870,939	924,878	1,710,300

Across the Commonwealth of Massachusetts the average tax rate increase was 10.8% for cities and towns. (And this was the lowest rate of increase since 1967). The average tax rate increase in 1972 for Towns (cities excluded) was 10.4%.

The growth rate in State Assessments continues to burden the property tax payers. Although 1972 State Aid to Milton rose by almost \$200,000 the Commonwealth is still underfunding the local aid formulas to keep the state budget balanced. State Assessments include the cost of the Metropolitan Parks, Water and Sewer Districts, County Hospital, Mosquito Control District, Metropolitan Area Planning Council, Norfolk County and Massachusetts Bay Transit Authority. Citizens of Milton are urged to support legislation to shift these metropolitan, county and regional costs, over which the municipal government has little or not control to a broader tax base than property tax.

The Town's bonded indebtedness at the end of 1972 is \$2,685,000. This is respectably low in comparison to other suburbs. Your attention is called to the tables and charts in the Planning Board's Capital Budget Report which the Town Treasurer and Planning Director have prepared and which provides detailed and visual analysis of the bonded debt of the Town.

REPORT OF EXECUTIVE SECRETARY

STREET LIGHTING

Our Street Lighting Modernization Program continued during 1972. Special lighting was installed at the Central Library, Fontbonne Academy and the parking lots at Andrew's Playground and Kelly Field. As a result of several meetings with representatives of the Edison Company, all modern lighting ordered during the year has been installed and no backlog exists. The Warrant Committee is recommending to the 1973 Town Meeting that the Selectmen's program be continued during the 18 month period beginning January 1, 1973 through June 30, 1974. Our office continues to receive letters of appreciation from residents of neighborhoods where improvements have been made as well as requests from citizens whose streets are placed on the schedule for the future. With the increased potential for crime in our region, we strongly urge the continuation of this program.

DOG LEASH LAW

Following the vote to approve the Board of Health budget which called for combined rubbish and garbage collection, the 1972 Annual Town Meeting voted in favor of a substitute motion which the Selectmen made to insure that a workable Dog Leash Law was enacted. The bylaw became Section 22 of Chapter 6 of the General Bylaws, known as Police Regulations. The law went into effect on July 1 after receiving the approval of the Attorney General.

\$13,852 of the \$15,000 appropriated was expended, of which \$8,313 was for the construction and equipping of the dog pound in the cellar of the barn of the Town Farm on Governor Stoughton Lane, \$1,653 was for printing and expenses and \$5,084 was for the contracted services of the two deputy dog officers to assist the Chief of Police with the enforcement of the law.

Much of the patrol effort in 1972 was aimed at educating the public. Income from the Dog Leash Law Enforcement program for 1973 is estimated to be \$8,000.

RELATIONS WITH THE METROPOLITAN DISTRICT COMMISSION

The Board of Selectmen was pleased this spring when Governor Francis W. Sargent appointed our Executive Secretary John A. Cronin as an Associate Commissioner of the Metropolitan District Commission. With his background in municipal government, his avocation in conservation, parks and recreation, his academic training as a Civil Engineer, and his business experience in water supply and sewerage treatment, he was an ideal appointment to this important Commission. More than 20% of Milton land area is owned by the M.D.C. Milton contributes substantially to the cost of the M.D.C. as the 1972 assessments indicate:

Parks District	\$250,693.32
Sewer District	215,367.93
Water District	104,802.24
Total M.D.C.	<u>\$570,863.49</u>

The Town's relationship with the M.D.C. improved significantly this year. The Commission met in Milton, toured Milton M.D.C. facilities and met with our Board at a dinner meeting to discuss areas of mutual concern. The Commission supported our position of opposition to the state mandated lease of the Chickatawbut Hill NIKE Site to the private Citizenship Training Group, Inc. The M.D.C. also opposed, for the first time, the construction of I-95 through the Fowl Meadow Reservation at Paul's Bridge. The M.D.C. has voted to proceed with improved water supply facilities to Quincy and Milton, Truman

REPORT OF EXECUTIVE SECRETARY

Highway was transferred this year from the D.P.W. to the M.D.C. and trees have been planted. The M.D.C. took steps to eliminate the principal drowning hazard at Houghton's Pond. Several M.D.C. roads through Milton were resurfaced and drainage and shoulders were improved. The M.D.C. extended Police co-jurisdiction to the Milton Police solving a controversy. The M.D.C. voted to modernize street lighting on Blue Hill River Road, a portion of Hillside Street, in residential sections of Milton and authorized Milton to install public works and Police radio transmitters on top of Big Blue to improve public safety emergency communications in the Town.

We are pleased with the improved relationships with the M.D.C. and are confident that our Executive Secretary will work to represent the interests of all of the Cities and Towns through whom the M.D.C. taxes are collected. It is in keeping with the Federal Intergovernmental Personnel Act that these exchanges between Towns and State controlled Metropolitan agencies takes place.

SURPLUS GOOD COMMODITIES

We appreciated the Board of Health's willingness to continue to process the applications of non-welfare families who are eligible for surplus food commodities under the Federal Food Stamp Program. Through the Elderly Affairs Committee 20 volunteers have helped elderly recipients with transportation to the distribution center.

CONCLUSION

We thank the various officers and employees of the Town, the Boards, Committees and Commissions for their cooperation during 1972 and especially thank our Executive Secretary and the two secretaries to the Board of Selectmen for their untiring efforts.

JOHN P. LINEHAN
RALPH L. KENT
FRANCIS F. BROOKS
Board of Selectmen

REPORT OF THE EXECUTIVE SECRETARY

OTHER TOWNS

Town	Pop. 1970	Tax Levy 1972 (000's omitted)	Actual Tax Rate 1972	Full Value Tax Rate 1972	Per Capita Tax 1972
Arlington	53,534	\$19,904	\$ 56.80	\$52.30	371.80
Belmont	28,284	11,579	45.75	42.10	409.38
Braintree	35,050	15,684	101.00	57.60	447.48
Brookline	58,886	31,803	71.50	62.20	540.08
Dedham	26,938	9,846	39.60	36.40	365.51
Lexington	31,886	14,940	65.00	54.80	486.54
Needham	29,748	13,221	43.00	38.70	444.43
Wellesley	28,051	13,631	50.00	42.50	485.94
Weymouth	54,610	20,028	53.60	52.00	366.75
Winchester	22,269	11,883	61.00	54.90	533.61
Milton	27,190	9,769	136.00	35.40	359.28

Note: Population – 1970 U. S. Census data Source – Metropolitan Area Planning Council.

Full Value Tax Rate – 1972 estimates of the full value tax rate have been obtained from the Massachusetts Taxpayers Federation. They calculate the rates based on equalized assessed valuation determined by the Tax Commission under the provisions of Chapter 14 of the Acts of 1966 with the valuations used by the Town Assessors in their Recapitulation Sheets. It should be noted that the methods used are imprecise and these rates are not universally accepted as accurate.

Full Value Tax Rate is the rate at which taxes would be levied if the property in the municipality was assessed at its estimated full market value as estimated by the State Tax Commission.

It is interesting for Milton residents to note that the estimated “equalized assessed valuation” which the State Tax Commission calculated is also used as a basis for the distribution of several major programs of state aid. Milton is one of about 10% of the municipalities in the Commonwealth which, according to the State Tax Commission, is assessing property at 30 percent or less of its full value. Cities and Towns which have revalued appear to be penalized according to the Massachusetts Taxpayers Foundation, by lower Cherry Sheet receipts for Chapter 70 School Aid, State lottery receipts and gasoline tax distributions.

Milton's Full Value Tax Rate is lower than any other community in Greater Boston except Dover which is 50 cents lower. Only Cape Cod, the Islands and Berkshire communities have lower full value tax rates. A sampling is as follows:

<u>Municipality</u>	<u>1972 Actual Tax Rate</u>	<u>1972 Full Value Rate</u>
Boston	196.70	161.30
Brockton	185.00	96.20
Cambridge	149.00	92.40
Canton	40.50	39.30
Concord	48.00	44.60
Everett	122.80	46.70
Melrose	49.60	45.60
Newton	139.60	72.60

REPORT OF THE EXECUTIVE SECRETARY

Plymouth	96.00	49.90
Quincy	155.40	73.00
Randolph	65.00	61.80
Stoughton	44.00	44.00
Walpole	56.00	49.80

COLLECTIVE BARGAINING

Contracts for the 18 month year beginning January 1, 1973 were negotiated with the Fire Fighters Local No. 1116, International Association of Fire Fighters AFL-CIO, and the Milton Police Social Club. The non-school custodians and public works employees Local No. 1395, American Federation of State, County and Municipal Employees AFL-CIO on January 1, 1973 began the thirteenth month of a thirty month contract which extends to the end of the 1973 18-month fiscal year June 30, 1974.

The Public Works and Custodial employees contract provides for an \$8.00 per week wage increase for 1973 and a \$3.20 per week increase beginning January 1, 1974. The Town benefits in 1973 include the amending of the fiscal week to the advantage of the Accounting Department and for the convenience of the Department Heads and bookkeeping personnel.

The Police and Fire employees signed 18 month contracts based on a 3% wage increase effective January 1, 1973, a 2% wage increase effective July 1, 1973 and a 2% wage increase effective January 1, 1974. The effective cost to the Town of the 18-month fiscal year is approximately 5%. No significant improvements in other benefits to employees are included in the contract for the 1973 fiscal year although the contract does provide for an educational incentive pay program effective December 1974 for employees with college credits in Fire Science or Law Enforcement. Similar educational incentive programs have been adopted by eight of the ten comparable communities used by the employees and the Town in its collective bargaining negotiations. The Town benefited by certain amendments to the Police contract which included recognition of the Chief's authority to create special overlap shifts.

All non-school employees under the Personnel Board's Classification Plan, except the public works and non-school custodians, will receive the same 3%, 2% and 2% wage increases if the recommendation of the Personnel Board and Warrant Committee are followed by the Town Meeting.

The Executive Secretary wishes to express appreciation to the Personnel Board, Warrant Committee and Board of Selectmen for their efforts to make the collective bargaining process effective in the Town of Milton.

A number of years ago when the municipal employees collective bargaining law first went into effect, the Personnel Board negotiated the first contract with the Fire Fighters Union. They worked out and agreed upon a list of comparable communities to be used in negotiations that year, as follows:

Arlington
Belmont
Braintree
Brookline
Dedham

Lexington
Needham
Wellesley
Weymouth
Winchester

REPORT OF THE EXECUTIVE SECRETARY

The Personnel Board's Chairman at that time was Dr. Donald J. White, Professor of Labor Relations and now Dean at Boston College. Under his leadership the Town attempted to set a high standard for employee/employer relationships.

The Town from that time on has adopted a policy of equity with the median wages paid to comparable positions in that group of similar towns and the policy invariably has been recognized by both employees and the employer as just. In fact the reclassification plan implemented in 1969 by the Personnel Board was largely based on an analysis of these same ten Towns.

The total cost of the Personnel Board's Article for the new Salary and Wage Schedule is \$225,000 for the 18-month year beginning January 1, 1973.

The U. S. Department of Labor's cost of living index for the Boston Area October 1971 to October 1972 was 3.5%.

GENERAL SERVICES DEPARTMENT

The General Services Department rendered clerical and stenographic services to the various departments and committees during 1972 as follows:

<u>Department or Committee</u>	<u>Number of Days</u>
Town Clerk	203
Park Department	3
Board of Selectmen	33
EEA	5
Switchboard	250
Inspectors (Building, Plumbing, Wire)	17
Cemetery	71
Highway	89
Board of Appeals	85
School Needs Study Committee	3
Board of Assessors	2
Board of Health	11
Youth Department	6.5
Police Station Study Committee	3
Fire Department	27
Engineering	19
Town Government Study Committee	6
Town Planner	27
CTO, Sick, Holidays & Bereavement Leave	87.5
	<u>949 Days</u>

The work days listed above represent actual days worked specifically for the department or committee. In some cases these figures represent evening work which was transcribed by the Principal Clerk while covering another department or at her regular work location in the Selectmen's Office.

In addition to the above, work for departments and committees was performed by the Switchboard Operator or the person covering the Board during her absence. A breakdown of the departments or committees and an approximate percentage of the Switchboard Operator's time is listed below:

Warrant Committee 5%

REPORT OF THE EXECUTIVE SECRETARY

Board of Appeals	5%
Town Clerk	5%
Selectmen's Office	5%
Town Engineer	10%
Youth Coordinator	25%
EEA	5%
Town Accountant	10%
Town Planner	30%

The General Services Department this year furnished xeroxing service and central telephone service to all departments in the Town Office Building.

In 1972 the Personnel Board and Warrant Committee shifted one Senior Clerk position from the Election and Registration Budget to the General Services Department Budget. Because of sickness in the Town Clerk's office and the extraordinary number of elections in 1972 the Town Clerk's office received a large number of days of service in 1972. The requirement will be less in 1973 and more time will be available to meet the clerical service needs of the added programs and activities of the Youth Coordinator, Planning Director, Dog Officers, Elderly Affairs Committee, Housing Study Committee, Town Government Study Committee, Board of Appeals, Bi-Centennial Committee, School Needs Study Committee and Police State Building Committee, all of whom rely solely upon this service for their secretarial work.

To provide added flexibility in recruitment and management of personnel three secretarial positions of the General Services Department have been transferred by the Warrant Committee to the Selectmen's recommended appropriation.

WORK STUDY PROGRAM

Nineteen students were employed by the Town this year under the 80% Federally Funded College Student Work Study Program. Their services were allocated between departments as follows:

<u>Department</u>	<u>Number of Hours</u>
Highway	2,261
Library	1,108
Park	3,028
Selectmen	297
General Services	180
Cemetery	280
Police	181
Total Hours	7,335

FEDERAL AND STATE AID

Again this year the Town benefited from grants from the state and federal governments.

Grants Received in 1972

\$ 14,662	Federal	College Student Work Study Program: 19 local students worked for the Town and 80% of the wages were paid for by the Federal money.
-----------	---------	---

REPORT OF THE EXECUTIVE SECRETARY

3,125	State	Natural Resources -- Self Help Program: Whitney Land at Corner of Canton Avenue and Highland Street.
3,000	Federal	Law Enforcement: Police Department Management Study.
2,000	Federal	Youth Program -- HEW Mini-grant under drug addiction Public Law 91-527 for training a Drug Prevention team of Milton per- sonnel.
1,700	State	Youth Program -- State Department of Education: Values clarification workshop dealing with underlying issues in the drug (Youth) problem.
3,000	State	Youth Program -- Drug Rehabilitation: Youth Counselor's services from November 1, 1972 to June 30, 1973
1,183	Federal	Police -- Public Safety: 16 mm Movie Projector and screen Radar unit.
136,969	Federal	Revenue Sharing: First installment of 1972 allocation
16,070	Federal	Emergency Employment Program: Reimbursement to Town for services rendered by Town employees to administer the consortium of 23 towns.
300	Local Agency	Emergency Employment Program: Reimbursement to Milton for expenses in connection with EEA Program.
1,287	Federal	Emergency Employment Program: Reimbursement to Town for postage, Xerox service, Police Officers, Medical Expense, and Administrative Expenses.
12,500	Federal	Park Department -- Bureau of Outdoor Recreation: Grant for 50% cost for Kelly Field Tennis Court and Basketball Court Improvements.
173,882	Federal	Emergency Employment Program: Wages and Salaries for Milton Residents in Program allocated as follows: Police Department -- 14 positions \$98,277 Public Works -- 10 positions \$34,200 EEA Administration -- 4 positions \$29,000 Other -- 4 positions \$ 4,603 Summer Youth Programs: Staff -- 3 positions \$ 3,800 Youth -- 12 positions \$ 4,002
5,906	Federal	Neighborhood Youth Corp.: Wages and Salaries for 15 Milton Youth employed in a special program for young people with handicaps or from low income or disadvantaged families. They were assigned to various departments.

REPORT OF EXECUTIVE SECRETARY

2,500	Federal	Civil Defense: Design of Civil Defense Headquarters at new Police Station.
87,795	Federal	Civil Defense: Construction grant for Civil Defense Headquarters in new Police Station.
850	Federal	Civil Defense: Radio study grant for Civil Defense Headquarters at new Police Station.
204,500	Federal	Law Enforcement SPAIS (Suburban Police Automated Informational System): "Third Phase" Planning Grant to Milton, Quincy, Braintree and Weymouth Police Departments to design a computerized information retrieval system.
74,334	State/Federal	TOPICS (Traffic Operations Program to Increase Capacity and Safety): Project No. 1 intersection improvements, signalization, etc. in Academy Area. Note: Reported in 1972 as \$59,998.
12,000	State	Traffic Control Device Improvement Program: Modernization of traffic light and pedestrian safety facilities at Collicot and Cunningham Schools
TOTAL \$846,208		

GRANTS APPLIED FOR AND PENDING

\$460,000	Federal	Revenue Sharing:
16,000	Federal	College Work Study Program: For local students to work for the Town – 80% of wages to be paid for by Federal Tax Funds.
25,000	Federal	H.U.D. Master Plan: Revision and updating of the 1958 Plan for Milton.
2,500	State	Natural Resources – Self Help Program: Voses Land at Corner of Canton Avenue/Btook Road.
5,000	Federal	H.U.D. Legacy of Parks Program: Cote Land at corner of Randolph Avenue and Hillside Street.
82,900	Federal	Emergency Employment Program: Salaries and Fringe benefits paid by Federal Funds for public service employees hired in Milton under the EEA program (Expected to end June 30, 1973).
5,000	Federal	Emergency Employment Program: Reimbursement to Town for services rendered by Town Employees to administer the consortium of 23 towns.

REPORT OF EXECUTIVE SECRETARY

2,700	Local Agencies	Emergency Employment Program: Reimbursement to Milton for Expense in connection with EEA program.
4,500	Federal	Emergency Employment Program: Reimbursement to Milton for Police 1972 Holiday Pay and medical expenses resulting from line of duty injury.
22,000	State	Youth Program – Drug Rehabilitation:: Drug education and social worker services.
5,000	State	Youth Program – Youth Services: Juvenile delinquency prevention.
6,000	State	Highway Safety Program: Pedestrian safety – additional improvements to sidewalks in vicinity of Cunningham Park on Edge Hill Road.
440,000	State/Federal	TOPICS (Traffic Operation Program to Increase Capacity and Safety): Intersection improvements, signalization, etc. at various intersections throughout the Town.
125,000	Federal	Law Enforcement – SPAIS: Action Grant to Milton, Quincy, Braintree and Weymouth Police Departments for Police Computer.
5,434	Federal	Police – Highway Safety Program: Video tape camera and projector for Traffic Law enforcement and safety films for school children.
12,000	Federal	Civil Defense: Furnishing of Civil Defense Headquarters at new Police Station.
3,000	Federal	Civil Defense: Radio and communication equipment for Civil Defense Headquarters at new Police Station.
7,500	Federal	Police – Highway Safety: Ambulance
TOTAL		
\$1,229,534		

These grants from State and Federal governments are in addition to the road construction State and County aid under Chapter 90 and other programs which in 1972 represented a total of \$91,451. The new State Lottery distributed \$56,618 of new revenue to the Town in 1972.

These tables do not include grants to the School Department (other than the HEW Mini-grant for drug addiction which was a joint School Department/Youth Program effort). Nor do these tables include usual Cherry Sheet State aid distributions which are detailed in the Board of Assessors' report and Town Accountant's report. Many of the grants listed do not appear elsewhere in this report in that the services or construction work is received by the Town but the Town Treasurer does not receive and the Town does not actually disburse the funds. In those instances where the Town receives and disburses the funds, a complete accounting is contained in the Town Accountant's Report.

REPORT OF EXECUTIVE SECRETARY

Credit for the Town's success in obtaining the grants must be given to the Youth Coordinator, Town Engineer, Police Chief, Civil Defense Directors, Police Station Building Committee, Wire Inspector, Conservation Commission, Planning Board, Town Counsel, Town MAPC Representative, Town Accountant, Town Treasurer and Planning Director. The Board of Selectmen's untiring efforts in reviewing grant applications and proposals continues to result in an increasing flow of funds from these sources. It is unlikely that future years will see this trend continue as the Federal Administration's announced intention is to substitute Revenue Sharing for Categorical Grants. The formula for Revenue Sharing discriminates against Milton because of our residents per capita wealth and our relatively frugal non-school expenditures from local property taxes per capita.

PENSIONS AND ANNUITIES

Your attention is called to the growth in the cost to the Town to meet employee pensions, both contributory and non-contributory and widows annuities:

<u>Year</u>	<u>Town's Cost</u>
1973 (12 mos.)	\$644,800
1972	571,279
1971	539,313
1970	456,448
1969	418,586
1968	397,752
1967	386,778

Higher salaries will continue the increase for this obligation. The above figures include both school and non-school employees. When examined together with Group Insurance costs and the cost of other benefits including Workmen's Compensation Insurance the Selectmen's policies of mechanizing operations, consolidating departments, reducing the work force and contracting services wherever possible is well justified. These figures also support the utilization of seasonal and temporary help instead of permanent full time positions where feasible.

GROUP INSURANCE FOR TOWN EMPLOYEES

The cost to the town for 50% of the premiums for Town Employees, including the School Department is tabulated below. This expense is for Blue Cross/Blue Shield Major Medical coverage and for one half of the premium for a \$2,000 life insurance policy for those employees who elect this option.

<u>Year</u>	<u>Town's Cost</u>
1973 (12 mos.)	\$188,148
1972	173,089
1971	130,438
1970	106,421
1969	96,283
1968	84,247
1967	76,768

In 1972, 756 employees were covered by the Town Group Insurance Program. 344 are school department employees and 412 are non-school department employees.

REPORT OF EXECUTIVE SECRETARY

INSURANCE (GENERAL)

This account is also rising at a rapid rate. This category of expense includes policies for Workmen's Compensation, Town Employee's bonds, Multi-peril fire insurance (\$25,000 deductible), Vehicle Fire and Theft insurance, Boiler insurance, and Umbrella liability coverage. The two major items of expense representing 90% of the total are Workmen's Compensation and Multi-peril fire. The former rises in proportion to salaries and the number of School Teachers and other Town employees (except Fire and Police who are self insured) and also the experience which Milton and similar employers had during the previous year. The Town Counsel and Warrant Committee will join with the Selectmen and Moderator's Insurance Advisory Committee to study the advantages of self insuring the Town's Workmen's Compensation Program in 1973. The Multi-Peril Fire Policy has increased markedly due to the numerous fires which other cities and towns have experienced.

<u>Year</u>	<u>Town's Cost</u>
1973 (12 mos.)	\$106,735
1972	83,362
1971	82,153
1970	58,219
1969	48,969
1968	60,120
1967	49,717

POLICE DEPARTMENT

The 1973 Police Department Budget on a 12 month annualized basis is ten percent higher than in 1972. The increases include four additional staff positions aimed at improving Police patrol and support services to the officers on patrol. The budget also includes uniform replacements for the School Crossing Traffic Supervisors, funds for a new ambulance, and higher utility and cleaning expenses for the new and larger Police Station.

FREE CASH

Each year the Town accumulates over the course of the year revenues from various sources which are in excess of its expenditures and when adjusted for uncollected taxes at the years end are certified under the provisions of General Law Chapter 59, Section 23 as "Free Cash" or available funds by the Bureau of Accounts. These funds are available for appropriation by the Annual Town Meeting for the purpose of deduction by the Assessors from the amount to be raised by property tax levy. The Assessors in their calculations to set the tax rate refer to the amount appropriated from "Free Cash" as Excess and Deficiency. The following is a tabulation of such appropriations in recent years:

<u>Year</u>	<u>Excess and Deficiency</u>
1972	\$430,000
1971	265,000
1970	180,000
1969	360,000
1968	270,000
1967	280,000

In 1973 this account is expected to be so low that no appropriation will be warranted and the March 1974 Annual Town Meeting will not be able to utilize "Free Cash" to reduce the tax levy for the 1974 fiscal year (12 months beginning July 1, 1974) because the books of the Town will not close until June 30, 1974 and "Free Cash" will not have been certified.

REPORT OF EXECUTIVE SECRETARY

SCHOOL COSTS

The School Department has the largest of all departmental budgets. To meet the increasing educational needs of our children, the Town has increased the School budget substantially each year. A comparative tabulation of actual expenditures for several past years and the 1973 request follows:

Milton School Costs	1968	1970	1972	Request-1973 (12 mos.)	Request-1974 (6 mos.)
Salaries and Wages	\$2,661,845	\$3,442,638	\$4,124,044**	\$4,908,036	\$2,454,013
General Expenses	408,533	484,779	557,611	590,220	228,710
Custodian-Priv. Work	10,164	3,904	3,729	5,000	3,000
Out-of-State Travel	3,553	2,853	4,419	4,700	2,820
Curriculum Development	13,323	8,900	5,868	9,000	4,400
Summer Education Dev.	14,780	12,774	11,016	11,500	-----
School Lunch Program	5,400	12,532	72,434	94,070	43,716
Vocational Education	6,647	17,456	22,887	41,340	24,600
Adult Education	14,000	11,000	11,000	11,000	11,000
School Busing	134,243	174,138	184,329	215,400	174,600
Mental Health Assoc.	3,136	4,583	6,100	6,000	3,200
Other Special Expenses*	44,921	45,828	41,632		
SUB TOTAL	\$3,320,545	\$4,221,385	\$5,044,969	\$5,896,266	\$2,950,059
Interest and Retirement of School Const. Loans	276,513	347,373	403,710	296,157	167,619
	\$3,597,058	\$4,568,758	\$5,349,679	\$6,192,423	\$3,117,678

*Includes Renovations—1968 and 1970 and \$38,000 for portable classrooms in 1972.

**Includes 1971 retroactive pay adjustment.

School costs in Milton have risen at a much faster rate than the cost for other municipal services.

CONCLUSION

Numerous projects were assigned to the Executive Secretary by the Board of Selectmen. Certainly the most satisfying was the result of the private meeting I had with Governor Francis Sargent the week before he made his decision on the Southwest Expressway. This culminated many hours of participation by the Planning Director and Executive Secretary and numerous meetings with the Boston Transportation Planning Review.

The experiment with the Voting Machines this spring fell short of our expectations. The operating costs exceeded our estimates and the complexities and manhours required to assemble and handle the machines before the election approached the effort to hand count the ballots. We are confident that the techniques of automated election counting will be perfected in the coming years and we will carefully monitor these developments.

In conclusion, I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, the Town employees, the members of Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of appreciation is extended to the Town Accountant, Town Counsel, Town Engineer and the

REPORT OF EXECUTIVE SECRETARY

three secretaries in the Selectmen's Office who have helped us to meet all deadlines and commitments of the Board of Selectmen and the Town Meeting, Mrs. Eleanor Bradshaw, Mrs. Helen Landry and Mrs. Genevieve Byron.

Respectfully submitted,

JOHN A. CRONIN
Executive Secretary

REPORT OF LEGISLATIVE COUNSEL

REPORT OF LEGISLATIVE COUNSEL

January 5, 1973

To the Board of Selectmen

Gentlemen:

I submit herewith my report as Legislative Counsel and Chairman of the Legislative Committee for the year 1972.

Pursuant to Article 6 of the 1972 Town Meeting, the Legislative Committee was appointed by the Moderator to consider those general laws and special legislative acts which might affect the Town's interest. The committee appointees were George N. Hurd, James F. Dineen, Phillip Lemelman, Michael F. Farrington and myself. These gentlemen assisted me in reviewing every general law passed by the 1972 State Legislature. Every town department was notified of legislation deemed material to such department.

During the year I appeared before legislative committees in accordance with your instructions to make known the Town's position on various bills that were being considered.

Among the bills I opposed were Senate 1288 which bill would have made arbitration of fire department wage disputes mandatory and House 1524 which would transfer the selectmen's authority to grant utility pole and wire locations to the Department of Public Utilities.

After the affirmative vote at the Town Meeting under Article 50, I filed a bill to permit the issuance of a license for the sale of alcoholic beverages at Milton Legion Post 114. This bill was subsequently enacted as Chapter 577 of the Acts of 1972.

I appeared in support of Chapter 736 which authorized the county commissioners to acquire and develop the Wollaston Golf Course.

Senator Joseph B. Walsh and Representatives M. Joseph Manning and Joseph J. Semensi were most cooperative whenever I sought their assistance.

Respectfully submitted,

ROBERT D. O'LEARY
Legislative Counsel

REPORT OF TOWN COUNSEL

REPORT OF TOWN COUNSEL

January 5, 1973

To the Board of Selectmen:

I submit herewith my report as Town Counsel for the year 1972.

During the past year the Law Department of the Town was concerned with a number of interesting and diversified cases in addition to the routine matters that are handled annually. In March the twenty-six tax appeals filed by residents of the Indian Cliff Estates area were decided by the Appellate Tax Board. The Board determined that real estate in Milton is assessed at thirty percent of fair market value. Those petitioners whose properties were assessed at a higher percentage figure were granted abatements. The average abatement of the real estate tax in these cases amounted to \$165.00.

In June the Supreme Judicial Court reversed a decree of the Norfolk Superior Court and thus upheld a decision of the Milton Board of Appeals which had refused permission to an owner to build on the 11,000 square foot rear section of a parcel of land located in a Residence A District after the owner had sold the front part of the parcel.

The plot of land owned by Hoover Motors at the corner of Adams Street and Squantum Street gave rise to an inordinate demand for the attention of this department. Early in the year the Building Commissioner and I took legal action to prevent the owners from reactivating as an automobile showroom that part of the premises which had formerly been used as a drugstore. Thereafter more complaints were filed when the owner attempted to establish a repair shop in the old metal garage building against the wishes of the neighbors. During the year the Board of Appeals granted a variance to permit the razing of the old garage buildings and the erection of a new bank building. However construction had been stalled because of appeals to the Superior Court by a resident of Libby Road and five other residents of the Town. Two of these parties have also filed a petition for a writ of certiorari contending that the Board of Appeals has no jurisdiction to act because the members are appointed by the Moderator instead of the Board of Selectmen. This case marks the first time such a contention has been raised although the Moderator has been appointing the members of the Board of Appeals continuously since 1932. The cases were tried this month and speedy decisions are expected.

The swelling tax rate has resulted in a surge of applications for abatements of taxes filed with the Board of Assessors. The dissatisfied applicants are appealing to the Appellate Tax Board in ever increasing numbers. Five cases were heard in 1972. One appellant was granted a small abatement, and the appeals of the other four taxpayers were rejected. However thirty-two new appeals were filed during the year and are now awaiting the assignment of trial dates.

The Board of Health was sued by a disappointed bidder for the rubbish and garbage collection contract. This suit was disposed of satisfactorily at no cost to the Town. The Board of Health was also the respondent in a petition for a declaratory judgment in which the petitioner alleged that the dumping charges at the disposal area are discriminatory and unconstitutional. A demurrer filed by the Board of Health has been sustained in the Superior Court, but the petitioner has filed a notice of appeal to a higher court.

Two suits were filed against the Building Commissioner following his refusal to issue a building permit. In both cases the superior court decree sustained the action of the

REPORT OF TOWN COUNSEL

Building Commissioner. I have assisted the Building Commissioner in the prosecution of zoning by-law violations whenever my services have been requested.

A land damage suit was filed against the Town as a result of the taking by eminent domain of a parcel of land for the Pine Tree Brook flood control project. No date has been assigned for trial of this case.

The land takings necessary for the construction of Fuller's Lane and Cypress Road resulted in substantial damages being sustained by abutting land owners. With the assistance of the Executive Secretary these claims were settled on terms that were amicable to the land owners and satisfactory to the Town.

The parcels of land at the corner of Brook Road and Canton Avenue were acquired pursuant to the vote of the Town Meeting under Article 31 of the Warrant, and the tract of land off Dean Road was acquired at no cost following negotiations with the owner. I am presently negotiating in accordance with your instructions to acquire construction easements to enable the work to begin on the new Central Avenue bridge.

Miscellaneous cases have been tried in court involving claims by the Town as well as suits against the Town. Claims against the Town amounting to \$291.29 were paid. This is by far the smallest amount of money expended for claims in recent years. I collected \$2,721.69 for damage done to Town property.

I have been consulted by various departments on diverse matters including the civil service procedures to be observed in discharging employees, the limitations of time pertaining to apportionment of sewer betterment charges, and the legal procedures to be observed relative to financing the construction of new schools. The so called wage-price freeze legislation enacted by Congress has spawned more demands for legal opinions as to its application than any other law passed within recent memory.

The cooperation of the various departments and employees with whom I have worked has been truly superb. The citizens of Milton can well be proud of the dedication and devotion to duty displayed by the great majority of its employees.

Respectfully submitted,

ROBERT D. O'LEARY
Town Counsel

REPORT OF THE MILTON PERSONNEL BOARD

REPORT OF THE MILTON PERSONNEL BOARD

January 15, 1973

The Personnel Board held fourteen formal meetings in the year 1972. Several informal meetings were held in addition by members of the Personnel Board with various officials of the Town of Milton. These informal meetings dealt specifically with matters of budgets, wages and other items relating to the existing Personnel Board Administration.

During the year 1972 the Wage Plan was upgraded in several areas, and the Board worked closely with all departments of the town in preparing for the Town Meeting. The personnel articles dealt with position, identification by grade, department and municipal division, recommended salary changes for administrative and non-bargaining unit positions.

In view of the financial position of the town, the Personnel Board did not consider any requested changes in position grades. This was communicated to all town departments with specific reasons for such denials. The Personnel Board is making every effort to keep abreast of salary trends and job classifications in similar and surrounding communities.

The Board regrets the resignation of John J. Desmond, III, Esq. on June 1, 1972 which resignation was necessitated by his relocating. Mr. Desmond's contributions to the Board were many during his term of office. He was replaced on the Board by John J. O'Brien, Esq.

The Board wishes to thank Department Heads, governing boards, and employees for their consideration. We also wish to thank Miss Josephine McAteer, Clerk of the Board, who has worked so diligently in assisting us in administering our responsibilities.

Respectfully submitted,

WALTER A. DENNIS, Chairman
JOHN F. DELANEY, JR., Secretary
J. DAVID FINE
THOMAS F. KINNEALEY
JOHN J. O'BRIEN

BOARD OF APPEALS

BOARD OF APPEALS

January 2, 1973.

To the Citizens of Milton:

The Board of Appeals presents the following report for the year 1972.

In April of this year Mr. Blake G. Cruckshank resigned as a regular member of the Board of Appeals. Mr. Cruckshank has served on the Board continuously since September of 1954 when he was appointed to fill the vacancy created in the regular Board by the death of regular member Roland S. Fulton. The Board wishes to thank Mr. Cruckshank for his many years of most dedicated and effective service.

Also in April Mr. Oliver S. Sughrue, who had been an associate member of the Board since October 1966, was appointed a regular member of the Board to hold office until April 1975, and Mr. Daniel Gans, Jr. was appointed a regular member of the Board to hold office until April 1973 to fill the unexpired term of Blake G. Cruckshank.

The Board wishes to take this opportunity to thank the associate members, Messrs. Frank B. Frederick, Carroll P. Sheehan, and Charles F. Barrett for their assistance in substituting for members of the Board who were unable to be present at various hearings, and their general consultive assistance.

During the past year we held 15 hearings. Of this number there were:

2 applications for a Special Permit

1 granted

1 decision pending

1 application for a Special Preliminary Permit
withdrawn

1 application for a Permit under Section 81Y
denied

8 applications for Variances

5 granted

1 denied

1 decision pending

1 withdrawn

2 applications for Relief

2 granted

1 application to rescind an existing order of the Board dated July 21, 1970 and Special Permit of the Board dated October 29, 1943.

Granted in part

Respectfully submitted,

EDWARD C. JOHNSON 2d, Chairman

OLIVER S. SUGHRUE

DANIEL GANS, JR.

ENGINEERING DEPARTMENT

REPORT OF THE ENGINEERING DEPARTMENT

January 15, 1973

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

Submitted herewith is the report of the activities of your Engineering Department for the year ending December 31, 1972.

Engineering services were rendered as requested by the Board of Selectmen, Highway Department, Assessors Office, Building, Forestry, Park, Cemetery, Water and Police Departments; also Town Counsel, Board of Health, Conservation Commission, School Department, Traffic Commission, and Planning Board.

All maps, atlases and plans on file have been updated to present conditions. The Engineering Department is continuing the redrafting of the original roll plans.

Brush Hill Road – Chapter 90 Program (Wolcott Road to Milton Street) was completed in 1972. Dana Avenue (Brush Hill Road to Boston Line) is scheduled for 1973. The cost of Chapter 90 programs is shared by the Commonwealth of Massachusetts 50%, Norfolk County 25%, and Town of Milton 25%.

The Mercury Vapor lighting program was continued providing better street lighting and safety for Milton citizens. 300 new Mercury Vapor lamps were installed in 1972.

The department issued 38 house numbers for new dwellings and 58 permits for street openings.

The first TOPICS Program contract was completed in 1972. Another contract is being prepared and should be under construction during 1973.

The Central Avenue Bridge has been voted and funded entirely by the Commonwealth of Massachusetts and reconstruction is scheduled to start early in 1973.

The Highway Safety Program at the Cunningham School, Collicot School and Cunningham Park areas has been delayed but will be completed in 1973.

Aerial topographical maps have been made for the Milton Cemetery and the Town Disposal Area which will enable the Town Planner and other boards to use these maps for future use of the subject areas.

Number of inverted siphons	5
Number of emergency overflows	16
Number of automatic pumping stations	6
Linear feet of force main (4")	435.3
Linear feet of force main (6")	1359.4
Linear feet of force main (8")	4503.3
Linear feet of force main (12")	960.6
Number of gate chambers on force main	1

The sewer extensions made during the year were as follows:

Built by Town:			
Location	Size of pipe	Length (feet)	No. of miles
Brush Hill Road from Wolcott Road southerly	8"	82.7	-----
Woodville Avenue from Pleasant Street to side line	8"	32.2	-----
Total Town Built		114.9	

HOUSE CONNECTIONS

Number of connections made during the year	27
(includes connections completely made and those partially made)	
Number relaid during year	3
Number of stoppages coming to the notice of the department	44

Discharge of Sewers

Estimated population using the sewer system	92.63%
Number of buildings connected as of December 31, 1972	6732
Includes number of buildings connected as of December 31, 1971	6707
Number of buildings connected completely from sewer main to house during 1972	16
Number of buildings connected from end of house connections previously run out to side line of street only	9

Financial

Total cost of collection mains to December 31, 1972	\$2,940,969.06
Bonded debt at date	None

For details of sewer construction and maintenance accounts, reference is made to the Financial Report compiled by the Town Accountant as shown elsewhere.

ENGINEERING DEPARTMENT

RECOMMENDATIONS

To continue with the street lighting program.

To continue to seek Federal aid for sewer and water program.

To continue with the improved drainage program.

To continue the TOPICS PROGRAM.

To continue the coordination and utilization of equipment and personnel for all Town projects.

To render mechanical repair services to all Town vehicles.

To expand our mobile radio program for better communication to serve the Town.

CONCLUSION

I wish to take this opportunity to express my appreciation to the members of my staff for their dedicated services.

May I take this opportunity to express my appreciation to the Honorable Board of Selectmen, Town officials, and Town employees for their cooperation and assistance during the year.

Respectfully submitted,

Lawrence W. DeCelle, Jr.
Town Engineer and Director of
Construction and Maintenance Services

REPORT OF THE TRUSTEES OF MILTON CEMETERY

ANNUAL REPORT OF THE TRUSTEES OF MILTON CEMETERY

January 15, 1973

To the Citizens of Milton:

The Board of Trustees of Milton Cemetery respectfully submit the following report for the year 1972.

There were 292 interments for the year. There were 331 graves sold during the year. These were assigned as follows: 4 eight grave lots, 12 six grave lots, 20 four grave lots and 111 single graves.

During 1972 the charges for services were increased to reflect the increase in labor and materials and the amount of \$31,401.00 was added to the Perpetual Care Fund. The income produced from the fund, which is administered by the Town Treasurer, together with the revenue received for services is used annually to reduce the cost to the Town for the maintenance of the Cemetery.

This year 51 trees of various species were planted to further enhance the newly developed areas.

The road constructed around the single grave area in 1971 was surfaced and drainage was completed, adding an additional area for development. Approximately 1-1/2 acres of this area was loamed and seeded for grave space.

We wish to express our appreciation to other Town Departments for their excellent cooperation whenever their assistance was requested.

Respectfully submitted,

BOARD OF TRUSTEES
ROBERT L. HOY, *Chairman*
JOHN H. McCUE, *Secretary*
SPENCER FIELD
C. VINCENT VAPPI
PAUL F. DOLAN

REPORT OF THE FIRE DEPARTMENT

REPORT OF THE FIRE DEPARTMENT

January 2, 1973

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report on the Fire Department for the year ending December 31, 1972.

ALARMS

During the year there was 1,101 alarms of fire received; 331 Bell alarms, 728 Still alarms and 42 Mutual Aid alarms.

ALARMS EACH MONTH

January	68	May	90	September	91
February	79	June	79	October	94
March	104	July	90	November	97
April	119	August	75	December	115

1500 gallon	3	1
2000 gallon	3	1
Tank removals	11	5
Blasting	37	17
Model Rockets		31
Propane Gases	19	8

Monthly inspections were made at all mercantile and business establishments throughout the Town and in addition, periodical and quarterly inspections were made at all schools, both public and private, churches and halls, dormitories, convalescent and nursing homes, hospital and all other Town owned properties. Reports on same were forwarded to the various overseeing authorities.

APPARATUS

Proper maintenance and the necessary general repairs and overhauling work continued by the Department mechanic on all apparatus, pumps, generators and other mechanized equipment of the Department. All equipment and apparatus was maintained in the very best operable condition at all times. The untimely death of the Department mechanic on November 30, 1972, will at times create a hardship.

Repairs and inspections as required by the Federal Communications Commission were made on the 1960 Motorola radio equipment as all radio equipment must be operated in accordance with the Commission's requirements, rules and regulations and with periodical inspections.

Request is being made at the 1973 Annual Town Meeting for the replacement of Engine #2, which is a 1953, 750 gallon triple combination pump. The maximum life of a piece of fire apparatus is twenty years, but at the time the replacement is made this piece of apparatus will be in its twenty-second year.

BUILDINGS

There was no major and/or extensive work done at any one of the three stations in the year 1972. There was just the usual general repairs and maintenance. It is hoped that during 1973 extensive interior repairs at the Central Fire Station will be made in order to maintain and keep up the building.

REPORT OF THE FIRE DEPARTMENT

PERSONNEL

As of February 29, 1972, Fire Chief Lewis G. Lyons, who had been a member of the Department for thirty-three years and serving the past eleven years as Chief of the Department, retired and effective March 1, 1972, Deputy Fire Chief John J. Grant became Chief of the Department, said appointment being made by the Board of Selectmen.

On August 31, 1972 Deputy Fire Chief Albert A. Halliday, who had been a member of the Department for thirty-seven years, retired and as of November 30th, Fire Fighter Charles E. Park, after serving in the Fire Department for thirty-seven years retired.

Effective March 20, 1972, Fire Lieutenant John M. Hanafin was appointed as a Permanent Deputy Fire Chief and on September 18, 1972 Fire Lieutenant Eugene H. Lorden was appointed a Permanent Deputy Fire Chief.

Permanent Fire Lieutenants appointed in 1972 were Fire Fighters Stanley R. Perry, Jr., effective August 7th and Fire Fighter Donald P. Affanato effective September 18th.

Due to disability, two Permanent Fire Fighters, namely: Robert J. Berg and Charles W. Sumner, were pensioned as members of the Department, same effective July 30, 1972.

As a result of the many retirements and promotions in the ranks during the year, 1972, five vacancies for Fire Fighters were created and men appointed, to date, are as follows:

Robert M. Tucker	Effective:	April	10, 1972
David E. Ovesen	Effective:	August	7, 1972
John P. Foley, Jr.	Effective:	August	14, 1972
Robert J. Rota	Effective:	November	6, 1972

Said retirements and pensions were in accordance with the General Laws and all appointments and promotions made to fill existing vacancies in the ranks were made in accordance with Civil Service Rules and Regulations.

We extend our best wishes to all of the above named for every happiness and success in whatever their endeavors may be.

IN MEMORIAM

Fire Department Motor Mechanic

GEORGE H. HIGGINS

Appointed: December 26, 1962

Deceased: November 30, 1972

The Auxiliary Fire Force continued under the direction of Deputy Fire Chief John M. Hanafin, who assumed the leadership of the Auxiliary Department in March, 1972. Members of the Auxiliary have continued their special interest in all the various programs offered and when called upon they have rendered invaluable assistance. I extend to Deputy Hanafin and members of the Auxiliary force my sincere thanks for their loyal and faithful cooperation.

Various courses of instruction and seminars relative to fire fighting, fire prevention, fire science and inspections and other related subjects were attended by some members and

REPORT OF THE FIRE DEPARTMENT

Officers of the Department. Currently there are members attending the various courses in the Fire Sciences offered at Massasoit Community College. The valuable information and knowledge gained by those attending the various classes has been incorporated into the regular training programs conducted within the Department. Approximately one half of the members completed the latest Red Cross first-aid training program, the remaining half will take advantage of this course during the early part of 1973.

I wish to thank the Board of Selectmen for the many courtesies, advice and assistance rendered and all department heads and employees who in any way have aided this Department during the year. I am most grateful to the Chief of Police and the members of the Department for their cooperation.

To the Officers and men of this Department, I wish to extend my sincere thanks for their continued loyalty and cooperation.

Respectfully submitted,

JOHN J. GRANT
Chief

1972 ANNUAL REPORT OF THE FORESTRY DEPARTMENT

On March 9, 1972, the Board of Selectmen appointed Albert Zaniboni, Superintendent of Streets, as Tree Warden and Moth Superintendent, replacing Lawrence W. DeCelle, Jr., Town Engineer, who had served as Tree Warden for one year.

Approximately 400 trees were planted along Town streets and on Town property during this past year. A variety of Locust, Maples, Lindens, Hemlocks, Pines, Dogwoods and a number of shrubs.

Again in 1972 planting on Arbor Day, April 28, was done under the Co-operative Tree Planting Program.

Pierce Elementary School planted Oriental Upright Cherry

Pierce Jr. High planted a White Pine

Milton High School, White Dogwood, donated by Miss Rose Depoyan

Also at Milton High School, Green Spire Linden, Red Leaf Plum, and American Red Bud and a Scarlet Hawthorne

Also under the Co-operative Tree Planting Program a later planting of flowering shrubs and trees took place at the High School with the cooperation of Mr. Roger T. Conner, Principal and Miss Thelma Belle Foster, Head Social Studies Department: All White Magnolia Tree, Ginko Tree (Male), Purple Leaf Beech, Red Twig Dogwood, Smoke Tree, Almy Crab Tree, Sunburst Locust Tree and Mountain Ash.

The Forestry Department assisted the Jaycees in a planting program along Blue Hill Avenue.

For screening purposes, the Forestry Department planted Black Pines at the corner of Granite Avenue and Squantum Street; Wood Street and the entrance to the Town Dump.

During the year 40 stumps were removed.

Two students from the Norfolk Agricultural School in Walpole, were employed during the summer months. This program shows real results from the training that these students receive at the Norfolk Agricultural School. Mr. James LaCroix was on his third year and Mr. John Harris on his second year with the department.

During the summer months, fifteen boys from the Summer Youth Program under the EEA '71, worked part-time with the Forestry Department clearing brooks and streams.

Under the supervision of Mr. Lawrence J. Mahoney, Superintendent, services were rendered to the Highway, School, Cemetery, Library and Park Departments, in addition to the scheduled work program under the Board of Selectmen.

I wish to express my appreciation for the cooperation extended to me from the Board of Selectmen, other Town Departments and the Forestry Department personnel.

Respectfully submitted,

ALBERT P. ZANIBONI
Tree Warden

BOARD OF HEALTH

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Milton:

The Board of Health is pleased to submit its annual report for the year ending December 31, 1972.

ORGANIZATION

John M. Murphy, M.D., was elected to the Board for a three-year term in March, 1972. On March 7, 1972 the Board met and elected Robert J. Kaler, Chairman; and Virginia A. Gaffey, R.N., Secretary. The Board appointed James F. Finneran as Agent to the Board; Alice A. Driscoll, Principal Clerk; Mary A. Fontana, R.N., Public Health Nurse; and John H. Gutteridge, D.V.M., as Inspector of Animals.

WELL CHILD CONFERENCE

The Well Child Conferences were held on the first Tuesday of each month in the clinic room of the new Town Office Building. Eleven monthly conferences were held in 1972 and a total of thirty-nine infants and pre-school children attended. The conferences, organized by the Public Health Nurse and conducted by the attending physician, Wilhelmina H. VanDyke, M.D., consist of physical examinations and health appraisal of the infants and children and counseling for the parents. Immunizations against diphtheria, tetanus, pertussis, measles and polio are provided and tine tests for detection of tuberculosis infection are administered. Referrals were made to physicians or appropriate community services if required and home visits were made by the Public Health Nurse when indicated.

SCHOOL HEALTH SERVICES

Physical examinations for pupils in the third, fifth and eighth grades at St. Mary's and St. Agatha's parochial schools were made by Dr. VanDyke, assisted by the Public Health Nurse. A total of 324 pupils were examined at these clinics and all other pupils in these grades submitted certification of a physical examination by their private physician. Health records were established and maintained for all pupils in the parochial schools by the Public Health Nurse.

The Massachusetts Vision Test and the Pure Tone audiometer test for hearing were administered to all enrolled parochial school pupils. Parents of pupils who failed either test were notified and requested to consult the family physician.

The Tuberculin Tine Test to detect tuberculosis was administered to pupils in Grades 1 and 9 and to faculty and staff workers who must have a test at least every three years in accordance with the requirements of the Massachusetts General Law. A total of 198 tests were administered to pupils and school staff members by the Public Health Nurse. School Department nurses administered Tine Tests to 601 pupils and staff members in 1972.

Clinics held in public and parochial schools provided the following immunizations: Mumps, 166; diphtheria and tetanus boosters, 219; rubella, 134; measles, 22; and Sabin oral polio, 166.

BOARD OF HEALTH

DENTAL HEALTH STUDY

The two-year dental health study conducted by the Forsyth Dental Health Center was initiated in January at the Collicot School and at the Cunningham Junior High School. Children in the 5th, 6th, and 7th grades were offered participation in a program of examinations, prophylactic care, and fluoride treatment, with a report to parents and the family dentist. The dental services, provided in a completely equipped, movable trailer, were offered at the Pierce Elementary and Junior High Schools during May and June, 1972. The trailer unit returned to Collicot and Cunningham Schools in September and October for follow-up work.

HOSPITALIZATION

During 1972 a total of four patients received care at Norfolk County Hospital for a total of 226 days. The hospitalization debt for 1972 at \$27.35 per patient day (\$25.80 until July 1st.) is \$6,056.10. This amount represents the total for unsettled accounts which are subject to adjustment after Blue Cross and insurance payments. The Board of Health has requested encumbrance of a balance of \$1,321.29 in this appropriation to pay the adjusted charges.

CHEST X-RAYS

Milton residents requesting chest X-rays are referred to the Norfolk County Hospital in Braintree where X-rays are taken on any Tuesday or Friday, 7:00 a.m. to 11:00 a.m., without appointment.

COMMUNICABLE DISEASES

Following is a table of communicable diseases dangerous to the public health reported during the year 1972. For comparative purposes diseases reported for the previous five years are included.

	1972	1971	1970	1969	1968	1967
Chicken Pox	56	81	23	29	160	51
Dogbites	142	135	133	112	95	98
Other Animal Bites	13	13	11	15	15	12
Encephalitis (virus)	0	0	0	0	0	0
German Measles	0	1	8	6	13	2
Hepatitis, infectious	5	5	6	3	3	2
Measles	8	0	1	1	0	1
Meningitis	2	1	0	3	0	0
Mumps	0	6	3	0	110	21
Salmonellosis	2	11	0	2	4	3
Scarlet Fever	24	9	16	7	28	8
Tuberculosis (all forms)*	3	1	1	1	3	3
Whooping Cough	0	0	1	0	0	1
Gonorrhea	7	11	6	12	8	7
Syphilis	1	3	4	2	6	10
	263	277	213	193	445	219

BOARD OF HEALTH

*Tuberculosis casework in 1972 included three hospital admissions, two discharges, and six contact referrals. A total of 59 home visits and 136 follow-up contacts of persons on chemotherapy or out-patient care were made.

The Board reminds parents that it is their responsibility to immediately report all communicable diseases to the office of the Board of Health. School nurses are responsible for maintaining pupils' health records which include records of communicable diseases. Certain diseases are investigated by the Public Health Nurse to determine sources and possible contacts.

INSPECTION OF ANIMALS

John H. Gutteridge, D.V.M., Inspector of Animals, made 155 examinations of animals after biting human beings. None showed any evidence of rabies. Among the animal bites investigated other than dogs were three horses, seven cats, one donkey, and two gerbils. Dr. Gutteridge examined 130 horses and inspected 20 stables.

ENVIRONMENTAL SANITATION

Fourteen permits to operate food service establishments were issued in 1972. A total of forty-two inspections were made to determine that operating standards complied with the regulations for food service establishments. Seventy-six laboratory tests of eating and drinking utensils were made to determine the adequacy of the bacteriacidal treatment required by the State Sanitary Code.

Six establishments registered by the Board of Health to sell food at retail received several inspections to determine compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with regulations.

Seven house lots were inspected for on-site sewage disposal systems. Six permits for the installation of sub-surface disposal systems were issued and certified for use in 1972. One house lot was found unsuitable for sub-surface disposal and the application for a permit denied.

Licenses to deliver milk in the Town from vehicles were issued to twelve companies. Seventeen licenses were issued for the retail sale of milk in stores. Laboratory tests of twenty-nine random samples of home-delivered, store, and school milk were made and notices sent to milk dealers whose products did not meet the standards. A license to manufacture frozen desserts was issued to one company. A water analysis of one inland stream showed it conformed to the standards for surface waters.

A license to manufacture carbonated non-alcoholic beverages was issued in accordance with the requirements of Chapter 94, Massachusetts General Laws. Two licenses for the practice of massage were issued in accordance with the requirements of Chapter 111, Massachusetts General Laws.

The Board issued four licenses for the operation of commercial stables that either rent or board horses.

BOARD OF HEALTH

REFUSE COLLECTIONS AND DISPOSAL AREA

The Town Meeting accepted a recommendation of the Board of Health to discontinue backyard collection of separated kitchen wastes and combine all refuse for a single, weekly curbside collection. A three-year contract for this service by the low bidder, Charles B. Bosworth Co., Inc., commenced on July 1, 1972. The Contract includes the operation of the sanitary landfill at the Disposal Area on Randolph Avenue. The landfilling of all wastes is carried out by the Contractor. An area for salvaging materials for recycling, including paper, cans, and glass, was established at the Disposal Area by the Milton Environmental Committee. On recommendation of the Town Engineer, the Board voted to improve the entrance to the Disposal Area by road-widening and resurfacing, new fencing and landscaping. The work was undertaken and completed by the Town Highway Department.

FINANCIAL SUMMARY

Appropriations to the Board of Health for 1972 amounted to \$311,274. Total expenditures amounted to \$309,275, out of which \$237,500 was spent for rubbish and garbage collections, and \$22,196 for sanitary landfill. This amount includes \$3,196 for landfilling by the Highway Department for the first six months of 1972. Landfill services became a part of the collection Contract on July 1, 1972. The Board expended \$2,931 for the improvements to the Disposal Area entrance. Four Hundred and Thirty-Six Dollars of this amount was transferred from available funds by the Warrant Committee in November in order to complete this work.

Income from various sources was as follows: Disposal Area - \$5,088.00; licenses and permits issued by the Board of Health - \$354.50; sale of specifications - \$15.00.

Respectfully submitted,

MILTON BOARD OF HEALTH
ROBERT J. KALER, Chairman
VIRGINIA A. GAFFEY, R.N., Secretary
JOHN M. MURPHY, M.D., Member

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

REPORT OF THE NORFOLK COUNTY MOSQUITO
CONTROL PROJECT

December 31, 1972

To the Citizens of Milton:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Milton for the year ending December 31, 1972.

Aerial applied larvicide	375 acres
Larvicide by backpack and mistblowers	215 acres
Catch basin application for larvicide and adulticide	844
Adulticide mistblowing from trucks	6,740 acres
Aerial U.L.V. adulticide application	2,666 acres
Drainage ditches cleaned	4,770 feet
Culverts cleaned and opened	25
Recorded calls for information and assistance	107

Respectfully submitted,

ALBERT W. HEUSER,
Superintendent

REPORT OF THE WIRE DEPARTMENT

REPORT OF THE WIRE DEPARTMENT

January 15, 1973

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

I herewith submit my report of the Wire Department for the year ending December 31, 1972:

Number of Certificates Issued	230
Number of Lighting and Receptacle Outlets Wired	6,774
Number of Motors installed	703
Total Horsepower	798
Number of Heaters and Ranges Installed	232
Total Kilowatts	879
Kilowatts of Electric Heat	1,054

Permits were issued as follows:

Month	Total No. Permits Issued	Original	Alterations	Fees Received
January	37	1	36	\$ 141.50
February	18	2	16	139.25
March	23	6	17	158.25
April	40	3	37	215.50
May	45	6	39	230.50
June	56	2	54	195.00
July	40	2	38	165.50
August	31	5	26	353.00
September	58	4	54	277.75
October	51	4	47	244.50
November	38	2	36	125.00
December	35	3	32	141.75
Totals	472	40	432	\$2,387.50

Fees received for the above permits amounting to Two Thousand Three Hundred Eighty Seven Dollars and Fifty Cents (\$2,387.50) have been collected and paid to the Town Treasurer.

FIRE AND POLICE ALARM SIGNALS

New Police Call Boxes with citizen alarm feature were installed at the following locations:

- 144 Edge Hill Road at East Milton Library
- 21 Adams Street and Eliot Street (Milton Village)
- 214 Canton Avenue and Gile Road (Standard Box relocated)

REPORT OF THE WIRE DEPARTMENT

New Auxiliary Fire Alarm Systems have been connected to the Town Fire System with Master Fire Boxes installed at the following locations:

1911 M.R.E. Building - Curtis Road
3713 First Congregational Church - Canton Avenue

New Lines were installed for above boxes

Edge Hill Road	2 wire cable 400'
Canton Avenue	2 wire cable 1200'
Canton Avenue	2 wire cable 300'
Curtis Road	2 wire cable 200'

REPLACEMENT AND REPAIRS

Replaced 3500' feet of 24 conductor self supporting cable on Centre Street from Randolph Avenue to Reedsdale Road and from Reedsdale Road to pole in front of Town Office Building.

From Edge Hill Road to Police Call Box at Cunningham Park 300' 2 wire cable.

Replaced 600' iron wire on Granite Avenue due to an automobile accident.

Fire Alarm Boxes were repaired or replaced due to automobile accidents at the following locations:

Hudson Street and Pagoda Circle	F.A. Box 137
Blue Hill Avenue and Milton Street	F.A. Box 541
Granite Avenue	F.A. Box 731
Church Street near Adams Street	Cable Box

Fire and Police Boxes were tested, repaired and painted as necessary.

Transferring construction from old to new poles.

Removed and replaced Fire, Police and Traffic lines and cables when new Public Works Office Building was moved from Curtis Road to Public Works Yard.

Rewired new Public Works Office Building.

Wired new Dog Kennel.

Electrical repairs and replacement for other Town Departments.

TRAFFIC LIGHTS

Traffic Signals at the following locations were repaired or replaced due to automobile accidents.

Adams Street at St. Agatha's Rectory
Adams Street at Wood Street
Adams Street and Granite Avenue
Adams Street and Eliot Street
Brook Road and Standish Road
Kerrigan's Corner

REPORT OF THE WIRE DEPARTMENT

The Traffic Signals at Reedsdale Road, Canton Avenue and Centre Street were revamped with a new controller and signals under the "TOPICS PROGRAM".

All Traffic Lights were relamped - controllers were cleaned, oiled and repaired. All installations were painted as necessary.

We replaced our old utility truck with a new utility truck with an aerial bucket which has proved to be very successful on construction and line work.

I wish to thank the Board of Selectmen and all the Town Departments for their cooperation and assistance during the past year. My thanks to the members of the Wire Department for their continued excellent work.

Respectfully submitted,

LEWIS E. PARK
Inspector of Wires

REPORT OF THE BUILDING DEPARTMENT

REPORT OF THE BUILDING DEPARTMENT

Milton, Mass. January 4, 1973

To the Honorable Board of Selectmen
Milton, Massachusetts

I herewith submit my report of the Building Department for the year ending December 31, 1972:

Month	Number of Permits	Permits for New Dwellings	Permits for New Garages	New All Other	Permits for Alterations	Valuation	Fees Received
January	27	6	5	—	16	\$ 238,786.00	\$ 577.00
February	23	4	4	—	15	178,780.00	443.00
March	16	2	2	—	12	85,260.00	232.00
April	46	3	2	6	35	151,630.00	487.00
May	69	4	4	5	56	373,746.00	1,030.00
June	64	3	3	6	52	200,095.00	680.00
July	51	5	4	4	38	243,112.00	704.00
August	55	1	2	5	47	625,116.00	1,497.00

November	36	3	2	3	28	127,553.00	391.00
December	20	2	2	2	14	215,330.00	504.00
	534	38	35	42	419	\$2,779,132.00	\$7,753.00

Fees for the above Permits amounting to Seven Thousand Seven Hundred and Fifty-Three Dollars (\$7,753.00) have been collected and paid to Town Treasurer.

I wish to extend to the Honorable Board of Selectmen my sincere appreciation for their co-operation. May I also express my appreciation to all Town Officials, Boards, and Committees for their assistance.

Respectfully submitted,

JAMES E. CURRAN
Building Commissioner

REPORT OF BOARD OF EXAMINERS
BUILDING DEPARTMENT

REPORT OF BOARD OF EXAMINERS
BUILDING DEPARTMENT

January 8, 1973

To the Honorable Board of Selectmen
Milton, Massachusetts

The following is the Annual Report of the Board of Examiners of the Building Department for the year ending December 31, 1972.

The Board was created under Section XX of Chapter 7 of the General By-laws of the Town of Milton.

The Board held four meetings, interviewing fifteen persons desiring to obtain one or more of the various licenses that are required to undertake construction work in the Town. Summary of the Board's action is listed below.

Meeting Date	Number of Applicants	Licenses Granted by Class	Licenses Not Granted
March 28, 1972	3	1 Class C	2
March 30, 1972	4	4 Class C	—
October 5, 1972	4	3 Class C	1
October 5, 1972	4	4 Class C	—
75 Licenses Issued in 1972			Renewals 63
Fees Received \$246.00			New Licenses 12

The Board wishes to acknowledge the co-operation of the Building Department.

Respectfully submitted,

WILLIAM J. EDWARDS, Chairman
EDMUND J. CONNOLLY, Secretary
WALTER F. MacDONALD

REPORT OF INSPECTOR OF PLUMBING AND GAS

REPORT OF INSPECTOR OF PLUMBING AND GAS

January 3, 1973

Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit a summary of the operations of the Plumbing and Gas Department for the year 1972.

Month	Inspections	Plumbing	Gas	Old	New	Fees Received
January	54	28	26	38	4	\$ 316.00
February	34	16	18	25	2	136.00

August	35	18	17	25	3	139.00
September	22	13	9	15	4	149.00
October	70	24	46	54	2	248.00
November	54	26	28	40	3	236.00
December	37	23	14	28	4	175.00
Totals	519	273	246	370	43	\$2,515.00

Fees amounting to Two Thousand Five Hundred and Fifteen Dollars (\$2,515.00) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who assisted me in 1972.

Respectfully submitted,

PAUL D. WILLIAMS
Inspector of Plumbing and Gas

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

January 3, 1973

Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit a summary of the operations of the Weights and Measures Department for the year 1972:

Scales Sealed	21
Scales Condemned	1
Weights Sealed – Avoirdupois	3
Weights Sealed – Apothecary	96
Weights Sealed – Metric	78
Automatic Measuring Devices Sealed	29
Automatic Measuring Devices Adjusted	5
Capacity Measures Sealed 1 Gallon and under	8
Oil Tank Truck Meters Sealed	6
Taxi Meters Sealed	4

During the year 1972, \$199.70 in fees were collected and turned over to the Town Treasurer.

Reweighing of 600 food items were made at the various markets, number correct 568, number overweight 21, number underweight 11.

I wish to thank your Honorable Board and all Town Departments who assisted me in 1972.

Respectfully submitted,

PAUL D. WILLIAMS
Sealer of Weights and Measures

REPORT OF THE FENCE VIEWERS

January 15, 1973

To the Board of Selectmen:

We have had a few informal requests for information but no official requests for our services for the year ending December 31, 1972.

Respectfully submitted,

RICHARD H. SCHMIDT
GEORGE N. HURD, JR.
Fence Viewers

BOARD OF PARK COMMISSIONERS

ANNUAL REPORT OF THE BOARD OF PARK COMMISSIONERS
1972

Mr. John Landry, a new member, was elected to the Board and the Commission was organized with John S. Shields as Chairman, Philip E. Casey as Secretary and John T. Landry as the third member.

Improvements in the 1972 facilities were as follows:

Resurfaced walkway at Crane Field.

Installed 140 feet of split rail fence at Crane Field.

At Andrews Field two acres of land were reclaimed, loamed, seeded and trees planted.

At Kelly Field four tennis courts were painted, 138 feet of chain link fence installed at the corner of Brook Road and Lincoln Streets.

At Pierce Field the back-stop at the regulation baseball diamond was extended 14 feet.

Rebuilt regulation baseball diamond.

At Lamb Field 440 feet of new drain pipe was installed.

The Milton Park and Recreation Department started several new programs this year to go along with the old ones of basketball, gymnastics and street hockey. The new ones included a summer girls' gymnastic camp, ballet and acrobatic dancing, baton twirling, and magic and card tricks which proved to be very popular.

Adult programs of women's slimnastics, couples' volleyball, women's basketball and men's basketball continued to be popular.

The Milton Park Department Handicapped Children's Program run days during the summer and on Saturdays during the school year received an "A" rating again from the Department of Education of the State of Massachusetts.

The Park Board wishes to extend their thanks to its dedicated employees, and to other Town Departments who have helped in so many ways to make the Milton Parks system so successful this year. In addition, our thanks to the Milton Junior Women's Club, the Milton Garden Club, Milton Amateur Garden Club, Unquity Sportsmens Club and the many other Milton citizens who have helped Milton's youth.

Respectfully submitted,

JOHN S. SHIELDS, Chairman
PHILIP E. CASEY, Secretary
JOHN T. LANDRY

REPORT OF POLICE DEPARTMENT

REPORT OF POLICE DEPARTMENT

January 25, 1973

To the Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit my report for the year ending December 31, 1972.

ARRESTS

Total	342
Males	274
Females	11
Juveniles	57

OFFENSES

Assault	15
Auto Theft	55
Burglary	29
Drunkenness	118
Illegal possession of firearms	7
Larceny	10
Open and Gross Lewdness	8
Operating under the influence	39
Rape	2
Receiving stolen property	7
Robbery	2
Uttering and Forgery	8
All other	42

MISCELLANEOUS WORK

Ambulance calls	455
Automobile accidents	317
211 Personal Injuries — 1 Death	
Automobiles reported stolen	85
Vacant houses reported	2,640
Houses and buildings broken into	200
Sudden deaths	33
Vandalism investigated	350
Suspicious persons and automobiles investigated	1,103
Family and domestic disturbances	87
Youth calls investigated	794
Abandoned and disabled motor vehicles	515
Noise complaints investigated	247
Parking tags issued	3,256
Traffic citations issued	1,831

There was a reduction in the number of housebreaks this year, probably because of intensified patrol by one-man cars and the addition of our K-9 patrol. Twenty-nine arrests were made for these offenses.

REPORT OF POLICE DEPARTMENT

Our cruisers have been in constant service and I am recommending that five be replaced in 1973 and three be replaced in the first six months of 1974. In addition, I am requesting that five more walkie talkies be purchased in 1973 so that patrol officers will maintain contact with the station at all times.

I am recommending that four new officers be appointed to the Department to intensify the patrol of the Milton Village, Central Avenue, Unquity House area, when we move to the new station, and to assign a clerk-dispatcher on the 4:00 p.m. to midnight shift.

All members of the Department participated in an In-Service Training program and twenty-five men were trained to become a riot control squad. Both of these programs, which were supervised by Sergeant George F. Dillon, should be continued.

Nineteen officers attended various classes, such as the Command Training School, Police Academies, administration, Narcotic Training, Breathalyzer and tear gas instruction.

Two officers retired during the year. William J. Benkis on January 7 and Vincent G. Mason on July 31. Both veterans of more than 20 years service, they were capable and dedicated officers.

There were four promotions during the year, all effective April 1. Sergeant David E. MacDonald was made Lieutenant, and Patrolmen Harvey A. Goudy, Robert C. Green, and Richard G. Wells, were made Sergeants.

Officer John B. MacDonald was assigned as Juvenile Officer to replace Sergeant Green and Officer George A. Skinner was assigned as Planning Officer to replace Sergeant Wells.

Lieutenant Dennis J. Doyle was made Administrative Assistant to the Chief, and Lieutenant Joseph C. Ryan was named Commander of the uniformed branch.

The Auxiliary Police, directed by Deputy Chief, Thomas F. Doyle, continued to provide valuable assistance on holiday weekends and patrolling school buildings to prevent vandalism.

The morale of the Department continues to be good and the members are to be commended for their devotion to duty.

To the officers and men of this Department, I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, the Justices, Clerks and Probation Officers of the Courts, and the officials and employees of other Town Departments who have assisted us during the year.

Respectfully submitted,

JOHN E. WHEARTY
Chief

TRAFFIC COMMISSION

TRAFFIC COMMISSION

January 30, 1973

The Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit the annual report of the Town Traffic Commission.

The Traffic Commission was made up of the following members:

Chief John E. Whearty, Police Department, Chairman
Chief John J. Grant, Fire Department
Lawrence W. DeCelle, Jr., Town Engineer
Albert Zanaboni, Highway Dept., Superintendent

Seven meetings were held during the year. They were properly posted by the Town Clerk as required by law, and were held on the first Monday of each month when there were matters to be discussed.

In addition to the regular members of the Commission, Lewis E. Park, Superintendent of the Wire Department, attended the meetings as an advisor.

The following recommendations were made to the Board of Selectmen for their consideration:

1. Request that Hallen Avenue at Route 28 be made a one-way street during the morning rush hours.
Recommended that no action be taken. A similar request was turned down by the State Department of Public Works several years ago.
2. The proposed Highway Safety Project on Edge Hill Road near Collicot School.
Recommended — a single two-way entrance to Cunningham Park and an updated pedestrian control signal be installed.
3. Limited parking on Edge Hill Road between Adams Street and Boulevard Street.
Recommended that parking be prohibited from 9:00 p.m. to 6:00 a.m.
4. "Watch Children" signs be erected on Robbins Street between Canton Avenue and Blue Hill Avenue and also on Atherton Street between Canton Avenue and Blue Hill Avenue.
5. Limited parking on east side of Granite Avenue between Bassett Street and Wood Street.
Recommended that parking be limited to one hour from 7:00 a.m. to 7:00 p.m.

TRAFFIC COMMISSION

6. Recommended that parking be prohibited on Pierce Street between Granite Avenue and Pond Street.
7. Recommended that "30 Mile per Hour" signs be erected on Granite Avenue from the Quincy line to East Milton Square.
8. Pierce Street.

Recommended that Pierce Street be made one way from Adams Street to Granite Avenue and that curbing be installed on Pond Street.

9. Lothrop Avenue.

Recommended that Lothrop Avenue remain a two-way street.

10. The intersection of Hinckley Road, Cliff Road and Eliot Street.

Recommended that Eliot Street painting be defined and that a symbol be erected for west-bound traffic indicating a sharp curve and an intersecting street.

11. Request from Mrs. Thomas Barry, 132 Cliff Road that "Deaf Child" signs be erected on Eliot Street near the playground.

Recommended that this be done and that Eliot Street be posted with signs showing that the speed limit is 30 miles per hour.

12. Request from area residents that a "Stop" sign be erected on Grove Street at Audubon Road.

So recommended.

13. Petition of Atherton Street residents that two sections of Atherton Street be made dead end streets between Blue Hill Avenue and Brush Hill Road.

Recommended that Atherton Street be made into two dead end streets on a trial basis with two stipulations:

- a. That the Brush Hill Road gate remain closed except for emergencies
- b. That the entrance to the South Campus on Route 138 be the only one for anyone wishing to enter or leave the Curry College property.

14. Requested study of traffic conditions at the Library corner.

The Commission agrees that the recent change of the traffic signals there has resulted in a very confusing and potentially dangerous intersection.

Recommended that we support the Wire Superintendent's efforts to make this a four-phase intersection or that the original traffic pattern be restored.

Respectfully submitted,

JOHN E. WHEARTY, Chairman

BOARD OF RETIREMENT

REPORT OF THE BOARD OF RETIREMENT

February 12, 1973

To the Honorable Board of Selectmen:

The Financial report of the Board of Retirement for the year ending December 31, 1972 is submitted herewith.

As of December 31, 1972 we have 407 employee members and 134 pensioners and survivors receiving benefits under the Milton Contributory Retirement System.

CONSERVATION COMMISSION

REPORT OF THE CONSERVATION COMMISSION

December 31, 1972

To the Board of Selectmen:

Probably the most important event in 1972 affecting the Conservation Commission was the adoption by the Commonwealth of a Wetlands Protection Act, which gave new and significant responsibilities to conservation commissions. Under the new Act no person may remove, fill, dredge, or alter any bank, beach, dune, flat, marsh, meadow, or swamp bordering on the ocean or on inland waters without filing a written notice of his intention to do so with the Conservation Commission. The Conservation Commission must hold a public hearing on the proposed activity. If the Conservation Commission then determines that the area on which the proposed work is to be done is significant for any of seven specified matters of public concern, the Conservation Commission must by written order impose such conditions as will contribute to the protection of those matters. The matters of public concern are the following: public or private water supply, ground water supply, flood control, storm damage prevention, prevention of pollution, protection of land containing shellfish, and protection of fisheries. As of the date of this report the Conservation Commission has held no hearings under the new Act, but it is expected that a hearing will be held in January with respect to the work to be done on the Central Avenue Bridge.

At the Town Meeting in March 1972 the Town Meeting members approved a proposal of the Commission and authorized the Selectmen to purchase approximately 7,700 square feet of land near the intersection of Canton Avenue and Brook Road. The sellers of the land had expressed their willingness to give to the Town certain adjacent land which forms the point at the intersection of these two streets. The acquisition is a part of the continuing "corner lots project" whose principal purposes are to preserve open space and to maintain the present appearance of the Town by making sure that prominent corner lots are kept in their natural state.

During 1972 discussions continued with owners of other parcels of land which are considered important for open space and similar purposes. The Commission also suggested to the MDC that the MDC might consider the acquisition of certain parcels of land in the Town which have a regional importance for open space purposes.

In June the Commission conferred with members of the Police Station Study Committee about minimizing any adverse effects which might result from construction of the new police station. In particular the Commission was concerned about unnecessary filling and damage to trees. Chairman Horan agreed to take all possible action to avoid such problems.

During the year representatives of the Commission joined with other Town officials in urging the Governor to adopt the "no road option" in the Southwest Corridor controversy. Members of the Commission as well as the other citizens of the Town were very glad that the Governor decided against the construction of a highway through the Fowl Meadow area.

During 1972 many citizens in the Town became concerned about the plans by Citizenship Training Group, Inc. to occupy certain land near the top of Chickatawbut Hill. The land in question is located in the City of Quincy rather than the Town of Milton, and the Commission has accordingly felt that the project was of more concern to the Quincy Conservation Commission than to the Milton Conservation Commission. However, the Milton Conservation Commission supports the position of the MDC that the project should not be situated on Chickatawbut Hill, recognizing at the same time that the Citizenship Training Group, Inc. is engaged in an important and worthwhile undertaking.

CONSERVATION COMMISSION

The Commission applauds the efforts of Mrs. Adele Holmes to promote recycling of waste materials. With the support of the Selectmen and the Board of Health, Mr. Holmes has arranged for the placement of bins in the Town disposal area in which bottles, cans, tires and papers are collected. The waste materials are removed periodically and trucked to various industrial concerns.

REPORT OF ASSESSORS OF TAXES
REPORT OF ASSESSORS OF TAXES

January 10, 1973

To the Citizens of the Town of Milton:

The Board of Assessors is pleased to submit its annual report for the year 1972.

At the annual Town Meeting of March 4, 1972, M. Joseph Manning was re-elected to the Board for a term of three years. The Board organized as follows:

Thomas S. Gunning, Jr. — Chairman
Daniel E. Duggan, Jr. — Secretary
M. Joseph Manning

The following appointments were made by the Board:

Miss Ruth A. Dodd — Administrative Assistant
Mrs. Betty L. Myers — Secretary
- Mrs. M. Dorothy MacDonald — Senior Account Clerk

The members of the Board as well as the administrative staff continue to attend conferences and seminars to keep abreast of the current laws and changes in assessment practices and procedures. Each year there are changes made in laws affecting the administration of the Assessor's Department and it is imperative that our staff is kept informed of such changes.

On March 30, 1972 the decision was rendered by the Massachusetts Appellate Tax Board regarding twenty-six taxpayers of the Indian Cliff Estates. The necessary adjustments were made by the Assessors in accordance with the court decision.

Because of the misadministration of the 1972 automobile excise tax, at the State level, our estimated receipts will be approximately \$140,763.16 lower. This is as a result of Milton not receiving some 4500 bills in the year 1972.

The Board of Assessors are very concerned over the way the automobile excise tax program has been administered by the State for the past four years. They have recommended that it be taken out of the Registry of Motor Vehicles and transferred to the Department of Corporations and Taxation. Immediate improvement could be realized that would benefit both the taxpayer and the cities and towns.

On January 1, 1973 the fiscal year bill will take effect. The Assessor's Department have prepared themselves for this change. It is far reaching in nature and the cooperation of the citizens of Milton will be appreciated as this change takes place.

As reported last year the work load of this Department continues to increase. It is quite apparent that the departmental budget does not reflect the true picture of this Department.

The Board of Assessors wish to thank those Departments that have cooperated with us during the year. Our special thanks is extended to Town Counsel Robert D. O'Leary for the assistance and cooperation extended to the Assessor's Department. To our own diligent and dedicated administrative staff, the Board expresses its sincere thank you.

A detailed statement of Receipts and Expenses follows:

REPORT OF PLANNING DIRECTOR

December 31, 1972

To the Honorable Board of Selectmen:

I am pleased to submit my report on the activities of the Planning Director for the year 1972.

The report covers the principal problems and issues in which we have been involved during this year and areas of broad concern to the Milton taxpayers. It has been an extremely interesting and active year and as you requested, I have worked with the Planning Board, Conservation Commission, School Building Needs Committee, Police Station Building Committee and other Boards and Commissions in an effort to assist and coordinate. An enormous amount of my time and energy was spent in participation in the Boston Transportation Planning Review. The following is a summary of activities in which I have participated during 1972:

- I. Land Use Studies
 - A. Existing Police Station - Possible municipal or private reuse of existing land or buildings.
 - B. St. Columban's Seminary - Develop site plans for possible open space land acquisition.
 - C. Wollaston Golf Course - Site development and open space study.
 - D. Cote Land Site Development Study under the new single-family cluster zoning bylaw.

REPORT OF PLANNING DIRECTOR

- E. Lamb property site development evaluation and study for possible school use.
- F. Hillside Street site development and evaluation regarding possible school use.
- G. Review and reevaluate Milton's High School site study.
- H. Quincy/Milton Green Belt Study for possible acquisition by M.D.C.
- I. Open space evaluation for possible M.D.C. acquisition on Lamb property on corner of Blue Hill Parkway and Canton Avenue adjacent to Gov. Stoughton Lane.
- J. Goodman land evaluation for possible acquisition for open space.
- K. Cemetery Master Plan Development.
- L. Wetland Mapping - located and mapped all wetland areas which would be subject to the Town's new Wetlands Regulations.

II. Site Design Projects

- A. Milton Savings Bank - building, parking and open space evaluation.
- B. Truman Highway - landscape proposal to the M.D.C.
- C. Lincoln Street - dead ending proposal in connection with high school site expansion proposals.
- D. Central Library parking site design.
- E. Cunningham Gym access driveway expansion and landscaping.
- F. Landscaping - proposal for Canton Avenue and Blue Hill Avenue intersection.
- G. Pine Tree Brook - proposal to alter the man made water impoundment area.
- H. Shell Gas Station, Bryant Avenue
- I. Mobile Gas Station, Granite Avenue
- J. Milton's recycling center at the Town Disposal area.
- K. Trailside and Route 138 area improvement plans.

III. Education Studies

- A. Support activities for the School Building Needs Committee. (land evaluation, school projections, enrollment).
- B. Review of all past enrollment projections. During 1960 - 1972 period.
- C. Review of all proposed school sites.

REPORT OF PLANNING DIRECTOR

IV. Open Space and Recreation Grants

The town has received state and federal grants to purchase the Voses Lane property and to reconstruct the tennis and basketball courts at Kelly Field. The town's application for federal financial assistance to construct the Harland Street and Milton Hill sewer project was denied.

V. Master Plan

- A. The Town's application for a "701" comprehensive planning and management study has been approved by the State Department of Community Affairs. Negotiation regarding the proposed scope of work, updating of the Reconnaissance Study and completion of the community needs and priorities survey is in process.
- B. Complete review of 1958 Master Plan's proposals and recommendations.

VI. Zoning Regulations

The town has adopted Wetland's Zoning as part of its Zoning Bylaws. The town is also studying the possibility of adopting zoning bylaws regulating:

- A. Unnecessary loud noise and air pollution.
- B. Ungaraged campers, house trailers and mobile homes in residential districts.
- C. Location of swimming pools.

VII. Subdivision Regulations

A complete updating of Milton's subdivision regulations was completed. It is currently awaiting approval by vote of the Milton Planning Board.

VIII. Capital Budget

The 1972 Capital Budget for inclusion into the Capital Budget Program has been completed.

IX. Participation in the Boston Transportation Planning Review (BTPR)

I am pleased to report that Governor Sargent has decided not to build the Southwest Expressway. This decision was a result of information gathered by the BTPR.

Respectfully submitted,

ROGER A. NICHOLAS
Planning Director

REPORT OF THE PLANNING BOARD

REPORT OF THE PLANNING BOARD

To the Citizens of the Town of Milton:

The regular meetings of the Planning Board were scheduled for the first and third Thursdays of the month throughout the year with additional meetings called as warranted.

An organizational meeting was held and Mr. Richard C. Fitzgerald was elected Chairman, Mr. C. Mitchell Draper, Jr. Secretary, and Mr. Patrick Donahue was elected to serve as Planning Board member to the Conservation Commission. Mr. Draper also served as the Planning Board member on the School Building Needs Study Committee.

Single family residence development has been declining in recent years and 1972 showed no exception. This is in part due to the high cost of land development and interest rates.

The undeveloped land in the Town remains approximately the same but it is the feeling of the Planning Board that there will be increasing demand for this land in the near future for additional housing and municipal uses.

The Board with this in mind along with the regional emphasis on Mass Transit vs highway construction and need for elderly housing and the request of the School Building Needs Study Committee is actively pursuing through State and Federal funds a revision and updating of the Master Plan which was last done in 1958.

The safeguarding of the present residential character of our Town's demanding open areas continues to conflict with an ever increasing need to broaden the Town tax base necessitates continuing decisions as to the highest and best use of these remaining land areas.

The Planning Board undertook a thorough review of the Board's rules and regulations governing subdivisions and adopted revised rules which the Board feels will simplify and update these rules and standards so that they reflect modern practices and requirements governing subdivisions.

It is anticipated that in the near future the Norfolk County Commissioners will acquire the present Wollaston Golf Club, approximately 57 acres are in Milton, for recreational use.

The Planning Board feels that such an acquisition and development will have a lasting effect on the Town and therefore the Board will be monitoring this development as it materializes.

The Planning Board has and is mindful of the ever expanding and changing State Street South Complex and thus expresses again its concern regarding pressures, specifically traffic, which the Town must and will be confronted.

The Wollaston Golf Club acquired part of the present Jensen Bielski (Cote) property in 1969 and has indicated plans for the development of a new golf course on the 150 acre site.

The majority of the Planning Board voted in favor of the School Building Needs Study Committee report and also its request for the land acquisition adjacent to the existing Pierce School complex.

REPORT OF THE PLANNING BOARD

The Board throughout the year has met with the Selectmen on a number of occasions regarding the disposition of the old police station and feels strongly that it should remain the property of the Town with consideration being given to a buffer zone between the existing commercial and residential zones along with a possible parking area to facilitate the commercial zone's present traffic and parking problems.

The Board also held hearings on a request for a noise and pollution bylaw, a storage of trailers and mobile homes bylaw, and bylaws strengthening the building code of the Town.

The Board again wishes to emphasize the paramount need to upgrade the master plan so that the Town citizens can effectively and intelligently deal with the future of the Town.

The Capital Budget is appended to this report and projects in detail future possible commitments by the various departments and bodies in the Town.

The Board thanks the various Town officials, departments and committees for their help and assistance throughout the year.

To Mrs. Howard Fitzpatrick, our secretary, Roger A. Nicholas, Planning Director, and Lawrence W. DeCelle, Jr., Town Engineer, our thanks for their continued support and effort on behalf of the Board.

Respectfully submitted,

Milton Planning Board
RICHARD C. FITZGERALD, Chairman
C. MITCHELL DRAPER, JR., Secretary
GEORGE N. HURD, JR.
PATRICK H. DONAHUE
THOMAS F. GARVEY

PLANNING BOARD

CAPITAL BUDGET REPORT

1972

The Capital Budget has been updated based on projections for the next five (5) years. With the initiation of the Capital Budget in 1964 the Planning Board has reviewed and assessed the requirements of the Town on a year by year basis.

Because of the increasing dependency on State and Federal funding programs, the Town should be aware of the basis of its financial stability.

The Board expresses its appreciation for valued assistance from the various departments of the Town: Mr. John A. Cronin, Executive Secretary; Mr. Joseph G. Graziani, Jr., Town Treasurer; and Mr. Roger Nicholas, Planning Director.

VETERANS' SERVICE DEPARTMENT

REPORT OF VETERANS' SERVICES DEPARTMENT

January 9, 1973

To the Board of Selectmen:

As Director of Veterans' Services and Veterans' Agent, I am pleased to submit my report for the year ending December 31, 1972.

The following is a summary of 1972 expenditures and reimbursements and other related functions during 1972.

Appropriation	
Veterans' Benefits	\$32,000.00
Office Expense	500.00
Transfers	375.00
	<hr/>
	\$32,875.00
Expenditures	
Ordinary benefits	\$25,316.92
Fuel	2,907.25
Doctor	95.00
Medication	1,205.34
Nursing Home	—
Hospital	—
Dental	668.00
Miscellaneous	2,134.53
Office expense	470.71
	<hr/>
	\$32,797.75
Reimbursements from Mass.	\$17,517.01
Veterans' Benefits balance	78.28
Office expense balance	29.29
	<hr/>
Total 1972 Refunds to Town	\$17,624.58

In addition to above reimbursements, other sources of incomes were initiated through the Veterans Administration for compensation and pension awards which amounted to \$13,214.00.

Federally funded programs such as Title XVLL and XIX of the Social Security Act and Veterans Administration Hospitals have reflected in substantial medical savings during 1972.

Respectfully submitted,

JOHN F. RYAN, JR.
Director

REPORT OF THE TRUSTEES OF THE
MILTON PUBLIC LIBRARY

January 10, 1973

To the Citizens of Milton:

As was the case last year, the major increase in Library activity in 1972 was in the Reference Department. Reference inquiries on widely diversified subjects continue to increase, and each one requires research time and effort. Our circulation of books gained slightly over 1971, and phonograph records posted a good healthy increase. Much of the largest percentage gains, however, were to be found in our circulation of framed pictures, and also in films. Both of these are relatively new activities for our library, and both give promise of rapidly increasing popularity.

One of the physical improvements for which we feel a real need, and which deserves mention in this report, is the addition of air conditioning in both our East Milton and Kidder branches. Since these buildings are one story structures, they become almost unbearably hot on many days in the summer, a condition which is not only very difficult for our staff, but also tends to discourage summer use of both branches.

In our last year's report we expressed our appreciation to the members of the committee which planned the various events through which we recognized our 100th anniversary. This committee has recently written and had printed a most interesting booklet entitled "Milton Public Library, One Hundred Years A-growing, 1871-1971". Containing early photographs, together with articles covering the century of our growth, it is a noteworthy publication in every way, and we again thank our committee. Copies may be obtained at the Library.

During the past twelve months, compulsory retirement has taken from us two valued friends and staff members of long standing, — namely Miss Gertrude H. Frazer, our Music and Circulation Librarian, and Mr. Kenwood M. Cappers, Superintendent of Library Buildings. Miss Frazer's term of service extended over a period of about fifteen years, and that of Mr. Cappers covered approximately twenty-five years. Both of these people possessed a high degree of competence in their respective positions, and a true devotion to the Library. We shall continue to miss them.

This report would not be complete without the well deserved recognition of the services of two former Trustees who left our Board during 1972, one due to a change of residence to Cape Cod, and the other through death. Miss Barbara Albret was first elected a Trustee of Milton Public Library on March 2, 1957. As head of the English Department in the Milton High School, she brought to our Board not only her high quality of judgement, but a broad knowledge of literature, both of which were of great value to us. In the passing of Edward Pierce Hamilton on May 22nd, 1972, not only our Board, but the whole town suffered the loss of a devoted friend as well as a distinguished scholar and historian. Mr. Hamilton was first elected a Trustee on December 6, 1956 and served up to the time of his death. He is the author of "A History of Milton", published in 1957, as well as a number of books on American history centering around the era of the French and Indian Wars, 1756-1763.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

It is a real pleasure to welcome the two new members of our Board of Trustees — Dr. Joseph L. Kennedy, Jr., elected on March 4, and Mr. William P. Melley, Jr., elected on November 9. We are delighted to have them with us, and we look forward to working with them over the years ahead.

In the year just passed we have been fortunate, as in other years, in the gifts and many acts of kindness which have been directed toward helping the Library in a variety of ways. Among these was the very attractive planting which The Milton Garden Club set out for us last spring in the front of our East Milton Branch, and which transformed what had been a rather drab picture into a really inviting approach. Another much appreciated kindness has been the continuation by The Milton Junior Woman's Club of the two series of pre-school story hours, with two weekly sessions at Central and one each week at the branches.

A further gift, particularly appropriate, came from Mrs. Daniel B. Risdon, sister of Edward P. Hamilton, in the form of the plaque of Liotard's "La Belle Chocolatiere," brought from Switzerland by Henry L. Pierce in 1881 and shortly thereafter adopted by the Walter Baker Company as its trade mark. The original pastel hangs in the Dresden Museum. For all of these, and for other evidences of friendship and kindness we express our gratitude.

In conclusion the Trustees would like to pay tribute and express thanks to our dedicated and competent staff, and especially to our Head Librarian, Miss Marjorie Shaw. With willingness and cheerfulness they try constantly throughout the year to maintain the high standard of quality service which has come to be associated with the Milton Public Library.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

To the Board of Trustees of the Milton Public Library I have the honor of presenting the annual report of the year ending December 31, 1972. This is the one hundred and first annual report.

In contrast to the busy exciting Centennial Year of 1971 this year of 1972 has seemed very prosaic. There have been no special planned projects, and no outstanding events. As one Staff member remarked, "1972 came and 1972 went!"

The retirement of the two Staff members with many years of devoted Library service to their credit caused much readjustment among the Staff. In May Miss Gertrude H. Frazer, Circulation and Music Librarian, retired. Over the years Miss Frazer had completely reorganized the Circulation Department procedures and inaugurated business methods of handling matters at the charging desk. She is also a trained musician with years of study and experience which she put to use in building up a fine phonograph record collection.

Mrs. Georgianna LaRosee was appointed to the Staff as the new Circulation and Music Librarian.

Mr. Kenwood M. Cappers, Superintendent of Library Buildings, retired in January. Mr. Cappers also has a business background and organized his department in a most efficient manner so that the three Library buildings were in top condition at all times. Both these loyal workers are sorely missed.

In August Mr. Robert McKay of the Library custodial staff was appointed to Mr. Cappers' position.

REPAIR PROBLEMS

Major emergency building repairs began to plague us late in the Winter and early Spring. We were forced to cope with plumbing breakdowns; leaks in the roofs of all three buildings, caused by heavy Spring rains; the breakdown of one oil burner at Central Library; and a burned-out fuse box at the Kidder Branch Library. These were budget headaches, as well as the trouble of getting work done efficiently in these days of unconcerned workmen. By tapping the Reserve Fund the money was finally restored to our budget, and other postponed building repairs were able to be completed. Many of these were involved with building protection and security.

INVALID BOOK SERVICE

One planned project that we could not carry out was a tote-box monthly book service to invalids and shut-ins. Lack of both money and personnel meant that this project must go over until another year. A small bookmobile for service to the outlying sections of the Town is now in the planning stage, to be incorporated into our budget for late 1974 or 1975. This bookmobile would also take over the shut-in service, as well as covering Unquity House and Milton Hill House with book deliveries.

PRE-SCHOOL "LIBRARY SCHOOL"

The Milton Junior Woman's Club sponsors and mans a "Library School" session for

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

children of pre-school age at all three libraries. This is a Junior Woman's club project in many localities, and we are most fortunate in having a fine program here in Milton. The children enjoy an hour of stories, games, poems, handcrafts, and songs each week. Usually the final session of "school" is a party. We are grateful to the Club members for this addition to our Juvenile Department activities.

STAFF EDUCATION

During the year the Staff have attended numerous workshops and professional meetings. The workshops have included: Book reviewing of children's books, The use of audio-visual materials and methods, Interlibrary loan procedures, and Budget planning and implementation. Staff members also attended the Spring meetings held in the other five New England States. This is a most valuable experience for all of us, since it gives a chance to compare problems with other librarians in similar libraries. The Staff make written reports of these meetings, and discuss orally with the Librarian new ideas for improvement of our services.

This year topics discussed at these meetings covered Intellectual freedom, the Outreach Program (to serve those who would not ordinarily come to the Library), Copyright and the public good, Cable TV as a Library problem, How to get more money for library services, Choosing and using library materials, How best to use available manpower, Audio-visual projects in the Library, Minimum standards for library services, A color film behind the scenes in the Library of Congress, Our responsibility for knowing, and Organizing and promoting non-book materials.

One staff member summed up these meetings for the Library Staff as a whole when she said, "It was a kind of shot in the arm."

One session at the Rhode Island meeting struck a responsive note with the Librarian. For some time we have felt that most library schools aim to train only "Chiefs". It was good to hear that the University of Rhode Island is now training "Indians" also, on a para-professional level. These people are taught how to take over the daily clerical and housekeeping tasks, and thus free the professional staff members for problems of service to the community. At the end of this course certificates are awarded those satisfactorily completing the work. Massachusetts libraries could use such people, and these courses could well be given in some of our junior colleges.

PARKING PROBLEMS

Central Library and the East Milton Branch have had parking problems for some time. Central's difficulties were made much worse this summer when the construction at the corner of Canton Avenue and Reedsdale Road ended with the installation of "No Parking" signs in front of the Library. Circulation of books at Central immediately dropped appreciably, and some patrons paid parking fees for not obeying the posted signs. Several of these patrons never came back to us, so they do not know that the "No Parking" signs have now been limited to a small area near the busy corner.

A questionnaire given to Library patrons concerning construction of a parking lot at the rear of the present off-street Staff one on Reedsdale Road brought interesting answers. It is a reflection of our times that a majority of the people questioned said they would not use such a parking lot so far away from the Library entrances. They also said such a location would not be safe at night, no matter how well lighted. The same answers were received in a survey of the parking situation at East Milton. There the suggestion had been a parking lot off Hollis Street at the rear of the branch library, but patrons indicated they would not use it.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

HELP WANTED!

A topic that has arisen several times over the years at Trustees' meetings is the need for advice from a person skilled in public relations. This need increases as the Library grows, and our work becomes more complex. So now we turn to the community, and ask if some experienced public relations person who uses the Library and is familiar with its operation would be willing to give counsel to the Librarian, and help her project a good civic image of the Library. Of course there are no available funds to hire even a part-time helper in this field, so we are soliciting volunteers.

Users of the Library know that we feature exhibits of books on various subjects in several sections of the Library. Aiding in presenting these exhibits should be eye-catching posters. We are not artists, and the making of such posters becomes a chore. Most of the time those we make are not a success, either! So we are begging for volunteers with art training to help make a poster or two.

We also need experts in various fields of knowledge to come in and look over our collections of books on these subjects, make suggestions for withdrawing outmoded material, and help us bring these subject fields up-to-date.

The Librarian will be glad to make appointments to see any volunteers for the above help.

A PRIZE FOR MILTON GARDEN CLUB

In the Fall of 1971 our Milton Garden Club began work on their exhibit for the annual Boston Flower Show for March, 1972. The theme was to be any project that would beautify the hometown. The Milton Club, to our delight, chose plantings around the East Milton Branch Library for their display. Plot plans were made, materials were purchased and "heeled in" at a nearby nursery. Came the week of the Flower Show and the Garden Club's hard-working committee arranged their exhibit with flowering shrubs, evergreens and bulbs. It was complete even to a flag pole with a beautiful flag that could be seen anywhere in the hall. It was an outstanding display, and won the John Ames prize!

When planting time came the materials were transferred to the front of the East Milton Branch. This Fall the bulbs have been planted among the shrubs, and now this building should be most attractive in the Spring of 1973. Congratulations and many thanks, Garden Club members!

To a splendid Board of Trustees and a loyal hard-working Staff may I express my thanks and appreciation for all the help I have received in a difficult year of adjustment.

REPORT OF THE LIBRARY TREASURER

January, 1973

To the Trustees of Milton Public Library:

The funds in the care of the Trustees were invested as summarized in the following tables as of December 31, 1972.

	Book Value	Income for 1972
Common Stock	\$12,704.77	\$1,656.52
U. S. Treasury Bonds	7,980.00	323.78
Railroad Bonds	2,000.00	0
Savings Bank Deposit	13,655.28	699.31
	<hr/>	<hr/>
	\$36,340.05	\$2,679.61

The principal amount in 1972 was augmented by donations in cash of \$500.00 from friends of the library.

Two statements pertaining to funds in our control are appended as part of this report.

- (a) A list of the various funds by name and the investments in each.
- (b) A statement of the total investment income for 1972 and the disbursements from that income.

The library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund which is in the custody of a Boston Bank with the income therefrom remitted quarterly to the Town Treasurer.

The Oakland Hall Fund in the care of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. In 1972 we spent from that income as follows:

OAKLAND HALL FUND

Books	\$ 537.09
Periodicals	15.00
	<hr/>
	\$ 552.09

KIDDER FUND

Standard & Poor's Corporate Records	\$ 550.00
Standard & Poor's Register of Directors	115.00
Standard & Poor's Outlook for the Security Markets	87.00
Security vault payments	25.00

REPORT OF THE HIGHWAY DEPARTMENT

REPORT OF THE HIGHWAY DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit my report of the activities of the Highway Department for the year ending December 31, 1972:

Highway - General Expense

The cost for snow and ice removal amounted to \$89,144.66 for the year. This amounted to over thirty and one-third per cent of our General Expense account. We purchased 3164 tons of sand and 1363 tons of salt during the year.

The cost for the four previous years are listed below:

1971 - \$79,733.12	1969 - \$112,196.88
1970 - 90,343.32	1968 - 74,717.85

The cost for replacing traffic control signs was over twice the amount for the previous year. Part of this additional cost was due to vandalism, part to replacement of signs which were worn out and part to the change in type whereby symbols are to be used in place of words where possible. This change-over to the international type of signs is in compliance with the new regulations governing the design and size.

We repaired drains in several areas where there was a water problem such as on Brook Hill Road, Clapp Street at Thatcher Street, Engine Road and Reedsdale Road. We also built French drains consisting of stone and pipe on Brush Hill Road at Smith Road, also in the vicinity of house #435 Brush Hill Road and on Canton Avenue at Governor Stoughton Lane.

Stream Clearance

During the year the slopes of Pine Tree Brook from Blue Hills Parkway to the Central Avenue area were cleared of high grass, brush and trees giving us better access to the stream. Work was also done on other brooks and culverts were cleaned of debris.

Drainage

We installed drainage for surface water on Canton Avenue at Woodland Road, also at house #679 Canton Avenue, Ferncroft Road at Pagoda Street and Truro Lane, Highland Street from Spafford Road to house #245, Hilltop Street at Harbor View Road, #202 Reedsdale Road to the hospital driveway, Buckingham Road, Sumner Street and the Town Yard.

Permanent Construction

We were glad to be able to resurface Milton Street as we had had a great deal of trouble there due to frost heaves. This is a much-traveled road and needed improvement. We also graded the roadsides. On Granite Avenue curbing was installed from the Wood Street ramp to Squantum Street and we hope to do the other side in the near future. On Highland Street we made box excavations and resurfaced the roadway from near the hospital driveway to Spafford Road. Curbing was installed in Engine Road and Thatcher Street at Clapp Street.

REPORT OF THE HIGHWAY DEPARTMENT

Street Betterments

We had only one street to build this year under the Betterment Act. That was a portion of Pagoda Circle.

Sidewalks

Sidewalks were resurfaced in many places during the year. A list of these is contained in the Town Engineer's report so I will not repeat them here. Work was also done on various streets where tree roots had lifted the sidewalk and the Forestry Department co-operated with our Department and cut the roots for us and our men resurfaced the cut sections.

Highway - Private Work

We resurfaced a great many trenches this year out of this account. We also dug out some and refilled them to stop them from settling. This work is in connection with permits obtained by public utilities and contractors for street openings.

Reconstruction, Maintenance & Repairs Public Ways Chapter 497 of the Acts of 1971

We received \$69,376.30 in Highway Grants from the State, but as the first one did not come through until October we were unable to do all the work planned for this year. We were able to have Avalon Road resurfaced, Gun Hill Street was widened and a base coat laid, Eliot Street from Central Avenue to Oak Road, Ferncroft Road, Lothrop Avenue and Mathaurs Street had box excavations done in preparation for resurfacing.

New Equipment

We purchased a new loader-backhoe to replace our old backhoe which was fourteen years old and constantly breaking down. We also purchased a new pick-up truck with a two-way radio for it. We also got snow plows which will help us on our snow removal work.

Personnel

Patrick A. Callahan, our Senior Foreman, retired in January, but did not live to enjoy his retirement very long. He first came to work for the Highway Department in 1939. He was a very capable foreman on construction work having done so much of the street construction work himself. We were very saddened by his death so soon after his retirement.

Conclusion

I am grateful for the assistance which I have received from other Town Departments during the year. I wish also to thank your Board for the co-operation which you have given to me.

Respectfully submitted,

ALBERT ZANIBONI
Superintendent of Streets

REPORT OF WATER DEPARTMENT SUPERINTENDENT

REPORT OF WATER DEPARTMENT SUPERINTENDENT

January 22, 1973

To the Board of Selectmen:

A report of activities of the Water Department for the year ending December 31, 1972 is herewith submitted.

MAIN EXTENSIONS

Improvements to the distribution system were made by laying pipes in Andrews Road, Harland Street, and Vinewood Road.

Installation of mains were made in subdivisions under Chapter 12, of the Town By-Laws.

The water main extensions made during the year were as follows:

Andrews Road	128 feet of 6" pipe
Harland Street (Replaced 8" pipe)	1775 feet of 12" pipe
Old Farm Road	598 feet of 8" pipe
Vinewood Road	623 feet of 12" pipe

MAINTENANCE AND OPERATING

Thirteen service connections were made to supply new buildings.

Twenty-six services were laid from sideline of street to the buildings and six services were laid from main to sideline of street.

Two new hydrants were added to our system.

The inspections, repairing, gating and painting of hydrants has been continued during the year. One hydrant was gated. One additional gate was added to the system.

During the year ninety-eight services were relaid.

During 1972 the Water Tank located on Great Blue Hill was painted except for one final coat on the outside which will be applied in early spring of 1973.

A new radio base station and antenna was purchased and will be installed in January, 1973, atop Great Blue Hill, thereby giving better radio communication between the Public Works Departments.

All the Metropolitan Water District Commission Meetings were attended during the year.

ACCOUNTS RECEIVABLE

Outstanding balances on our books, December 31, 1972 were:

Sale of Water	\$48,472.04
Service Installation	15,284.60

REPORT OF WATER DEPARTMENT SUPERINTENDENT

Miscellaneous	8,081.81
Liens Added to Tax Bills	1,971.63
Tax Titles	106.67
Water Assessment Added to Taxes	9.70
Total	<u>\$73,926.45</u>

In conclusion, I wish to express my gratitude to the Board of Selectmen, other Town Departments and to the Employees of the Water Department for their cooperation and dedication.

Respectfully submitted,

Lawrence W. DeCelle, Jr.
Acting Superintendent

CIVIL DEFENSE

CIVIL DEFENSE ORGANIZATION

December 31, 1972

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

The report of the Civil Defense Organization for year ended December 31, 1972 is as follows:

COMMUNICATION DIVISION

The regular monthly drills were held during the year with the Sector Headquarters in Bridgewater, Massachusetts and also with surrounding communities.

The radios are being kept in good repair and are operating. However, some are quite old and may need to be replaced very soon.

AUXILIARY FIRE DIVISION

Monthly drills of this group are conducted by Deputy Chief John M. Hanafin and in addition individual members from time to time have assisted the regular department at fires.

AUXILIARY POLICE DIVISION

Training lectures have been conducted by Deputy Police Chief Thomas F. Doyle during the year.

In addition to the training lectures members of this Division have volunteered for duty as part of a patrol protecting public buildings from vandalism. This program began in May of 1971 and is continuing in a satisfactory manner.

GENERAL

In May of this year Col. Howard S. Patterson retired as Director of the Civil Defense Organization after many years of faithful service. The Board of Selectmen appointed John J. Boles, Jr. to serve in this capacity. However, Mr. Boles found it necessary to resign in December and the Board of Selectmen appointed Arthur Southall to serve for the balance of Mr. Boles' term.

To all members of the several Divisions who donate freely of their time I wish to extend my appreciation and sincere thanks for their efforts.

To your Honorable Board and the personnel of the various Town Departments my thanks for their kind assistance.

Respectfully submitted,

ARTHUR SOUTHALL
Director of Civil Defense Organization

YOUTH COMMITTEE REPORT

MILTON YOUTH COMMITTEE REPORT

To the Honorable Board of Selectmen

Gentlemen:

During 1972, the Selectmen's Youth Committee has met on a bi-monthly basis. It is our function to provide guidance and support for the Youth Coordinator in his effort to introduce meaningful programs for the benefit of our youth.

We are continually attempting to expand our activities without increasing the cost to the taxpayers. Recent successes in obtaining state and federal grants have been most encouraging.

We are proud of the progress that has been made during 1972, not only in relation to active participation in programs by our young people, but also in the area of better adult understanding of the problems and attitudes of youth.

Milton is fortunate to have as Youth Coordinator a man with the insight and energy of Ted Pina. His report, which follows, is evidence of his accomplishments during the past year.

Respectfully submitted,

BRUCE B. ALEXANDER, Chairman
JOHN H. BOWIE, JR.
NANCY HATCH
ARAM DONABED
ANN K. McCUE
ADRIENNE N. RABKIN
LORRAINE TANGNEY

REPORT OF YOUTH COORDINATOR

REPORT OF THE YOUTH COORDINATOR

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my annual report for the year ending December 31, 1972.

Our first full year of operation provided progress in several directions. Of these, seven general areas should be noted in this report.

1. assessment of needs
2. coordination of existing programs
3. development of new programs
4. community education on issues relevant to youth
5. dealing with youth crises as they occur
6. development of funding
7. future planning

1. Needs assessment - Although the Youth Needs Study Committee had touched upon areas of youth needs, much more work needed to be done before specific needs could be determined. This past year has given the Youth Office the opportunity to carefully study areas where improvement in youth services should be made. This study was essential not only for offering activities but was most valuable in determining long range planning for the Youth Office, which has begun.

2. Milton has offered many programs to its youth through the Park Department, the School Department, the various churches and synagogue, and the Milton Youth Club. Yet there seemed to be much overlap and duplication of effort. This year saw a definite move in the direction of total cooperation from agencies and groups sponsoring youth activities to work with the Youth Office in better planning of activities.

With existing facilities and programs, the needs of most of Milton's youth could better be met through such cooperation. Hopefully in the year ahead of us, an attempt will be made to issue a complete directory of youth activities and services.

3. Not all young people have their needs met by sports or dances. There are many Milton youths who have interests that vary from creative workshops such as leathercrafts or ceramics to intellectual programs such as discussion groups or rap sessions. The Youth Office this year has attempted to introduce workshops that attract smaller groups of young people, but offer far greater variety of interests. Through the help of the Milton Park Department, the emphasis now is to provide many different types of workshops at several locations so that as many as possible can find an activity of their choice. Individual attention in these small workshops provides a much healthier relationship.

4. In any comprehensive youth program there is the need to involve the adult segment of the community not only in youth activities, but in education programs dealing with human relationships. Several such programs were successfully offered this year. These programs were aimed at developing better understanding between youth and adults through examination of the values and attitudes of our society. Through the programs offered at Curry College (Project Decision Workshop) and the Three Social Seminars, we have begun to develop a network for understanding the youth culture of today.

REPORT OF YOUTH COORDINATOR

5. The Youth Office continued this year to provide a place where young people in crisis could seek help. Contact is usually made through the Milton Lifeline (Hotline), the atmosphere at the drop-in center where young people can just drop-in (no appointment needed), referrals from parents, and other agencies. The addition of a professional counselor, Mr. Stephen White, (made possible through a state grant) and a professional Youth Center worker (Miss Lois Hirshberg) has helped us this year to expand our counseling capabilities.

Counseling services and referrals were made available to fifty young people and four adults this year. The Hotline handled over three hundred calls since its opening in April.

6. 1972 brought our program success in the area of funding. A joint venture with the Milton School Department resulted in the awarding of a \$2000.00 federal grant for the training of a Milton team in Drug Prevention Education at Yale University. A \$3000.00 counseling grant was received from the Office of Drug Rehabilitation. Through the State Department of Education an additional \$1700.00 grant was obtained for the community program held at Curry College. Hopefully many more funding doors will open in 1973.

7. Plans are now underway for bringing Milton youth a comprehensive youth program. With cooperation from the School Department and the Milton churches and synagogue, plans have been made for neighborhood Youth Centers offering a variety of services from recreation to job information and counseling. By the fall of 1973 portions of this plan should be ready for implementation.

Hopefully in February 1973, the first Youth Workers Conference will be held where the twenty-three major agencies and institutions providing services to Milton Youth will meet to form plans for providing a uniform youth program.

The following is a listing and brief summary of the major programs of the Youth Office in 1972.

1. The Thacher Building drop-in center continued to develop during 1972 with a change in concept being its first priority. The age group using the building is of the junior high school level, therefore making prevention of youth problems an ideal model to follow in developing programs for the center.

Keeping this in mind, Miss Lois Hirshberg who has a Masters Degree in counseling and youth work was hired to direct programming at the Center. The staff consisted of two permanent aides, Miss Maryellen Cobb, a third year Psychology student at Boston University and Mr. Robert Reilly, a teacher; both are Milton residents. Along with three interns from area colleges doing volunteer work, the Center began developing programs aimed at reaching youth before problems develop.

Workshops in leather, ceramics, art and karate were offered. Concerts were held on Friday nights and weekday activities centered around music, table tennis, pool, checkers, chess, monopoly etc.

During the school year the center is open daily from 3:30 to 6 P.M. and Fridays 3:30 to 11 P.M.

2. Milton Lifeline (Hotline) officially opened in April offering twenty-four hour a day service. Twenty volunteer operators worked four hour shifts from 6 P.M. to 10 P.M. weekdays and 6 P.M. to 12 midnight weekends. An answering service handled calls during other hours, switching emergency calls to the home of volunteers who were on call after hours.

REPORT OF YOUTH COORDINATOR

Over three hundred calls have been received this year.

Need for more volunteer operators became apparent in November, so a new program will train an additional thirty operators beginning in January.

3. The Parent Discussion Group consisting of thirty-three mothers was started in the Spring and proved to be a worthwhile program. The group met four times and discussed issues from normal adolescent behavior patterns and peer relationships to school problems.

This pilot program has inspired the development of a formal adult education program in Family Development to be initiated in 1973.

4. The Social Seminar was successfully launched in 1972 with three parent groups being involved.

The Social Seminar is a 12 to 15 week small discussion group led by a professional group leader and deals with the sociological aspects of youth problems and drugs. This program was developed by H.E.W. in Washington and gives adults an opportunity to examine their attitudes and values when dealing with youth. It's a new approach to the drug and alcohol problem by redirecting the emphasis to the issues involved (a people problem) rather than a character-logical approach.

The three groups were at The East Congregational Church, The First Parish Church, and the Milton School Department.

New groups are being planned for 1973.

5. A 10-week training program involving 58 teachers, students, and community leaders was held at Curry College this past fall. The 10 week (30 hours) program was conducted by a team from the State Department of Education Drug Division (Project Decision) and was aimed at Drug Prevention through assessment of value clarification, attitude building, group dynamics and philosophy sharing.

Thirty people completed the course, and although some people disapproved of the new approach (dealing with affective learning rather than cognitive learning) some definite results can be seen.

A. One citizen group will run weekly stories in the local paper dealing with issues relevant to youth.

B. One citizen group has already planned neighborhood "rap" sessions in homes of friends.

C. One student group has started "rap" sessions on issues of the day in Milton High School.

D. One student-teacher group has begun to develop workshops in creative arts for alienated youth.

6. Through the Department of Public Health, Alcoholic Division, an alcohol workshop was conducted for teachers at Milton High School. This program was designed to begin thinking on development of programs to handle the increased problem of teen-age drinking.

REPORT OF YOUTH COORDINATOR

7. A working relationship was developed with the Milton Park Department whereby workshops were co-sponsored by this office and the Park Department. Along with this, a citizen group, The Milton Art Experiment, held several new workshops for Milton youth. Among these workshops were Leather, Ceramics, Karate, Photography and Art.

8. For two weeks, seven citizens of Milton underwent extensive training at Yale University, Drug Dependency Institute. This training was made available through a Federal grant received from H.E.W.

The Milton Awareness team emerged from the two week training with its goal - the development of drug prevention programs through existing agencies already established in the community.

Members of the team are; Jack MacDonald, Juvenile Police Officer; Miss Ann McCue, Reedsdale Road; Theodore Pina, Youth Coordinator; Forrest Carrol, Jr., Youth Club/Warrant Committee; Rev. Thomas Forry, St. Elizabeth's Church; Thomas Smigliani, High School teacher; Miss Joyce MacPherson, High School Senior.

9. Pastoral/Counseling service has come to Milton through a joint effort of the Milton-Mattapan Clergy Association and the Youth Committee. Thirteen local clergymen have undergone training and now operate a full time counseling service from The First Parish Church.

10. The Job Bank placed more than 60 teen-agers in part time jobs and full time summer jobs in 1972. Twenty-five Milton youth worked in various Town departments this past summer through a special program arranged through this office with the Emergency Employment Act and The Neighborhood Youth Corps.

Many baby sitting, house cleaning, and other odd jobs were also secured for youth.

11. The Police-Student Seminars held at the High School provided both students and police an opportunity to sit down and discuss issues important to the community. Nearly 300 young people were involved in this program from January to June 1972.

12. The Summer Coffee House was handled by the Youth Office this past summer. The program serviced a total of over 8,000 young people. The Max Ulin Rink was the site of activities ranging from street hockey and volley ball to pool and ping pong and workshops in leather, ceramics and photography every Tuesday and Thursday evening during the summer. On Saturdays dances featured the best musical groups available.

13. The counseling service was expanded this year with the hiring of Mr. Stephen White as Youth Counselor (made available through a State grant). Mr. White is available 11 hours per week at the Youth Coordinator's Office.

In addition, back up service through South Shore Mental Health Center is provided once a week with consultation from Dr. David Spiegler.

In 1972, fifty new cases were handled. These cases covered a variety of problems such as drug overdose, alcoholic parents, pregnancies, runaways, suicide attempts, heavy drug use, court referrals, and family problems.

New avenues for dealing with youth are constantly made available to this office. It is our hope that in the years ahead we can explore these avenues and map out a comprehensive program for the community. Hopefully we can begin talking about youth services rather than youth problems.

Respectfully submitted,

THEODORE S. PINA
Youth Coordinator

REPORT OF THE DOG OFFICER

REPORT OF THE DOG OFFICER

December 31, 1972

To the Honorable Board of Selectmen:

In compliance with the dog officer's warrant, we are pleased to submit our report for the period ending December 31, 1972.

A breakdown of revenue produced from this program follows below:

	10/1/72 to 12/31/72	Total 1972
Dog Pound Fees	\$104.50	\$ 371.50
County Reimbursements:		
Received	360.00	660.00
Pending	460.00	460.00
		<hr/> \$1,120.00
Citations Issued:	75	107
Warnings	10	15
Offenses	65	92 @ 920.00
Sales of Stray Dogs	45	75
		<hr/> \$2,466.50

We feel that the program continues to be a success. Milton has been commended by the County Dog Officer and the Quincy District Court for outstanding performance in enforcement of our Municipal Dog Control Laws. This is largely due to constant daytime patrol by the officers in "marked cruiser."

At the year's end we received delivery of our tranquilizer gun kit. This is a necessary piece of equipment for our work — the usefulness of which was proven recently when we were assisted by the Canton Dog Officer, Richard Stein, in capturing a wild dog on Hilltop Street. This particular dog had attacked an elderly woman which resulted in her suffering a heart attack requiring weeks of hospitalization.

The kennel facility is nearing completion. Mr. Zaniboni has promised construction of a tie-out fence to exercise the dogs and finishing of the office in the near future.

We have finalized the complaints referred to us by the Board; i.e., Pearlstein vs. O'Malley, Fuller vs. McKeon, and Watson vs. Hurd. All parties have been contacted; we have attempted to bring each case to a satisfactory conclusion.

Respectfully submitted,

JOHN E. LANK
JAMES P. ROGERS

For:
JOHN E. WHEARTY, DOG OFFICER

TOWN OF MILTON
FINANCIAL STATEMENTS

December 31, 1972

REPORT OF THE TOWN ACCOUNTANT

REPORT OF THE TOWN ACCOUNTANT

February 5, 1973

To the Honorable Board of Selectmen:

I hereby submit the report of the Town Accountant for the year ending December 31, 1972, arranged as follows:

1. Detailed listing of all monies received by the Town.
2. Detailed listing of all expenditures by the Town.
3. Summary of all departmental accounts, showing the appropriations, credits, expenditures and balances.
4. Balance sheet as of December 31, 1972.

All original bills and vouchers on which monies have been paid from the Treasury for the year ending December 31, 1972, and all Trust Funds in the custody of the Town Treasurer and Library Trustees have during the year been examined and found to be correct.

Respectfully submitted,

JOSEPHINE M. McATEER
Town Accountant

William B. Weston Fund

The \$15,000.00 Poor Fund left with Francis C. Welch Trustee is held in the Weston Estate, the Boston Safe Deposit and Trust Company now being Trustee. Copy of the will is in the custody of the Town Treasurer.

The \$6,000.00 Hospital Fund is now represented by Certificate No. 602 of the Massachusetts Life Fund. For the year 1972 income added to Principal was \$3,551.23 and the capital gains of \$2,404.50. The total of these amounts has been converted into units of the Fund. The December 31, 1972 balance is 9038.136 shares with a value of \$12.93 pershare. Total value of Fund if \$116,863.02.

REPORT OF TOWN TREASURER

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1972 \$797,999.35

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Fund

Amount held December 31, 1972 \$5,572.24

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1972 \$5,704.30

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the 'Jason Reed Fund', and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of , the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1972 \$2,626.67

Sarah G. Vose Fund

Amount held December 31, 1972 \$1,170.53

REPORT OF TOWN TREASURER

E. G. Tucker Fund

Amount held December 31, 1972 \$1,168.48

Herrick Fund

Amount held December 31, 1972 \$8,000.00

Bannin Family Fund

Amount held December 31, 1972 \$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of \$500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions."

George A. Briggs Fund

Amount held December 31, 1972 \$500.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of Georgie A. Briggs are buried."

George F. Duffy Fund

Amount held December 31, 1972 \$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of \$1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot #2624 in the Cemetery, said flowers to be placed on said lot from April 13th to September 10th each year."

Katherine A. Kelley Fund

Amount held December 31, 1972 \$1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held December 31, 1972 \$1,855.83

Charles T. Pierce, late of Brooklyn, N. Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of \$1,000.00, "the income to be used for the care of my family lot."

Amount held December 31, 1972 \$1,000.00

EXCERPT FROM SCHOOL COMMITTEE RECORDS—SEPTEMBER 10, 1923

The Chairman presented to the Committee the following correspondence:

“To the School Committee of the Town of Milton:

“The Tuell Alumni Association herewith present, through your Board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School who, in the opinion of the above said faculty has shown similar qualities.

“The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year.”

Percy E. Sheldon
President, Tuell Alumni Association

June 2, 1923

For additional gifts to the fund, see report of 1947.

Nathaniel T. Kidder Fund

Amount held December 31, 1972 \$74,549.71

The following is an extract from the Will of Nathaniel T. Kidder.
Eighteenth:

“I give and bequeath to the State Street Trust Company . . . the sum of Twenty-five thousand dollars (\$25,000.00) in trust . . . the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine.”

Governor Stoughton Trust Fund

Amount held December 31, 1972 \$20,107.29

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton’s Will.

REPORT OF THE SCHOOL COMMITTEE

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Milton:

The School Committee herewith submits its annual report for the year 1972.

The year was marked by a continuing concern for a solution to the space problems that confront the public schools. At many of its meetings a considerable amount of time was devoted by the members to this topic. In addition, numerous meetings were held with the School Building Needs Committee or with its consultants. The culmination of these meetings was a vote by the School Committee to support the recommendation of the School Building Needs Committee for a new three year high school.

The Committee adopted an educational philosophy which embodies a concern for good education and for adequate facilities and equal opportunity for all of the students in Milton, without regard for the type of program a student chooses to pursue.

The members expressed a continuing obligation to provide improved educational opportunity for students whose education usually terminates upon graduation from high school, by supporting particular program offerings and by the employment of a counselor whose major responsibility is to work specifically with this type of student.

The Committee was successful in encouraging the town to provide two relocatable classrooms to ease the increasingly crowded conditions at the Glover School. Due to unforeseen problems at the factory, these classrooms were not delivered until late in the year but are expected to be in use shortly after the start of the New Year.

At all times the Committee was cognizant of the educational needs of the pupils in the Milton Public Schools as well as the concerns of parents and citizens for a good educational system, efficiently administered.

Many town officers, boards and committees individually and collectively assisted the Committee during 1972. To each of them we are appreciative.

Respectfully submitted,

DONALD BURGESS, Chairman
S. FRANCES MARDEN, Secretary
JOHN C. CROWLEY
DAVID JEFFRIES
JAMES G. MULLEN, JR.
ARTHUR E. SULLIVAN, M. D.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Following is my third annual report as Superintendent of Schools:

The year 1972 was a particularly busy one for school officials, members of the School Committee and for many staff members. Of necessity, much time had to be directed toward providing assistance to the School Building Needs Committee, to its educational consultant, Dr. George Collins and to its architectural consultant, Mr. Earl Flansburgh. The culmination of the efforts of all of these individuals was a recommendation to the town to build a new three year high school, a recommendation that was defeated at a special Town Meeting on December 5, 1972. Because of the need for additional classroom space at several levels; the need to equalize educational opportunity in our elementary and junior high schools and the need to correct situations at the high school in which students cannot always elect courses of their choice, or where problems of space prohibit compliance with the law, the administration will continue to emphasize the need for a solution to these problems. At the Town Meeting in March, 1973, another effort will be made to encourage the townspeople to take the first step to solve school space problems.

During 1972 considerable time and effort were devoted to improving both administration and instruction, through the evaluation followed by personal conferences, of all administrators, from assistant superintendents through department heads and through the evaluation of all tenure teachers. Methods to assist tenure teachers with problems that limit their effectiveness have been devised and will be implemented early in 1973.

In the summer of 1972 a group of elementary teachers and principals, under the direction of Mr. Von Orton, Elementary Language Arts Co-ordinator and using the K-3 curriculum that was rewritten during the previous summer developed behavioral objectives for that curriculum. Briefly, these objectives are a series of goals, at various achievement levels, that the student seeks to attain, using a variety of materials such as filmstrips, records, cassettes, films and supplementary textbooks. The teacher guides the student toward the medium through which he learns most readily. Tests have been devised to evaluate the level at which the student starts and to measure whether or not he has attained his goal. I wish to pay special tribute to Mr. Orton and to the teachers who developed these objectives. I have never been privileged to work with any group in education that was more sincere or more totally dedicated to its task.

During the year a series of coffee hours was held at each of the schools. All parents were invited to participate by asking questions or by expressing their thoughts concerning the public schools. The purpose of these coffee hours was to improve communication between the school administration and the community. The administration benefited by the thoughts expressed by many in attendance and it is hoped that the benefits were mutual. For the same purpose, the administration continued its year-old policy of meeting monthly with representatives of the school Parent-Teacher Associations.

Through the particularly diligent efforts of Mr. William Creighton, Administrative Assistant, the town received the sum of \$37,945.00 under Public Law 874, Impacted Areas, to be used in defraying the cost of schools. Through his additional efforts several costs, both for equipment and salaries, were defrayed by the receipt of federal funds.

REPORT OF THE SCHOOL COMMITTEE

No system or organization of the size of the public schools can ever correct all of its problems for the solutions are affected by the strengths and weaknesses of people and by money. No system or organization should fail to attempt solution, however, in spite of these obstacles. It is my assessment that, exclusive of the very obvious need for greater and improved space, the two major problems facing this school system are the need for improvement in certain areas of instruction and the need to develop the curriculum and to co-ordinate that curriculum between elementary and junior high schools, between junior high schools, and between the junior high schools and the high school. Steps are currently being taken, and will continue to be taken throughout 1973 and 1974, to correct these two problems.

Our Summer School program, under the direction of Mr. Charles Kent and our Adult Evening School program, under the direction of Mr. Chester Ruggles were well received and efficiently run.

The increasing effectiveness of department heads and directors is evident to me and I am always cognizant of the concern for quality education that our principals evince in our weekly meetings.

Mr. John Haskell, Assistant Superintendent and Mr. Robert Cooke, Assistant Superintendent for Business Affairs have been of valuable assistance to me and continuously seek ways to improve the Milton Public Schools.

I wish to express particular appreciation to the members of the School Committee, under the very capable chairmanship of Mr. Donald Burgess, for their support of my administration but, more particularly, for their very evident concern, through their decision making, to ensure quality education in our schools.

My sincere appreciation is extended also to all the town officials whose assistance has been granted on every request.

Respectfully submitted,

HARRY B. McCORMICK
Superintendent of Schools

REPORT OF THE SCHOOL COMMITTEE

ASSISTANT SUPERINTENDENT OF SCHOOLS

To record in this report all of the specific duties and activities of the Assistant Superintendent of Schools would be impossible because as the role of the Superintendent of Schools has become more complex, so have the demands of this position become increasingly varied and less predictable.

I have continued to assist the Superintendent of Schools in the planning and co-ordination of administrative services. This function includes budget preparation; the continuing development and implementation of the academic program through our released time program; an expanded school-community relations program with the use of more frequent newspaper articles; the formulation of long-term educational goals; teacher contract negotiations, and planning meetings with Principals, Department Heads and teachers to discuss means of improving instruction, evaluating programs and general school procedures. Also, the most important matter of finding an adequate solution to our space needs has occupied a large part of our time and effort and this emphasis must continue until we meet this pressing need.

The screening, interviewing and selection of teachers is an ongoing process and we have refined and strengthened the selection procedure in an attempt to maintain our position as a system that continues to attract superb teachers. During the past twelve to fourteen months we have received approximately 2,100 teacher applications and many additional inquiries. Although the processing of these papers is a formidable task, no phase of our operation is more important than the selection of excellent teachers. Clearly the effectiveness of our school system is in direct relation to the quality of instruction. It is also most important that teachers be constantly evaluated in terms of their progress in our system. Our evaluation process is a continuous one that attempts to help each teacher maximize his potential through a series of class observations, follow-up conferences and suggestions for improvement. New teachers also attend a series of orientation and "help" sessions that run throughout the school year. We also screen and select substitute teachers and co-ordinate a student teacher placement program with area colleges and universities.

Thirty-seven new teachers joined the staff of the Milton Public Schools in September. Although most of the assignments resulted from retirements and resignations, several additional positions were created. It is of interest to mention that our new teachers have received undergraduate or graduate degrees from thirty-eight different institutions throughout the country. Colleges and universities represented from outside the New England area include: Oberlin in Ohio, University of Nebraska, University of Michigan, University of Maryland, Pennsylvania State University, Lycoming College in Pennsylvania, Johns Hopkins University in Baltimore and New York University. A sample of New England institutions represented includes Harvard University, Yale University, Smith College, Wesleyan University, Simmons College, Wheaton College, Wheelock College, Brown University, Boston College, Boston University, Tufts University, Massachusetts College of Art, Universities of Massachusetts, Rhode Island and New Hampshire, Emmanuel College and Assumption College.

No real progress can be made without the help of many people and I want to thank the School Committee, the Superintendent of Schools and all my co-workers for their co-operation and assistance as we work together to provide superior education for our students.

JOHN M. HASKELL
Assistant Superintendent of Schools

REPORT OF THE SCHOOL COMMITTEE

ASSISTANT SUPERINTENDENT FOR BUSINESS AFFAIRS

The year 1972 saw the introduction of relocatable classrooms to the Milton Public School system. The award for two classrooms, each 24' x 36', was made to Mar-Val Industries of Exeter, Pennsylvania. Connected by a hall of 15' they are to be attached to the rear section of the Glover School. Because of production difficulties due to hurricane damage in and about the Mar-Val plant, the company was not able to make scheduled delivery for opening of school in September. It is planned that the new classrooms will be available for use during early 1973.

To comply with ecology standards as established by Massachusetts, all schools with the exception of Tucker school are now burning #2 fuel. The Tucker school would require extensive electrical and burner improvements to burn #2 fuel which has a higher flash point than the previous fuel.

Major renovations were made to Science Room 206 at Milton High to make it suitable for current day teaching of Science. Painted outside areas of the high school were given a coat of paint. Painting within was limited to rooms 109, 003, the main office and the principal's office.

At the Cunningham Junior High a custodian's storage room was made over into a photography room. Science cabinets were installed in room 23 completing this program of updating the three science classrooms.

The industrial art rooms were moved from their location at Pierce Junior High School to one large room in Pierce Elementary that previously housed the school system's maintenance shops. This move provided two additional classrooms in the Pierce Junior High School. Painting at Pierce Junior consisted of rooms 102, 103, 106, men teachers' room and the center stairwell.

Additional areas painted were the Glover cafeteria-auditorium and the first floor of the Pierce Elementary.

Approximately 1600 work-orders were processed during the year by the maintenance department. The business office processed about 3,000 purchase orders.

Mrs. Katherine Hayer assumed responsibility as head bookkeeper on March 1st.

Justin Sullivan was elevated to provisional appointment as Supervisor of Custodians and Maintenance Men on December 1st.

My appreciation is extended to the School Committee, the administrative team, central staff, maintenance and custodial personnel – for their cooperation and assistance in making this a successful and rewarding year.

ROBERT F. COOKE
Assistant Superintendent for Business Affairs

REPORT OF THE SCHOOL COMMITTEE

ADMINISTRATIVE ASSISTANT

BUS TRANSPORTATION

We are currently transporting approximately the same number of students as we did last year, namely, 2,950. At the present time we are preparing a new contract for the next three years for bus transportation. As was stated last year, all indications point to a substantial increase in busing costs. This department will make a concerted effort to hold down the cost of busing without sacrificing safety or service to the students.

DATA PROCESSING

All on-going services are being maintained.

FEDERAL FUNDING

For the fiscal year 1972, we received approximately \$56,000 from Federal sources. A portion of this was used to support career education courses and the addition of a new course called Machine Transcription. Another portion of this sum, approximately \$38,000, was obtained from Public Law 874, which will be used to reduce the tax rate. This is the first time in many years that we were able to qualify for this source of Federal funding.

The work of this office during the past year continues to be challenging, and appreciation is extended to the School Committee and the Superintendent of Schools for their active cooperation.

WILLIAM A. CREIGHTON
Administrative Assistant

REPORT OF THE SCHOOL COMMITTEE

HIGH SCHOOL

I herewith submit my second annual report as principal of Milton High School.

Grateful recognition of their many years of service to the Milton Public Schools must be given to Miss Shirley Cave, Miss Rose Depoyan, and Miss Jane Wagoner who retired in June. Together they gave 92 years of faithful and devoted service to Milton.

Miss Thelma Belle Foster, who started teaching at Milton High School in 1930, will be retiring in June, 1973. I know of no way to repay her for all that she has done for the students of Milton during the past 43 years other than to wish her every happiness in the years that lie ahead.

Mr. Archer Harman has been appointed assistant to the Principal with his primary responsibility in curriculum development and improvement of instruction. The permanent curriculum committee has been meeting regularly, taking a constant look at the changing needs and interests of the students. They will be recommending changes in the program which should improve our offerings by removing the obsolete and adding high interest courses.

Some of the new offerings introduced this year were Visual Arts, Notehand and Steno-type Machine, as well as the extension of quarter courses in English to the Junior Class. We had a decline in the numbers selecting languages combined with an increase in requests for courses in the Industrial Arts area. A change in staff permitted us to replace a language teacher with an Industrial Arts teacher to meet, as far as space permits, this increased interest.

Mr. Warren Lapworth was appointed guidance counselor for the non-college bound students as well as coordinator of the Work-Study and Career programs. We have embarked on a training program with the Milton Hospital for the Medical-Legal-Transcription course and hope to extend it into Law offices in the near future. Another program involves seniors in the art program working with the elementary schools and it appears to successfully meet the needs of both our students and the students at the elementary schools. The Child Growth and Development program is increasing and should produce the well trained young people for which it has been designed.

I extend my sincere thanks to the School Committee, the Superintendent, Assistant Superintendents and the entire staff of Milton High School for their encouragement and support.

Respectfully submitted,

ROGER T. CONNOR
Principal

REPORT OF THE SCHOOL COMMITTEE

CUNNINGHAM JUNIOR HIGH SCHOOL

The opening enrollment in September at Cunningham Junior High School was four hundred ninety-five. There were nine teacher replacements. Miss Helen Welch and Miss Ethel Cowgill retired after 37 and 26 years of service respectively.

Major renovations include the installment of cabinets and sinks in one of the science rooms and the conversion of a custodial supply closet to a dark room to be used by photography students.

Our science program has expanded to the point whereby all students will take a lab-oriented science course as of September, 1973. As a direct result of the non-credit mini courses offered last year there has been sufficient interest to have four new credit electives this year (photography, computer programming, creative textile design, and industrial arts for girls). Also, mechanical drawing II has been added as a ninth grade elective.

In the future, we hope to expand our foreign language program to offer Spanish at the seventh grade level, expand the program in home economics, expand the developmental reading program to include students in grade eight and nine, and increase the time for the teacher of perceptually handicapped to enable her to work with more students.

In addition to a broad interscholastic athletic program, the following activities are offered during school: band, chorus, student government, art club, blue and gold club, newspaper club, chess club, tropical fish club, debating club and drama club.

We have formulated an "Interested Parents Group" and as a result of some of their suggestions and efforts a student hand book was published and mailed to all families. Moreover, an orientation program for parents of incoming seventh grade students was held last spring. A parents' advisory group has also been started. Our intent is to eventually combine the parents group, the faculty advisory group and student government representatives at future meetings.

The efforts of the School Committee, the central administration, and in particular the Cunningham staff to help improve the program are very much appreciated.

ALLEN G. ADAMS
Principal

REPORT OF THE SCHOOL COMMITTEE
PIERCE JUNIOR HIGH SCHOOL

Two additional teaching stations have done a great deal toward improving the educational conditions at the Pierce Junior High School. The former wood and metal shops have become science rooms and with some renovations they will be quite suitable for the laboratory work necessary in a modern science program.

The Industrial Art Departments now located in the former maintenance shop and though conditions are difficult, the wood, metal and electrical programs are being carried out.

The period of extended school days over the past three years caused activities and attitudes to deteriorate; but the added available shop space has made it possible to schedule the entire junior high school on a single session, with all students and staff members beginning and ending the day on a single session. Interest and participation in student council, drama, French and Spanish clubs and other activities is most gratifying. The whole atmosphere of the school is improved.

It would be most disappointing and a giant step backwards if it became necessary to return to extended or double sessions.

CORNELIUS J. McINTIRE
Principal

COLLICOT SCHOOL

I herewith submit my twenty-first annual report as principal of Collicot School.

For the third successive year, the six hundred-eighty pupils at Collicot School have been denied the instructional use of the new cafetorium. The facility, an integral part of the nineteen-seventy addition, has been "jury rigged" to serve as an extra classroom housing pupils displaced by the overflow from the Glover School District. The loss of space designed for large group instruction and language development in learning to think and speak on one's feet combined with loss of facilities for instrumental and choral music and restriction of lunchroom space have resulted in offering our youngsters a lesser educational potential than was considered necessary when the original school was constructed in nineteen twenty-nine.

The annual Parent-Teacher Association fair was extremely successful during the afternoons of parent conferences as attested by the number of parents and pupils who came out in spite of the rain to purchase books and hear the tales of Edward Rowe Snow who recounted his stories to group after group of youngsters.

The Borg-Warner System 80 programs and equipment have been analyzed by both the faculty and the Executive Board of the Collicot School P.T.A. relative to a lease-purchase agreement. This program has been developed over six years and represents the best that has been devised to aid the teacher in the urgent need for an individualized classroom program that benefits both student and teacher. It is consistent with our programs of study and we look forward to its arrival and use with our pupils. This equipment represents the finest in cooperative action and purpose between teachers and parents and will represent an expenditure of almost two thousand dollars for the program. Our appreciation is extended to Robert O'Leary, Town Counsel for the Town of Milton, who did much for us in establishing the contract variations necessary.

CHESTER W. RUGGLES
Principal

REPORT OF THE SCHOOL COMMITTEE

GLOVER SCHOOL

I herewith submit my ninth annual report as principal of Glover School.

Our library with all of its resource functions to further the objectives of our school. Since our school is organized on a team basis we know the library's function is justified because of its important service to all programs and all children.

Mrs. Ryan, our librarian has become totally involved in a strong working relationship with teachers so that the library and all of its resources have become a natural extension of the classroom. The nature and purpose of our programs have determined our selection of multi-media material for our library.

Each class is scheduled for one formal library period a week. During this time the librarian instructs the children in basic library procedures and skills. At this time children select library books for assignment and pleasure reading. During unscheduled periods the library serves as a resource room for study and research. All materials implement, enrich and support our program.

A wide range of materials on all levels of difficulty, representing many points of view is necessary to meet individual needs. The choice of suitable material to be used by all children is a major responsibility of our school librarian.

Respectfully submitted,

MARY B. SCHOFIELD
Principal

PIERCE ELEMENTARY SCHOOL

I am submitting herewith my twelfth annual report as principal of the Pierce Elementary School. The report is for the 1971-1972 school year.

This year, as one important phase of our instructional schedule, we have designed our reading programs so as to provide maximum effort and attention at the first, second and third grade levels. Our main objective is to prevent reading failure before it starts. The plan is based on the premise that reading difficulties detected in the early grades can be identified, diagnosed, and treatment prescribed as early as possible.

Pupils are recommended for special programs by the teachers on the basis of past performance and the results of various tests given in the area of reading. The children are referred to a group of instructional specialists. The classroom teacher and specialists working as a team summarize their findings on each child's area of difficulty and prescribe instruction tailored to each child's learning style. From this approach there emerges a very accurate profile of each child as he operates in his learning situation.

Using the team's prescriptive approach, individualized and small group instruction is performed within the classroom by specially trained teachers, the reading specialist, and instructional aides. Consultations are held regularly to discuss each child's progress and to evaluate the effectiveness of the program.

In closing, I wish to thank the School Committee, Superintendent, Assistant Superintendent and the entire Pierce School Staff for their support and cooperation.

Respectfully submitted,

ROBERT G. CONNOLLY
Principal

REPORT OF THE SCHOOL COMMITTEE

TUCKER SCHOOL

I herewith submit my seventeenth annual report as principal of the Tucker School.

We have labored to stress the humanization of our students and to emphasize their individuality. Our children are excited, of eager mind and heart, who need to be respected, taught and nurtured as whole human beings. A part of our job has been the development of the humane values – empathy, respect for others, and cooperation. Children like men cannot live by themselves alone. Hence we must serve as an aid to their development and growth. Roads for exploration must be discovered which may evoke a commitment and this requires guidance.

We have encouraged the eager, imaginative, sensitive teachers who can teach the basic cognitive skills, and who can develop the feel and quality of life.

To assist teachers in reaching our goal of humanness we must have small groups so that children can reflect a feeling of relationship and identification.

Hence, we continue to appreciate the untiring efforts and cooperation of the administration, the Parent Teacher Association and the School Building Needs Committee in our quest for academic excellence.

Respectfully submitted,

ELEANOR C. BLAINE
Principal

ART DEPARTMENT

I submit the 1972 annual art department report for your consideration.

Several innovative aspects during 1972 included 3 new courses at Cunningham, CTD (Creative Textile Design), Weaving and Photography. A storage room was converted into a photo-darkroom. Adding a new art room and a second art teacher at Pierce Junior High; starting a new idea called "Project Help" at the high school in which art major seniors assist special class pupils, and help the art teachers at Elementary level on art projects; initiating a project (high school) with two Mass. College of Art seniors and their instructor developing a plan whereby other college seniors will give art media demonstrations in such areas as filmmaking, stained glass, copper enameling, etc. This group will also offer supplementary assistance to the 8th period art activities.

A highlight of the year's program was the "Fine Arts Festival" on Thursday, May 4, at the high school cafeteria and adjoining classrooms. This show was attended by many, many hundreds of people and at times it was literally difficult to get near the displays and performances. The exhibits included the Apollo 16 photographic display, a home economics fashion show and display, a number of musical performances, art displays (grades K-through 12) and a junior high school filmmaking show.

REPORT OF THE SCHOOL COMMITTEE

Conferences attended included the Mass. Department of Education Humanities Conference, Oct. 5 at Hyannis, and the Oct. 30 Mass. Art Education Association Fall Conference in Boston.

Other art projects included the annual Mass. College of Art Saturday morning classes for 6 art major seniors from Oct. 7 to Dec. 16, and the Oct. 6 "Hire the Veteran" poster contest in collaboration with Quincy High School, with 4 students from this high school.

Respectfully submitted,

JULIAN S. ALEXANDER
Director of Art

BUSINESS EDUCATION DEPARTMENT

In a recent speech, U. S. Commissioner of Education, Sidney Marland, referred to a new trend in American education. He indicated this trend involves the eradication of the artificial separation between academic, general, and vocational education and the blending of the three into a dynamic new career education program with the goal of preparing students for "economic independence, personal fulfillment, and an appreciation for the dignity of work."

The Business Education Department, in keeping with this trend, is providing new courses to all students whether they are college or employment bound. Ground work has been laid for the introduction of Stenograph (touch shorthand), Notehand, Civil Service Review, and Income Taxes.

To supplement the training offered by the faculty, a series of lectures was sponsored by the department. A representative from an educational institution presented an inspiring lecture, "The Interview," to a number of business education classes. A Milton resident volunteered to speak to the students enrolled in the accounting classes and left a wealth of new and interesting ideas relative to an accounting career. Members from the Children's Hospital Center and the Newton-Wellesley Hospital appeared before medical transcription classes and outlined the requirements for employment in medical record departments and medical libraries.

This year the enrollment in the medical-legal transcription classes has increased, and an advance course has been implemented for those desiring to specialize in either area.

The department is fortunate in having an advisory committee of Milton residents who provide expertise and contributions through community involvement for expansion and development of the Business Education Department.

LOTTIE A. ELZBUT
Head, Business Education Department

REPORT OF THE SCHOOL COMMITTEE

ENGLISH DEPARTMENT

Release-time afternoons were a decided boon to the high school English staff, who used the time to complete curriculum changes at the 11th and 12th grade levels. The elective program was redesigned, some courses dropped, others added. The majority of courses are now ungraded, admitting both juniors and seniors. Enrollment in the writing courses is still by teacher recommendation, this tool skill needing more exact and individual instruction. The six writing courses though homogeneous are also ungraded as many juniors with natural talent write as well as our best seniors.

Sophomore teachers began drafting an elective program for sophomores, but the work is still in embryo form. The incipient plan calls for a half year of traditional programing with students grouped homogeneously according to strengths and weaknesses in basic skills. After a half year of drill in grammar and writing, students would choose two electives, probably in literature, to complete the sophomore English requirement.

Visual Arts, a popular elective, teaches the disciplines involved in creating and producing a motion picture. It should be open to more students, but inadequate facilities – lack of space, makeshift viewing room, a minimum of equipment – limit the number to about a dozen. Additional such courses, designed to develop the imagination and skills of the nonacademic, will exist on paper only until we have a new high school building.

The high school added a second reading teacher this fall; both teachers are now, formally, members of the English Dept. This move should encourage a greater interchange of ideas and techniques between English and reading teachers and more intelligent, helpful discussion of individual pupil reading problems.

At the junior high level teachers discussed changes that need to be made in the literature and the writing programs. Although the basic curriculum is excellent, we hope to make some progressive revisions this year.

POLLYANNA ANDEM
Head, English Department

FOREIGN LANGUAGES DEPARTMENT

The Foreign Language Department has continued its progress toward increased efficiency in teaching and learning by developing more individualized instruction, by having teachers exchange classes with one another, by attending more workshops and Foreign Language conferences and in improving the course of study for our C. O. courses. Although these "Culturally Oriented" courses are not basically designed to prepare students for College Board Achievements, they do meet college entrance requirements. We have also updated our texts, especially in the area of culture, in both Spanish and French.

Again I have encouraged the teachers to make more use of the library for individual group assignments. I feel that in conducting these individual group assignments, we will be giving each and every student in our Foreign Language Program an equal chance to develop more fully within the framework of his own abilities and limitations. The text which is used in the sixth grade in French and prepared and written by myself, has proved to be quite effective, but I do think that the eighth grade French teacher needs more A. V. aids in helping her to keep up the interest and variety in her classes.

I am again urging the Foreign Language teachers to continually stress the *spoken* word in the particular language being taught. I must say, however, that there has been a great improvement in this area. Without these basic skills, speaking and understanding, the capacity to receive information through our senses, and to interpret and respond to that information in various ways, learning cannot effectively take place. The Foreign Language teacher must not only cultivate the natural inclination of the early learner to acquire skills by imitating the teacher's accent and sound, but must also diagnose and treat the "problems" that slower learners might have in acquiring and developing these skills.

In closing, I would like to say that the very experience in learning a foreign language enables the person to acquire an empathy with people who speak another tongue. This is indispensable for true intercultural understanding.

LEON MERIAN
Head, Foreign Languages Department

HEALTH, PHYSICAL EDUCATION AND ATHLETICS

I respectfully submit to you and the School Committee my Annual Report:

HEALTH

The school health programs are striving to provide the best in health services and health evaluations for the students. The school nurses and physicians are working closely with the town and state health organizations as in the past. The Health Department is working very closely with Forsyth Dental Center on a controlled program of topical fluorides. This is a voluntary program and is proving very worthwhile to about 600 of our elementary and junior high students.

PHYSICAL EDUCATION

The elementary physical education program provides each student two periods per week of skills relative to self-testing activities and team games. More and more emphasis is being placed on movement exploration by our elementary teachers. The junior high programs are concentrating more on team sport skills and physical fitness. In the high school limited facilities do not allow the scheduling of enough class time per week to meet the state's minimum requirements in physical education. It should be noted that in the 1920's there were three teaching stations (gyms) in the high school. In the 1970's there are still only three teaching stations in the high school.

ATHLETICS

The athletic and intramural programs at all levels continue to attract large number of students. The most notable accomplishment among our athletic teams this year was the winning of the "State Class C. Championship" by the Indoor Track Team.

I wish to thank you and the School Committee for your continued interest in our programs.

Respectfully submitted,

RICHARD J. RYAN

Director of Health, Physical Education and Athletics

INDUSTRIAL ARTS

In 1971 the high school staff took a long hard look at themselves, their facilities and their curriculum. A group of evaluators representing the New England Association of Colleges and Secondary Schools reviewed these findings and added a few of their own. In 1972 Educational Associates conducted a study on school needs. As a culmination of these studies a special town meeting was held. The pro's and con's of a new high school were debated. Although a two-thirds majority in favor of a new high school was not attained, it was interesting to note that most speakers on both sides of the question mentioned the lack of needed space in the Industrial Arts area. Some going so far as to point out the safety hazards brought about by the congestion.

With new trends and government monies trying to point up a new concept in education called, "Career Education," it is evident that many changes will take place in the educational field at all levels.

Career Education which starts in kindergarten and goes on through grade twelve. A youngster advances through revised curriculums that relate reading, writing, and arithmetic to the various ways in which adults earn a living.

As the child advances into junior high school he will select three out of the fifteen occupational "Clusters," broad groupings of related occupations and begin exploring the nature of careers in each.

By high school, he will concentrate on one cluster, developing sufficient skill in a specific occupation to qualify for a job.

On an already overcrowded area, that is currently unable to handle every student that wishes to take shop, is added additional problems of space, materials and instruction. The "hands on" concept of career education requires that all students involved get shop experience as well as academic.

REPORT OF THE SCHOOL COMMITTEE

DIRECTOR OF MUSIC

The year 1972 has been an active one for the Music Department. The high school musical groups presented a pair of evening concerts in addition to performing at the Fine Arts Festival. The high school band also played a special children's concert in February on a Saturday morning for the Junior Women's Club, and played for the Senior Citizens at Cunningham Park. They also performed at eight football games and at the high school graduation. On April 5, the band, majorettes, and drill team went to Washington, D. C. to participate in the National Cherry Blossom Festival. In spite of a surprise snow sleet storm, accompanied by unusually cold weather, those five days proved very successful. Milton Public Schools never received better publicity than when the groups marched down Constitution Avenue.

The junior high musical groups presented a pair of evening concerts. They also played exchange assemblies with Natick, and Dartmouth. The Cunningham band played at the South Shore Fine Arts Festival at the South Shore Plaza and the Pierce Glee Club sang at the Collicot School.

Some of our talented high school musicians participated in the Southeastern District Festival, the All-State Orchestra, and the All-New England Festival. A group of interested students spent a day at Lowell State Teacher's College. The Arion Award, the highest award for musical ability, was given to Brian Tatro. The Sousa instrumental award went to Joseph Mirotta and the National Choral Award went to Brian Tatro.

We realize that none of the above would be possible without the support of the school committee, and we are deeply grateful for it.

Respectfully submitted,

FRANCIS W. TATRO
Director of Music

MATHEMATICS DEPARTMENT

Several significant changes took place in the department this past year. June brought to an end the long dedicated career in the teaching of mathematics when Miss Rose Depoyan, the head of the department, retired. She has left a rich heritage and distinct challenge to those who follow.

During released time many hours were spent on a careful evaluation of the high school curriculum. As a result of the study two new courses were started in September and a third is being submitted for possible federal funding. The new courses are all one semester in length, giving students more flexibility in course selection.

After five years of teaching Computer Science by using facilities outside the town, the department is currently awaiting installation of its own computer. Plans are already being implemented to greatly expand the number of students exposed to the use of the computer as a mathematical tool. The program begins at the junior high school and will continue for three years on the senior high school level.

With the addition of an extra teacher at the high school this year, the class size has been significantly improved. The department is striving for a closer relationship between faculty and parents as well as between faculty and students. Two afternoon social hours have proved successful in helping to achieve this goal. The entire department is dedicated to educating the whole person.

HAZEL F. DOUGLAS
Head, Mathematics Department

REPORT OF THE SCHOOL COMMITTEE

HOME ECONOMICS

The department has been without a director for a number of years. Since assuming the chairmanship of the Home Economics Department in November, 1971, I have attempted to discover the areas that needed immediate attention. This has been an interesting and challenging assignment made easier by a most co-operative staff.

Self-evaluation has been the primary consideration of the department. The released time provided the opportunity to study in depth the Home Economics curriculum at both the junior and senior high school levels.

An examination of the junior high schools clearly revealed an imbalance in course offerings. This was due chiefly to the need for a second teacher at Cunningham Junior High.

An effort is underway to correlate the offerings in both junior high schools so that all students will have basically the same experience in preparation for high school. A continuing study suggests that it is time to introduce new courses that will both enrich the present curriculum and meet the needs of today's youth. To this end curriculums are now under development. Hopefully these courses will be introduced in the next year.

At the high school level the Child Development Program continues to grow in popularity. This is most gratifying since upon successful completion of this course and with state certification students will be prepared for employment not only as para-professionals in a child care center, but also as teacher aides in elementary schools or as assistants in pediatric units of hospitals.

An expanded program in this area is now in the planning stages. This will enable us to accommodate more students and meet the ever increasing requests by mothers of the town for their children's entrance into our nursery classes. Changes will continue to be made in our curriculum as the need becomes apparent.

I would like to express my appreciation for the co-operation of the teachers, principals and administrators.

Respectfully submitted,

GENEROSA C. HAGAN
Head, Home Economics

ELEMENTARY LANGUAGE ARTS COORDINATOR

I am submitting herewith my annual report for the calendar year 1972.

There were three major areas of emphasis in the elementary language arts this year. At the first and second grade level and in selected third grades, a concentrated effort was made to utilize a variety of teaching materials and techniques to better understand the learning styles of our pupils. Specialists and classroom teachers worked in a team effort to diagnose learning needs and to teach to individual differences. Where possible, parent volunteers, student teachers and student aides assisted in the management of multi-media,

REPORT OF THE SCHOOL COMMITTEE

multi-activity classrooms. Released-time workshops and numerous after-school meetings were required to meet the demands of this project.

At the third and fourth grade level, workshops were scheduled during released-time hours to study and discuss techniques for better meeting the needs of pupils in the instruction of the phonology, morphology and syntax of our language (grammar) and in the instruction of composition and spelling. Attention was also given to methods of instruction in the skills of punctuation and capitalization and to the study of the levels of usage in the English language.

The third area of emphasis was literature instruction in the intermediate grades. A committee of teachers worked on a project to use paperback literature as an additional component of the reading program. Selected paperbacks were purchased, and, using their content, teachers wrote independent and group learning activities to develop critical reading skills.

Much of the progress this year was made possible by the administration who granted teachers the opportunity to attend educational conferences, publishers' fairs, and to visit innovative schools. May I take this opportunity to express my appreciation to the administration for its support and to the educational staff for their hard work and sincere cooperation.

VON W. ORTON
Language Arts Coordinator

SOCIAL STUDIES DEPARTMENT

Values, understanding, and enrichment have received major emphasis.

The culture of the various world peoples has had considerable study, especially in the junior high school. A unit in anthropology or its correlation into the many phases of a social science course has increased the individual's understanding and appreciation of the several peoples throughout the world.

The vocational education pupils have grown in numbers. To make history more alive to them many new materials have been introduced. These media include simulation, role playing and games as well as short readings.

Enrollment in the urban geography course in the senior high school has continued to increase. Many new materials have enriched this study and helped to make it a very useful and interesting subject, especially for the sophomores.

On the whole, throughout the junior and senior high schools the teachers have used many devices to stimulate interest in the social studies while maintaining a sound understanding of the respective courses.

THELMA BELLE FOSTER
Head, Social Studies Department

REPORT OF THE SCHOOL COMMITTEE

SCIENCE DEPARTMENT

At all secondary levels, we have tried to expand the laboratory approach to teaching science, while maintaining the course content at a level to best suit all our students.

The use of two additional rooms at the Pierce Junior High is a great step toward the realization of our goals, in the seventh and eighth grades especially. This increase in capacity, plus the adaptation of these rooms to science needs, should lead to an expanded program, such as the Intermediate Science Curriculum Study (I.S.C.S.).

In the Cunningham Junior High, the introduction of the second year of the I.S.C.S. (eighth grade) program shows promise, and we look forward to the program's expanding to the ninth year in the '73-'74 school year. The additional storage space and cabinets in Room 23 certainly help to further our capacity for the laboratory experience.

At the Senior High School, the updating of the program continues, and the laboratory activity is being made more and more an integral part of the courses offered. The use of the renovated Room 206 will alleviate the scheduling problem a little and afford us a more useable space both for lab work and discussion. The Physical Science course has been altered to some extent, so as to better meet the needs of those involved. Although we now have a greater flexibility in allowing changes in student levels than in the past, the full potential of this cannot be realized because of the space limitation. At present, about 66% of the High School population is enrolled in one or more science courses – a gratifying number and, hopefully, a continuing trend.

The use of the released time program gave us an opportunity to formulate, somewhat, our course of study and allow an exchange of ideas between faculty members of all grades. Such an interplay gives a continuity to the secondary programs and, therefore, a better background to those students who will follow some facet of science.

GERALD T. CAMPBELL, JR.
Science Department Head

ELEMENTARY SCHOOL SCIENCE

The implementation of our elementary science program has now entered its fifth year. *Science – A Process Approach* is now being taught in grades K-4 in all four elementary schools.

Our remaining implementation schedule is:

1973-74 – Grade 5
1974-75 – Grade 6

We are now looking forward to the inservice program that will be given to the fifth grade science teachers later in this school year. This will provide the teachers with the necessary background that will enable them to begin the Program in September 1973.

REPORT OF THE SCHOOL COMMITTEE

A highlight of last year's science program took place in May when a representative of the American Association for the Advancement of Science (AAAS) in Washington, D.C., the organization that developed our Program, made a special visit to Milton. During this time he met with all science teachers in grades K-3. The teachers provided him with ideas that will be used in helping to revise the Program.

As in previous reports, I have the pleasure of thanking all K-4 science teachers for their efforts in making *Science – A Process Approach* a tremendous success.

Respectfully submitted,

PAUL P. SCOPA
Elementary Science Coordinator

SPECIAL SERVICES

The 1971-72 school year was one of increasing activity in the revising of State regulations for the school age handicapped child. It has been a dramatic attempt to provide handicapped students with programs based on needs rather than labels. In March 1972 new regulations for the retarded mandated greater opportunities for these students. It enabled them to better avail themselves of the valuable resources of "regular education" as well as special education. Last year the Milton Public Schools, in anticipation of these trends, implemented an integrated program at the elementary level that enabled certain students previously identified as educable to be returned from a special class program to their neighborhood schools.

In July 1972, Governor Sargent signed into law Chapter 766, effective September 1974, which was modeled to a great extent after the revised regulations for the retarded. Chapter 766 strengthens the screening, diagnosis, placement and treatment process and encourages better staffing through a more liberal reimbursement formula.

During the next several years the Milton Public Schools' means of providing special services (as with all other Massachusetts communities) will be undergoing evaluation to determine what new or redirection of resources might be necessary in order to implement the new legislation. Although a certain degree of anxiety can be predicted because of this change, I am quite certain that the attitudes and training of the staff will enable the Milton Public Schools to meet this challenge.

RICHARD C. SULLIVAN
Director, Special Services

REPORT OF THE SCHOOL COMMITTEE

AUDIOVISUAL EDUCATION DEPARTMENT

As the new director and audiovisual media specialist, I have introduced many changes in all facets of the audiovisual department. In this space age we as educators cannot bog down with the most familiar but we must strive to be aware of the present and explore frontiers. Through the use of media materials, not only our youngsters, but our teachers have to become a lot smarter faster. In this effort the audiovisual department is taking a look to the future regarding improvement as our present day-to-day operation. This year every piece of equipment is being inventoried through the use of data processing in such a manner as to give an easy to read and understand list of equipment. To the man on the street this may mean very little; as an operational aide, the inventory will tell us such things as the school and exact location of the equipment in the school, type of equipment, serial number, type of lamp or required accessory, year of purchase, cost, frequency of maintenance. The latter is most important to analyze whether or not the equipment stands up under school use and in determining if you the taxpayer are getting a dollar's worth for a dollar spent. The inventory will be expanded to include support-type audiovisual materials. Hundreds of man hours have been used and more will be used to complete this necessary job.

Audiovisual catalogues are being refiled by subject area and grade level. Catalogues which are over two years old are being discarded. We receive catalogues from thousands of vendors; these must be evaluated for educational value and cost of materials, a very time-consuming job.

Since September we have been distributing Unifax newspictures to all the schools; these are similar to an 8 x 10 photograph and have a typed caption on them. Milton is the first public school system in the USA to sample this type of instant news service, and the boys and girls get a chance to see what is happening in the world we live as it is happening. I have obtained at no charge more than forty-16 MM sound films in an effort to build up a library for the school system in the areas of consumer education, health, and science, and we will be getting more in the areas of math, Home Economics, and Industrial Arts.

A look to the future: within 10 years the metric system will be a part of everyday life as well as space travel to explore Mars and other planets. I would be remiss in my obligation as audiovisual director if I did not set high standards in audiovisuals and set a forward-looking pace for the 283 teachers and 4,458 boys and girls my department services.

Sincerely,

DAVID L. RICHARDS
Director, Audio Visual
Education Dept.

REPORT OF THE SCHOOL COMMITTEE

DRIVER EDUCATION

I herewith submit my report on Driver Education for the year of 1971-1972.

High School	
Number enrolled in the classroom	170
Number completing the road training	145
Number that failed the course	0
Total certificates issued	145

We wish to thank the South Shore Buick for donating a Buick Skylark which was used in the Driver Education Program.

Sincerely yours,

GINO M. FIORE
Director, Driver Education

ADULT EVENING CLASSES

I herewith submit my seventh annual report as Director of the Adult Evening Classes of the Milton Public Schools.

Five hundred twenty-five adults have attended evening classes during the present year. There has been an unusually heavy demand for Conversational Spanish and we have for the first time, enrolled classes in transcription.

The interested citizen may now take beginning or advanced shorthand, typing, and transcription which may serve to refresh old skills or be undertaken to equip them for better jobs.

Thirty-three classes are held each week for a period of twenty weeks and the annual style, art and skills exhibit more than adequately shows the achievement by the participant.

The majority of the classes meet for three hours in twenty sessions which result in an instructional cost to the student of one dollar for three hours of instruction.

CHESTER W. RUGGLES
Director, Adult Evening Classes

REPORT OF THE SCHOOL COMMITTEE

SUMMER SCHOOL

Again in the summer of 1972 for the eighth consecutive year a six weeks program was offered by the Milton Public Schools. It began June 26 and ended August 4. All children of Milton residents who had been attending grades kindergarten through sixth in public or private schools were eligible to attend. A \$10.00 registration fee was required for each subject for which the child was enrolled.

All classes were held at the Pierce Elementary School. Speech Therapy classes were held in the Mobile Speech and Hearing Unit to the rear of the building. Classes were scheduled on the hour beginning at 8:00 A.M. and lasted approximately one hour with the fourth period of the morning ending at noon.

Both remedial and developmental Reading and Mathematics were offered for grades one through six.

Pre-First Grade Readiness furnished opportunity for extended readiness beyond kindergarten for youngsters who might profit from such activity or simply from social interaction in a small group. An additional twenty minutes of perceptual-motor training in the gym for each class was part of the Readiness curriculum.

One Enrichment class was offered at each level, grades one through six. Since these classes developed according to the children's interests, many different things occurred. Some of them were rocketry, constellations, mobiles, models, plays, terrariums, mathematics, research and murals.

For the first time Speech Therapy was offered. Though this particular subject area was offered for only three weeks, it is hoped that for the summer of 1973 it will be available for the full six week program.

Detailed Progress Report Sheets were prepared for each child. They indicated such things as, days present, teacher observations, progress made, procedures used, and recommendations. Along with before and after reading tests, this information was forwarded to the current classroom teacher.

Respectfully submitted,

CHARLES J. KENT
Director, Summer School

REPORT OF THE SCHOOL COMMITTEE

DIRECTOR OF CAFETERIAS

School Lunch, as we know it, is twenty-six years old. The program has gone through a lot of changes since the first School Lunch Act was passed in 1946. Many of the convenience foods used today were not available in 1946. Also, the School Lunch Act of 1970 has many innovations that the original act did not contain.

The 1970 Act provides that a lunch must be made available to all school children on single sessions in the country by 1972. Guidelines are provided for free and reduced price lunches, governed by income and size of families. To avoid any possible embarrassment every effort is made to insure that the children do not know who is paying and who is receiving a free lunch.

Good nutrition is a vital component for physical and emotional well-being. The Type A meal consists of: 2 ounces of meat, poultry or fish, cheese or one egg, 3/4 cup of fruit or vegetable, one slice of whole grain or enriched bread, 1 teaspoon of butter and one-half pint of whole, unflavored milk.

There is a dual menu choice, and a meatless meal is always available. The Milton cafeterias served 407,363 lunches, or an increase of 9,063 lunches over the previous year. Each year there has been a steady increase in the number of lunches served.

As in previous years, I wish to thank the School Administration, the custodial and maintenance forces, and the cafeteria staff for their cooperation throughout the year.

MARIE C. MINNICK
Director of Cafeterias

SUPERVISOR OF ATTENDANCE

I herewith submit my annual report as supervisor of attendance for the calendar year 1972.

Prejuvenile court attendance	15
Residency investigations	87
Police awareness seminars at Milton High School	9
Home visits	268

GERARD R. MATTALIANO
Supervisor of Attendance

REPORT OF THE SCHOOL COMMITTEE

GUIDANCE DEPARTMENT

With the opening of the 1972-73 school year, we note two changes in the personnel structure of this department: Miss Lynn Reiss, who served a full year's counseling internship at the Collicot School while studying for her master's degree at Northeastern University last year, was appointed full-time elementary counselor.

Mr. Warren N. Lapworth, formerly of the High School physical education department, was appointed to the new position of occupational counselor. He has also assumed the position of Work-Study Coordinator, formerly held by Mr. Gino M. Fiore. All students in grades 10-12 who appear to be heading for full-time employment upon graduation plus those on work-study are in his charge.

As we enter the fourth year of the work-study program, we note the following figures: Seniors, 12 boys and 28 girls.

Of the 40 students, all but 3 are currently employed from approximately 12:30 p.m. to 5 p.m. in 26 different places of employment.

Juniors, 9 boys and 15 girls.

Of the 24 juniors, all but 2 are employed in 19 different places of employment. Most of the students work in nine communities outside Milton with Boston leading the list.

Although the program is generally regarded as highly successful from an educational point of view and appreciated by the students, we still note problems relative to meeting school obligations. The opportunity to schedule school work before noon, receive credit toward graduation for the job experience, and earn over \$1,000 during the school year has a growing appeal to students in the business, home economics, and industrial arts departments. Due to the increased time allotted to this program, it is now possible for the coordinator to periodically visit all students on the job throughout the year.

The needs of many other students could well be met through the addition of a Distributive Education Program which is currently under study.

ROBERT H. ARCHIBALD
Director of Guidance

MARCH MEETING

MILTON TOWN RECORDS IN
THE MUNICIPAL YEAR 1973

1973 MARCH MEETING
WARRANT

Commonwealth of Massachusetts
County of Norfolk

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway,
In Precinct 3.	Police Station, Central Avenue,
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road
In Precinct 5A.	Gymnasium, Pierce Junior High School, Gile Road.
In Precinct 5B.	Gymnasium, Pierce Junior High School, Gile Road,
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road,
In Precinct 7.	St. Agatha's Auditorium, Adams Street,

on Saturday, March third next, at eight o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

Three Selectmen and Surveyors of Highways for the term of one year.
One Town Clerk for the term of one year.
One Assessor for the term of three years.
One Town Treasurer for the term of one year.

MARCH MEETING

Two Members of the School Committee for the term of three years.
One Park Commissioner for the term of three years.
One Member of the Board of Health for the term of three years.
Three Trustees of the Public Library for the term of three years.
One Trustee of the Public Library for the term of two years.
One Trustee of the Cemetery for the term of five years.
One Moderator for the term of one year.
One Member of the Planning Board for the term of five years.
One hundred two Town Meeting Members as follows:

Precinct 1.	Fifteen for three years, One for one year.
Precinct 2.	Eleven for three years. One for one year.
Precinct 3.	Eight for three years. One for two years.
Precinct 4.	Ten for three years. Two for one year.
Precinct 5A. and 5B.	Twenty-one for three years, Two for one year.
Precinct 6.	Seventeen for three years. One for one year.
Precinct 7.	Eleven for three years. One for one year.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting on the following Saturday, to wit, March tenth next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 47 inclusive, appearing on regular type on pages 24 through 65.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Town seven days at least before the third day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said third day of March, next.

Given under our hands at Milton the 23rd. day of February, Nineteen Hundred and Seventy-three.

(Signed) John P. Linehan
Ralph L. Kent
Francis F. Brooks
Board of Selectmen

MARCH MEETING

February 26, 1973

Commonwealth of Massachusetts
County of Norfolk

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the times and places and for the purposes therein mentioned by posing attested copies of the same in the post offices of the Town on February 23, 1973.

(Signed) John E. Whearty
Constable of Milton

The Warrant, including report of the Warrant Committee and Recommendations on the Articles in the 1973 Warrant, was posted in the Post Offices at East Milton and at Milton Village on February 23, 1973, and was filed in the Town Clerk's Office on February 26, 1973. The Warrant was delivered to the homes of the inhabitants on February 23, 1973.

For these purposes, the polls were opened at each and all of the said Precincts at eight o'clock in the forenoon and were closed at eight o'clock in the evening.

MARCH MEETING

The Town Clerk upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 5:30 A. M. March 4, 1973.

The Meeting adjourned at 5:30 A.M., March 4, 1973, to meet on the following Saturday, to wit, March Tenth next, at one o'clock in the afternoon at the Milton High School Auditorium, 191 Brook Road, in said Milton, then and there to act upon the forty-seven articles included in the Warrant.

The Absentee Ballot as it is used in Massachusetts, is available for all State and National Elections. It is also used at City and Town Elections. Chapter 632 of the Acts of 1968.

At our Town Election, held Saturday, March 3, 1973, Milton had the following number of Absentee Ballots:

PRECINCT	1	2	3	4	5A	5B	6	7	TOTAL
Ballots Cast	13	11	23	14	15	26	24	12	138

The Absentee Ballots were distributed to the precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the precincts.

Grace M. Coles
TOWN CLERK

MARCH MEETING

ADJOURNED TOWN MEETING MARCH 10, 1973

The Town Meeting, which was held at the High School Auditorium was opened at 1:05 P.M. by the Moderator, Robert K. Lamere. Those present stood while Rev. Mr. Riley Shirley, from the Parkway United Methodist Church, delivered the invocation.

The Town Meeting Members stood again and were sworn in by Town Clerk, Grace M. Coles.

The Moderator checked with the Town Clerk as to the attendance and announced that a quorum was present. Twenty-one (21) Town Meeting Members were absent as follows:

- | | |
|----------|--|
| Prec. 1. | Alvan G. Block, George W. Collins, Gerardine M. Hefler, Paul R. Johnson, Paul R. McNaughton, Joel M. Miller, Leo V. Taylor, Arthur L. Timmins, |
| Prec. 2. | John F. Fitzgerald, Jr., Robert J. Kaler, |
| Prec. 3. | Robert J. Fallon, |
| Prec. 4. | William F. Farrington |
| Prec. 5. | Frank T. Noonan, Marcia J. Pierce, Paul E. W. White, |
| Prec. 6. | C. Frederick Bent III, Charles W. Duffy, John E. Lamere, |
| Prec. 7. | William A. Hartley, Thomas C. Malloy and Stewart Williams. |

Permission was given to certain members of Boards and Committees who are not Town Meeting Members to sit with the Town Meeting Members with no right to vote.

ARTICLE 1. To Choose all such Town Officers as are not required to be chosen by ballot.

VOTED: To elect James E. Curran and Theodore E. Kenney, Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

The Moderator recognized John J. Coffey, Chairman of the Collicot School Building Committee who requested that the committee be dismissed. A motion was made and seconded to dismiss the Collicot School Building Committee. Motion carried.

The Collicot School Building Committee, established by Article 38 of the 1968 Town Meeting and continued by Article 31 of the 1969 Town Meeting for the purpose of preparing plans for the furnishing, equipping and renovating the Collicot School, including heating and ventilation, and to obtain firm bids to accomplish the above purposes, reports that the purposes and objectives of the Committee have been satisfactorily accomplished. The Committee reports that a balance of \$15,496.16, out of \$900,000 original appropriation, is returned to the Town.

MARCH MEETING

Accordingly, the Committee now seeks to be discharged.

John J. Coffey
Chairman

VOTED: To accept the report of the Town Accountant as printed on pages 387 through 432 of the 1972 Town Report.

ARTICLE 3. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the eighteen month period beginning January 1, 1973 in accordance with General Laws, Chapter 44, Section 4, and acts in amendment thereof, and including in addition thereto, Chapter 849 of the Acts of 1969, as amended, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED: That the Town authorize the Treasurer, with the approval of the Selectmen, to borrow in anticipation of the revenue for the eighteen month period beginning January 1, 1973, in accordance with General Laws, Chapter 44, Section 4, and acts in amendment thereof, and including in addition thereto, Chapter 849 of the Acts of 1969, as amended, by issuing a note or notes payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

VOTED: That the Town vote "YES."

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED: That the Town vote "YES."

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED: That the Town vote "YES."

COMMITTEE

Robert D. O'Leary, Chrm.	45 Spruce Street
James Dinneen	21 Hilltop Street
Michael F. Farrington	112 Dyer Avenue
*George N. Hurd, Jr.	189 Canton Avenue
Philip Lemelman	33 Wendell Park
#James W. Dolan	6 Catherine Rd.

MARCH MEETING

The Moderator recognized George T. Ryan, Chairman of the Warrant Committee, made a motion that we discuss Article 38 prior to Article 7. Motion was seconded and Article 38 was presented to the Town Meeting to be voted on at this time.

*George N. Hurd, Jr., Resigned April, 1973.
 #Appt'd. May 10, 1973 to replace George N. Hurd, Jr.

ARTICLE 7. To see what sum of money the Town will vote to appropriate for the eighteen month period beginning January 1, 1973 for the several categories classified as Employee Benefits, and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Total Recommended".

1. Widow's Annuities	\$ 50,303.00
2. Non-Contributory Pensions	307,719.00
3. Contributory Retirement Fund	600,047.00
4. Administration of Retirement System	
Administrator	1,500.00
Custodian	750.00
Wages & Salaries, Clerical	6,162.00
Expenses	877.00
Total Administration of Retirement System	9,289.00
5. Group Insurance	284,581.00
GRAND TOTAL	<u>\$1,251,939.00</u>

Items enumerated within the totals set forth above shall be treated as segregated.

ARTICLE 8. To see what sum of money the Town will vote to appropriate for the eighteen month period beginning January 1, 1973 for the operation of the Town Departments classified as General Government, and to act on anything relating thereto.

A motion was made and seconded to reduce the salary of the Executive Secretary from \$34,350 to \$24,750. The motion to amend was defeated and the Warrant Committee's recommendation was voted.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Total Recommended".

General Government

1. Accountant	
Salaries & Wages	\$ 50,130.00
Expenses	3,033.00
Equipment	486.00
Total	<u>\$ 53,649.00</u>
2. Assessors	\$ 4,200.00
Salary of Chairman	
Salaries of other two members (\$2,500 each)	7,500.00
Salaries & Wages, Clerical	35,767.00
Expenses	5,613.00

MARCH MEETING

[illegible]

MARCH MEETING

11.	Student Work Study Program	4,250.00
12.	Treasurer & Collector		
	Salary of Treasurer-Collector	\$ 24,750.00
	Salaries & Wages, others	45,633.00
	Expenses	9,695.00
	Equipment	300.00

And that to meet the appropriation for Highway Permanent Construction the sum of \$37,071.16 be raised from the tax levy of the current year and the balance of the appropriation \$3,928.84 be transferred from the Street Betterment Construction Account.

From the aggregate amounts appropriated under the Highway Department and Article 14 the sum of \$456,210 but no more, shall be available for salaries and wages and overtime of the Highway Department.

MARCH MEETING

Items enumerated within the Departmental totals set forth above shall be treated as segregated. Departments are hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment. Out-of-State travel is for necessary expenses of officers and employees of the Departments incurred outside the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Departments (G.L.Ch.40 Sec. 5-34).

ARTICLE 14. To see what sum the Town will appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90, said sum, or any portion thereof, to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; and to act on anything relating thereto.

VOTED: That the sum of \$15,000 be raised and appropriated to meet the Town's Share of the cost of said work, and that in addition the sum of \$45,000 be appropriated from available funds on hand January 1, 1973 to meet the State's and County's share of the cost of said work, the reimbursements from the State and County to be restored upon receipt of available funds in the treasury.

ARTICLE 15. To see what sum of money the Town will vote to appropriate for the eighteen month period beginning January 1, 1973 for the operation of the several categories classified as Observance of Holidays, Parks, Recreation and Youth Program, and to act on anything relating thereto.

A motion was made by Joseph Horak that last years appropriation of \$15,000 be vetoed and \$5,000 be appropriated and the Park Commissions be instructed to fix up the clay courts and keep them properly maintained. Motion to amend was defeated and the Warrant Committee's recommendation was voted.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Total Recommended":

1. Observances of Holidays to be administered by the Board of Selectmen		
Memorial Day	\$ 1,400.00
Fourth of July	725.00
Veteran's Day	250.00
Christmas Lighting	360.00
Total	\$ 2,735.00
2. Park Department to be administered by the Board of Park Commissioners		
Salaries & Wages	\$104,589.00
Expenses	19,709.00
New Equipment	5,692.00
Special Items	5,900.00
Capital Outlay	5,000.00
Fish Stocking	2,400.00
Handicapped	6,700.00
Recreation for Elderly	4,500.00
Kelly Field	10,000.00
Total	\$164,490.00

MARCH MEETING

3. Youth Program, to be administered by the Board of Selectmen

Salaries & Wages	\$ 27,863.00
Expenses	10,025.00
Total	\$ 37,888.00

GRAND TOTAL	\$205,113.00
-------------	-----------	--------------

Items enumerated within the totals set forth above shall be treated as segregated. Departments are hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

ARTICLE 16. To see what sum of money the Town will vote to appropriate for the eighteen month period beginning January 1, 1973 for the departments classified as Public Service Enterprises; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Total Recommended":

Cemetery

[illegible]

and that to meet said appropriation the sum of \$181,908 be raised from the tax levy of the current year and the balance of the appropriation \$64,982 be transferred from available funds as of December 31, 1972 as follows:

Proceeds from the sale of burial rights	\$ 18,170.00
Income on cemetery perpetual care fund	46,812.00

Water

[illegible]

GRAND TOTAL	\$910,160.00
-------------	--------------

and that the Board of Selectmen acting as Water Commissioners be authorized to expend this appropriation in accordance with Chapter 307 of the Acts of 1902 and Acts in amendment thereof; and that to meet such appropriation the sum of \$534,379 be raised

MARCH MEETING

from the tax levy of the current year and that \$128,891 be transferred from the Water Department surplus as of December 31, 1972.

Items enumerated within the Departmental totals set forth above shall be treated as segregated. Each Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment and to sell junk, metal, cast iron and similar material and discarded meters, whether dismantled or not, in the usual course of its operations to furnish additional funds for the purchase of replacement items. Out-of-State travel is for necessary expenses of officers and employees of the Departments incurred outside the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Departments. (G.L. Ch. 40, Sec. 5-34).

ARTICLE 17. To see what sum of money the Town will vote to appropriate for the support of Schools for the eighteen month period beginning January 1, 1973, and to act on anything relating thereto.

VOTED: That the Town appropriate the amount shown in the following tabulation under the head, "Total Recommended":

Schools:

[illegible]

and that to meet said appropriation the sum of \$7,692,980 shall be raised from the tax levy of the current year and the balance of the appropriation \$37,945 shall be transferred from available funds in the Federal Grant (P. L. 874) to Public Schools Account.

Items enumerated within the Departmental totals set forth shall be treated as segregated. The Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment. Out-of-state travel is for necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Department (G. L. Ch. 40, Sec. 5-34).

ARTICLE 18. To see what sum of money the Town will vote to appropriate for Evening Practical Art Courses under the provisions of General Laws Chapter 74, Section 14 for the eighteen month period beginning January 1, 1973; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Total Recommended":

Evening Practical Art Courses	\$ 22,000.00
---	--------------

ARTICLE 19. To see what sum of money the Town will vote to appropriate for the transportation of pupils to and from school for the eighteen month period beginning

MARCH MEETING

January 1, 1973, said sum to be administered by the School Committee; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Total Recommended":

Transportation of Pupils to and from School	\$372,110.00
---	--------------

ARTICLE 20. To see what sum of money the Town will vote to appropriate for the purpose of supplying clinical services for emotionally disturbed children of Milton through the South Shore Mental Health Association, such sum of money to be administered by the School Committee; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading "Total Recommended":

Clinical Services for Emotionally Disturbed Children of Milton	\$ 9,200.00
---	-------------

ARTICLE 21. To see if the Town will vote to amend Chapter 6 of the General Bylaws of the Town by adding a new section as follows:

SECTION 33 – No person shall break or dig up the ground in any street or sidewalk for any purpose whatever nor construct a driveway in such a manner as to cause vehicles leaving or entering said driveway to pass over a public sidewalk, tree lawn or shoulder without first obtaining from the Board of Selectmen a permit, which permit may provide limitations, conditions or restrictions on the size and location of the opening or curb cut.

VOTED: That the Town vote "YES." Boston, Mass. May 24, 1973

The foregoing amendment to Chap. 6 adopted under Art. 21 approved by Attorney General.

ARTICLE 22. To see if the Town will vote to accept the provisions of General Laws, Chapter 40, Section 22d which authorizes the traffic commission to adopt regulations to permit the towing away of vehicles illegally parked, and to act on anything relating thereto.

VOTED: That the Town vote "YES".

The Moderator declared a twenty minute recess at 4:05 P. M. and reconvened at 4:25 P.M.

ARTICLE 23. To see if the Town without the assessment of betterments and without making an appropriation will vote to accept the following streets as Town Ways, as laid out by the Selectmen:

Parkwood Drive (from Hillside Street to Brierbrook Street)

Pond Street (from Public portion 252 feet easterly to Private Land)

and to act on anything relating thereto.

MARCH MEETING

March 10, 1973

As required by Chapter 40A, C. Mitchell Draper, Jr., Chairman of the Planning Board submitted the following report:

Planning Board Report – Article 23

The Planning Board held a public hearing on January 18, 1973 and on a subsequent vote unanimously approved the acceptance of the following streets as Town Ways without the assessment of betterments:

Parkwood Drive (from Hillside Street to Brierbrook Street
Pond Street (from Public portion 252 feet easterly to Private land).

MILTON PLANNING BOARD

C. Mitchell Draper, Jr., Chairman

VOTED: That the Town vote "YES".

ARTICLE 24. To see if the Town will vote to accept a gift from Mr. Charles P. Edwards to the Milton Cemetery of \$500.00 the income thereof to be used for the placing of flowers or decorations for Memorial Day and Christmas on Lot #3705 in said Cemetery; and to act on anything relating thereto.

VOTED: That the Town vote "YES."

ARTICLE 25. To see if the Town will petition the Massachusetts Legislature for enactment of the following special act authorizing the Town of Milton to establish a Department of Public Works substantially as follows:

SECTION 1 – Notwithstanding any provision of Section 21 of Chapter 41 of the General Laws or any other provision of law to the contrary, there shall be established in the town of Milton a board of public works, hereinafter called the board, consisting of the three members of the board of selectmen, who shall continue to be elected annually and shall serve for terms of one year. The board shall have all the powers and duties now or from time to time vested in or exercised presently by the board of selectmen acting as water commissioners, sewer commissioners, highway surveyors and road commissioners and shall continue to appoint the tree warden. The board shall have such added powers with respect to public works, property and facilities as the town may from time to time, by bylaw or by vote of the town provide, notwithstanding any other provision of law to the contrary.

SECTION 2 – The board shall appoint a director of public works, whose qualifications, term, powers and duties shall be determined and prescribed by the board and who shall be responsible to said board. He shall not be subject to the civil service laws and rules. The board shall appoint such other personnel including a superintendent of highways, tree warden, town engineer, director of planning, superintendent of forestry, superintendent of central maintenance, and such other divisional superintendents or assistants to the director of public works as may be authorized by vote of the town meeting, and shall have authority to determine and prescribe qualifications, terms, powers and duties of such personnel. The aforesaid positions shall not be subject to civil service laws and rules.

MARCH MEETING

SECTION 3 – There shall be transferred to and consolidated into said department of public works the central maintenance department, engineering department, forestry department, highway department, planning department, sewer department and water department. All employees of these departments shall immediately upon the effective date of this act be transferred to the department of public works without loss of pay and without loss of rights under the civil service laws and rules, and shall not lose under this change or transfer any seniority, retirement or pension rights, or any other rights or privileges under law. Upon the effective date of this act all employees so transferred will be classified with public works department job titles comparable to present department titles and may be required to work, when assigned, within any division of the public works department. All employees of the department who are subject to the civil service laws shall be eligible for promotion within any division of the public works department.

SECTION 4 – The board may upon the request of any other board, department or committee of the town perform maintenance, construction and/or purchasing for such other department.

VOTED: That the Town vote “YES”. Approved August 2, 1973

ARTICLE 26. To see if the Town will vote to petition the General Court to enact legislation whereby Peter K. Doyle shall be deemed to have met the minimum standards for visual acuity established under civil service law for the appointment of police officers for the Town of Milton provided his visual acuity is correctable to 20/20 in each eye by the use of eye glasses or contact lenses; and to act on anything relating thereto.

VOTED: That the Town vote “YES”.

ARTICLE 27. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, by inserting therein the following:

SECTION 11.C – Youth Department

1. A Town Youth Department is hereby established.
2. The head of the Youth Department shall be the Youth Coordinator who shall be appointed annually by the Board of Selectmen.

and to act on anything relating thereto.

VOTED: That the Town vote “YES”.

ARTICLE 28. To see if the Town will vote to accept Section 8D of Chapter 40 of the General Laws which authorizes the establishment of an historical commission; and to act on anything relating thereto.

VOTED: That the Town vote “YES”; that there be and hereby is established under the provisions of General Laws, Chapter 40, Section 8D, the Milton Historical Commission for the purposes and with the rights and duties provided by law, to be composed of seven members appointed by the Selectmen for terms of three years except that initial appointments shall be two members for one year, two members for two years and three members for three years.

MARCH MEETING

ARTICLE 29. To see if the Town will vote to rescind its acceptance of General Laws, Chapter 41, Section 82 which created a Town Art Commission, there being no present members.

VOTED: That the Town vote "YES".

UNANIMOUS VOTE

ARTICLE 30. To see if the Town will vote to petition the Massachusetts Legislature to enact legislation enabling the Board of Selectmen to appoint the four members of the Milton Housing Authority notwithstanding the provisions of General Laws, Chapter 121B, Sections 3 and 5, and to act on anything relating thereto.

VOTED: That the Town vote "YES", but no such authority shall be made until the need for a housing authority has been determined by vote of a special or annual Town Meeting.

ARTICLE 31. To see if the Town will vote to authorize the Board of Selectmen to purchase for the promotion and development of natural resources and for the preservation of open space a certain parcel of land at the Southwesterly corner of Randolph Avenue and Hillside Street containing 10,647 square feet and being shown as Lot 1 on a plan entitled "Plan of Land (corner of Randolph Avenue and Hillside Street) Milton, Massachusetts" dated December, 1972 by Lawrence W. DeCelle, Jr., Town Engineer which plan is on file at the Office of the Town Engineer; to appropriate money to acquire said parcel; and to act on anything relating thereto.

VOTED: That the Town vote "NO".

ARTICLE 32. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to sell or lease, upon such terms as the Selectmen may determine, a parcel of land with the buildings thereon situated at 36 Central Avenue, Milton, containing approximately 23,000 square feet of land and shown on a plan entitled "Old Police Station Land" dated December 1972 by Lawrence W. DeCelle, Jr., Town Engineer, which plan is on file at the office of the Town Engineer, and to act on anything relating thereto.

Robert Culver made a motion to amend the recommendation by adding the following sentence "Sell by advertised sealed bids with the right of the Selectmen to accept or reject any or all offers". On a standing vote YES---98 NO---150 the motion to amend was lost.

VOTED: That the Town vote "NO".

A motion was made and seconded that the Town Meeting be adjourned until next Monday night at 7:30 P.M. The Moderator, Robert K. Lamere, adjourned the meeting at 5:55 P.M. Mr. Linehan asked for a rising vote of thanks to Francis F. Brooks who had completed 15 years as Selectman.

7:35 P.M. Monday, March 12, 1973 The Moderator called the Meeting to order.

The Moderator recognized John Linehan, Chairman of the Board of Selectmen, who made a motion to reconsider Article 32. This motion was seconded. On a standing vote of YES---171 NO---61 the motion to reconsider was accepted, and the vote was as follows:

VOTED: That the Town vote "YES" and to sell by advertised sealed bids with the right of the Selectmen to accept or reject any or all offers.

MARCH MEETING

ARTICLE 33. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or gift or take by eminent domain for school purposes a parcel of land containing 44 acres, more or less, with frontage on Gile Road, shown on a plan entitled, "High School Land Acquisition, Gile Road", dated November 1972 by Lawrence W. DeCelle, Jr., Town Engineer, which plan is on file at the Office of the Town Engineer; to appropriate a sum of money therefor and determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise, and, if by borrowing, to authorize the issuance of obligations of the Town therefor under any applicable provision of law; and to act on anything relating thereto.

VOTED: That the Town vote "NO." on a standing vote of
YES---81 NO---150

ARTICLE 34. To see if the Town will vote to authorize the Moderator to appoint a Committee of five citizens to employ the services of an architect to prepare preliminary plans, specifications and cost estimates for a new three year high school for 1,250 students, more or less, on land now owned or to be acquired by the Town; said committee to employ the services of professional consultants as it shall deem advisable and to report in writing to the Selectmen no later than October 2, 1973; and to see what sum of money not to exceed \$40,000 the Town will vote to appropriate for the use of said committee; to determine how said appropriation shall be raised; and to act on anything relating thereto.

VOTED: That the Town vote "NO."

ARTICLE 35. To see if the Town will vote to amend Chapter 7 of the General Bylaws of the Town known as the Building Code by inserting at the end of Section 1. E. 5 the words:

"No swimming pool shall be erected or constructed within 12 feet of any existing building nor within 8 feet of the boundary lines of any lot."

and to act on anything relating thereto.

VOTED: That the Town vote "YES." Boston, Mass. May 24, 1973

The foregoing amendment to Chap. 7, known as the Building Code, adopted under Article 35 approved by Attorney General.

ARTICLE 36. To see if the Town will vote to amend Chapter 10 of the General Bylaws, known as the Zoning Bylaws, by inserting a new subsection (d) in Section III B. 1 and relettering the subsequent subsections:

(d) The parking, storing or maintaining on any lot of a house trailer, camper, motor home, tent trailer, mobile home or similar vehicle within the area between the front line of the principal building and the street line unless said vehicle is garaged. Such vehicle shall be screened from view from any public or private way and shall not be occupied as living quarters while it is so parked, stored or maintained; and to act on anything relating thereto.

March 10, 1973

As required by Chapter 40A, C. Mitchell Draper., Jr. Chairman of the Planning Board submitted the following report:

Planning Board Report – Article 36

MARCH MEETING

The Planning Board held a public hearing on January 18, 1973 and on a subsequent vote opposed the amendment to Chapter 10 of the General Bylaws known as the Zoning Bylaws. re: the parking, storing or maintaining on any lot of a house trailer, camper, motor home, tent trailer, mobile home or similar vehicle within the area between the front line of the principal building and the street line unless said vehicle is garaged.

MILTON PLANNING BOARD

C. Mitchell Draper, Jr., Chairman

VOTED: That the Town vote "NO."

ARTICLE 37. To see if the Town will vote to petition the General Court of Massachusetts to grant tenure of office to Joseph G. Graziani, Jr., Treasurer of the Town of Milton, and to act on anything relating thereto.

VOTED: That the Town vote to petition the General Court of Massachusetts to grant tenure of office to Joseph G. Graziani, Jr., Treasurer of the Town of Milton to hold said office during good behavior until he reaches the age of 70, unless incapacitated by physical or mental disability from performing the duties thereof, but he may be removed therefrom for cause after hearing in the manner provided by Section 43 of Chapter 31, of the General Laws.

PASSED ON A ROLL CALL VOTE YES——123 NO——114

Subsequently reversed by Referendum on April 10, 1973

ARTICLE 38. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, as follows:

By striking out the section "Position Identification by Grade, Department and Municipal Division" and also the section "Position Classification-Schedule of Rates" and inserting in place thereof two new sections as follows:

ARTICLE 39. To see if the Town will vote to authorize the Board of Selectmen to appoint a committee of five citizens to consider an appropriate memorial to the Milton Servicemen who have made the supreme sacrifice for their country during World War II, the Korean War, and the Vietnam War, said committee shall contain at least one veteran of the above mentioned wars and shall report back to the Board of Selectmen by October 31, 1973; and that the sum of \$100 shall be appropriated to meet the expenses of the committee.

MARCH MEETING

The above Article was submitted by the following:

Joseph G. Graziani, Jr., 46 Houston Ave., Milton
M. Joseph Manning, 583 Adams Street, Milton
Paul D. Williams 69 California Avenue, Milton
Daniel J. O'Leary, 11 Hillcrest Road, Milton
Stephen F. Montani, 26 Rose Street, Milton
Robert F. Donahue, 54 Fairbanks Road, Milton
William H. White, 75 Fairbanks Road, Milton
Theodore S. McHardy, 463 Pleasant Street, Milton
John F. Leahy, 44 Gordon Road, Milton
Francis B. Mersch, 21 Waldeck Road, Milton

VOTED: That the Town vote "YES but that the Committee be appointed by the Moderator and that no appropriation be made.

COMMITTEE

John M. O'Donnell, Chrm., 418 Brook Road
Jeremiah F. Galvin, 54 Thompson Lane
Frank W. Cappers, Jr., 40 Lyman Road
Alfred W. Hayes, 96 Houston Avenue
Edward L. Schnaper, 69 Pagoda Circle

ARTICLE 40. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to study the feasibility of constructing a skating facility in the Town of Milton and to report in writing to the Selectmen no later than September 25, 1973 and to see what sum of money the Town will vote to appropriate for the use of said committee; and to act on anything relating thereto.

The above Article was submitted by the following:

Thomas J. Flatley, 170 Cabot Street, Milton
John T. Judge, 92 Sias Lane, Milton
James G. Ferrucci, 74 Whitelawn Avenue, Milton
Leo C. Desmond, Jr., 8 Chilton Park, Milton
Paul D. Williams, 69 California Avenue, Milton
Virginia M. Kennedy, 57 Elton Road, Milton
Donald J. Drain, 185 Gun Hill Street, Milton
Lewis E. Park, 91 Forest Street, Milton
Daniel P. Sweeney, 65 Governors Road, Milton
Robert C. Sweeney, 65 Governors Road, Milton

VOTED: That the Town vote "YES" and that no appropriation be made.

COMMITTEE

Thomas J. Flatley, Chrm., 170 Cabot Street
Leo C. Desmond, 8 Chilton Park
William A. Edwards, 44 Holmes Lane
William E. C. Eustis, 1452 Canton Avenue
James C. Ferrucci, 70 Whitelawn Road

ARTICLE 41. To see if the Town will vote to add, or amend the Zoning Bylaws, Chapter 10 of the General Bylaws, relative to regulating of unnecessary loud noises and pollution, and to specify by time and day when these will be unlawful and punishable by a fine.

The above Article was submitted by the following:

MARCH MEETING

James F. Henry, 60 Eliot Street, Milton
Frank J. Foley, 152 Eliot Street, Milton
Ann F. Foley, 152 Eliot Street, Milton
Bridget Nawn, 147 Eliot Street, Milton
Mary B. Grealy, 147 Eliot Street, Milton
John E. Powers, 62 Cliff Road, Milton
Cornelius J. Connolly, 155 Eliot, Street, Milton
Gerald Connolly, 155 Eliot Street, Milton
Margaret M. Galligan, 136 Eliot Street, Milton
James J. Galligan, 136 Eliot Street, Milton

VOTED: That the Town vote "NO."

ARTICLE 42. To see if the Town will vote to instruct the Town Government Study Committee to study the advisability of changes in the Warrant format to increase information to Town Meeting Members. The study will include but shall not be limited to a format including:

1. Comparative departmental expenditures for three prior years.
2. Current requests and recommendations.
3. Salary totals and number of employees in each occupation title.
4. Date budget was received by the Warrant Committee.
5. Name of board or committee filing an article.

The study committee shall submit recommendations in time for use in the warrant of the next annual meeting.

The above Article was submitted by the following:

Aldo Feroli, 7 Horton Place, Milton
Harold Robinson, 15 Hazel Street, Milton
William F. Hayer, 24 Heritage Lane, Milton
John V. Callahan, 23 Plymouth Avenue, Milton
John J. Herrity, 1220 Brook Rd., Milton
Waino Kauranen, 73 Sassamon Avenue, Milton
Robert C. Hannon, 4 Mathaurs Street, Milton
A. A. MacDonald, 32 Nahanton Avenue, Milton
Dean L. Graves, 173 Adams Street, Milton
Edward Mashrick, 37 Century Lane, Milton

VOTED: That the Town vote "NO."

ARTICLE 43. To see if the Town will vote to instruct the Board of Selectmen to prepare a preliminary listing of articles in the Warrant for distribution in January to all Town Meeting Members and available to the public at the Town Office Building.

The above Article was submitted by the following.

Aldo Feroli, 7 Horton Place, Milton
Harold Robinson, 25 Hazel Street, Milton
William F. Hayer, 24 Heritage Lane, Milton

MARCH MEETING

John V. Callahan, 23 Plymouth Avenue, Milton
John J. Herrity, 1220 Brook Road, Milton
Waino Kauranen, 73 Sassamon Avenue, Milton
Robert C. Hannon, 4 Mathaurs Street, Milton
A. A. MacDonald, 32 Nahanton Avenue, Milton
Dean L. Graves, 173 Adams Street, Milton
Edward Mashrick, 37 Century Lane, Milton

VOTED: That the Town vote "NO".

ARTICLE 44. To see if the Town will vote to increase the term of office of each Selectman from one year to three years and to accomplish said proposal by instructing the Town Government Study Committee to recommend as appropriate article for the next annual Town Meeting, and to act on anything relating thereto.

The above Article was submitted by the following:

Aldo Feroli, 7 Horton Place, Milton
Harold Robinson, 25 Hazel Street, Milton
William F. Hayer, 24 Heritage Lane, Milton
John J. Herrity, 1220 Brook Road, Milton

Joseph C. Smith, 121 Governors Road, Milton
Guy J. Cercone, 27 Bates Road, Milton

VOTED: That the Town vote "NO".

ARTICLE 45. To see if the Town will vote to change the date of the Annual Town Meeting from the month of March to the month of April as authorized by the provisions of Chapter 39, Section 9 of the General Laws, and to act on anything relating thereto.

The above Article was submitted by the following:

Aldo Feroli, 7 Horton Place, Milton
John V. Callahan, 23 Plymouth Avenue, Milton
John J. Herrity, 1220 Brook Road, Milton
Waino Kauranen, 73 Sassamon Avenue, Milton
Robert C. Hannon, 4 Mathaurs Street, Milton
A. A. MacDonald, 32 Nahanton Avenue, Milton
Dean L. Graves, 173 Adams Street, Milton
Edward Mashrick, 37 Century Lane, Milton
Joseph C. Smith, 121 Governors Road, Milton
Guy J. Cercone, 27 Bates Road, Milton

VOTED: That the Town vote "NO".

MARCH MEETING

ARTICLE 46. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt for the eighteen month period beginning January 1, 1973; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Total Recommended":

[illegible]

and that to meet said appropriation the sum of \$15,446 be transferred from School Building Needs Committee Account and that the balance of said appropriation \$805,064 be raised from the tax levy of the current year.

ARTICLE 47. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures for the eighteen month period beginning January 1, 1973 and to apply from Overlay Reserve such amount as the Town shall determine to meet in whole or in part such appropriation; and to act on anything relating thereto.

VOTED: That the sum of \$120,000 be appropriated and that to meet said appropriation the sum of \$115,767 be raised from the tax levy of the current year and the balance of the appropriation \$4,233 be transferred from the Overlay Reserve.

The Meeting was dissolved at 11:35 P.M.

GRACE M. COLES
Town Clerk

Re: Amendment to the General Bylaws, Chapter 6, passed at the Annual Town Meeting held March 10, 1973 and approved by the Attorney General May 24, 1973. Amendment to the General Bylaws adopted under Article 21 of the Warrant at the Annual Town Meeting held March 10, 1973, was sent to the Attorney General on April 13, 1973, and as of May 24, 1973 was approved by the Attorney General.

Re: Amendment to Chapter 7 of the General Bylaws, known as the Building Code, passed at the Annual Town Meeting held March 12, 1973 and approved by the Attorney General May 24, 1973. Amendment to Chapter 7, known as the Building Code, adopted under Article 35 of the Warrant at the Annual Town Meeting held March 12, 1973, was sent to the Attorney General on April 13, 1973, and as of May 24, 1973, was approved by the Attorney General.

No Bylaw becomes effective until after the approval of the Attorney General and publication as provided by G. L. (Ter. Ed.) Chap. 40, Sec. 32.

As of June 6, 1973 the Bylaw changes have been published in a town pamphlet, copies of which have been posted in public places in each precinct of the town. Therefore as of June 6, 1973, the Bylaw changes are in effect.

SPECIAL TOWN MEETING

SPECIAL TOWN MEETING

APRIL 10, 1973

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the several designated polling places in their respective Precincts in said Milton, to wit:

- | | |
|-----------------|---|
| In Precinct 1. | Tucker School Hall,
Blue Hills Parkway, |
| In Precinct 2. | Basement Kidder Branch,
Milton Public Library, Blue Hills Parkway, |
| In Precinct 3. | Police Station, Central Avenue, |
| In Precinct 4. | Basement Playroom, rear of Pierce
Elementary School, Gile Road, |
| In Precinct 5A. | Gymnasium, Pierce Junior High School,
Gile Road, |
| In Precinct 5B. | Gymnasium, Pierce Junior High School,
Gile Road, |
| In Precinct 6. | Gymnasium, Cunningham Junior High School,
Edge Hill Road, |
| In Precinct 7. | St. Agatha's Auditorium, Adams Street |

on Tuesday, April Tenth next, at two o'clock in the afternoon then and there to vote upon the question involved in the vote of the Town in Representative Town Meeting held March 10, 1973, under Article 37 of the Warrant for said meeting said question when finally presented to said meeting being substantially, in language and form as follows:

QUESTION UNDER ARTICLE 37

Shall the Town vote to petition the General Court of Massachusetts to grant tenure of office to Joseph G. Graziani, Jr., Treasurer of the Town of Milton, to hold said office during good behavior until he reaches the age of 70, unless incapacitated by physical or mental disability from performing the duties thereof, but he may be removed therefrom for cause after a hearing in the manner provided by Section 43 of Chapter 31, of the General Laws?

YES _____

NO _____

The polls will be open from two o'clock to eight o'clock P.M.

SPECIAL TOWN MEETING

And you are directed to warn said inhabitants qualified as aforesaid to meet at the time and places, and for the purposes herein mentioned, by posting attested copies of the Warrant in each of the post offices of said Town seven days before said Tenth of April and leaving printed copies thereof at the dwelling houses in said Town at least four days before said date.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said Tenth of April, next.

Given under our hands at Milton, the Twenty-second day of March Nineteen hundred and Seventy-three.

(Signed) John P. Linehan
Ralph L. Kent
James D. Colt

April 3, 1973

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the times and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on April 3, 1973.

(Signed) John E. Whearty
Constable of Milton

The Warrant, including report of the Warrant Committee and Recommendations on the Article in the April 10, 1973 Special Town Meeting Warrant, was posted in the Post Offices at East Milton and at Milton Village on April 3, 1973, and was filed in the Town Clerk's Office on April 6, 1973, The Warrant was delivered to the homes of the inhabitants on April 5, 1973.

For these purposes, the polls were opened at each and all of the said Precincts at Two o'clock in the afternoon and were closed at eight o'clock in the evening.

QUESTION: Shall the Town vote to petition the General Court of Massachusetts to grant tenure of office to Joseph G. Graziani, Jr. Treasurer of the Town of Milton to hold said office during good behavior until he reaches the age of 70, unless incapacitated by physical or mental disability from performing the duties thereof, but he may be removed therefrom for cause after a hearing in the manner provided by Section 43 of Chapter 31, of the General Laws?

On May 30, 1973 the Moderator appointed Walter A. Dennis, Jr., 1006 Canton Avenue, as Chairman of the Personnel Board of the Town of Milton for a period of one year until 1974.

On May 30, 1973, the Moderator appointed Francis P. McDermott, 3 Wyndmere Road, as a member of the Personnel Board of the Town of Milton for a period of five years until 1978.

On August 30, 1973, the Moderator appointed Charles F. Barrett, 114 Woodland Road to serve as a member of the Board of Appeals to fill the vacancy caused by the resignation of Edward C. Johnson 2d, and to serve for a period of one year until 1974.

On September 24, 1973, the Moderator appointed Harriett O. Nelson, 4 Stoddard Lane, as a member of the Town Government Study Committee to fill the vacancy caused by the resignation of Paul C. Girouard and to serve for the balance of two years of his unexpired term.

On September 24, 1973, the Moderator appointed James D. Fitzgerald, 646 Canton Avenue, as a member of the Personnel Board to fill the vacancy caused by the resignation of J. David Fine and to serve until the final adjournment of the 1976 Annual Town Meeting.

On December 11, 1973, the Moderator appointed John L. Woods, Sr. 72 Reservation Road, as a member of the Committee authorized under Article 1 of the Warrant for the

APPOINTMENTS MADE BY THE MODERATOR IN 1973

November, 1969, special Town Meeting, Standing Committee on Housing, to fill the vacancy caused by the resignation of William E. Albers and to serve for the remainder of the unexpired term of Mr. Albers until 1975.

On December 11, 1973, the Moderator appointed Dean M. Boylan, 1063 Metropolitan Ave., as an Associate Member of the Board of Appeals of the Town of Milton to fill the vacancy caused by the resignation of Charles F. Barrett as an Associate Member upon his appointment as a member of the Board of Appeals and to serve for the remainder of the one year unexpired term of Mr. Barrett as an Associate Member.

Memorial Day Parade.

The new choral group of the Milton Senior Citizens Club, directed by Baron Hugo, entertains at the Veterans' Day Celebration in front of the Town Office Building.

REPORTS OF SPECIAL COMMITTEES

PERMANENT INSURANCE ADVISORY COMMITTEE

REPORT OF PERMANENT INSURANCE
ADVISORY COMMITTEE

To the Honorable Board of Selectmen:

The Town of Milton insurance program continues in very satisfactory condition. In the opinion of this Committee, the Town has been able to obtain adequate protection at reasonable costs.

Despite substantial increases in payroll, the Town has been able to hold down the cost level of Workmen's compensation coverage, largely because of improved loss experience resulting in a reduction in the experience modification.

The anniversary date of the three-year Property policy covering Town buildings and their contents has been extended by six-months, essentially because of the new eighteen-month budgeting cycle. If the market for this coverage continues in its current condition, we may expect substantial savings in the cost of this coverage when we negotiate for renewal effective July 1, 1974. Based on an appraisal of Town buildings in 1972, we have adjusted the limits on the Property policy to reflect the increased values. At the same time, the policy has been adjusted to provide appropriate coverage for the new Police Station.

During the year the Committee completed a feasibility study concerning the appropriateness of self-insuring the Workmen's compensation coverage. Based on that study, the Board has decided to continue on an insured basis. The Committee also analyzed competitive bids submitted on the Town's Group Insurance program in order to assist the Board in deciding upon the appropriate carrier to be selected for this contract.

Following Committee policy of sharing responsibilities among various Committee members, Bruce B. Alexander turned over the Chairmanship to Michael B. O'Toole.

Respectfully submitted,

Michael B. O'Toole, Chairman
Bruce B. Alexander
Daniel F. X. Davis

COMMITTEE ON ELDERLY AFFAIRS

COMMITTEE ON ELDERLY AFFAIRS

January 23, 1974

To the Honorable Board of Selectmen:

The Committee on Elderly Affairs is pleased to submit its second report.

The Committee attended the following meetings: 6 at the Milton Hospital, which were very worthwhile as a great many knowledgeable and interested persons attended; 2 each at Natick and Cohasset with the State Dept. of Elder Affairs; 1 at the Needham Senior Center, 1 at Braintree with the Inter-Agency Council of the South Shore, and several at the Hingham Community Center to discuss the needs of the elderly of Area III, which comprises Braintree, Cohasset, Hingham, Hull, Milton, Quincy, Randolph, Scituate, and Weymouth.

The Committee's Index File was used by—the Milton Taxi Company to send discount cards to Milton's elderly—by the Visiting Nurse Association to list persons 65 and older who are living alone—and by many senior citizens to send out 4475 Elderly Housing Questionnaires. The Committee wishes to thank all the generous and thoughtful senior citizens who helped in the survey, addressing, filling, and mailing envelopes, and upon receipt of the 1535 replies, recording and evaluating them. The Committee further wishes to commend the Visiting Nurse Association for its very efficient handling of the Health and Flu Clinics, and its wonderful consideration for the welfare of Milton Senior Citizens.

The Committee is still in the process of producing booklets listing available resources for senior citizens.

As of December 31, 1973, there were 6321 persons 60 years or older listed in the Files.

Respectfully submitted

ALICE E. COUGHLAN, Chairman
ERNEST F. CHUTE
ANTONNETTE FINIZIO
NANCY CHASE
CHARLES HACKLEY

COMMITTEE ON HOUSING

COMMITTEE ON HOUSING

January 6, 1973

To the Honorable Selectmen
Town of Milton
Milton, Mass.

Gentlemen:

The Standing Committee on Housing met several times during the spring of 1973 to help formulate a questionnaire to be sent to the elderly in Milton. It was part of a program aimed at obtaining additional information on the needs of our elderly in the area of housing.

The Committee was informed that the Home Rule petition seeking the right to appoint a Housing Authority in the Town of Milton, rather than the usual elected one, as required by the law, had passed through both houses of the Legislature, but that it had been vetoed by the Governor. The Committee regrets this action by Governor Sargent. It must be remembered that the appointed Housing Authority would only have come into being at such time that the Town Meeting felt it to be necessary.

In December, 1973, Mr. William E. Albers, chairman of the committee, resigned because of illness. The Moderator appointed Mr. John Woods to the Committee, and named Mr. David S. Goldman as chairman. The Committee wishes to thank Mr. Albers for his leadership and his devotion to the Committee's work during his term in office.

In late December, simultaneously with Mr. Goldman's appointment as chairman, the Committee was asked to give an opinion on the advisability of the establishment of an *elected* Housing Authority by the Town Meeting of 1974.

After several meetings in the past two weeks, the Committee decided unanimously that the Housing Authority *seemed* to be the proper vehicle through which the Town could solve its problems for both elderly and low-income housing.

However, many questions remained unanswered, and due to the limited amount of time available to the committee for proper research, it was felt that it would be best to wait another year, during which more definitive information might be available to the Committee before it reached its final decision.

Among the questions with which the Committee was concerned were:

1. The scope of the problem of elderly and low-income housing.
A complete working analysis of the questionnaire sent out this past summer is not yet available.
2. The members of the Committee were not familiar enough with the vast powers of a Housing Authority, and it was felt that more time was needed for research and study.
3. The Master Plan now being formulated by the Planning Board will not be ready until after Town Meeting, and the Committee felt that it should wait until it was published before making any decisions.
4. There are serious judicial decisions pending relative to the so-called "snob zoning law" which the Committee felt would be helpful in making its own decision.

COMMITTEE ON HOUSING

The Committee recognizes its obligation to study this very serious problem of whether or not an elected Housing Authority is right and good for the Town of Milton, and understands that it must make a decision, one way or the other, before the Town Meeting of 1975.

Respectfully submitted,

DAVID S. GOLDMAN, Chairman
EDITH BRADLEY
SUSAN B. CABOT
J. WILLIAM DOLAN, M.D.
JOHN WOODS

REVOLUTIONARY WAR BICENTENNIAL CELEBRATION
COMMITTEE

January 29, 1974

To the Honorable Board of Selectmen:

The Committee to plan the celebration of the 200th Anniversary of the American Revolution continued this year under the able guidance of Kenneth Lodge, Chairman, appointed by the Selectmen to replace Charles R. Morris. The Committee members are: Edward Baker, Elizabeth R. Colt, Secretary, Michael J. Cummings, Edward Duffy, William P. Melley, Jr., Arthur W. Monks, Theodore S. Pina, Kenneth Recanzone, Richard Ryan and Herbert Stokinger.

The Committee has been planning the schedule of events that will start with our celebration of the signing of the Suffolk Resolves in Milton, September 9, 1774. Mr. Lodge has been in close communication with the Selectmen and the Warrant Committee. Our Committee has met four times since Mr. Lodge became the Chairman, and we have discussed the details of this celebration which we want to be worthy of and a credit to this outstanding community of Milton, Massachusetts.

Respectfully submitted,
Bicentennial Committee
Kenneth Lodge, Chairman
Elizabeth R. Colt, Secretary
Michael Cummings
William P. Melley, Jr.
Arthur W. Monks

REPORT OF THE VOCATIONAL REGIONAL SCHOOL DISTRICT
PLANNING COMMITTEE

REPORT OF THE VOCATIONAL REGIONAL SCHOOL DISTRICT
PLANNING COMMITTEE

January 31, 1974

To the Honorable Board of Selectmen:

As reported in the 1972 Milton Town Report, the Vocational Regional School District Planning Committee has joined with similar three member committees from the towns of Hull, Hingham and Weymouth to form a Regional School District Planning Board in accordance with the provisions of Section 14 of Chapter 71 of the General Laws. This board has met regularly twice a month for most of the past year to continue the study of the needs for vocational and career education in the areas and to determine an optimum delivery system.

The board has been ably assisted by a professional task force consisting of a representative of the superintendent of schools from each of the four communities. This task force meets regularly with the Regional Planning Board, frequently with the superintendents and generally acts as a professional advisory group. Through the efforts of the task force additional funds were secured from the Massachusetts Department of Education first to secure the services of G & E Consultants', Inc. who completed "An Initiatory Study on Alternative Regional Vocational Education Delivery Systems" and secondly to proceed with the detailed planning effort required for the formation of a Regional School District including the indepth study of 1 or possibly 2 delivery systems. The services of Educational Associates, Inc. have been retained for this phase of the program.

The progress, to date, has been most encouraging and probably results directly, unlike most regional situations, from the active support of the superintendents of schools and their staff from each of the communities. Up to now the Regional Planning Board has operated without any direct financial support from the towns but has received substantial grants from the Massachusetts State Department of Education and contributions of professional service from the communities sufficient for its needs. Barring unforeseen developments, no financial support will be necessary prior to the formation of the Regional School District.

The completed program for the formation of a Regional School District will be presented to each of the four communities for action at special town meetings. As the planning effort progresses, a realistic time table will evolve as well as all the necessary information to support the final recommendations of the board.

Respectfully submitted,

JOHN C. CROWLEY, School Committee Representative
COLETTE D. KNIGHT
HUGO W. SORGI

REPORT OF VETERAN'S MEMORIAL COMMITTEE

REPORT OF VETERAN'S MEMORIAL COMMITTEE

To the Honorable Board of Selectmen:

As provided in Article No. 39, voted at the Town Meeting of March 12, 1973, the Moderator appointed on May 10, 1973 a Committee of five citizens to consider an appropriate memorial to Milton Servicemen who have made the supreme sacrifice for their country during World War II, the Korean War, and the Viet Nam War.

The following persons were named to the Committee:

Jeremiah F. Galvin
54 Thompson Lane

Frank W. Cappers, Jr.
40 Lyman Road

Alfred W. Hayes
96 Houston Avenue

Edward L. Schnaper
69 Pagoda Circle

John M. O'Donnell
418 Brook Road

Mr. O'Donnell was requested by the Moderator to call the Committee together for organization.

On July 23, 1973, Mr. O'Donnell called the Committee together for an organizational meeting, which was held at the Post Quarters of Milton Post No. 114, The American Legion, 114 Granite Avenue. All members of the Committee were present. Mr. John M. O'Donnell was unanimously elected Chairman, and Mr. Jeremiah F. Galvin was unanimously elected Clerk.

In addition to the organizational meeting the Committee held three additional meetings to consider and deliberate the subject matter of Article No. 39.

All meetings were held at Post Quarters of Milton Post No. 114, The American Legion, 114 Granite Avenue, and we would like to express our thanks to Milton Post No. 114, The American Legion in granting us the gratis use of their facilities at which to meet.

As no funds were appropriated by the Town Meeting for Committee expenses there is no necessity to present a financial report.

At the several meetings varied possibilities were explored, considered and discussed, as proper and adequate memorials to honor Milton Servicemen.

Some of them were: —

1. Plaques to be erected in front of present Town Office Building.
2. Request for appropriation of funds at Town Meeting for establishment of scholarships.
3. Erection of suitable markers.
4. Designation of Turner's Pond Area as a specific memorial.
5. Designation of Town Office Building as a specific memorial.
6. Erection of granite monument or monuments to be suitably enscribed and designated as a memorial.

REPORT OF VETERAN'S MEMORIAL COMMITTEE

In the intervals between the several meetings the members of the Committee individually visited sites of various memorials in contiguous towns and cities reporting back to the membership both verbally and by photograph the results of their visits.

It was found that veteran's memorials in the communities visited varied greatly in type, size and scope.

For example, several Towns had memorials consisting of one or more granite shafts with appropriate inscriptions thereon, erected in small park like areas in front of town halls or high schools. In a few other instances, it was found that large athletic fields, or recreational areas have been designated in some municipalities as veteran's memorials.

As a result of their in depth discussions, exchange of ideas, their individual research of veteran's memorials in other municipalities, and taking into consideration the inflationary period which we are now in with resulting cost factors, it was the unanimous vote of the Committee to make the following recommendation to the Board of Selectmen: —

RECOMMENDATION

“That an article be inserted in the Warrant for the 1974 Town Meeting, providing that a semi-circular stonewall be erected near the flag pole in front of the Town Office Building and be dedicated as the VETERAN'S MEMORIAL, and that a suitable plaque or plaques be placed on the wall honoring all men and women of Milton who served their Country in the Armed Forces, and the sum of \$2,500.00 be appropriated to meet the expenses thereof, including landscaping.

The Board of Selectmen and Public Works Director have agreed to undertake the construction and landscaping work if the Town Meeting provides the appropriation. We expect that the two garden clubs will assist with plant selection and that the Tree Warden will attend to the planting.

Respectfully submitted,

JOHN M. O'DONNELL, Chairman
JEREMIAH F. GALVIN, Clerk
FRANK W. CAPPERS, JR.
EDWARD L. SCHNAPER
ALFRED W. HAYES

MILTON ICE RINK COMMITTEE

REPORT OF THE MILTON ICE RINK COMMITTEE

September 25, 1973

To the Honorable Board of Selectmen:

The Committee appointed by the Moderator as authorized under Article 40 of the 1973 Annual Town Meeting to study the feasibility of constructing a skating facility in the Town of Milton is pleased to submit its report.

The Committee has studied the time available at the Metropolitan District Commission, Milton Academy and various private rinks. We have investigated the demand for public and recreational group skating time by the Milton Youth Hockey, Milton Park Department, Milton School Department, CYO and other community groups.

While we have concluded that in Milton there is a sustained demand and need for ice time, at this time we are not recommending the construction of a new municipal skating rink for the following reasons:

1. There is a possibility of Curry College building their own rink in the near future.
2. Milton Academy has completely refurbished their rink and an extra twelve hours per week is presently being made available to Milton.
3. Legislation may be filed by a House Study Committee to assign management of the M.D.C. rinks and pools to the municipality in which they are located. Our Committee believes that the possibility of enlarging the Ulin Rink to meet our local needs may be the most economical method of providing additional ice time.

Our Committee is also concerned that the expense of available ice rental time is prohibiting some Milton youngsters from participating in the excellent, volunteer supervised, Milton Youth Hockey Program. We recommend that an appropriation be made to our Committee or the Milton Board of Park Commissioners in the amount of \$2,000 to provide direct grants to Milton Youth Hockey for the proportional cost of ice rental time for those youngsters who wish to participate but whose families cannot afford the cost.

We request that this Committee's life be extended to December 1, 1974 to allow us to continue our survey on demand time and availability of outside facilities to Milton within a reasonable distance and price.

Respectfully submitted,

Thomas J. Flatley, Chairman
Leo C. Desmond
William A. Edwards
William E. C. Eustis
James C. Ferrucci

MILTON HISTORICAL COMMISSION

MILTON HISTORICAL COMMISSION

January 26, 1974

Voted into existence at the March 1973 Town Meeting the Milton Historical Commission has had four meetings: on May 22, 1973, October 2, 1973, October 23, 1973, and December 4, 1973. Members present at some, or all, of the meetings were Charles R. Morris, Chairman; Mary E. Palardy, Eileen F. Chamberlain, Doctor Robert Fallon, Mr. Edward Shatz, Mr. Charles A. Powers, Jr., and Mr. Joseph Burley. Paul E. Molitor, Director of the Museum of the American China Trade, was a guest at the October 23rd meeting. All meetings were held at the Suffolk Resolves House, except the December 4th meeting which was held at the Museum of the American China Trade. The members of the Commission were guests of the Museum. At all meetings preliminary discussions have been underway. To date, the Commission has authenticated the historical background of the Amos Holbrook House, 203 Adams Street, acquired by the Museum of the American China Trade, and validated an application to have it placed on the National Register of Historic Places. The newly published booklet, "The Story of the Suffolk Resolves", has been copyrighted in the name of the Commission. The Commission has also taken a public stand on the proposed renaming of Blue Hill Avenue. Under the chairmanship of Mr. Joseph Burley investigations are underway leading to the possible moving of the "Powder House" to some public park-like area in the town. This will be the subject under consideration at the scheduled meeting of February 5, 1974, at the Suffolk Resolves House. Milton residents who have suggestions for future consideration of the Historical Commission are requested to send them (IN WRITING) to Charles R. Morris, Chairman, 179 School Street, Milton, Mass. 02187.

DEPARTMENT REPORTS

BOARD OF SELECTMEN

Report of the Board of Selectman

December 31, 1973

To the Citizens of Milton:

On March 3 Ralph L. Kent and John P. Linehan were reelected and James D. Colt was elected to fill the vacancy caused by the retirement of Francis F. Brooks who had served the Town ably and well over a period of 21 years. We are pleased that Selectman Brooks agreed to continue to serve the Town as our delegate to the Metropolitan Area Planning Council. He succeeded Benjamin R. Alexander who was a founding member of the Council.

1973 was a year of significant change and progress in Milton.

The Police Department moved into the new station at 40 Highland Street. We compliment Chairman Philip M. Horan, Jr. and the entire Building Committee on their architectural taste and the excellent layout of the new facility.

The old Police Station was sold to the highest bidder for a price of \$89,521, including taxes. These funds are now available for appropriation by the Town Meeting to improve school facilities or other capital projects.

The Street Lighting improvement program was continued. Because of the energy crisis and soaring power costs, new street lights in 1974 will be approved only where essential for public safety purposes.

The law reducing the age limit for the purchase and possession of alcoholic beverages from 21 to 18 has contributed to increased problems. Littering, drunkenness and vandalism plagued the Town and its residents this year. We have proposed two new Town Bylaws for the 1974 Town Meeting to consider, the passage of which will assist the Police in dealing with this problem.

1973 marked the formal consolidation of the Engineering, Forestry, Highway, Sewer and Water Departments into the Public Works Department. Chapter 570 of the Acts of 1973 which was enacted this fall concluded the efforts which the Selectmen, Town Government Study Committee, Personnel Board, Warrant Committee and Town Meeting started several years ago. We extend a special word of appreciation to the former Sewer and Water Commissioners and Tree Warden whose cooperation was essential to achieve this reorganization. Construction of the Central Maintenance Garage was completed in the fall and was in full operation by the end of the year.

We appointed the new Historic Commission this year and filled all vacancies on the Youth, Elderly Affairs and Bicentennial Committees and the Conservation Commission. The citizen participation of these and so many other Town Boards and Committees is a distinguishing characteristic between a New England Town and a City. Milton is fortunate to have so many dedicated citizens who volunteer their time to serve on these Boards and Committees.

An ad hoc Celebrations Committee was established by the Board to rekindle the community spirit in observing the Fourth of July, Memorial Day and Veteran's Day celebrations. The Committee's first effort, Veteran's Day, was a tremendous success. Our thanks are extended to Congressman Burke, the Milton School Bands, the Senior Citizens Choral Group, the American Legion and the dozens of others who helped with this celebration.

BOARD OF SELECTMEN

At a May joint meeting of the Planning Board and Board of Selectmen, Robert L. Hoy was elected to fill the vacancy on the Planning Board resulting from the resignation of Justice George N. Hurd, Jr.

The Master Plan review occupied a great deal of time this year. Early in 1974 additional hearings and meetings will be conducted by the Planning Board. The revised Master Plan will hopefully be a blueprint for the continued stability of Milton as an attractive residential community. We strongly urge all citizens of Milton to communicate their thoughts on this matter to the Planning Board.

In June the Board of Selectmen ordered the buildings on the Hoover Motors property razed to eliminate the hazard to children in the area and a lien has been placed on the property to recover the expense. The ultimate disposition of the property is pending before the Massachusetts Court of Appeals.

The Central Avenue Bridge is under construction and various public works improvements have been completed in the Central Avenue Business District. Additional improvements are scheduled for 1974 to all three of the business districts.

The Chickatawbut Hill controversy was resolved this year. The buildings and land which had been under lease to a private group for a juvenile delinquency center have now been returned to the Metropolitan District Commission for recreation and environmental education purposes.

Wollaston Golf Course in East Milton is now a Norfolk County recreation facility. This ends the threat to this beautiful tract of open space. As a result of the 1972 amendment to the Massachusetts Constitution this public parkland can never be diverted to a different purpose without a two-thirds roll call vote of both branches of the Legislature and the approval of the Governor. As Federal Funds were used in part for the acquisition, additional obstacles exist to any potential future threat to this property. It gives us great satisfaction to know that this property is now secure and we thank all those who have assisted us in achieving this goal.

The new Wollaston Golf Course is planned on a 156 acre site off Randolph Avenue in the former Cote and Russell property. A number of problems concerning a Special Permit under the Zoning Bylaw were resolved at year's end and a golf course architect has been retained to design the new golf course. Hearings for the required wetlands permits have been scheduled for February in 1974. We strongly believe that the construction of a new golf course in the center of Milton is highly desirable and will yield important benefits. An Article has been included in the 1974 Town Meeting Warrant which could lead to the granting of a Club Liquor License for the new golf club.

The Selectmen are seeking a declaratory judgment on the constitutionality of the residency requirements for the appointment of Police Officers. The Attorney General has ruled that Milton residents who pass the Civil Service test may not be given preference over non-residents, although the Massachusetts Civil Service Law allows such preference. We believe that this is an important matter not only on the principle of home rule but most importantly on our ability to recruit and train men who are familiar with our community and able to provide Milton with excellent police service. A favorable decision on this court case is anticipated early in 1974.

We thank the various officers and employees of the Town, the Boards, Committees and Commissions for their cooperation during 1973 and especially thank our Executive Secretary and the two Secretaries to the Board of Selectmen for their untiring efforts.

JOHN P. LINEHAN
RALPH L. KENT
JAMES D. COLT
Board of Selectmen

BOARD OF SELECTMEN

Collective Bargaining Agreements are signed by the Selectmen and Firefighters early in 1973 for the 18 month fiscal year.

The Town Government Study Committee this year continued its study on computer applications in the Town and the consolidated Public Works Department.

TOWN GOVERNMENT STUDY COMMITTEE REPORT

TOWN GOVERNMENT STUDY COMMITTEE REPORT

January 17, 1974

To the Citizens of the Town of Milton:

Chairman Paul C. Girouard resigned during the summer. James D. Colt, after being elected Selectman, resigned. Moderator Robert K. Lamere appointed Thomas A. Norris and Harriett O. Nelson to serve for the remainder of the unexpired terms. Thomas A. Norris was elected Chairman.

The Committee extends their thanks to Chariman Girouard and James Colt for the time and effort they spent on behalf of the Town.

The public works subcommittee of the Town Government Study Committee reports that during the year 1973-1974 good progress has been made on implementing Article 25 of the 1973 Town Meeting authorizing the establishment of a public works department. The basic organization of the department has been established, quarters have been provided, and an appropriate modern accounting system developed. The Town Government Study Committee partially financed and worked with a consultant and the public works department staff in setting up the accounting system. The accounting system will be installed in January 1974. Initial trials of the system are in progress with minor adjustments still being made as needed.

The accounting system has been designed to furnish detailed information relative to the operations of the department. It is anticipated that an improved understanding of the various department functions provided by the system will highlight areas where operational economies can be made by better utilization of manpower and equipment. Further economies are expected for more efficient maintenance and replacement of equipment.

In 1974 the public works sub-committee will undertake a study of the Town landfill operation to determine if it would be feasible and economical for the Public Works Department to undertake the operation of this facility when the present contract expires.

The Committee examined a proposal for purchase of a new electronic accounting computer to be installed in the Town Accountant's Office. It concluded it would be desirable to defer the decision on this acquisition for a year so that recommendations by Charles M. Evans Associates on accounting procedures for the Public Works Department could be fully evaluated. We have also proposed that the plan for automation of the Town census proposed last year but deffered, be reactivated for the 1975-1976 fiscal year.

The Committee is making an in-depth study of the Cemetery Department with the intentions of making recommendations in regard to its personnel and fiscal policy.

In addition, the Committee has voted to conduct a study of the elective process in the Town so that it may be in a position to make appropriate recommendations in the future.

Respectfully submitted,

REPORT OF THE EXECUTIVE SECRETARY

REPORT OF THE EXECUTIVE SECRETARY

December 31, 1973

To the Honorable Board of Selectmen:

I am pleased to submit my sixth annual report. Your assignment to assist department heads and committees under the Selectmen's jurisdiction and to provide such assistance and coordination as may be required by other departments, boards and committees has been carried out.

PUBLIC WORKS DEPARTMENT

Of special importance this year was the work of the Town Government Study Committee in developing the final organization, accounting and administration format for the new Public Works Department. Chapter 570 of the Acts of 1973 authorized the formal consolidation of Engineering, Forestry, Highway and Water Departments. I am confident that the new Department will allow improvements in the levels of Public Works and vehicle maintenance services while achieving economies for the Town.

FIRE

This was the first full year of Fire Department administration under Chief John J. Grant. New training programs and safety procedures have been established. Renovations were completed at the Headquarters Building. A high pressure compressor was installed at Headquarters for the air packs. The contract was awarded for a replacement for Engine 2 within the budget authorized by the Annual 1973 Town Meeting.

POLICE

The move to the new station was the highlight of the year in improving the professionalism and working conditions for the Milton Police Department. Problems were encountered in fleet maintenance primarily due to delivery delays of replacement cruisers and in part attributal to problems with the startup of the new Central Maintenance Garage. The Warrant Committee is recommending the replacement of seven cruisers in the 1974/75 budget which are critically needed.

We were able to obtain \$91,964 in Federal Funds under the Emergency Employment Act during calendar year 1973 to pay for the salaries of the additional patrolmen which had been authorized by Town Meeting in 1972 and 1973. As the EEA program ends in the spring of 1974 it is necessary for the Town to fully fund these positions for the fiscal year beginning in July 1, 1974.

SPECIAL PROJECTS

In 1973 I represented the Town on the MBTA Advisory Board and worked on numerous special projects. These included the Chickatawbut Hill controversy, the Wollaston Golf Course acquisition by Norfolk County, the development of the new Wollaston Course on the Cote property, new rules and regulations for the Police Department, implementing the new Cooperative Purchasing System with the State, the Direction of the EEA Program, the coordination of energy conservation efforts, supervision of Federal Aid applications, and representation on the newly formed Joint Regional Transportation Committee for the Metropolitan Boston Area.

REPORT OF THE EXECUTIVE SECRETARY

JANITORIAL AND CUSTODIAL SERVICES

A reorganization of the non-school janitorial and custodial services has been proposed for 1974. Formerly custodians were employed independently by the Library Trustees for the three Library buildings, by the Selectmen for the Town Hall and Thacher Building and by the Chief for the Police Station. With the completion of the new Town Office Building, and now the new Police Station, the consolidation of janitorial efforts makes sense. Just a few years ago the Selectmen employed a Building and Grounds Superintendent and two janitors and the Library employed a Superintendent and two and one half custodians. A new Town Office and Library Building Department is proposed which will be staffed by one Superintendent and three custodians, all now currently employed by the Town. They will have responsibility for over 10 acres of grounds maintenance, the three Libraries, the Thacher Building, Town Office Building and the new Police Station. As needed, their work will be supplemented by seasonal and contractual services. Bulk purchasing of custodial supplies and equipment will yield savings. The Town will realize additional saving from reduced pension and fringe benefit costs.

MUNICIPAL ECONOMICS

My fifth annual report in 1972 set forth in detail significant trends in economic forces beyond the Town Meeting's control. These factors continue to play a dominant role in forcing Milton's tax rate up. In 1973 we, however, enjoyed some relief as some state assessments were for only a twelve month period and their impact was diluted because of our 18 month transitional fiscal year. In addition we had two and one quarter years Federal Revenue Sharing Funds available to apply to our 18 month Fiscal period. The full brunt of the rapid inflation in state assessments will be felt in the new fiscal year 1974/75.

In Milton our 1973 tax rate of \$143 rose 5.1 percent over the 1972 rate of \$136. This increase compares favorably with the 5.8 percent increase of the average of 351 cities and towns in Massachusetts. However, Milton's per capita tax of \$378 in 1973 is more than the \$367 average for the 312 Towns in the Commonwealth, but less than the \$382 average for the 39 Massachusetts cities.

Milton's tax rate and per capita tax has been low in recent years due to the large number of school aged children educated in private and parochial schools and the additional fact that our sewer, public works, and school facilities were substantially paid for by taxpayers of earlier decades.

A comparison of tax rates for ten suburban communities is as follows:

Town	Pop. 1970	1973 Actual Tax Rate	% Change from 1972	Full Value Tax Rate
Arlington	53,534	\$ 56.80	0.0	\$52.80
Belmont	28,284	49.00	+7.1	45.60
Braintree	35,050	107.00	+5.9	62.10
Brookline	58,886	73.00	+2.1	63.50
Dedham	26,938	39.20	-1.0	36.50
Lexington	31,886	69.80	+7.4	58.60
Needham	29,748	45.00	+4.7	41.40
Wellesley	28,051	54.60	+9.2	47.50
Weymouth	54,610	52.80	-1.5	52.80
Winchester	22,269	62.00	+1.6	56.40
Milton	27,190	143.00	+5.1	37.20

REPORT OF THE EXECUTIVE SECRETARY

While Milton's 1973 tax rate increase of 5.1% appears modest it must be noted that the average increase for these ten towns was only 2.2%. Milton has a large elderly population who live on fixed incomes. Rapidly escalating tax rates are a hardship on these retired residents. Milton, with a tax base made up almost wholly of single family residences, is ill equipped to take on expensive new programs or large capital outlays unless critically needed.

COLLECTIVE BARGAINING

Collective Bargaining for municipal employees began in the mid 1960's. The Massachusetts law requiring Towns to bargain collectively with their unionized employee groups was revised in 1973. Now, Fire and Police Unions, if they are unable to reach satisfactory terms with the Board of Selectmen, can seek third party intervention which can ultimately lead to an award by a panel of three arbitrators. This award is binding on the Town and may include such items as salaries, wages, and fringe benefits for these employees.

We have concluded negotiations with the Public Works and Custodial employees on a contract for the period July 1, 1974 through June 30, 1976. This contract provides for a \$10.00 per week wage increase for July 1, 1974 and a \$2.00 per week increase for January 1, 1975. The contract provides for further negotiations, on wages only, for the period beginning July 1, 1975.

Bargaining with the Police and Fire employees had not been completed at the year's end.

EMERGENCY EMPLOYMENT PROGRAM

The Federal Emergency Employment Act program has been phased down during 1973. EEA employees have been transferred to vacant authorized positions in various departments of the Town as follows:

- 4 Highway Department
- 1 Police Department
- 1 Fire Department
- 1 School Department

Twenty other EEA employees were placed in positions in private industry or elected to return to school.

Remaining on the EEA payroll at the end of 1973 are six provisional police officers who each have passed Civil Service tests and hope to be appointed as permanent Milton Police Officers when litigation regarding Civil Service Laws is completed. The Police Records Supervisor intends to enter the practice of law in the spring of 1974. The three consortium administration personnel have other employment plans.

The total payroll and benefits paid to Town of Milton EEA employees in 1973 was \$150,662. The Town was reimbursed by the Federal Government an additional \$7,518 for expenses for the consortium administration and accounting. The other consortium Towns reimbursed Milton \$2,880 for expenses for checks, supplies and stationery.

A new Federal Public Employment Program has been signed into law but guidelines on its administration have yet to be published.

CONCLUSION

In conclusion, I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, the Town employees, the members of Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of

REPORT OF EXECUTIVE SECRETARY

appreciation is extended to the Town Accountant, Town Counsel, Public Works Director and the three secretaries in the Selectmen's Office who have helped us to meet all deadlines and commitments of the Board of Selectmen and the Town Meetings, Mrs. Eleanor Bradshaw, Mrs. Helen Landry and Mrs. Grace Anderson.

Respectfully submitted,

JOHN A. CRONIN
Executive Secretary

Flag raising at the McNeil memorial in the entrance to Turners Pond park. Veteran's Day celebrants included Carl Marshall, Victor Carlson, Congressman James Burke and Legion Commander Robert F. Terrell.

REPORT OF LEGISLATIVE COUNSEL

REPORT OF LEGISLATIVE COUNSEL

January 15, 1974

To the Board of Selectmen

Gentlemen:

I submit herewith my report as Legislative Counsel and Chairman of the Legislative Committee for the year 1973.

Pursuant to Article 6 of the 1973 Town Meeting Warrant, the Legislative Committee appointed by the Moderator consisted of George N. Hurd, James F. Dineen, Philip Lemelman, Michael F. Harrington and myself. Mr. Hurd resigned following his appointment as a justice at the Brockton District Court. His successor Mr. James W. Dolan subsequently was appointed special justice at the Dorchester District Court. The committee has just received the last of the 1233 statutes enacted into law during the 1973 session of the Massachusetts Legislature and is presently reviewing the same.

During the year I appeared before several legislative committees to make known the Town's position on various bills. I informed a committee of our views relative to the NESDIC formula for reimbursement for school expenses. I appeared before the Committee on Urban Affairs to oppose the extension of the lease of MDC land to Citizenship Training Group, Inc. Later I appeared before the same committee in support of a bill to require the MDC to restore the Blue Hills Reservation Nike Site to its former natural condition. An effective coalition of your board, our elected legislators, and strong citizens' support resulted in the defeat of a proposal to establish a school for troubled youths in the Blue Hills. I opposed the proposal to remove Precinct 3 from the new 9th Norfolk District.

Following the vote under Article 25 of the Warrant for the 1973 Town Meeting, I drafted a bill and appeared before the Committee on Local Affairs to support our proposal for a public works department in Milton. The bill was subsequently enacted as Chapter 570 of the Acts of 1973. A bill was filed pursuant to the town vote under Article 30 to have the members of the housing authority appointed. Although passed by the legislature, the bill was thereafter vetoed by the governor.

I appeared before the forum on Solid Waste Disposal to object to H-6643 which would assess Milton for facilities it might not use.

As always Representatives M. Joseph Manning and Joseph J. Semensi and Senator Joseph B. Walsh were most helpful to me. Because of the redistricting bill, Representative Semensi will no longer be representing the Town of Milton. He has always extended me cooperation in the past, and I feel sure he will continue to assist the Town of Milton in the future.

Respectfully submitted,

Robert D. O'Leary
Legislative Counsel

REPORT OF TOWN COUNSEL

REPORT OF TOWN COUNSEL

January 15, 1974

To the Board of Selectmen

Gentlemen:

I submit herewith my report as Town Counsel for the year 1973.

As in the past, I advised all Board and Town officials on legal matters arising out of the conduct of the Town's affairs. In addition to the routine matters handled by the Law Department, there were matters of special significance.

In connection with the appeals filed to prevent the Milton Savings Bank from building a new bank on the Hoover Motors' land on Adams Street, there was also filed a petition for a writ of certiorari in which the petitioners challenged the legality of our Board of Appeals and contended that under state law the members of the board should be appointed by the Board of Selectmen and not the Moderator. The trial judge has ruled the Board of Appeals to be properly constituted but revoked the variance granted to the bank. All parties have appealed to the Appeals Court where the matter will be heard next month.

The damage suit by a youth who was struck by a Town vehicle at the Pierce School resulted in a jury verdict in the sum of \$25,000.00. An article seeking an appropriation of \$15,000.00 is included in the Warrant for the March Meeting to dispose of this case.

A citizen's suit challenging the right of the Board of Health to charge a fee for dumping at the Disposal Area resulted in a finding for the Town. The petitioner has filed an appeal. The suit brought by certain school custodians against the Milton School Committee in which the plaintiffs were seeking longevity pay was tried in the Norfolk Superior Court, and a decree for the School Committee resulted. A citizen appealed to court from the denial by the Board of Appeals of a petition to build houses on two adjoining lots lying between Revere Street and Harold Street. No final decree has as yet been entered in this action. A citizen's appeal from the decision of the Board of Appeals relating to Hendries, Inc. is presently awaiting a trial date. The Wollaston Golf Club's appeal on the terms and conditions contained in the special permit for a golf course on the former Cote property was settled on terms that were agreeable to all parties.

Perhaps the year's most unusual case was the petition for a declaratory judgment filed by the Town against the Civil Service Commission. In this suit the Town contested the opinion of the Attorney General that the state law granting a preference to local residents applying for positions on the police department was unconstitutional. After suit was instituted, twenty-four other towns and two cities joined with Milton as party plaintiffs. The trial judge ruled in favor of the Town this month.

Nineteen appeals to the Appellate Tax Board were filed by property owners who were not satisfied with the decisions of the Board of Assessors. The actions of the Assessors were sustained in every case save one.

A petition was filed against the Town arising out of the Planning Board's refusal on the advice of Town Counsel to release monies held in escrow to secure completion of an unfinished street. A law suit was commenced by a citizen seeking damages in the sum of \$100,000.00 from two police officers for an alleged assault and battery and an illegal arrest. This suit will be vigorously resisted.

REPORT OF TOWN COUNSEL

During the year easements were acquired to enable the construction of the Central Avenue bridge to begin. Five miscellaneous claims against the Town were settled for the total sum of \$1122.85. I collected thirty claims for damage to Town property in the amount of \$10,490.38.

Because of the energy shortage and the tremendous rise in the cost of various supplies and materials, the number of inquiries made by various departments for legal opinions relating to existing contracts increased sharply.

The continued cooperation of all of the employees of the Town departments contributes greatly to my enjoyment of the position of Town Counsel.

Respectfully submitted,

Robert D. O'Leary
Town Counsel

Town Counsel Robert D. O'Leary confers with Selectmen on the Town's court case on Police residency requirements.

REPORT OF THE MILTON PERSONNEL BOARD

REPORT OF THE MILTON PERSONNEL BOARD

January 29, 1974

The Personnel Board held sixteen formal meetings in the year 1973. In addition, there were several informal meetings held by members of the Board with various officials of the Town of Milton. These meetings dealt specifically with matters of budgets, wages and interpretation of the existing wage plan.

The establishment of a Public Works Department has necessitated certain changes in the position identification format of the Personnel Plan. Engineering, Forestry, Highway and Water Departments have now been incorporated under Public Works.

During the fall requests for certain job reclassifications were carefully reviewed and acted upon by the Board. Every effort is being made to keep abreast of salary trends and the Board is recommending equitable salary changes for administrative and non-bargaining unit positions. The Board members have consulted with the Executive Secretary and the Board of Selectmen in connection with the collective bargaining as it applies to Police, Fire and Public Works employees.

The Personnel Board wishes to thank Department Heads, Governing Boards and employees for their cooperation. We also wish to thank Miss Josephine McAteer, Clerk to the Board, for her assistance to us in administering our responsibilities.

Respectfully submitted,

WALTER A. DENNIS, Chairman
JOHN J. O'BRIEN, Secretary
JOHN F. DELANEY, JR.
FRANCIS P. McDERMOTT
JAMES D. FITZGERALD

BOARD OF APPEALS

BOARD OF APPEALS

To the Citizens of Milton:

The Board of Appeals presents the following report for the year 1973.

Edward C. Johnson 2d retired as Chairman of the Board on September 21, 1973. He served in this capacity since March 4, 1940. Mr. Johnson's service was marked by great dedication and deep concern for the welfare of the Town and its inhabitants. He applied with painstaking care the laws that govern matters coming before the Board and his knowledge of these laws and their application was truly remarkable. His accomplishments will serve as an inspiration to those following in his footsteps.

Also in September, Mr. Charles F. Barrett, who has served on the Board since 1971, was appointed Chairman of the Board, and in December Mr. Dean Boylan was appointed an Associate Member to fill the vacancy of Mr. Barrett.

The Board wishes to take this opportunity to thank the Associate Members, Messrs. Frank B. Frederick, Carroll P. Sheehan and Dean Boylan for their assistance in substituting for members of the Board who were unable to be present at various hearings.

During the past year we held 12 hearings. Of this number there were:

7 applications for Variances

3 granted

1 denied

3 decision pending

4 applications for Special Permit

2 granted

2 denied

1 application for Amended Permit

1 granted

Respectfully submitted,

CHARLES F. BARRETT, Chairman
OLIVER S. SUGHRUE
DANIEL GANS, JR.

REPORT OF PUBLIC WORKS DEPARTMENT

REPORT OF PUBLIC WORKS DEPARTMENT

To the Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

January 25, 1974

Gentlemen:

Submitted herewith is the first report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions. The redrafting of the original roll plans on to Mylar material is continuing.

CHAPTER 90 PROGRAM

Dana Avenue (Brush Hill Road to Boston Line) scheduled for 1973 is rescheduled in 1974 along with Randolph Avenue (Brook Road to Centre Street). The cost of Chapter 90 programs is shared by the Commonwealth of Massachusetts 50%, Norfolk County 25%, and the Town of Milton 25%.

The Mercury Vapor lighting program continues with 421 new Mercury Vapor lamps being installed in 1973. However, due to the Energy Crisis a slowdown of installations is expected during 1974.

The department issued 38 house numbers and 92 street opening permits.

Plans and specifications for the second TOPICS project are being finalized and should go to bid and construction during 1974.

The Central Avenue Bridge contract was awarded in 1973 and completion date is scheduled for mid-year 1974. This bridge is being replaced under the "Sub-Standard Bridge Act" at no cost to the Town of Milton.

The Highway Safety Program at the Cunningham, Collicot School and Cunningham Park was started in 1973. This project will be completed in 1974 upon receipt of electrical controls and hardware. This program is to be reimbursed 100% by the Commonwealth of Massachusetts.

Pursuant to Section 2, Chapter 231, Acts of 1973, the Town Line Perambulation was performed and duly recorded with the Town Clerk.

The Central Maintenance Garage was completed the fall of 1973. The Public Works Department mechanics now provide repair services for all vehicles owned by the Town.

REPORT OF PUBLIC WORKS DEPARTMENT

FORESTRY AND SHADE TREE MAINTENANCE

Approximately 450 trees were planted along Town streets and on Town property during this past year. A variety of Locust, Maples, Lindens, Hemlocks, Pines, Dogwoods and shrubs were planted.

Again in 1973 planting on Arbor Day, April 27th, was done under the Cooperative Tree Planting Program at Pierce School.

Also under the cooperative Tree Planting Program a later planting of evergreens and shrubs at Wood Street on Granite Avenue was sponsored by the Milton Town Club.

A Town Nursery has been started at the Public Works Yard. 55 stumps were removed during the year.

The student work program with the Norfolk County Agricultural School in Walpole was continued with gratifying success. Two students were employed.

The Summer Youth Program was continued with the young men clearing and cleaning brooks and streams. Fifteen youths participated in this program.

The Forestry Department purchased a new Skyworker bucket truck giving them greater capacity and safety for tree removal where necessary.

Beautification planting was done at the Public Works Office Building and Black Pines planted along Randolph Avenue. Planting was done at the Veterans Memorial Statue at the Town Office Building. Additional planting of Lindens was done in East Milton Square.

HIGHWAY CONSTRUCTION AND MAINTENANCE

Highway General consists of a number of work divisions such as plowing, removal, sanding, cleaning of streets and basins, street and traffic control signs, and general maintenance of our entire street and road systems.

Stream Clearance projects continue. This project is now done in unison with the Forestry Division. This union of divisions has produced an increase in length of streams cleaned in a year.

The Drainage Program was very active with drainage installed at seventeen locations throughout the Town. 3320 linear feet of drain, 28 catch basins and 17 manholes were installed in these projects.

Permanent Construction for the year 1973 included installation of 3840 linear feet of curbing at eight different locations and the resurfacing of Highland Street (Buckingham Road to Clifton Road). In addition unsafe retaining walls were removed and replaced with new reinforced concrete walls at Boulevard Street and Carlson Road.

There were no streets constructed under the Betterment Act.

The engineers of the Public Works Department have prepared a list of sidewalks resurfaced and repaired. This is another joint project conducted with the Tree Climbers and Arborists with great success.

Private Work Program is a very active one. An accelerated program was undertaken to repair and patch all service trenches.

Chapter 497 of the Acts of 1971 provided the sum of \$69,376.30 for reconstruction, maintenance and repair of Public Ways. The Engineering Division has prepared a list of streets resurfaced and repaired. Twelve streets totalling 11,574 linear feet were resurfaced under this program.

REPORT OF PUBLIC WORKS DEPARTMENT

Site work at the new Police Station was done for the Police Station Building Committee. The Public Works Department looks forward to participating in any other Town projects such as this in the future.

New equipment purchased during 1973 were a 2½ ton Chevrolet dump truck, one ton sidewalk roller, 6 cubic yards in body sand spreader.

CENTRAL MAINTENANCE GARAGE

Operation of the garage started on a partial schedule in September and in October was completely staffed and operating. This facility is being supported by other divisions and departments but will be a separate division for budget and reporting starting on July 1, 1974. With only three full months of operating no detailed information will be recorded.

The staff has started its preventive maintenance program, cost of vehicle accounting and cost of operation data to assist us in determining replacement time of vehicles. A case history is now being established for future planning.

During 1973 the following people retired:

James Mitchell	13 1/3 years
Patrick McDonough	27 1/3 years
Joseph Fanning	27 1/2 years
John Casey	20 years

The above four gentlemen retired from the Highway Division during 1973. These four men gave a total of over 88 years of dedicated service to the Town of Milton. Their achievements however are still with the Town and we wish them good health and good luck.

OBJECTIVES

- To continue with Mercury Vapor street lighting program.
- To continue with Water System improvements.
- To continue with improved drainage program.
- To continue to seek Federal aid for sewer program.
- To continue the TOPICS program.
- To continue the coordination and utilization of equipment and personnel for all Town projects.
- To continue all mechanical repair service to all Town vehicles.
- To continue and expand new Town Nursery.
- To continue stream clearance program.
- To provide program budgeting and accounting for Public Works.

CONCLUSION

I wish to take this opportunity to express my appreciation to all the Public Works employees for their cooperation and assistance in completing a very successful construction and maintenance year.

I wish to thank the Board of Selectmen, Executive Secretary and all Town Departments for their cooperation and assistance during 1973.

Respectfully submitted,

Lawrence W. DeCelle, Jr.
Director of Public Works

REPORT OF THE TRUSTEES OF MILTON CEMETERY

ANNUAL REPORT OF THE TRUSTEES OF MILTON CEMETERY

January 7, 1974

To the Citizens of Milton:

The Board of Trustees of Milton Cemetery respectfully submit the following report for the year 1973.

There were 316 interments for the year. During the year there were 379 graves sold. These were assigned as follows: 14 eight grave lots, 5 six grave lots, 32 four grave lots and 109 single graves.

In 1973 the charges for services were increased to reflect the increase in costs of labor and materials. The amount of \$33,526.95 was added to the Perpetual Care Fund. The income from this fund, which is administered by the Town Treasurer, together with the revenue received for services is used annually to reduce the cost to the Town for the maintenance of the Cemetery.

During the year 68 trees of various species were planted to beautify new sections and to replace trees removed in the older sections. Due to the many severe storms in 1973 an unusual amount of tree work and clean-up was necessary.

A portion of the old dam at the pond was removed and a new spillway was constructed by Cemetery personnel. Now the water level can be controlled for flood control purposes and for cleaning the pond.

Our receiving tomb, which was built over 100 years ago, is no longer usable as the crypts were not built wide enough for modern caskets. We received an estimate of \$10,000.00 to rebuild the tombs so that they would be usable. Cemetery personnel were used to do the work of reenforcing the old roof and to remove the existing crypts. We now have an estimate of only \$2,000.00 for furnishing new adjustable crypts, which will complete the rebuilding.

With the cooperation of the Public Works Department and the Norfolk County Mosquito Control Project, parts of the stream entering and leaving the Cemetery were cleaned of debris to aid in mosquito control.

Many sunken graves have been leveled and numerous headstones, toppled by vandals, have now been repaired.

A regulation was adopted prohibiting snowmobiles, mini-bikes, go-carts or other similarly powered vehicles, registered or unregistered, and the establishment of trails within the limits of the Cemetery property.

The approaching Bicentennial Celebration will increase the public's interest in the older section of the Cemetery. The department is attempting to repair old monuments and improve the appearance of this section.

The roadway entering the Cemetery from Gun Hill Street is planned to be relocated for better utilization of the land for grave space.

Plans are being made for acquisition of additional land. Plans are also being formulated for better security in the Cemetery to combat the ever increasing amount of vandalism.

REPORT OF THE TRUSTEES OF MILTON CEMETERY

The Cemetery Department is aware of the energy crisis and is attempting to conserve on oil and gasoline wherever possible.

Raymond H. Parks died December 7, 1973. He was an employee of the Cemetery Department for 22 years.

Due to an appointment to the Planning Board, we will be losing the services of Robert L. Hoy. He has been on the Board of Trustees for 5 years.

Respectfully submitted:

BOARD OF TRUSTEES
JOHN H. McCUE, Chairman
PAUL F. DOLAN, Secretary
SPENCER FIELD
C. VINCENT VAPPI
ROBERT L. HOY

Appointed: February 19, 1959
Retired: July 1, 1972
Deceased: January 11, 1973

REPORT OF THE FIRE DEPARTMENT

FIRE FIGHTER CHARLES W. SUMNER

Appointed: April 6, 1961

Retired: July 1, 1972

Deceased: April 12, 1973

To the Board of Selectmen, Police Department, all heads of the various Departments and their employees, the Officers and members of this Department, I am most grateful for their cooperation and loyalty and I extend my sincere appreciation and thanks.

Respectfully submitted,

JOHN J. GRANT

Chief of Fire Department

The second floor living quarters of the Fire Department Headquarters were refurbished in 1973.

REPORT OF THE BOARD OF HEALTH

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Milton:

The Board of Health is pleased to submit its annual report for the year ending December 31, 1973.

ORGANIZATION

Robert J. Kaler was elected to the Board for a three-year term in March, 1973. On March 6, 1973 the Board met and elected Virginia A. Gaffey, R.N., Chairman; and John M. Murphy, M.D., Secretary. The Board appointed James F. Finneran as Agent to the Board; Alice A. Driscoll, Principal Clerk; Mary A. Fontana, R.N., Public Health Nurse; and John H. Gutteridge, D.V.M., as Inspector of Animals.

WELL CHILD CONFERENCE

The Well Child Conferences were held on the first Tuesday of each month in the clinic room of the Town Office Building. The clinics provided physical examinations and health appraisal of the infants and children and counseling for the parents. Immunizations against diphtheria, tetanus, pertussis, measles and polio are provided and tine tests for detection of tuberculosis infection are administered.

SCHOOL HEALTH SERVICES

Physical examinations for pupils in the third, fifth, and eighth grades in parochial schools were provided.

The Massachusetts Vision Test and the Pure Tone Audiometer Test for hearing were administered to all enrolled parochial school pupils.

Clinics held in public and parochial schools provided the following immunizations: Mumps, 158; diphtheria and tetanus, 116; rubella, 99; measles, 648; and Sabin oral polio, 84.

The two-year dental health study conducted by the Forsyth Dental Health Center was continued at the Collicot School, the Cunningham Junior High School, and the Pierce School.

HOSPITALIZATION

During 1973 a total of three patients received care at Norfolk County Hospital for a total of 228 days. Tuberculosis casework in 1973 included three hospital admissions, four discharges, and three contact referrals. A total of 52 home visits and 129 follow-up contacts of persons on chemotherapy or out-patient care were made.

INSPECTION OF ANIMALS

A total of 143 dog bites were reported to the Board of Health in 1973. Animal bites other than dogs reported were four cats, one rabbit, one snake, one gerbil, and one chipmunk. None showed any evidence of rabies. The Animal Inspector, John H. Gutteridge, D.V.M., examined 131 horses and 2 goats and inspected twenty-two stables.

REPORT OF THE BOARD OF HEALTH

ENVIRONMENTAL SANITATION

Fourteen permits to operate food service establishments were issued in 1973 and inspected for compliance with the State Sanitary Code. Five establishments registered by the Board of Health to sell food at retail received inspections to determine compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with regulations. Laboratory tests on milk, water, and eating utensils were performed to determine compliance with standards.

Three permits for new private sewage disposal systems and four permits for repair and alteration to existing private sewage disposal systems were issued in 1973.

Licenses to deliver milk in the Town from vehicles were issued to eleven companies. Fifteen licenses were issued for the retail sale of milk in stores. A license to manufacture carbonated non-alcoholic beverages, two licenses for the practice of massage, and four permits for commercial stables were issued in 1973.

REFUSE COLLECTIONS AND DISPOSAL AREA

The refuse collection and sanitary landfill operation was conducted under the Town Contract with the Charles B. Bosworth Co., Inc., of Milton. The first half of the three-year contract has been carried out by the Contractor with highly satisfactory service. The recycling of paper, cans, glass and tires was continued by the Milton Environmental Committee at the Disposal Area.

FINANCIAL SUMMARY

Appropriations to the Board of Health for 1973 and the first six months of 1974 amounted to \$476,749, which includes \$1,321 encumbered from 1972 under the Hospitalization account. Total expenditures in 1973 amounted to \$314,173.

Income from various sources was as follows: Disposal Area: \$4,998; licenses and permits issued by the Board of Health: \$332.50.

Respectfully submitted,

MILTON BOARD OF HEALTH
VIRGINIA A. GAFFEY, R.N., Chairman
JOHN M. MURPHY, M.D., Secretary
ROBERT J. KALER, Member

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

REPORT OF THE NORFOLK COUNTY MOSQUITO CONTROL PROJECT

December 31, 1973

To the Citizens of Milton:

Submitted herewith is the report of the Norfolk County Mosquito Control Project of its activities in the Town of Milton for the year ending December 31, 1973.

Pre-hatch dust larvicide by backpack	35 acres
Aerial applied larvicide	675 acres
Larvicide by backpack and mistblowers	90 acres
Catch basin application for larvicide and adulticide	360
Adulticide mistblowing from trucks	6,242 acres
Aerial U.L.V. adulticide application	5,121 acres
Ground U.L.V. adulticide application	1,792 acres

FIRE AND POLICE ALARM SIGNALS

New Fire Alarm Master Boxes and Auxiliary System were connected to Municipal System at the following locations:

3714 Milton Women's Club, Reedsdale Road
3812 New Police Station, Highland Street

New Police Call Boxes with citizen alarm feature were installed at the following locations:

31 Eliot Street at Valley Road MBTA Station
311 Central Avenue and Eliot Street
700' of new cable was installed for the above boxes.

REPORT OF THE WIRE DEPARTMENT

Due to the construction of the new Police Station, new overhead and underground cable had to be installed between the old and new location for the Police Alarm Signal System. This amounted to 9000' of multiconductor cable. The signal desk and operating equipment was removed from the old station and installed in the new station.

REPLACEMENT AND REPAIRS

2,500' of multiconductor cable was replaced on Blue Hill Avenue between Brush Hill Road and Neponset Valley Parkway.

All Fire and Police Boxes were tested, painted and repaired where necessary along with the never ending transferring of signal construction from old to new poles. Repair and replacements are constantly being performed to keep our signal systems in good working condition.

Electrical repairs and installations were performed for various Town Departments.

TRAFFIC LIGHTS

Traffic accidents at the following locations required the replacement or repair of the equipment damaged.

Centre Street and Brook Road	Traffic Light
Reedsdale Road, Brook Road and Central Ave.	Traffic Light
Adams Street and Eliot Street	Traffic Light
Adams Street and Babcock Street	Cable Box
Adams Street and Squantum Street (twice)	Traffic Light
Adams Street and Brook Road	Traffic Light
Adams Street and St. Agatha's Rectory	Traffic Light
Adams Street and Washington Street	Comb. Fire & Police Box
Adams Street at St. Agatha's Church	Traffic Light
Pierce Street near Adams Street	Cable Box
Brook Road and Standish Road	Traffic Controller

All Traffic Lights and Controllers were cleaned, oiled, repaired and painted as needed.

I wish to thank the Board of Selectmen and all the Town Departments for their cooperation and assistance during the past year. My thanks to the members of the Wire Department for their continued excellent work.

Respectfully submitted,

LEWIS E. PARK
Inspector of Wires

REPORT OF THE BUILDING DEPARTMENT

REPORT OF THE BUILDING DEPARTMENT

January 10, 1974

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

I herewith submit my report of the Building Department for the year ending December 31, 1973:

Month	No. of Permits	Permits for New Dwellings	Permits for New Garages	New All Other	Permits for Alter- ations	Valuation	Fees Received
January	24	1	1	0	22	\$ 93,401.00	\$ 280.00
February	25	3	2	1	19	136,100.00	361.00
March	35	2	2	1	30	138,032.00	420.00
April	38	0	0	3	35	54,495.00	294.00
May	61	4	4	2	51	239,577.00	715.00
June	60	1	0	7	52	453,373.00	1,177.00
July	43	2	3	2	36	96,499.00	370.00
August	45	2	2	2	39	261,676.00	723.00
September	46	4	6	4	32	253,454.00	692.00

	489	25	25	24	415	\$2,201,423.00	\$6,420.00

Fees for the above Permits amounting to Six Thousand Four Hundred and Twenty Dollars (\$6,420.00) have been collected and paid to Town Treasurer.

I wish to extend to the Honorable Board of Selectmen my sincere appreciation for their co-operation. May I also express my appreciation to all Town Officials, Boards and Committees for their assistance.

Respectfully submitted,

JAMES E. CURRAN
Building Commissioner

REPORT OF BOARD OF EXAMINERS
BUILDING DEPARTMENT

REPORT OF BOARD OF EXAMINERS
BUILDING DEPARTMENT

January 15, 1974

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

The following is the Annual Report of the Board of Examiners of the Building Department for the year ending December 31, 1973.

The Board was created under Section XX of Chapter 7 of the General Bylaws of the Town of Milton.

A summary of the Board's action is listed below.

63 Licenses Renewed

Fees Received \$170.00

The Board wishes to acknowledge the co-operation of the Building Department.

Respectfully submitted,

WILLIAM J. EDWARDS, Chairman
EDMUND J. CONNOLLY, Secretary
WALTER F. MacDONALD

REPORT OF INSPECTOR OF PLUMBING AND GAS
REPORT OF INSPECTOR OF PLUMBING AND GAS

January 8, 1974

Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit a summary of the operations of the Plumbing and Gas Department for the year 1973.

Month	No. of Inspections	Plumbing	Gas	Old	New	Fees Received
January	36	21	15	33	0	\$ 126.00
February	41	18	23	31	1	175.00
March	33	24	9	23	3	198.00

May	39	22	17	25	2	149.00
June	51	30	21	37	4	227.00
July	40	23	17	26	2	201.00
August	40	21	19	25	3	157.00
September	24	14	10	17	1	141.00
October	49	23	26	36	2	198.00
November	48	24	24	34	4	194.00
December	35	13	22	30	1	139.00
Totals	461	247	214	338	24	\$2,001.00

Fees amounting to Two Thousand and One Dollars (\$2,001.00) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who assisted me in 1973.

Respectfully submitted,

PAUL D. WILLIAMS
Inspector of Plumbing and Gas

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

January 7, 1974

Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit a summary of the operations of the Weights and Measures Department for the year 1973:

Scales Sealed	39
Scales Condemned	0
Weights Sealed-Avoirdupois	4
Weights Sealed-Apothecary	78
Weights Sealed-Metric	96
Automatic Measuring Devices Sealed	50
Automatic Measuring Devices Adjusted	4
Capacity Measures Sealed 1 Gallon and under	6
Oil Tank Truck Meters Sealed	7
Taxi Meters Sealed	4

During the year 1973, \$223.80 in fees were collected and turned over to the Town Treasurer.

Reweighing of 800 food items was made at the various markets, number correct 776, number overweight 16, number underweight 8.

I wish to thank your Honorable Board and all Town Departments who assisted me in 1973.

Respectfully submitted,

PAUL D. WILLIAMS
Sealer of Weights and Measures

FENCE VIEWERS FOR MILTON

To the Honorable Board of Selectmen:

I was appointed to succeed George N. Hurd, Jr. who resigned to become Justice of the District Court of Brockton. Judge Hurd had served the Town as a Fence Viewer ably since 1954.

Fence viewing matters called to our attention in 1973 were disposed of without controversy.

We all were deeply saddened by the death of Fence Viewer, Richard H. Schmidt. A Fence Viewer since 1939 he served this community as President of the Milton Savings Bank, Town Meeting member, and on dozens of special projects and committees including the Fire Department Study of 1962 and was famous as the provider of Jazz concerts for the benefit of the Milton Campership Association. His presence in Milton will be missed by all.

Respectfully submitted,

Samuel G. Craig
Fence Viewer

BOARD OF PARK COMMISSIONERS

ANNUAL REPORT OF THE BOARD OF PARK COMMISSIONERS

Mr. John S. Shields was re-elected to a three year term on March 3, 1973, and the Commission was organized with Philip E. Casey as Chairman and John T. Landry as Secretary.

Major projects completed in 1973 were as follows:

Construction and completion of four Multi-Use Tennis Courts at Kelly Field.

Rebuilding two baseball diamonds at Andrews and Eliot Street Playgrounds.

The Milton Park and Recreation Department continues to implement its present programs and attempts to initiate innovative ideas which will utilize more time of the Town's youth.

The Department coordinates closely with Mr. Ted Pina, Town Youth Coordinator, to insure a bilateral effort.

Participation in the Department's ski program, conducted at the Blue Hill Ski Area, continued as an attractive feature, with over four hundred registrations.

Programs offered by the Department are as follows:

Basketball	Baton Twirling
Gymnastics	Magic
Street Hockey	Karate
Ballet	Boating Program
Acrobatic Dancing	Women's Slimnastics
Volleyball	Girls' Softball
Men's Softball	Men's Physical Fitness

The Milton Park and Recreation Department's Exceptional Children's program conducted weekly during the summer months and on Saturday mornings during the winter months continues to be the finest in the Commonwealth.

The Board reluctantly comments that vandalism, and other related problems continue to plague the Department. This problem, unfortunately is not unrelated to Milton.

It is with pleasure that the Board extends its heartfelt thanks to the Department's dedicated employees, to all other Town Departments, Boards and Commissions, who so graciously assisted the Park Department in the past year.

A particular note of thanks to the following; Evening Division of the Milton Woman's Club, Milton Junior Woman's Club, Milton Garden Club, Milton Amateur Garden Club, Unquity Sportsmen's Club, and to so many Milton citizens who so freely gave of their time to assist Milton's inspiring young generation.

Respectfully submitted,

PHILIP E. CASEY, Chairman
JOHN T. LANDRY, Secretary
JOHN S. SHIELDS

 Total Arrests – Adult	 249
Juvenile	54
	303

In September of 1973 a historic occasion occurred when the Milton Police Department moved from their old quarters at 36 Central Avenue to the beautiful, new Police Station at 40 Highland Street. All the employees of the department are delighted with the new station and extend a sincere "thank you" to the members of the Building Committee for a job well done.

Our cruisers have been in constant service and I am recommending that 8 be replaced in 1974.

The In-Service Training and Riot Control programs were both continued during 1973.

Many of the officers attended various classes which will help them to be better police officers and, thus, better serve the citizens of Milton.

The Department was saddened by the death of Patrolman Leo V. Taylor on October 19, 1973. Mr. Taylor was a member of the department for twenty-two years and was a capable as well as a dedicated officer.

Three officers resigned during the year and we are requesting six replacement patrolmen in 1974 to bring the department up to full strength.

A second Juvenile Officer is being requested to work on the night shift.

REPORT OF POLICE DEPARTMENT

The Auxiliary Police, directed by Deputy Chief, Thomas F. Doyle, continued to provide valuable assistance on holiday weekends and patrolling school buildings to prevent vandalism. Also, their services during the two "Open Houses" held at the new station were very much appreciated.

The morale of the Department continues to be good and the members are to be commended for their devotion to duty.

To the officers and men of this Department I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, the Justices, Clerks and Probation Officers of the Courts and the officials and employees of other Town Departments who have assisted us during the year.

Respectfully submitted

John E. Whearty
Chief of Police

Milton's Police Riot Control Unit trains in Bartol's Old Farm off Canton Avenue

TRAFFIC COMMISSION
TRAFFIC COMMISSION

January 28, 1974

The Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit the annual report of the Town Traffic Commission:

The following are members of the Traffic Commission:

Chief John E. Whearty, Police Department, Chairman
Chief John J. Grant, Fire Department
Lawrence W. DeCelle, Jr., Town Engineer
Albert Zanaboni, Highway Department, Superintendent
William A. Creighton, Administrative Assistant, School Department
Lewis E. Park, Superintendent of the Wire Department, attended the meetings as an advisor.

Seven meetings were held during the year. They were properly posted by the Town Clerk as required by law and were held on the first Monday of each month.

The following recommendations were made to the Board of Selectmen:

1. A "Stop" sign be placed on Central Avenue at Thatcher Street.
2. The island curb on Adams Street near Libby Road for eastbound traffic be painted for increased visibility and that white reflectors and "Keep Right" signs be placed on the islands.
3. "Dangerous Intersection" sign be erected on Adams Street facing westbound traffic.
4. The brush be cleared from the northwest corner of Hope Avenue and Squantum Street for a better view of Squantum Street.
5. "Watch Children" signs be erected on Alfred Road, Blue Hill Terrace Street, Fuller's Lane and Reservation Road.
6. "School" signs be erected on Centre Street near Milton Academy, the word "School" be painted on the street and the cross-hatched crosswalks be repainted.
7. "No Parking 9 P. M. to 7 A. M." signs be erected on the northerly side of Edge Hill Road from the external end of the school property to Pleasant Street.
8. Artwill Street be made "One-Way" from Reedsdale Road to Randolph Avenue.
9. "Dangerous Curve" sign be erected on Brook Road for west bound traffic in the vicinity of Brandon Road.

TRAFFIC COMMISSION

10. A "Blind Driveway" sign be erected on High Street near Eliot Street.
11. A "Slow" sign be erected between No. 66 and No. 74 Ferncroft Road.
12. The school bussing program was discussed in detail and recommendation was made that the school bus routes remain the same and no new pickup areas be added.

Respectfully submitted,

John E. Whearty, Chairman

REPORT OF THE BOARD OF RETIREMENT

February 4, 1974

To the Honorable Board of Selectmen:

The Financial report of the Board of Retirement for the year ending December 31, 1973 is submitted herewith.

As of December 31, 1973 we have 406 employee members and 138 pensioners and survivors receiving benefits under the Milton Contributory Retirement System.

BOARD OF RETIREMENT

REPORT OF THE CONSERVATION COMMISSION

REPORT OF THE CONSERVATION COMMISSION

December 31, 1973

To the Board of Selectmen:

When the Massachusetts Conservation Act was passed in 1957, included specifically was the "promotion and development of natural resources and for the protection of the watershed resources . . .". This has been one of our main concerns. In January we had our first wetlands hearing as a result of the proposed renovation of the Central Avenue Bridge and the necessary dredging of the Neponset. We asked that the dredging material be taken to the Town Disposal Area. This has been our only wetlands hearing, however, we are mindful of the value of our wetlands and have met with various townspeople who have had questions over their land or their observations in the town. We have attended various State House hearings on conservation issues. One in particular was the M.D.C. Blue Hills Reservation land on top of Chickatawbut Hill which the Citizenship Training Group, Inc. hoped to occupy. We supported the stand that the M.D.C. took: that this worthwhile youth rehabilitation project did not belong on the top of this environmentally fragile hill. It is fortunate that so much of the Blue Hills Reservation is in Milton and we shall strive to preserve it for public use which was the intent of Charles Eliot's proposal in the late 1800's.

The M.D.C. has been interested in our proposal of their acquiring Milton land adjacent or abutting the present reservation near Blue Hill Parkway and Canton Avenue, Neponset Valley Parkway, and Randolph Avenue near Tucker Hill. Just as the Town has the benefits both in beauty and recreation of M.D.C.'s Hemenway Pond which we care for and control, so we would appreciate these other proposed land acquisitions if they come to fruition.

During the year the Town and its various officials have held meetings with the Wollaston Golf Club. Their board members have talked at our meetings and we have discussed their plans which have painstakingly progressed to the present state — that of developing their 152 acres in the Town of Milton. This is an excellent use of open space and this commission shall work closely with them towards an environmentally sound development. Since 56 acres are wetlands hearings will be required due to the restrictions of our local wetland by-law.

The Department of Natural Resources has urged all towns to map carefully their wetlands and through the help of the Engineering Department and the Town Planner we have identified on a map the poorly drained and very poorly drained areas in the town. This mapping is of vital help in the Town's Master Plan as the best use of land is one of the major concerns in the long-range development of the town. We are continuing our negotiations over several parcels of land. We were disappointed that the Town Meeting Members did not accept the article asking the Town to purchase the Hillside Street-Randolph Avenue corner lot. The land has subsequently been sold. Part of our charge as conservation members is the development or acquisition of open space and overseeing its proper and wise use. We encourage the exchange of ideas and suggestions on large parcels of land such as Wollaston Golf Course, Town Forest, Lamb property and Milton Cemetery. We have met with the Cemetery Trustees and walked over most of the approximate 130 acres and discussed their plans and ideas. We shall continue to encourage their proposals to preserve and further enhance the natural features such as the ponds and wetlands. We have also concerned ourselves with small lots such as the Town-owned Neponset marsh area, Dean Road-Quarry property, parts of Trout Brook, land abutting the Library and also the Recycling Center and Compost Pile.

Listed in the Massachusetts Conservation Handbook are seven functions where the Conservation Commission may be active such as Land Preservation, Recreation, Water

REPORT OF THE CONSERVATION COMMISSION

Management. The seventh function is coordination and cooperation of official and unofficial bodies in the Town. We realize that we are the recipients of this function and therefore can act effectively in the other six areas. We are grateful.

REPORT OF ASSESSORS OF TAXES

January 20, 1974

To the Citizens of the Town of Milton:

The Board of Assessors is pleased to submit its annual report for the period January 1, 1973 to December 31, 1973.

At the annual Town Meeting of March 3, 1973, Thomas S. Gunning, Jr., was re-elected to the Board for a term of three years. The Board organized as follows:

Daniel E. Duggan, Jr., - Chairman
M. Joseph Manning - Secretary
Thomas S. Gunning, Jr.

The following appointments were made by the Board:

Miss Ruth A. Dodd - Administrative Assistant
Mrs. Betty L. Myers - Secretary
Mrs. M. Dorothy MacDonald - Senior Account Clerk

On June 1, 1973 Mrs. M. Dorothy MacDonald retired and Mrs. Elizabeth Mellen was appointed to fill the position.

The new fiscal year law went into effect January 1, 1973 and this Department has made the necessary adjustments and changes to carry out the provisions of the law.

The Board of Assessors wish to thank those Departments that have cooperated with us during the past year. Again this year we single out Town Counsel Robert D. O'Leary for his assistance and cooperation that has been such a benefit to the Town. To our own administrative staff, who have had the task of adjusting to the change over of the fiscal year, we express our thanks.

The detailed statement of Receipts and Expenses follows:

1973 EXPENSES

ESTIMATED STATE & COUNTY ASSESSMENTS (Commissioner's Estimates)		Actual Amounts Assessed By State & County
County Tax\$ 596,675.53	\$ 584,324.21
County Hospital 11,829.98	11,829.98
	<u>\$ 608,505.51</u>	<u>\$ 596,154.19</u>
STATE TAXES		
Audit of Municipal Accounts	28.60	28.60
State Examination of Retirement System	2,853.03	2,853.03

REPORT OF THE PLANNING DIRECTOR

December 31, 1973

To the Honorable Board of Selectmen:

I am pleased to submit my report on the activities of the Planning Director for the year 1973.

The report covers the principal problems and issues in which we have been involved during this year and areas of broad concern to the Milton taxpayers. It has been an extremely interesting and active year and as you requested, I have worked with the Planning Board, Conservation Commission, School Committee, Park Commission and other Boards and Commissions in an effort to assist and coordinate. An enormous amount of my time and energy was spent in updating the Milton Master Plan. The following is a summary of activities in which I have participated during 1973:

REPORT OF PLANNING DIRECTOR

I. Master Plan Update

- A. Population Element
- B. Existing Land Use Study
- C. Conservation and Recreation Element
- D. Unquity House Statistics
- E. Elderly Housing Survey
- F. Wetlands Mapping

II. Land Use Studies

- A. Cote Land (Now the Wollaston Golf Club Land) access and development studies
- B. Hillside Street site plans regarding possible use for proposed new High School
- C. Columban Fathers Land Use Review
- D. M.D.C. Land acquisition proposals
- E. "Living and Learning" Development Proposal

III. Open Space and Recreation Projects

- A. Prepared bids, agreements and specifications for reconstructing the tennis and basketball courts at Kelly Field
- B. East Milton Square Landscaping
- C. First Congregational Church Area Landscaping
- D. Curtis Farm Site Improvements

IV. Subdivision

- A. The updating of Milton's Subdivision Regulations was completed and approved by vote of the Milton Planning Board.
- B. Highland Street Subdivision Area Study
- C. Neponset Valley Parkway Subdivision Area Study

V. Proposed Design for the Memorial to the Milton Servicemen and Servicewomen in all past wars.

VI. Zoning Regulations

- A. The Town is updating the Milton Master Plan. Review of the present zoning by-law and map is being made. Recommendations for revision, if deemed necessary, will be made based upon the updated Master Plan.
- B. Review of States Proposed Revisions to the State Zoning Enabling Act.

REPORT OF PLANNING DIRECTOR

VII. Capital Budget

The 1973 Capital Budget for inclusion into the updated Master Plan's Capital Budget Program.

Respectfully submitted

ROGER A. NICHOLAS
Planning Director

REPORT OF THE PLANNING BOARD

January 24, 1974

At the organizational meeting of the Planning Board held on March 8, 1973, Mr. C. Mitchell Draper, Jr., was elected Chairman and Patrick H. Donahue was elected as Secretary of the Planning Board as well as the Planning Board Member of the Conservation Commission. The Board expressed its thanks and appreciation to retiring Chairman, Mr. Richard C. Fitzgerald, for his past services.

Mr. George N. Hurd, Jr., who became a member of the Planning Board in June 16, 1955 and was Chairman of the Board from March 12, 1964 to March 9, 1966 resigned when he was appointed to a judgeship in the Brockton District Court. His counsel, interest, and knowledge will be sorely missed. Mr. Robert L. Hoy was appointed at a joint meeting of the Board of Selectmen and the Planning Board to serve in Mr. Hurd's place until the March 1974 Town Election.

Regular meetings of the Planning Board were scheduled for Thursdays throughout the year with additional meetings called as warranted. During calendar year 1973, the Board held 33 regular meetings and 6 public hearings. The Board's activities were focused not only in the traditional area of sub-division control, but in addition to review and up-date of the 1958 Master Plan of the Town of Milton.

The Board has noted in previous reports the decline in activity in connection with single-family residence development. The year 1973 showed no exception, due in part to the high costs of land, financing, labor and building materials. As a result, the Board's activity in this area of sub-division control was primarily in arranging for completion of previously approved sub-division streets. This activity resulted in recommendations that eight streets be accepted as Public Ways at the 1974 Town Meeting.

During the year, the Board has been working with the Department of Community Affairs who were retained under contract to act as consultants in connection with review and up-date of the Town's Master Plan. Retaining the Department of Community Affairs as consultant enabled us to receive Federal and State funding in connection with this project. It was hoped by both the Department of Community Affairs and your Planning Board that this review would have been completed in calendar year 1973.

At this writing, we have held a series of four citizen input meetings in various sections of the Town at which citizens were asked to express their concerns and we have received from the Department of Community Affairs most of the preliminary reports that will be needed before a Master Plan proposal can be drafted. When all of the reports have been received, reviewed, and released to the citizens, further public hearings will be held at which the Planning Board's preliminary thoughts regarding the Master Plan revision will be discussed and further citizen input obtained. Following this series of hearings, the Master Plan will be finalized by the Planning Board and proposals for zoning by-law changes (where needed), drafted. Any changes in the zoning by-laws will, of course, be effected only after public hearings have been held on each specific proposal and a Town meeting approves the change by a two-third majority vote.

The Board has been watching carefully over the past few years land use plans of the Wollaston Golf Club. Late in 1973, their old Golf Course, located partially in East Milton, was acquired by Norfolk County and as a result of a public hearing before the Appeal Board, a permit was issued to the Golf Club to construct and maintain a golf course and golf club house on the former Cote property off Randolph Avenue. Planning for the use of these two large open areas is, of course, fundamental to any comprehensive Master Plan for the Town of Milton.

REPORT OF THE PLANNING BOARD

We are not appending a Capital Budget Report this year as such a report seems inappropriate until the Master Plan Review is completed, particularly as last year's report based on the current Master Plan is still applicable.

The Board thanks the various Town Officials, Departments, and Committees for their help and assistance through the year.

To Mrs. Howard Fitzpatrick, secretary to the Planning Board; Lawrence W. DeCelle, Jr., Town Engineer; Roger A. Nicholas, Planning Director; our thanks for their continued support and effort on behalf of the Board.

Respectfully submitted,

MILTON PLANNING BOARD

VETERANS SERVICES DEPARTMENT

REPORT OF VETERAN'S SERVICES DEPARTMENT

January 28, 1974

To the Board of Selectmen:

As Director of Veteran's Services and Veteran's Agent, I am pleased to submit my report for the year ending December 31, 1973.

Claims initiated through the Veterans Administration for compensation and pension awards amounted to \$13,058.00 in new revenue for certain Milton residents during 1973. In addition, sixty-eight claims for educational financial assistance were processed in behalf of veterans and their dependents, as well as fifteen admissions to VA hospitals, thereby providing an undetermined amount of educational and medical assistance.

The continued application of federally funded programs was utilized reflecting substantial savings to the Town.

Respectfully submitted,

John F. Ryan, Jr.
Director

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

January 9, 1974

To the Citizens of Milton:

Despite the many disturbing events which have taken place during 1973 on the national and the international scene, your Public Library has continued to serve the people of Milton to the very best of its ability. The most serious inconvenience to our patrons and staff has been, in common with everyone else, the fuel shortage, and the resulting restricted fuel expense which we are required to achieve for our buildings. It is hoped that the steps which we have been obliged to take in order to keep our main building and branches at bearable temperatures will be temporary ones, and that in the meantime our patrons will bear with us.

Although all departments of the Library have been busy during the past year, our Childrens' Room has been especially active. A variety of programs suited to children have been in operation, including a number concerned with crafts, and also the continuing pre-school story hours, both at Central and at the branches, for which we are most grateful to The Milton Junior Woman's Club..

In the year just passed we have been fortunate, as in other years, in the gifts and many acts of kindness which have been directed toward helping the Library in numerous ways. Gifts of money are, of course, always welcome, and we are grateful to several individuals, and also to The Milton Woman's Club, — Evening Division, all of whom have remembered us in this way. The members of the Milton Garden Club have also continued their gracious practice of brightening our main desk with flower arrangements from time to time.

Another generous practice which has brought much favorable comment is that of the Milton Art Association in lending to us a succession of paintings which hang each month in our main reading room. Over the past three or four years more than ninety individual artists have in this way had an opportunity to have their work exhibited.

In this report it would be an omission if we did not mention the fine and cordial relationship which has been developing between the Library and the Milton Historical Society under the presidency of Mr. Charles R. Morris. Working together, we have been steadily building up a very excellent collection of books and papers bearing on the history of Milton which should be of increasing usefulness and value in years to come.

One matter on which we comment with regret is that reports have reached us during the past year of libraries which have been broken into during nighttime hours. As a precautionary step, your Trustees are looking into the feasibility of installing an alarm system which could be turned on at night and which would alert the police in the event of forced entrance.

During the past twelve months we have lost the services of three valued friends and staff members, — two through retirement and one through change of residence. Mrs. Julia Stackpole, our Reference Librarian and Mrs. Winnifred Deering, a part time assistant, both retired, and Mrs. K. Phyllis Gilligan, a part time assistant has moved to Florida. All of these people were competent and helpful members of our Library family and they will be very much missed by us all.

In concluding this report we wish particularly to record our appreciation for the devoted and conscientious effort, throughout not only the past year, but many preceding

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

years as well, on the part of our Head Librarian, Miss Marjorie Shaw, and for the loyalty, so much in evidence, on the part of each member of our staff. They are the ones, after all, who bring to our Library its continuing and outstanding excellence.

Respectfully submitted,

Charles F. Collins, Jr.
William J. Daly

Trustees of Milton Public Library

Central Library at the corner of Canton Avenue and Reedsdale Road.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

To the Board of Trustees of the Milton Public Library I have the honor of presenting the annual report for the year ending December 31, 1973. This is the one hundred and second annual report.

1973 has been amazingly free of major problems in several departments of the Library. There have been no breakdowns of building equipment, nor any major building repairs needed. Staff vacancies have been filled easily, and with competent help. Even the usual budget headaches have not materialized. There was not the usual pressure of end-of-the year financial problems because of the eighteen-month budget. For all this smooth sailing we are very grateful.

The energy crisis did cause us some concern, but that has been met as best we can for the present, and was explained in detail in the Library newspaper column. We will not go into it again here.

BOOK SERVICE FOR THE SENIOR CITIZENS

For several years we have hoped to launch a real book service to outlying sections of the Town, including deliveries to Milton Hill House, Unquity House, and our shut-ins and invalids. With the present gasoline shortage any plans we had for 1973 service could not be carried out, and the hopes of a Bookmobile purchased from Federal Revenue Sharing had to be postponed. (Not forgotten however!)

THE LIBRARY COLUMN

Some years ago we issued a weekly newspaper column of Library news, but it became merely a listing of new accessions, and was not of much value to the readers, so we discontinued it. Now this year it was born again, and four staff members are writing a more chatty, informal summary of your Library's activities. We hope this time the column will have a longer life. Comments from the townspeople have been very favorable.

INVESTING IN INSURANCE

From the bitter experiences of some of our unfortunate neighbors we learned that a permanent record of the books in the Library, and their cost was a necessary insurance expense. In case of a fire in the Library our listing of this information (called a Shelf List) could well be destroyed, and there would be no record of how much the books cost nor where they were located. Thus ten years ago we had a microfilming company come to the Library and put our Shelf List on film. This film is then stored in a special vault owned by the company and available to us in case of emergency. Over the last ten years since that first film was made 52,800 books were added to the Library and over 29,000 books were withdrawn. Naturally each year the first film became more obsolete. Thus our 1973 budget allowed for a second film to be made. The project was completed this Fall, and once again we feel we have a good insurance record in case of trouble.

ART GALLERY RENOVATION

To make our Art Gallery outstanding for cultural activities in the South Shore region has been a project occupying us over the past several years. New cove lighting was installed first. Then came the application of a vinyl covering on the walls. This was accomplished during this year. The glass doors on the wall cases have been put back for security's sake, and now vertical tube-lighting is being installed in each glass case. This item is being paid for out of the N. T. Kidder Fund. The next step, already approved in our 1974-'75 budget, is to paint the whole Art Gallery. The final part of the project, which should be finished in 1974

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

is refinishing the floor. Again this will be financed from the Kidder Fund. All will add up to a beautiful room for arts and crafts exhibits, film showings, and a fine meeting room for small groups of townspeople.

During the energy crisis it has been necessary to close the top floor and shut off all lights and the heat. In the Spring the Gallery will open again, probably with the Milton Artists' Show in April.

THE CHILDREN'S ROOMS

This year the Children's Rooms in all the libraries have been particularly busy places. It is a much-discussed question whether non-book-related activities belong in a library juvenile department (or any other department for that matter) Do educational projects of any kind attract children or adults to the Library? Will exposure to the books "take", and the person become a library user? Few library experts agree on this. We all have our private opinions. Anyway, Milton Library is willing to try educational activities of a non-book variety, and hope the Library will become a familiar, happy, interesting experience for the participants.

With all this in mind we have branched out this past year and experimented a bit. As in the past a group from the Milton Junior Woman's Club has carried on a very successful "Library School" Spring and Fall session for pre-schoolers. The children have a wonderful time playing games, doing simple crafts, and listening to stories. There is always a long waiting list for attendance in these "Library School" programs. Materials used are provided from the N. T. Kidder Fund.

During the summer a most successful craft program was held. Our own Staff from the Children's Department participated, assisted by a few mothers and our own Library Pages. A series of interesting movies on how-to-do-it preceded each new project. These introduced making things of boxes, crayon work, collages, murals, and puppets. At times there were so many youngsters in attendance they were in each other's way, but the enthusiasm was what counted.

In the Fall we tried to have Saturday morning film programs, but were thwarted by not being able to get the films we ordered from Boston. These were intended to be book-related movies for the intermediate grade youngsters, but too often we got just old-fashioned comedies.

A particularly interesting program was a talk by Mr. William Flavin in anticipation of the new comet. Unfortunately a very small, but enthusiastic group listened to his graphic description of Kohoutek. It is too bad that a Laurel & Hardy slap-stick movie draws a large audience, while this type of educational fun done by a speaker who knows his subject, as well as how to present it to children, has few in attendance.

STAFF ACTIVITIES

Three valuable staff members left the Library this year. Mrs. Julia D. Stackpole, Reference Librarian, and Mrs. Winnifred Deering, Circulation Assistant, decided to retire and enjoy some leisure activities, while Mrs. K. Phyllis Gilligan, who was in charge of the periodical collection, moved to Florida. All these ladies were dedicated Librarians and their shoes will be hard to fill.

Mrs. Eileen Piazza was appointed the new Reference Librarian; Mrs. Barbara Feather will begin work in 1974 as the new part-time assistant in the Circulation Department; Mrs. Jeannette Peverly, already a staff member, was promoted to Mrs. Gilligan's job, and Mrs. Thelma J. Cluett took Mrs. Peverly's place as assistant in charge of Interlibrary Loans.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

Two young ladies who have worked with us for several years as Pages left us after the summer. Miss Janet Green took a position with the State; and Miss Anne H. Landers was married and started work in the Turner Free Library, Randolph. Both were very competent and dependable. They, too, are missed.

Many of the Staff have kept up professionally in their jobs by attending workshops and meetings. During the year Mrs. Katherine P. Jeffery served as a consultant on eight Young Adult panel meetings on the use of pamphlet material in Young Adult Library collections. These meetings were held at Bourne, Bridgewater, North Andover, and the East Arlington Branch.

Mr. Robert McKay, Superintendent of Town Buildings, attended a Maintenance Management Training course.

Staff members also attended out-of-state meetings in New Hampshire, Rhode Island, Connecticut, and Maine. Once again these meetings proved beneficial to all of us as we read the reports the Librarians brought back. This is one way we keep up-to-date on what is happening in the Library world.

The help we have received from the college girls and the high school Pages should not be underestimated. Over the years these girls have developed an amazing expertise that is very satisfying to all of us. Soon they are able to carry out their own assignments in a professional style. Their help is invaluable. Our girls are a contradiction to the current criticism of teen-agers.

THE BRANCH LIBRARIES

Both Branch Libraries have had rather a hard time this year. The heat during the summer was uncomfortable enough anywhere, but particularly in these one-story buildings. Some days the temperature went to 100°. Fans were ineffective, merely stirring up the hot air. We are glad to report these conditions will be corrected in 1974-'75 budget when, hopefully, window air conditioners will be installed in both buildings.

The loitering problem has been a special nuisance at East Milton. Patrons finally gave up using the Library at night because they did not want to run the gauntlet of the young hangers-on along the sidewalks. Vandalism was prevalent around this building, also.

Both branches are crowded with books and a thorough weeding job has not helped much. Very soon additions will be needed to these buildings. Both buildings have land behind them that can be utilized for additions.

During the energy conservation period the Branch Libraries will be closed evenings, and open 9:00 a.m. to 6:00 p.m. during the day. This seems to please the patrons, since a gain in circulation was reported by the Branch Librarians during December.

To a most helpful Board of Trustees and a Staff dedicated to serving the public in every way possible I owe a great deal of appreciation. If the Library is a large factor in the cultural life of the community as our kind patrons tell us we are it is all due to the whole Library family pulling together.

Respectfully submitted

REPORT OF THE LIBRARY TREASURER

REPORT OF THE LIBRARY TREASURER

January, 1974

To the Trustees of Milton Public Library:

The funds in the care of the Trustees were invested as summarized in the following tables of December 31, 1973.

	Book Value	Income for 1973
Common Stock	\$12,704.77	\$1,814.23
U. S. Treasury Bonds	7,980.00	323.78
Railroad Bonds	2,000.00	0
Savings Bank Deposit	16,261.06	777.58
	<u>\$38,945.83</u>	<u>\$2,915.59</u>

Two statements pertaining to funds in our control are appended as part of this report.

- (a) A list of the various funds by name and the investments in each.
- (b) A statement of the total investment income for 1972 and the disbursements from that income.

The library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund which is in the custody of a Boston Bank with the income therefrom remitted quarterly to the Town Treasurer.

The Oakland Hall Fund in the care of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. In 1973 we spent from that income as follows:

OAKLAND HALL

Books \$ 569.20

KIDDER FUND

Books	\$1946.96
Microfilms	60.20
Bond	13.00
Prints	185.25
Book rack	230.50
	<u>\$2435.91</u>

REPORT OF WATER OPERATIONS

REPORT OF WATER OPERATIONS

Improvements to the distribution system were made by laying pipe in

Pleasant Street	1125'5" of 12" pipe
Randolph Avenue	125 feet of 6" pipe
Union Avenue	245 feet of 6" pipe

Installations of mains were made in subdivisions under Chapter 12, of the Town By-laws. The water main extensions made during the year were as follows:

Clay Street	36' of 8" pipe
Clay Street	99' of 6" pipe
Dean Road	586' of 8" pipe
Old Farm Road	74' of 8" pipe
Pinehurst Drive	140' of 8" pipe
Whittier Road	605'5" of 12" pipe

MAINTENANCE AND OPERATION

Sixteen service connections were made to supply new buildings. Four services were laid from sideline of street to the buildings and sixteen services were laid from main to sideline of street.

Three new hydrants were added to our system. The inspections, repairing, gateing and painting of hydrants has been continued. One additional gate was added to the system.

One hundred thirty-nine services were relaid during the year. The water tank located on Great Blue Hill was given a final coat of paint.

The new radio base station was installed on top of Great Blue Hill giving the Public Works a more efficient and qualified communication system.

All the Metropolitan Water District Commission meetings were attended during the year.

ACCOUNTS RECEIVABLE

Outstanding balances on our books, December 31, 1973 were:

Sale of Water	\$51,176.25
Service Installation	18,480.04
Miscellaneous	4,814.71
Liens Added to Tax Bills	2,594.23
Tax Titles	235.67
Total	<u>\$77,300.90</u>

CIVIL DEFENSE ORGANIZATION

CIVIL DEFENSE ORGANIZATION

December 31, 1973

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

The report of the Civil Defense Organization for the year ending December 31, 1973 is as follows:

COMMUNICATION DIVISION

The regular monthly drills were held during the year with the Sector Headquarters in Bridgewater, Massachusetts and also with surrounding communities.

The radios are being kept in good repairs and are operating. However, some are quite old and may need to be replaced very soon.

AUXILIARY FIRE DIVISION

Monthly drills of this group are conducted by Deputy Chief John M. Hanafin and in addition individual members from time to time have assisted the regular department at fires. New uniforms have been issued to the Auxiliary Firemen.

AUXILIARY POLICE DIVISION

Training lectures have been conducted by Deputy Chief Thomas F. Doyle during the year.

In addition to the training lectures members of this Division have volunteered for duty as part of a patrol protecting public buildings from vandalism. The program began in May of 1971 and is continuing in a satisfactory manner.

GENERAL

To all members of the several Divisions who donated freely of their time I wish to extend my appreciation and sincere thanks for their efforts.

To your Honorable Board and the personnel of the various Town Departments my thank for their kind assistance.

Respectfully submitted

ARTHUR SOUTHALL
Director of Civil Defense Organization

REPORT OF YOUTH DEPARTMENT

To The Honorable Board of Selectmen:

Gentlemen:

We hereby submit our annual report for the year ending December 31, 1973.

During the past twelve months many exciting things have happened in the Youth Office. Below is a brief outline of the year's accomplishments.

1. *Development of a "Comprehensive Youth Program"* – Through many state and regional meetings held in 1973, the Youth Office philosophy of a Comprehensive Youth Program has been strengthened. Community-based youth programs must begin to meet the needs of today's adolescents rather than just entertain them. A comprehensive program is one that provides employment opportunity, means of contact during crisis, access to professional counseling, facility where youths can meet in an unstructured atmosphere, network of homes for temporary foster care, and a program of education for community adults on issues of interest to both parents and youths.

2. *Programs* – The following programs were conducted by the Youth Office during 1973. These programs were those which were found to meet the needs of the Milton Youth and also proved to be economically and programatically sound to operate.

- a. Drop-In Center – Attendance for 1973 was 4910. This center provides recreational games, workshops, concerts, as well as informal rap groups and formal counseling for both parents and youths. The key phrase for the Youth Center in 1973 was Preventative Programs.
- b. The Milton Lifeline (Hotline) answered nearly 500 calls in 1973. Many of these calls were serious in nature.
- c. Parent Discussion Groups – Through the Family Service Association, parent discussion groups on adolescent behavior were held. The Youth Offices in Quincy, Milton, and Weymouth along with Survival, Inc. of Quincy teamed up to offer an on-going 12 weeks parent-youth seminar series. The Social Seminar continued in 1973 with 2 additional adult groups being held on topics relevant to understanding Youth.
- d. Alcohol Workshops were held at Milton High School through the Department of Public Health, Alcoholic Division. This program was designed to encourage development of programs to handle the increased problem of teenage drinking.
- e. The Milton "Rent-a-Kid" program developed during the summer of '73 with 200 Milton youths enrolled. Some 325 part-time odd jobs and 15 full time jobs had been filled by the end of December.
- f. A Federally funded N.Y.C. youth work program provided 15 Milton Youths employment in Milton Municipal departments. These jobs are filled all year long after school and full time during the summer.
- g. In 1973 the Summer Coffee House continued to provide Milton youth with worthwhile entertainment as many games, workshops, and dances were held during the 10 week summer period. The attendance for the summer exceeded 8,000.

REPORT OF YOUTH DEPARTMENT

- h. A new creative arts and crafts programs offering automechanics to Gourmet cooking, photography to Oceanography was created this past summer. Nearly 200 Milton youths took part in the 6 week summer "Createens" program.
- i. The Counseling program added 68 new crisis cases in 1973 bringing the total of crisis cases to 162 since August 1971. In 90% of these cases family involvement was maintained.

3. We have been pleased with the numbers of youths requesting service of one form or another from this Office. Both youths and parents have relied more and more on both direct services and referral services. This indicates that a trusting relationship has started to develop between this town agency and the youths of our community. This in itself is a healthy sign. Below is a summary review of the statistics for 1973:

a.	Youth Center	4910
b.	Summer Coffee House	8000
c.	Hotline Calls	500
d.	Job Bank Referrals	353
e.	Counseling Case intakes	68
f.	Adult group programs	75
g.	Createens	200
h.	Other Programs	162

4. 1973 brought an increase in community support for our program. Various parents formed on their own to support our individual programs. The friends of Createens, Friends of the Youth Center and a parents' group for more financial support, all began and met frequently throughout the year. Friends of the Coffee House continued their support of the summer program. Letters of support were received and meetings of support were held by the Milton Clergy Association (as well as individual clergymen). The League of Women Voters, The Junior Women's Club, Rotary, Kiwanis, The Police Patrolmen's Association, Milton Jaycees, The Milton Women's Club.

5. *Success in State Funding* – The Youth Office has received \$19,200 in State grants during the past twelve months. Below is a list of these state funds:

- a. April 1973 – \$2600 Office for Children grant
- b. July 1973 – \$2600 Office for Children grant
- c. July 1973 – \$6400 Department of Mental Health
- d. October 1973 – \$1400 Office for Children
- e. December 1973 – \$6200 Office for Children

6. *Staff* – With the aid of 2 state grants the Youth Office has added well qualified youth workers to its staff. The current staff consists of:

- a. *Ted Pina* – Youth Coordinator; AB Stonehill, MED Boston State College
- b. *Stephen White* – Youth Counselor; BA University of Connecticut, Candidate for M.S.W. this August, Simmons College. (Paid by D.M.H.)
- c. *Paul Maloof*, – Youth Center Director; BA Harvard University. (Paid by D.M.H.)
- d. *Mrs. Jacqueline D'Amico* – Youth Center Aide – Milton mother of 4 children (3 teenagers). She brings much practical experience to the job and a demonstrated ability to get along with and understand adolescents.
- e. *Kevin O'Connor* – Detached Social Workers, AB Boston State College. (Paid by Office for Children)

REPORT OF YOUTH DEPARTMENT

This outline report touches some of the areas served by this Youth Office. A detailed report of all areas influenced by this Youth Office is on file at both the Youth Office and the Selectmen's Office. We invite you to send for this detailed report.

The Youth Office looks forward into 1974 with enthusiasm and hope for added success in providing Milton youths with a quality comprehensive Youth Program.

Respectfully submitted

Milton Youth Committee

Youth Coordinator

Theodore S. Pina

DOG CONTROL UNIT

DOG CONTROL UNIT

January 17, 1973

the Honorable Board of Selectmen:

In compliance with the "Dog Officer's Warrant" we are pleased to submit our Annual Report for 1973.

REVENUE:	YEAR-1973
County Re-imbursements;	\$2,310.00
Citations; Complaints	1,590.00
Warnings	(18)
Pound Fees;	306.50
Sales of stray dogs;	123.00
TOTALS	<hr/> \$4,329.50

During the past year, we have repeatedly and (may I add) successfully resisted the efforts of the "Norfolk County Dog Officers Association", Ainslie K. Payne, Advisor, to force us into sending dogs to the Animal Research Center of Harvard Medical School. The latest communication, a valid requisition for animals under Chapter 49A of the General Laws, was received on December 7, 1973 from the Harvard Animal Research Center. This is the first legal thing that they have done so far.

I have attended several conferences and hearings with the County Commissioners on the matter of animal research and the operation of the NCDA. As a result of testimony taken during these sessions the entire operation, including Mr. Payne, the NCDA, and Harvard are now under scrutiny of the Commissioners, the County Treasurer's Office and the State-Bureau of Accounts. We have been advised by the Commissioner's Office not to comply with any requisitions at this time.

The dog control program in the Town, in our opinion, continues to be a success. Complaints are at a minimum due to constant and diligent patrol activity of the officers. We are constantly watchful for violators of the by-law and attempt to handle each case with tact and diplomacy as well as justice.

Respectfully submitted,

JAMES P. ROGERS
JOHN E. LANK
Dog Control Officers

William B. Weston Fund

The \$15,000.00 Poor Fund left with Francis C. Welch Trustee is held in the Weston Estate, the Boston Safe Deposit and Trust Company now being Trustee. Copy of the will is in the custody of the Town Treasurer.

The \$6,000.00 Hospital Fund is now represented by Certificate No. 602 of the Massachusetts Life Fund. For the year 1973 income added to Principal was \$4,050.35 and the capital gains of \$3,163.35. The total of these amounts has been converted into units of the Fund. The December 31, 1973 balance is 9638.528 share shares with a value of \$11.02 per share. Total value of Fund is \$106,216.58

REPORT OF TOWN TREASURER

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1973\$827,776.30

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Fund

Amount held December 31, 1973\$5,572.24

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1973\$5,441.79

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the 'Jason Reed Fund', and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of....., the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1973\$2,626.67

Sarah G. Vose Fund

Amount held December 31, 1973\$1,170.53

E. G. Tucker Fund

Amount held December 31, 1973\$1,168.48

Herrick Fund

Amount held December 31, 1973\$8,000.00

REPORT OF TOWN TREASURER

Bannin Family Fund

Amount held December 31, 1973\$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of \$500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions."

George A. Briggs Fund

Amount held December 31, 1973\$1,000.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of Georgie A. Briggs are buried."

George F. Duffy Fund

Amount held December 31, 1973\$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of \$1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot #2624 in the Cemetery, said flowers to be placed on said lot from April 13th to September 10th each year."

Katherine A. Kelley Fund

Amount held December 31, 1973\$1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held December 31, 1973\$1,855.83

Charles T. Pierce, late of Brooklyn, N.Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of \$1,000.00, "the income to be used for the care of my family lot."

Mabel Hunt Slater Fund

Amount held December 31, 1973\$1,000.00

Amount held December 31, 1973\$10,252.52

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the following correspondence:

“To the School Committee of the Town of Milton:

“The Tuell Alumni Association herewith present, through your Board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School who, in the opinion of the above said faculty has shown similar qualities.

“The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year.”

Percy E. Sheldon

President, Tuell Alumni Association

June 2, 1923

For additional gifts to the fund, see report of 1947.

Nathaniel T. Kidder Fund

Amount held December 31, 1973\$75,470.79

The following is an extract from the Will of Nathaniel T. Kidder.
Eighteenth:

REPORT OF TOWN TREASURER

“I give and bequeath to the State Street Trust Company . . . the sum of Twenty-five thousand dollars (\$25,000.00) in trust . . .the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine.”

Governor Stoughton Trust Fund

Amount held December 31, 1973\$20,482.62

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton’s Will.

REPORT OF TOWN TREASURER

TREASURER'S REPORT OF TOWN BONDS

All bonds a/o Notes outstanding are unregistered. Interest on all issues is payable semi-annually, and all maturities and coupon interest are payable at the First National Bank of Boston, Massachusetts, unless otherwise noted.

All authorized but unissued balances have been rescinded by vote of the Town.

IN APPRECIATION

1973

The Public Schools of Milton
express their appreciation for the
dedicated service to children
of the following teachers
who retired in 1973:

Imogene Follansbee – Cunningham Junior High School

Thelma Belle Foster – Head of Social Studies Department

Melvin Glazier – Cunningham Junior High School

Alice E. McCoy – Cunningham Junior High School

Patricia E. Nelson – Milton High School

The Public Schools are appreciative
also of the dedication and contribution
of the following employees
who retired in 1973:

Eleanor A. Weadick – Payroll Department

Robert V. Byrne – Senior Custodian

24	Schools close at noon - summer recess	
*Total number of days scheduled		185

*Under the law, schools must schedule at least 185 school days and schools must be in session a minimum of 180 days.

Closing of schools for the summer recess may occur earlier than June 20, 1974 if it is not necessary to use all of the scheduled additional days for inclement weather.

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Milton:

The School Committee herewith submits its annual report for the year 1973.

This past year has seen School Committee attention concentrated on the problem of space needs at all levels. Along with the increasing costs of public education and the attendant financial responsibility the Committee feels towards the taxpayers, they are also aware of the need to provide the best possible education for our students. Attempts to improve the problem at the Tucker School resulted in the reconstruction of the balcony area to provide necessary classroom space; the removal of the library from the stage to a large second floor room and the renovation of a science room at Milton High School has helped to increase the educational efficiency of that area. The installation of two portable classrooms at the Glover has improved crowded conditions at that school.

Following a negative vote by the Town Meeting on the School Needs Study Report, the School Committee has renewed its efforts to solve a difficult problem. An additional factor compounding the present space lack is the possible loss of accreditation for Milton High School because of inadequate space in certain areas. Several plans to renovate these areas at the high school are being studied and considered. The Committee has also agreed to submit a land acquisition article to Town Meeting members for the purpose of future educational needs.

To conform with new legislation, the School Committee, in conjunction with other Town departments, implemented an eighteen month budget commencing January 1, 1973 to June 30, 1974. This change in budget procedure establishes the fiscal year in accordance with state and federal legislation. The Committee also negotiated a two year salary contract with the Milton Teachers Association.

The schools are presently co-operating with nationwide attempts to meet the energy crisis. In the interests of conservation, the Adult Evening Courses have been postponed until spring; the December vacation period was lengthened from January 2 to January 7, 1974 and various other daily restrictions have been implemented in the operation of all school buildings.

The Committee, in an attempt to lower bus transportation costs, was able to reduce the number of operational school buses from twenty to seventeen, and present studies are being carried out to determine the feasibility of further savings.

The Committee extends its appreciation to all school personnel and other Town departments for their co-operation in the important job of providing the best education for our children.

Respectfully submitted,

JOHN C. CROWLEY, Chairman
S. FRANCES MARDEN, Secretary
DONALD BURGESS
DAVID JEFFRIES
JAMES G. MULLEN, JR.
ARTHUR E. SULLIVAN, M.D.

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Following is my fourth annual report as Superintendent of Schools:

One major problem in the Milton Public Schools continues to surpass all others – the problem of space. During the year 1973 that problem expressed itself in many ways.

At the High School, pupils wishing to elect industrial arts, art or home economics either were denied admission to certain courses or were restricted to a number of periods per week that detracts from the effectiveness of those courses. In addition to severely limiting the number of participants in industrial arts courses, the present facilities create a condition that fairly can be described as potentially hazardous. Students in physical education classes still do not comply with the minimum weekly requirements mandated by the State Department of Education. Participants in both boys' and girls' athletics are severely restricted by inadequate locker and shower facilities and are at a competitive disadvantage because of shortened practice sessions, necessary to house many activities in a minimum of space. These conditions will continue until adequate space is provided for physical education, interscholastic athletics and for intramural programs. Outdoor facilities for these programs continues to be below standard and inadequate. The High School library continues to be inadequate for a school of that enrollment and can seat, at a maximum, only forty students.

Tucker School continues to run a very excellent academic program within the restrictions placed on it by the inadequacies of the building. Classes formerly housed on the stage were relocated last fall to two rooms, converted from unused balcony space. The library, formerly on the stage, was moved to a classroom on the second floor. While a decided improvement over the stage, this classroom, after being equipped with necessary book shelves and cabinets, seats only a handful of students. Cafeteria and kindergarten space at this school is still substandard and several classrooms house more students than the rooms were designed to hold. Playground space at this school continues to be inadequate.

The academic program at Pierce Junior High School still causes almost 100% utilization of that building at all times. This creates an inability to group more finitely and to offer new courses, such as Spanish in grade seven, where it more properly should begin.

Kindergarten classes at Collicot School continued to be held in the cafeteria and no change is in the foreseeable future. Teachers, certain parents and the administration are unhappy with this situation but cannot correct it, short of drastic changes in enrollment or possibly through redistricting.

While the past year saw changes and updating of elementary curriculum, secondary mathematics and English, as well as the installation of a computer for student use at the High School, space, or rather, a lack of space, continued to be the major problem toward the development of a truly outstanding program, K – 12.

The predictions of decreasing school enrollments have not held true and thus have continued and compounded the problem. Grades K – 6 showed an increase over NESDEC projections of 111 pupils and the actual 1973 kindergarten enrollment was sixteen pupils over the actual enrollment for 1972 and thirty-eight pupils over the NESDEC projection. One can conjecture that with a declining local birth rate, immigration accounts for this increase.

The subject of lack of adequate space in the public schools occupied much of the time of both the School Committee and of the administration during 1973 in an attempt to arrive at solutions that would be in both the long and short term interests of the town.

REPORT OF SCHOOL COMMITTEE

Any success enjoyed by our school system in 1973 was attributed to the efforts of many excellent and dedicated teachers, department heads and principals, as well as to the members of my administrative team and the School Committee, whose support and co-operation were always present and always appreciated.

Respectfully submitted,

HARRY B. McCORMICK
Superintendent of Schools

REPORT OF SCHOOL COMMITTEE

ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my fourth annual report as Assistant Superintendent of Schools.

Although it is difficult to categorize the tasks of this position into a strict priority order, the past school year has been one of constant assistance to the Superintendent of Schools as the demands on his time and energy have expanded. Budget preparation, planning and implementation of curricula revision, school space needs, teacher contract negotiations, public relations and system-wide personnel concerns are areas that are necessarily receiving out attention.

With the great increase in the number of teacher applications, and the attendant necessity to screen, interview and classify more candidates, the process of teacher selection occupies a large portion of my time. This function is of great importance to the success of our system, so becomes a top priority in our total commitment to provide superior instruction for Milton students. In this regard, thirty-four new teachers were added in September, a total compared to thirty-six for the school year 1972-1973 and thirty in 1971-1972. Six of the total employed this past September were engaged to fill new positions necessitated by either (1) the introduction of new programs (2) increased numbers of students in certain courses or (3) program equalization among the various school offerings. Twenty-three were elected to replace retiring or resigning teachers, while the remaining five were added as temporary replacements for teachers presently on leave of absence. It is interesting to note that, in addition to other capabilities we constantly seek in teacher candidates, thirty of these new teachers have attained academic honors during their undergraduate and/or graduate careers, including Dean's list, cum laude, magna cum laude and Who's Who in American Colleges and Universities categories. Twenty-six different colleges and universities contributed to the training of this group.

Equally important to the success of the instructional process is our on-going teacher evaluation function, whereby teachers are observed in their classrooms throughout the year and follow-up conferences are held with a view toward improving instruction. We are constantly seeking objective and satisfactory teacher assessment devices and have refined the present procedure each year to assist the teacher in reaching his full potential. As an additional means of accomplishing this aim, we also hold throughout the year a series of new teacher orientation meetings.

Our close contact with area colleges and universities is maintained through the co-ordination of a student teacher placement program. Not only does this relationship allow us to participate in the training of teachers, but it provides us with a source of potentially excellent young teachers whom we may wish to employ in the future.

Curricula revision work continued last summer as a committee of teachers directed by Mr. Von Orton, Elementary Language Arts Co-ordinator, revised and co-ordinated the Language Arts, Mathematics and Social Studies offerings for Grades 4 and 6. Weekly curricula meetings have also been held during this school year to develop the Grades 3 and 5 curricula, and the year 1974 is a target date for completion of the Grades 3-6 curricula. Efforts have also been initiated to co-ordinate and articulate the Mathematics and English programs between the Elementary and Junior High levels.

I want to thank especially the many Milton parents who have continued to contribute their services to our schools on a voluntary basis. They have helped us immeasurably and we are deeply appreciative of their efforts.

My appreciation is extended to the School Committee and Superintendent of Schools for their co-operation. I also want to thank the building Principals, Department Heads and many dedicated faculty members who have worked closely and co-operatively with me in implementing ideas and suggestions designed to improve our educational system.

JOHN M. HASKELL

Assistant Superintendent of Schools

ASSISTANT SUPERINTENDENT OF BUSINESS AFFAIRS

With the retirement of Mrs. Eleanor Weadick, Head Payroll Clerk for the School Department, Miss Eileen M. Byrne was appointed as provisional clerk in charge of payroll preparation and personnel records.

Portable classrooms ordered in 1972 for the Glover School were opened for use in February 1973 providing two additional classrooms to partially alleviate the crowded conditions at the elementary level. Carpeted, air-conditioned and electrically heated, this type of unit is self-contained and could be moved to other areas if the necessity should arise - requiring base foundation and sufficient electrical power at the new location.

At Milton High School room 203 was provided with new science work stations complete with storage areas and utilities for experimental work by students in this phase of the science program.

To replace the annual rental of portable bleachers for the football season, seven sections of bleachers seating 350, were purchased to supplement portable bleachers owned by the school department. The seating capacity is sufficient to handle present day average attendance but does not allow for the heavily attended games such as the Braintree Thanksgiving game which this year was played at Braintree because of the seating problems which handicap crowd control. Due to heavy use and lack of time to allow re-growth of damaged grassed areas the center section, especially, of the football field is showing this heavy use and planned re-sodding will have to be considered as was done four years ago.

Cunningham Junior High School - Outside areas of the entire school were painted. Science tables in room 22 were given new table tops to provide tops suitable for today's experimental work. Areas painted within the building were the library storage area, media center, two end stairways, industrial arts shop and rooms 05, 16, 21. New fluorescent lights were installed in wing corridor and in stairwells.

Pierce Junior High School - Painting program was continued with painting of room 306, woodworking shop, and office area. Drapes were replaced in rooms 106, 105, 204, 205, 206, 304, 305, and 306.

Glover School - Outside of building was painted; also the principal's office and adjoining work room.

Pierce Elementary School - Second floor corridor, reading room and kindergarten areas were painted.

Tucker School - Balcony area was enclosed to provide two work areas for small groups of children.

The continuing maintenance program called for 1900 work orders for work performed by the maintenance personnel. In addition to work performed by the Maintenance personnel a large portion of servicing is performed by outside contractors - such as work on boiler linings, alarm systems, public address systems, electrical failures, boiler maintenance, roof repairs, repairs to various types of equipment - typewriters, audio visual, business machines, industrial arts machinery, art kilns, grounds equipment, etc.

To personnel from other Town Departments who have assisted in a successful year - a word of appreciation and thanks is extended.

REPORT OF SCHOOL COMMITTEE

My sincerest appreciation to the School Committee, administration team, administrative office personnel, maintenance and custodial staff for a cooperative effort to better the schools of Milton.

ROBERT F. COOKE

Assistant Superintendent of Business Affairs

REPORT OF SCHOOL COMMITTEE

ADMINISTRATIVE ASSISTANT

BUS TRANSPORTATION

We are currently transporting the same number of students as we did last year. A new three-year contract was awarded for bus transportation and, as predicted in last year's report, resulted in a substantial increase in busing costs. However, this Department will make every effort to hold down the cost of busing without sacrificing safety or service to the students.

By adjusting the opening and closing times of several schools, we were able to reduce the number of buses in use as compared to last year by three.

DATA PROCESSING

All on-going services are being maintained.

FEDERAL FUNDING

For Fiscal Year 1973, we received approximately \$53,000 from federal funding. A portion of this revenue was used to further support career education courses at the secondary level. Two new courses were added, namely, Distributive Education and a new homemaking course in the Junior High schools. Approximately \$36,000 of the sum was obtained from Public Law 874. This money will be used to reduce the tax rate, and based on current estimates, the tax rate will be reduced by 50¢.

Each year this office is assigned many challenging projects, and appreciation is extended to the School Committee and the Superintendent of Schools for their cooperation.

WILLIAM A. CREIGHTON
Administrative Assistant

REPORT OF SCHOOL COMMITTEE

MILTON HIGH SCHOOL

I herewith submit my third annual report as principal of Milton High School.

Grateful recognition for their many years of service to the Milton Public Schools must be given to Patricia Nelson and Miss Thelma Belle Foster who retired in June. I am confident the entire Town joins me in wishing them many years of happy retirement.

The expansion to an 8 period day gave more flexibility in scheduling, permitting most of the students to take the courses which they selected. Room 206 was converted from a lecture room to a combination Lab-lecture room easing the problem of scheduling the increasing number of science classes.

We were fortunate to have increased participation by members of the community in extra school activities: Seminar day, 8th Period Programs, and as guest speakers in many classes. The Assembly program was enlarged with several interesting assemblies designed to not only inform but also to increase school spirit.

Student Projects at the high school and at other schools were increased. High School students were involved at the elementary schools in an art program and also in an aide program connected with the Child-Growth Class. Students from the Art Department decorated the cafeteria. This project not only gave the students involved the experience of working on a large surface but it also helped to give the other students a sense of belonging to their school.

Club activities continued at a high level of participation. The National Honor Society has been revitalized and it sponsored several excellent programs, including a night at Pops with a student from the High School as the guest soloist. The Junior and Senior classes sponsored many social functions that were very successful. One of the highlights was the Junior Class sponsored "Donkey Basketball". A new club this year, the "Math Team" did extremely well for a group in competition for the first time. The Chess Team continued to compete in the Chess League and the Debating Team joined in competition with a debating league.

The Child-Growth and Development program, in its second year, is truly filling the need which existed. The program is excellent. With more space, it could be even more productive.

Medical-Legal Transcription was developed to the point where we can say that it is one of the superior programs offered at the High School. The innovation of members of the class spending a week at the Hospital or in a Legal Office has increased its value.

We were also very fortunate this year to have three students from Sweden living in Milton and attending Milton High School. The international atmosphere they added was felt by all the students and teachers.

I extend my sincere thanks to the School Committee, the Superintendent, Assistant Superintendents and the entire staff of Milton High School for their encouragement and support.

Respectfully Submitted,

ROGER T. CONNOR
Principal

REPORT OF SCHOOL COMMITTEE

CUNNINGHAM JUNIOR HIGH SCHOOL

The September enrollment at Cunningham Junior High School was four hundred seventy-five. There were three teacher replacements for Mr. Melvin Glazer, Miss Alice McCoy, and Mrs. Imogene Follansbee who retired after 30, 37 and 10 years of service respectively.

Renovations include improved lighting in the stairways, painting the stairways, and painting three classrooms and the shop. Also, one of the alcoves in the cafeteria was enclosed to provide for small group instrumental instruction.

The home economics department has expanded with the addition of a teacher and the course offerings have been more specialized. Consumer education and creative arts has been added to the program as well as child development. Additional hours have been made available for specialists to work with children with language disabilities. As of September all science classes are now laboratory oriented.

Future plans are to expand the reading and Spanish programs as well as offer cooking to boys.

Hand books have been revised and mailed home to each family again this year in order to give parents a better understanding of the school policies.

The "Concerned Parents Group" concluded a successful year by sponsoring a field day for the students. They hope to continue many of last year's programs.

We continue to try to expand and improve our programs within the limitations of school facilities. Once again, the efforts and the cooperation of the Cunningham staff are very much appreciated.

ALLEN G. ADAMS
Principal

PIERCE JUNIOR HIGH SCHOOL

During the 1972-1973 school year an additional Art teacher and room made it possible to more adequately meet the requests and needs of the students in this subject area. Class sizes were reduced and more students were able to work in a greater variety of media including: water colors, oils, textiles, metals, linoleum, clay, ceramics, macrame, jewelry, etc.

The girls extra curricula athletic program was expanded in both intramurals and interscholastics and continued growth may be expected as interest and enthusiasm have been great.

The large number of boys and girls who participate in the total athletic program taxes the existing facilities to the fullest.

The cooperation of the students and the staff combined with the support of the administration and the school committee have made the 1972-1973 school year a pleasant one at Pierce Junior High School.

CORNELIUS J. McINTIRE
Principal

REPORT OF SCHOOL COMMITTEE

COLLICOT SCHOOL

I herewith submit my twenty-second annual report as principal of Collicot School.

The pupils in our primary grades have been regrouped as evidence of learning disabilities was shown thru screening tests administered at the opening of school in September, 1973. One classroom at each primary grade level has been equipped and staffed for the specific purpose of analyzing and prescribing for the remediation of these learning disabilities. Enrollment is limited to twenty pupils under the direction of one full time regular teacher, three part-time resource teacher specialists and usually a student teacher.

Evening and afternoon meetings were held to acquaint all parents at these grade levels with the fact that native ability (intelligence) has no bearing on the existence of a learning disability and that the average level of reading achievement is more than one full year above national averages at grade level. For example – one fourth of the grade two pupils, in September, scored at fourth and fifth grade level in vocabulary and reading comprehension. Also, the range of intelligence scores as well as the median score was the same in the learning difficulty group at grade two as for the remaining sixty-nine pupils. Grades one and three showed similar results in test analysis.

The attitudes and performance growth for the pupils with learning difficulties, at the time of the writing of this report, is extremely encouraging and the utilization of specially trained resource teachers is much more efficient in increasing the number of pupils being served with minimal fragmentation of the pupils learning day. An intensive four months of audio and visual emphasis has resulted in a major regrouping through progress made to this point.

CHESTER W. RUGGLES
Principal

GLOVER SCHOOL

I herewith submit my tenth annual report as principal of Glover School.

Last June, the sixth grade children at Glover were afforded the unusual opportunity of participating in an "outdoor school experience" at Camp Wing in Duxbury under the excellent supervision of Mr. Paul Scopa, Elementary Science Coordinator, and six teachers from Glover School. All lessons in the area of Language Arts, Science, Mathematics and Art were built around the environment and natural setting of the camp.

A special word of thanks must be given to the Glover School Parent-Teacher Association for their financial assistance in this program. Also, nine high school students accompanied the Glover faculty and students to the camp. Their assistance and dedication to the program was most commendable. It was our privilege to have them with us.

Respectfully submitted,

MARY B. SCHOFIELD
Principal

REPORT OF SCHOOL COMMITTEE

PIERCE ELEMENTARY SCHOOL

I am submitting herewith my thirteenth annual report as principal of the Pierce Elementary School. The report is for the 1972-73 year.

Significant accomplishments at Pierce Elementary School during the past year include the further development of our Volunteer Teacher and Junior High School Tutorial Programs. These programs which utilize the services of the Milton residents and Pierce Junior High School students are more necessary than ever to the continued success of our individualized reading program which has been expanded to include intermediate grade classes. In a reading program of this type it is difficult for a classroom teacher to thoroughly supervise a variety of individualized activities while working with children in other areas.

The volunteers under the general direction of a supervising teacher have assisted in classrooms by working with small groups of youngsters, helping to perform tutorial services and providing individualized instruction when necessary.

Another educational activity at Pierce Elementary School this year was the Second Annual Sixth Grade Science Fair. The Fair co-ordinator, Mrs. Susan Frank, presented pupil participation as an option to her sixth graders.

Following three months of research and preparation, the projects went on display during the month of May. The fair was viewed by many students, teachers, parents and a panel of science instructors. Judges included Mr. Edwin Fein (Pierce JHS), Mr. Gary Maus (Pierce JHS), Mr. William Stefaney (Pierce JHS), Mrs. Carol Carrol (Tucker), Mr. George Cruickshanks (Glover), and Mr. John Hanley (Collicot). Each project was judged three times for both physical setup (color, appeal, neatness and imagination) and the participant's knowledge of the subject. At the conclusion of the fair, all eighty-four students received an Award of Honor for their participation in the Pierce Elementary School Science Fair.

Respectfully submitted,

ROBERT G. CONNOLLY
Principal

TUCKER SCHOOL

I herewith submit my eighteenth annual report as principal of the Tucker School.

The creation of two small rooms from the balcony area has eased our space burden. The resource teachers from the Special Services Department utilize the rooms daily.

Furthermore, the library has moved from the stage to a second floor room. With the enlarged facility we are able to provide a resource media center rather than a place only for the circulation of books.

Ten hours a week are open for classes to be taken into the library for research work and study with both the teacher and the librarian available for assistance. The rest of the time period during the week is set aside in half hour blocks for each of the classes in the building to have library instruction weekly and for circulating books.

A word of commendation is appropriate for the forty-three volunteer mothers who have contributed approximately three hundred and seventy one hours at this time in aiding

REPORT OF SCHOOL COMMITTEE

Mrs. Elizabeth Mills our librarian in the efficient operation of our library program. Thirty mothers are most active and work diligently on behalf of our pupils.

Under the direction of Mr. Douglas Tatro, our physical education instructor, a very innovative Tucker School Olympic Night was held last spring in conjunction with our PTA. Parent-pupil participation was evident from grades K - 6 in the games enjoyed by all.

Respectfully submitted,

ELEANOR C. BLAINE
Principal

ART DEPARTMENT

The following report, school year September, 1972 to June, 1973, is submitted for your consideration.

Pupils, enrolled in art programs, participated in several art contests: the Veteran's Day Poster contest (collaborating with Quincy High) on Oct. 6; the Milton Junior Woman's Club art competition (at Milton Central Library) on Feb. 14, for 5th, 6th grade pupils - posters on conservation, and 7th through 12th grade pupils, in photography, crafts, drawing and painting; and the March 15 MSFWC 1973 Young People's Art contest, ages 9-14, in which a Cunningham pupil placed 1st.

Projects included the completion of the high school cafeteria murals by June 21 and two large maps for the March 8 town meeting, and sketches with finished drawings for the Skylab booklet in conjunction with the audio-visual and industrial arts departments, by high school students. At elementary level, the play "Charlotte's Web" was produced at Pierce and during June, the art program in crafts at Camp Wing under direction of our elementary art teachers.

Several of our art teachers exhibited at the Milton Hill House Restaurant, April 13 to May 25. Also during May 2 and 3, the annual art and music festival was held at the high school gym, grades K through 12 represented in the art displays, and during the day hours, many hundreds of elementary school children attended the show. The art teachers also attended an art workshop sponsored by a major art materials supplier at Cunningham School on Jan. 10, attended the Mass. Art Education conference at Hotel 57, Boston, on October 30, as well as the State Department of Education Humanities conference in Hyannis on Oct. 6. Silvercraft, macrame weaving and drawing were offered in the 1973 summer session "Createens" at the Pierce building.

Respectfully submitted,

JULIAN S. ALEXANDER
Director of Art

BUSINESS EDUCATION DEPARTMENT

Students who elect the business education course are trained for immediate employment or for continuing education upon graduation from high school. Juniors and seniors participate in the work-study program to gain practical experience. Senior girls who remain in school are assigned to department heads to gain secretarial skills.

REPORT OF SCHOOL COMMITTEE

Under a federal grant the department has implemented a course in touch shorthand. This offers another opportunity for students to develop a career skill that will enable them to secure lucrative positions.

A course in Gregg notehand has been made available to college-preparatory students in which notehand techniques are introduced and developed. Students learn good study habits, learn to take effective notes, and learn to use notes for review purposes in preparation for exams.

An intensive civil service review course is available to students desiring employment in industry and government. Provision is made for an intensive review of the knowledge and basic skills that are necessary for clerical work.

The Milton Hospital and the Business Education Department have been involved in an educational program for students interested in hospital related work.

Those desiring to learn to prepare their own personal income taxes may enroll in the income tax course for this purpose.

Field trips to banks and data processing centers place the students in direct contact with local businesses. Guest speakers are invited to address classes on topics relevant to their studies. Correct telephone techniques for future office workers are developed under the expertise of a representative from the telephone company.

The department is making every effort to convince the college-bound students that some exposure to business courses is valuable and worthwhile.

LOTTIE A. ELZBUT,
Head, Business Education Department

ENGLISH DEPARTMENT

Evaluation and change are continuing processes in the English Department. Guided by professional research and the interchange of ideas with members of neighboring English Departments, the senior high faculty has once more revised the elective program. This time the pendulum has swung back. Term electives, ungraded and freely chosen, will be offered to juniors and seniors during the second semester only. An American Survey course and an English Survey course, designed for homogeneous grouping, will be offered for juniors and seniors respectively during the first semester. In addition to literature, these courses will include a review of basic language fundamentals, a formal study of vocabulary, and a heavy emphasis on composition. Dialogue within the department indicated a strong feeling for a more reasonable balance between what a student is required to take and what he desires to take.

At the junior high level discussion centered around a revamping of the junior high course of study with emphasis on more flexibility in the literature program, more standardization in the grammar program, and more individualized instruction.

Once again I would like to commend my teachers for their progressiveness, their flexibility, and their professional attitude.

POLLYANNA ANDEM
Head, English Department

REPORT OF SCHOOL COMMITTEE

FOREIGN LANGUAGES DEPARTMENT

The language department has endeavored to keep abreast of the changing needs and values of language study. We may at times feel inclined to criticize our students, but we must either cater to their interests and needs in language learning (in these days of no language requirement) or we may find ourselves upholding the classical values of language study to the "ghosts of students past".

To achieve better articulation between the junior high schools and the senior high, I have constantly encouraged all of the foreign language teachers to help in developing a better curriculum, especially in the transition from French I to French II and Spanish I to Spanish II.

Our CO courses have grown quite a bit this year which shows a definite need on this level. (The explanation of these courses can be found in the 1971 Town Report).

However, the titles of these courses are going to be changed to read Practical French I, II, III and Practical Spanish I, II, III.

I must state here that the foreign language teachers are truly working in a team effort to diagnose the needs of the foreign language students and to teach towards these individual differences. This year more than ever the teachers have been diagnosing and treating the "problems" that slower learners have in acquiring and developing language skills.

I have constantly been asked by students, parents and other department heads who come to visit me from time to time about the lack of Spanish in the seventh grade. The only answer I can give now is that the space shortage at Pierce Junior High School has made programming for early Spanish impossible, therefore, it is not available at Cunningham Junior High either. This space shortage has forced the curtailment of Spanish to a four year program. Until the space problem at Pierce is solved, the students seriously interested in a longer sequence will continue to be short changed. It is especially important for you, the people of Milton, to be aware of this condition.

Most Respectfully,

LEON MERIAN

Head, Foreign Languages Department

HEALTH, PHYSICAL EDUCATION AND ATHLETICS

I respectfully submit to you and the School Committee my Annual Report.

HEALTH

Our nurses and doctors with the help of community and state agencies continue to provide for medical exams, follow-up health exams, student observations, health counseling and general health appraisals of our students. The Health Department is cooperating with Forsyth Dental Center in its continuing program of topical fluorides. This program involves about 600 of our students.

PHYSICAL EDUCATION

Elementary programs provide each student with a minimum of two periods per week of physical education with emphasis on game skills, self testing skills and movement explorations. Space problems, especially at the high school level, do not allow us to comply

REPORT OF SCHOOL COMMITTEE

with the state minimum requirements in physical education. The curriculum at all levels are being reviewed and revised.

ATHLETICS

The intramural and athletic programs are continuing to attract large numbers of students. More emphasis is being placed in the girls athletics as two new girls interscholastic sports were added in the areas of tennis and field hockey.

It is the sincere hope of all teachers, coaches, and students involved in our physical education, intramural and athletic programs, that some steps be taken, now, to correct the serious space limitations that exist in these areas.

Respectfully submitted

RICHARD J. RYAN

Director of Health, Physical Education and Athletics

INDUSTRIAL ARTS

During the 1970-71 evaluation of Milton High School Section 4-10 Industrial Arts, it was pointed out that the lack of physical facilities could create dangerous safety infractions. It was recommended that the Industrial Arts Department be enlarged to adequately meet the present (1970-71) and future needs.

I submit the following statistics in order to further show the immediate need of more adequate facilities to teach the ever increasing numbers in a safe environment.

Enrollment by grade in the junior highs:

	1970-71	1973-74
Grade 7	179	162
Grade 8	139	146
Grade 9	<u>123</u>	<u>162</u>
Total	441	464

Enrollment by subject area in the High School:

	1970-71	1973-74
Technical Drawing	54	73
Electronics	35	54
Vocational Math	21	18
Metals	26	66
Power Mechanics	20	49
Woodworking	32	64
Graphic Arts	<u>41</u>	<u>66</u>
Totals	229	390

Grand total of students 1973-74 is 854 an increase of 145 over 1970-71 total of 670. During this time Industrial Arts on the High School level has increased from 229 to 390, a growth of 161 students or over 70 per cent.

Any increase in the Industrial Arts facilities must reflect these new figures which are far in excess of those referred to by the evaluating committee.

REPORT OF SCHOOL COMMITTEE

In view of the above points, it is felt that consideration should be given to the need of a full time woodworking teacher. These duties are now shared by Mr. Banta and myself.

It is my opinion that all safety factors have been exceeded in the present facilities because of the congestion of equipment and number of students presently participating in the program, 30 per cent of the total enrollment.

Respectfully submitted,

RICHARD C. BAILEY
Head, Industrial Arts

MUSIC DEPARTMENT

The year 1973 has been a busy one for the Music Department. The high school musical groups presented a pair of evening concerts in addition to performing at the Fine Arts Festival. The high school band also played a special children's concert in March on a Saturday morning for the Junior Womens Club, and played for the Senior Citizens at Cunningham Park. They also performed at eight football games, high school graduation, Veterans Day parades in Milton and Wellesley, and the Christmas Parade in Quincy. The band also participated in a pair of exchange concerts with the band from Bayonne, N.J. high school.

The junior high school musical groups presented a pair of evening concerts. The Cunningham band participated in a pair of exchange assemblies with Natick Junior High. The Pierce Band participated in a pair of exchange concerts with Westerly, R.I. Junior High.

Some of our talented high school musicians performed in the Southeastern District Festival and the All-New England Festival at Portsmouth, N.H. The Arion Award, the highest award for musical ability, was given to Edmund Cibas, who was soloist with the Boston Pops at Symphony Hall. The Sousa instrumental award went to Earl Gingras and the National Choral Award went to Edmund Cibas.

We realize that none of the above would have been possible without your support and that of the school committee, and we are deeply grateful for it.

Respectfully submitted,

FRANCIS W. TATRO
Director of Music

MATHEMATICS DEPARTMENT

In March of this year the Digital Equipment Corporation installed an EDUSYSTEM 20 and two teletypes at the high school in the room which is to be the Mathematics Laboratory. The students responded immediately to the excitement and challenge of conducting a dialogue with a computer. The equipment has been in constant use ever since, beginning before school and continuing until long after school is over in the afternoon. One of the students has had an original game printed in a book published by the Digital Equipment Corporation. Any doubt as to the merit of this program can be quickly dispelled by a visit to the room at any time.

During the summer two course outlines were written. The one for Trigonometry and Mathematical Analysis is completed for each of the three different levels which are offered. The other is for the four levels of Algebra II. These will be discussed by the department and implemented next year.

REPORT OF SCHOOL COMMITTEE

This fall marked the beginning of offering Algebra I and Geometry B2 on a semester basis. It is now possible to repeat the first semester of these two courses starting in January rather than having to wait until the following fall. This procedure will be evaluated after it has been in use long enough to make a fair judgment of its validity. The department hopes to be able to offer the same arrangement in Algebra II B2 as soon as scheduling and staff size permit.

HAZEL F. DOUGLAS
Head, Mathematics Department

HOME ECONOMICS DEPARTMENT

Definite progress has been made in the Home Economics Department since my last report.

A new teacher was appointed at Cunningham Junior High which enabled us to correlate course offerings in both junior high schools. This was a giant step forward since this allows all junior high students to have basically the same preparation and experiences for high school.

A need for new courses that would both enrich the present curriculum and meet the needs of today's youth was studied at great length during the year. Curriculums for a Child Development course, a Creative Home Arts course, and a Consumer Education course were developed. I am happy to report that these courses were approved and have been included in the present junior high school curriculum. The inclusion of these courses in the curriculum tends to create a more meaningful learning experience for our Junior High school youth.

At the high school level there were no sweeping changes or additions to the curriculum. Plans were laid for an expansion of the Child Development program to accommodate more children and offer for the first time outdoor learning situations. At the present time, the indoor facilities do not allow the high school students to observe children in an outdoor setting or allow them to create techniques in large muscle development activities which is one of the most important areas in child growth. Unfortunately, due to space limitations we were unable to pursue these plans.

Undaunted the department is still studying ways to update both the junior high and senior high school curriculums. More and more boys are leaning towards selecting Home Economics subjects. This is a most interesting trend and our department would welcome such an enrollment.

May I express my sincere thanks for the cooperation of the teachers, principals and the administration.

Sincerely,

GENEROSA HAGAN
Head, Home Economics Department

ELEMENTARY LANGUAGE ARTS

I am submitting herewith my annual report for the calendar year 1973.

There were two major areas of emphasis in the elementary language arts this year. At the primary level the work begun the previous year in understanding the learning styles of our pupils and utilizing a variety of appropriate materials and techniques to teach to those styles was expanded. Specialists and classroom teachers worked in a team effort to diagnose learning needs and to teach to individual differences. Selected teachers from Kindergarten, Grade One and Grade Two attended Project SPOKE and several inservice workshops to study the Behavioral Objectives approach to instruction in an effort to refine teaching procedures. The use of parent volunteers, student teachers, and student aides in assisting in the management of multi-media, multi-activity classrooms was extended.

At the intermediate-grade level a committee of teachers established criteria for the selection of a reading program for middle and upper achievers. After an indepth study of a variety of reading programs, the Holt Basic Reading System, published by Holt, Rinehart, and Winston Co., was recommended to the School Committee. It was approved.

Considerable time was devoted to planning a special language arts curriculum for outdoor education at Camp Wing – a successful project developed at the Glover Elementary School under the direction of Miss Schofield, Principal, and Mr. Scopa, Elementary Science Coordinator. Additional projects worked on were the continued expansion of a paperback literature program, the assessment of audio-visual resources available for use in teaching to individual differences, and a series of joint discussions involving the Language Arts Coordinator, the Chairman of the English Department, Grade Six teachers, and Junior High School teachers in regard to articulation of the sixth and seventh grade curricula.

Due to the continued support of the administration and the hard work and sincere cooperation of the educational staff, a great deal was accomplished this year. I would like to take this opportunity to thank them for their efforts.

VON W. ORTON
Elementary Language Arts Co-ordinator

SOCIAL STUDIES DEPARTMENT

I feel my first Annual Report would be lacking if it did not include a message of gratitude to my predecessor, Miss Thelma Belle Foster. Ever a capable teacher and administrator, Miss Foster served the Milton Schools well for over forty-three years.

At the Senior High, the Work Study Program increased along with our department's commitment to providing a viable curriculum for the Work Study student. Junior Work Study United States History was added to the course of study as was another section of Senior Work Study English-Social Studies, a team-teaching effort between members of the English and Social Studies Department. We are committed to involving the non-college bound and vocationally oriented student with as many worthwhile Social Studies courses as possible.

There was a continued increase in the number of students enrolled in Urban Geography and Psychology. Such an increase is seen by this Department to signify a growing student interest in timely and interesting semester (half year) courses which would be, in a large sense, completely elective. 1973 saw the beginning of a commitment to semesterize the Social Studies Program so as to offer our students as much choice as is possible or desirable,

REPORT OF SCHOOL COMMITTEE

concerning their courses' content, level, viability, and frequency of offering. The Department hopes to semesterize our Program of Studies almost totally in the near future.

On the Junior High School level, we began the effort to equalize course offerings for both Pierce Junior High School and Mary A. Cunningham Junior High School. This effort is continuing and mirrors this Department's belief that our students should receive an equally interesting, meaningful, and useful Social Studies exposure regardless of their Junior High.

In closing, I am pleased to relate that a good many members of this Department participated in outside courses and professional visits to other schools in an effort to increase their subject knowledge and improve their teaching techniques. Released Time meetings allowed our Department members the opportunity to share such experiences. Such efforts are necessary to allow the Social Studies Department to adjust its philosophy and teaching approaches to meet the needs of the students and the demands of our society.

Respectfully submitted,

THOMAS J. SMIGLIANI
Head, Social Studies Department

SCIENCE DEPARTMENT

During the school year 1972-73 the science program expanded to some extent, in terms of space and numbers.

At the Pierce Junior High, the crowded conditions were improved by the use of Rooms 102 and 104 by the science classes, thereby solving the problem of physical space. When these rooms are equipped so that we can take full advantage of them for laboratory activities, we should have comparable programs in both junior high schools. These programs, then, will be capable of satisfying the educational needs of all our students. We looked forward to the start of level one of the ISCS program in September, 1973, and the culmination of it by introducing the third level in the 1975-76 school year.

The second level of the ISCS program is working well at the Cunningham Junior High with the third level to start in September, 1973. We are making full use of all the facilities available and maintaining a program to accommodate all in a laboratory activity situation.

At the Senior High School we found the use of Room 206 very beneficial and looked forward to its completion along with the renovation of Room 203 in the fall of 1973. We will have an increase in enrollment in September, 1973, and therefore will require the addition of a new chemistry teacher to the staff. Enrollments in science classes will probably be close to seventy-five percent of the school population.

At this time we believe we are doing all that we can in the department, as far as offerings are concerned, and probably will make full use of our facilities in maintaining the present courses and levels.

GERALD T. CAMPBELL, JR.
Head, Science Department

ELEMENTARY SCHOOL SCIENCE

Last year saw not only the continuation of our implementation of Science-A Process Approach (SAPA) but also a pilot program that had sixth grade pupils participate in an outdoor education program.

SAPA was introduced in the fourth grade and its success can be attributed to the enthusiasm and talent of the fourth grade science teachers. The new lessons range from interpreting data of guinea pigs running a maze to the making of three-dimensional gelatin shapes and then predicting how the shapes will look when cut at certain angles.

Fifth grade science teachers were given inservice training to prepare them to implement SAPA in their grade. They began teaching the Program in September, 1973.

During the first week in June, 1973, the sixth graders from Glover School "moved in" at Camp Wing in Duxbury for four days and three nights. Some of the lessons taught by our staff were water pollution testing, learning to use a compass, archery, triangulation, writing a newspaper, sand casting and making a terrarium. The outdoor learning experience provided by the staff in this unique setting was so successful that during the school year 1973-74, all sixth graders in the four elementary schools will participate.

Finally, I extend my appreciation to those teachers who are involved daily in teaching SAPA. Their continued enthusiasm in teaching the Program is most gratifying. I also wish to thank those teachers involved in designing the Camp Wing program and, particularly, Mary Schofield for her invaluable assistance.

Respectfully submitted,

PAUL P. SCOPA
Elementary Science Coordinator

SPECIAL SERVICES

During the 1972-73 school year there was an increased effort to develop a team approach in the area of screening, diagnosis and programming for children with special needs. This experience should prove extremely valuable when Chapter 766 of the Commonwealth of Massachusetts mandates more sophisticated methods of programming the special needs child in September 1974.

The Wednesday in-service released time proved to be extremely valuable in terms of improved communications between the specialists and the classroom teacher. An eight session seminar that was well received involved classroom teachers, counsellors, specialists and two consultants from the South Shore Mental Health Center. Some of the topics discussed were (1) medication, (2) school phobia, and (3) working constructively with parents.

The 1972-73 school year was the last year of a \$30,000. federal project that enabled the school department to purchase a mobile unit and equipment for speech therapy. This unit should continue to be of service to the system for some time to come.

Another federal project funded under Title VI (Aid to the Handicapped) was written and approved for \$18,000. This program, pre-vocational in nature, initiated in the 1973-74 school year, will serve severely handicapped students from Milton and surrounding towns.

REPORT OF SCHOOL COMMITTEE

In closing I would like to express my thanks to the teaching staff, the administrators and the school committee for their continued support in their effort to develop quality programs for all school age children.

RICHARD C. SULLIVAN
Director, Special Services

AUDIOVISUAL EDUCATION DEPARTMENT

Last year in your town report I told of many changes taking place within this department. Since then, the planning on paper has become factual. A system wide inventory of all audiovisual equipment is complete. This year more than one hundred pieces of equipment have been added to new learning programs in the elementary schools. All support materials such as cassettes, thermal masters, transparencies, and other audiovisual teaching supplies are being purchased in quantity lots. This brings the cost per unit down and allows for a more adequate supply of materials available to the classroom teacher.

I have started a system wide inventory of support type audiovisual materials known as software. There are thousands of film strips, film loops, tapes, tape cassettes, records, and motion picture films to be inventoried. When complete, each school will have a systemwide IBM listing of all audiovisual materials available for the classroom teacher.

In December a plastic laminator was added to the department. This machine alone not only saves as much as five times on the cost of material but also saves time in labor. Laminating, which took eight hours of labor, can now be done in one hour. This also means a large saving of electrical energy.

Part of the Audiovisual Department's effort during this Energy Crisis is to save on electrical energy. Most of the motion picture projectors have been adapted to use a different projector lamp which results in a saving of 250 watts per hour for every projector that can be modified.

I am proud to say that a Skylab Coloring Book was produced as a result of a joint effort with the Art, Business Education, and the Industrial Arts-Graphic Arts classes. This twelve page book originated from photographs I took at the Kennedy Space Center, and was reproduced in classroom quantities for our elementary school children. Educationally our students could follow the Skylab and astronauts' activities in the classroom simultaneously as it happens in space.

DAVID L. RICHARDS,
Director, Audiovisual Education Department

REPORT OF SCHOOL COMMITTEE

DRIVER EDUCATION

I herewith submit my report on Driver Education for the year of 1972-1973.

High School

Number enrolled in the classroom	179
Number completing the road training	156
Number that dropped out of course	5
Total certificates issued	156

We wish to thank South Shore Buick for donating a Buick Century which we used in the Driver Education Program.

Sincerely yours,

GINO M. FIORE
Director of Safety Education

ADULT EVENING CLASSES

I herewith submit my eighth annual report as director of the Milton Public Schools Evening Division.

Thirty classes per week are in operation during this year. The average enrollment is eighteen members per class. Classes meet for twenty sessions.

The unusual demand for classes in beginning tennis caused the establishment of six ten-week classes. Three sections meet for the ten-week period from October thru December and three classes are scheduled for the second ten-week period. Waiting lists existed for all tennis classes.

The second half-year program, which usually operates from January thru March, has been changed to operate from March thru May. This rescheduling is designed to save heating fuel and electrical power during the two colder months.

The Milton School Committee also voted to change the name of this program from Adult Evening Classes to Milton Public Schools Evening Division.

The operational budget for the program remained the same as it has for the past three years with half the cost carried by participants and half by town appropriation.

CHESTER W. RUGGLES
Director, Adult Evening Classes

REPORT OF SCHOOL COMMITTEE

SUMMER SCHOOL

For the ninth consecutive year a six weeks summer program was offered by the Milton Public Schools. It began June 25 and ended August 3. All children of Milton residents who had been attending grades kindergarten through sixth in public or private schools were eligible to attend. A \$10. registration fee was required for each subject for which the child was enrolled. All classes were held at the Pierce Elementary School. Speech Therapy classes were held in the Mobile Speech and Hearing Unit to the rear of the building.

. Both remedial and developmental Reading and Mathematics were offered for grades one through six.

Pre-First Grade Readiness, along with twenty minutes of perceptual-motor training in the elementary gym, allowed the opportunity for extended readiness for youngsters beyond kindergarten.

Interest in attendance at Summer School is on the rise, as indicated by a 37% increase in the number of pupils registered and a 44% increase in the number of classes attended since 1971.

Detailed Progress Report Sheets were prepared for each child. This information along with before and after reading tests was forwarded to the current classroom teacher.

Respectfully submitted,

CHARLES J. KENT
Director, Summer School

REPORT OF SCHOOL COMMITTEE

DIRECTOR OF CAFETERIAS

This has been a very unusual year with skyrocketing food prices and scarcities of many food items. There have been government cutbacks in the surplus food program due to the increases in food prices, which are two to three times what they were last year. Congress, cognizant of the rising costs of food and labor, consequently increased the federal reimbursement this year by 02 ¢ per meal.

In an effort to save money, the School Committee decided to serve only one choice of lunch this past year. During the three months that this policy was in effect, the participation dropped sharply and there was a loss of revenue, even with the savings in labor costs. The School Committee reviewed the situation, and decided to restore the second lunch choice. The Milton School Cafeterias served 382,242 lunches this past year.

The 1970 School Lunch Act provides that a lunch be made available to all school children in the country. Guidelines are provided for free and reduced price lunches governed by income and size of family. To avoid any possible embarrassment, every effort is made to insure that the children do not know who is paying and who is receiving a free lunch.

Good nutrition is a vital component for physical and emotional well-being. The Type A meal consists of: 2 ounces of meat, poultry or fish, cheese or one egg; 3/4 cup of fruit or vegetable; one slice of whole grain or enriched bread; one teaspoon of butter; and one-half pint of whole, unflavored milk.

As in previous years, I wish to thank the School Administration, the custodial and maintenance forces, and the cafeteria staff for another successful year.

Respectfully submitted,

MARIE C. MINNICK
Director of Cafeterias

SUPERVISOR OF ATTENDANCE

I herewith submit my annual report as supervisor of attendance for calendar year 1973.

Home visits	282
Residency investigations	73
Cases prosecuted at Quincy Juvenile Court	2
Number of court appearances	6
Prejuvenile court attendance	6

GERARD R. MATTALIANO
Supervisor of Attendance

REPORT OF SCHOOL COMMITTEE

GUIDANCE DEPARTMENT

As you know, 1973 marks a milestone in the development of this department with the appointment of a full-time counselor, Mrs. Lynn Margolis, at the Pierce Elementary School – thus providing formal guidance services in all the town's school buildings. Mr. James Donahue, formerly of the North Andover Public Schools, succeeds Mr. Thomas Brennan of the High School guidance staff who was appointed Assistant to the Principal.

Now in its fifth year, the Work-Study Program has demonstrated continued growth with the following figures:

1972-73			1973-74		
	Grade 11	Grade 12		Grade 11	Grade 12
Boys	9	12	Boys	12	24
Girls	<u>15</u>	<u>28</u>	Girls	<u>12</u>	<u>34</u>
	24	40		24	58
TOTAL 64			TOTAL 82		

Mr. Warren Lapworth, Work-Study Coordinator has been able to not only observe students on the job, but to further develop sound public relations. The boys are averaging about 33 hours a week of work, earning approximately \$82, and the girls working about 23 hours a week with an average wage of \$55.

Although not affiliated with the guidance department as is the Work-Study Program, we note that an additional 16 juniors and 7 seniors are involved in the new Distributive Education Program – a program centered about sales and related jobs with release time for work experience.

We can assume from the two career oriented programs that an increased number of students will probably seek full-time employment upon graduation – accounting for possibly 24% of the class which would be the highest in the past fourteen years. Although these programs are bringing the world of work to a much larger number of students before graduation than six years ago, there appears to be less acceptance of the idea that a college education will provide the answers for all our youth. We are also seeing more students deferring higher education for a year or until such time as they consider themselves ready and in real need of additional training.

ROBERT H. ARCHIBALD
Director of Guidance

MILTON HIGH SCHOOL GRADUATES
COMPARATIVE PLACEMENT STATISTICS

Year of Graduation	1959	1963	1965	1967	1969	1970	1971	1972	1973

MARCH MEETING
MILTON TOWN RECORDS IN
THE MUNICIPAL YEAR 1974

1974 MARCH MEETING
WARRANT

Commonwealth of Massachusetts
County of Norfolk

To any of the Constables of the town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

- | | |
|-----------------|---|
| In Precinct 1. | Tucker School Hall, Blue Hills Parkway |
| In Precinct 2. | Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway, |
| In Precinct 3. | Milton-Hoosic Clubhouse, Central Avenue, |
| In Precinct 4. | Basement Playroom, rear of Pierce Elementary School, Gile Road, |
| In Precinct 5A. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 5B. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 6. | Gymnasium, Cunningham Junior High School, Edge Hill Road, |
| In Precinct 7. | St. Agatha's Auditorium, Adams Street, |

on Saturday, March Second next, at eight o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

- Three Selectmen and Surveyors of Highways for the term of one year.
- One Town Clerk for the term of one year.
- One Assessor for the term of three years.
- One Town Treasurer for the term of one year.
- Two Members of the School Committee for the term of three years.
- One Park Commissioner for the term of three years.
- Three Trustees of the Public Library for the term of three years.

MARCH MEETING

One Member of the Board of Health for the term of three years.
One Moderator for the term of one year.
One Trustee of the Cemetery for the term of five years.
One Trustee of the Cemetery for the term of four years.
One Member of the Planning Board for a term of five years.
One Member of the Planning Board for the term of two years.
Four Constables for the term of three years.
One hundred and one Town Meeting Members as follows:

Precinct 1.	Fourteen for three years. Two for two years.
Precinct 2.	Eleven for three years. One for one year.
Precinct 3.	Seven for three years. Two for two years.
Precinct 4.	Ten for three years. One for one year.
Precinct 5A and 5B.	Twenty-five for three years. Two for one year.
Precinct 6.	Fourteen for three years.
Precinct 7.	Twelve for three years.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting on the following Saturday, to wit, March Ninth next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road, in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 52 inclusive, appearing in regular type on pages 20 through 58.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Town seven days at least before the Second day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said Second day of March, next.

Given under our hands at Milton the Thirty-first day of January, Nineteen Hundred and Seventy-four.

(Signed) John P. Linehan
Ralph L. Kent
James D. Colt
Board of Selectmen

Commonwealth of Massachusetts
County of Norfolk

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the Post Offices of the Town on February 22, 1974, and leaving attested copies at the dwellings of the inhabitants.

(Signed) John E. Whearty
Constable of Milton

The Warrant, including report of the Warrant Committee and recommendations on the Articles in the 1974 Warrant, was posted in the Post Offices at East Milton and at Milton

MARCH MEETING

Village on February 22, 1974 and was filed in the Town Clerk's Office on February 22, 1974. The Warrant was delivered to the homes of the inhabitants on February 23, 1974.

For these purposes, the polls were opened at each and all of the said Precincts at eight o'clock in the forenoon and were closed at eight o'clock in the evening.

The Town Clerk upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 4:00 A.M. March 3, 1974.

The Meeting adjourned at 4:00 A.M. March 3, 1974, to meet on the following Saturday, to wit, March 9th, next, at one o'clock in the afternoon at the Milton High School Auditorium, 191 Brook Road, in said Milton, then and there to act upon the fifty-two articles included in the Warrant.

The Absentee Ballot as it is used in Massachusetts, is available for all State and National Elections. It is also used at City and Town Elections. Chapter 632 of the Acts of 1968.

At our Town Election, held Saturday, March 2, 1974, Milton had the following number of Absentee Ballots:

Precinct	1	2	3	4	5A	5B	6	7	TOTAL
Applications Received	4		21	13			38	12	
Ballots Cast	4	9	20	13	4	10	38	10	108

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the precincts.

Grace M. Coles
TOWN CLERK

MARCH MEETING

ADJOURNED TOWN MEETING MARCH 9, 1974

The Town Meeting held at the High School Auditorium was opened at 1:05 by the Moderator, Robert K. Lamere. Those present stood while the Reverend J. R. Hiles, Vicar of the Church of Our Saviour, delivered the invocation.

The Moderator read the names of the following Town Meeting Members who had died since our last Annual Town Meeting: Charles F. Batchelder, Thomas F. Fallon, Warren J. Murdock, Richard H. Schmidt and Leo V. Taylor. The Town Meeting Members stood for a moment of silence.

The Town Meeting Members stood again and were sworn in by the Town Clerk, Grace M. Coles.

The Moderator checked with the Town Clerk as to the attendance and announced that a quorum was present. Twenty (20) Town Meeting Members were absent as follows.

Permission was given to certain members of Boards and Committees who are not Town Meeting Members to sit with the Town Meeting Members with no right to vote.

ARTICLE I. To choose all such Town Officers as are not required to be chosen by ballot.

VOTED: To elect James E. Curran and Theodore E. Kenney, Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

VOTED: To accept the Report of the Town Accountant as printed on pages 166 through 185 of the 1973 Town Report.

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1974, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within

MARCH MEETING

one year, and to renew a note or notes therefor, payable within one year, and to renew any notes or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED: That the Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1974, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

VOTED: That the Town vote "YES."

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED: That the Town vote "YES."

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED: That the Town vote "YES."

Vehicle Maintenance and Operation	102,667.00

MARCH MEETING

Out-of-State Travel	800.00
Total	\$1,384,785.00

And that to meet said appropriation the sum of \$32,900 shall be transferred from the Local Government Fiscal Assistance Fund received or to be received pursuant to the provisions of Public Law 92-512 and that the balance of said appropriation, \$1,351,885 be raised from the tax levy of the fiscal year.

The Public Works Department is authorized to spend from the aggregate amounts appropriated the sums of \$717,071, but no more, for salaries and wages and \$58,800, but no more, for new equipment.

The Public Works Department is hereby authorized to exchange or trade-in old equipment for the same or similar type equipment and to sell junk, metal, cast iron and similar material and discarded meters, whether dismantled or not, in the usual course of its operations to furnish additional funds for the purchase of replacement items.

Out-of-State travel is for necessary expenses of officers and employees of the Department incurred outside of the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Department (G.L.Ch. 40, Sec. 5-34).

ARTICLE 14. To see what sum of money the Town will vote to appropriate for expenditure by the Board of Selectmen acting as Water Commissioners, said sum to be held in a special account to be known as the Account for Mains in Private Ways and to be expended for the purpose of constructing water mains and appurtenances in private ways for which deposits shall have been made to reimburse the Town for such expenditures. No such expenditure shall be made in or liability incurred in connection with any such way in excess of the deposit made for such way until after such deposit has been made, and until after takings have been made of rights and easements necessary for the construction and maintenance of such mains and appurtenances; and to act on anything relating thereto.

Recommended
7/1/74-6/30/75

VOTED: That the sum of \$12,550 be appropriated from available funds.

ARTICLE 15. To see what sum the Town will appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90, said sum, or any portion thereof, to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose; and to act on anything relating thereto.

VOTED: That the sum of \$15,000 be raised and appropriated to meet the Town's share of the cost of said work, and that in addition the sum of \$45,000 be appropriated from available funds on hand July 1, 1974 to meet the State's and County's share of the cost of said work, the reimbursements from the State and County to be restored upon receipt of available funds in the treasury.

ARTICLE 16. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1974 for the operation of the several categories classified as Observances of Holidays, Parks, Recreation and Youth Program, and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading "Recommended":

MARCH MEETING

1. Observances of Holidays to be administered by the Board of Selectmen

Memorial Day	\$ 900.00
Fourth of July	900.00
Veterans' Day	350.00
Christmas Lighting	
Total	\$ 2,150.00

2. Park Department to be administered by the Board of Park Commissioners

Salaries and Wages	\$ 80,000.00
Expenses	12,500.00
Equipment	2,805.00
Special Items	5,000.00
Capital Outlan	13,740.00
Fish Stocking	1,500.00
Handicapped	6,000.00
Recreation for Elderly	6,000.00
Kelly Field Facilities	
Total	\$127,545.00

3. Youth Department

Salaries & Wages	\$ 22,118.00
Expenses	17,720*
Total	\$ 39,838.00

GRAND TOTAL \$169,533

* On a letter from the Treasurer, Joseph G. Graziani, Jr. the expense item in #3, Youth Department was increased from \$7,720 to \$17,720, said amount to be offset by receipts received from money raising projects sponsored by the Youth Department. On a motion made by John P. Linehan and seconded the amount of the expenses in Item 3. Youth Department was increased by \$10,000.

Items enumerated within the totals set forth above shall be treated as segregated.

The Departments are hereby authorized to exchange or trade-in old equipment for the same or similar type equipment.

ARTICLE 17. To see what sum of money the Town will vote to appropriate for the maintenance and improvement of the Cemetery for the year beginning July 1, 1974; and to act on anything relating thereto.

VOTED: That the Town appropriate the amount shown in the following tabulation under the heading "Recommended":

Cemetery

Salaries & Wages	\$130,774.00
Expenses	40,765.00
Equipment	9,255.00
Out-of-State Travel	175.00
Development	5,000.00
Trees & Tree Work	3,000.00
Total	\$188,969.00

MARCH MEETING

and that to meet said appropriation the sum of \$123,250 be raised from the tax levy of the fiscal year and the balance of the appropriation, \$65,719, be transferred from available funds as of December 31, 1973, as follows:

Proceeds from the sale of burial rights	\$20,430.00
Income on cemetery perpetual care fund	45,289.00

Items enumerated within the Department total set forth shall be treated as segregated.

The Department is hereby authorized to exchange or trade-in old equipment for the same or similar type equipment.

Out-of-State travel is for necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Department (G.L. Ch. 40, Sec. 5-34).

ARTICLE 18. To see if the Town will vote to accept a gift to the Milton Cemetery of \$500.00 from Bertha S. Williams, the income thereof to be; used for the care and maintenance of plants of Lot No. 80½ in said Cemetery; and to act on anything relating thereto.

VOTED: That the Town vote "YES".

ARTICLE 19. To see if the Town will authorize the Selectmen to transfer to the Board of Cemetery Trustees care, custody and control of a certain parcel of land in Milton bounded as described as follows:

Beginning at the southeasterly corner of said parcel at the northeasterly corner of Lot 25 owned by Donald E. Allison et al on the north line of Murray Avenue;

THENCE running southwesterly along land now of Donald E. Allison et al 95.04 feet;

THENCE turning and running northwesterly along land now of Frederick W. Donovan et al 24.80 feet;

THENCE turning and running northwesterly along land now of Milton Cemetery 147.03 feet;

THENCE turning and running southeasterly along a curved line with a radius of 76.57 feet along land of Milton Cemetery a distance of 50.00 feet;

THENCE turning and running southeasterly along land of Milton Cemetery 124.05 feet;

THENCE turning and running southerly along land of Milton Cemetery 22.5 feet to the point of beginning.

Said parcel contains 10,419 square feet of land and is shown as Lot C on a plan of land entitled "Plan of Land, Milton, Mass., December 12, 1974, L. W. DeCelle, Jr., Town Engineer" which plan is on file at the Office of the Town Engineer; and to act on anything relating thereto.

VOTED: That the Town vote "YES".

MARCH MEETING

UNANIMOUS VOTE

ARTICLE 20. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, by striking out the section "Position Identification by Grade, Department and Municipal Division" and also the section "Position Classification-Schedule of Rates" and inserting in place thereof the schedules hereinafter set forth and to appropriate the necessary funds to be added to salary accounts for the various departments.

VOTED: That the Town vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, exactly as set forth in this Article; and that the sum of 236,849 be appropriated and added to the salary accounts of the departments as shown in the following tabulation under the heading "Recommended":

	Actual 1973 1/1/73-12/31/73 (12 mo.)	Balance of Approp. 1/1/74-6/30/74 (6 mo.)	Recommended 1974/75 7/1/74-6/30/75 (12 mo.)

ARTICLE 21. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Bylaw as follows:

1. By striking out the month "January" wherever found in Section IV.D.4 and inserting in place thereof the month "July."
2. By striking out in its entirety the fourth sentence of Section IV. D.4 relative to retroactive pay increases.
3. By striking out in Section V. F. the date December 15th and inserting in place thereof the date "June 15th."
4. By striking out the date "December thirty first" in section V.F. 1 and inserting in place thereof the date "June 30th."

and to act on anything relating thereto.

VOTED: That the Town vote "YES."

MARCH MEETING

ARTICLE 22. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, by inserting therein the following :

SECTION II.D – Town Office and Library Buildings Department

1. A Town Office and Library Buildings Department is hereby established.
2. The head of the Town Office and Library Buildings Department shall be the Superintendent of the Town Office and Library Buildings who shall be appointed annually by the Board of Selectmen.

and to act on anything relating thereto.

VOTED: That the Town vote "YES."

The Moderator declared a twenty minute recess at 3 30 P.M. and reconvened at 3 50 P.M.

ARTICLE 23. To see if the Town will vote to amend Chapter 13, Wage and Salary Determination and Personnel Administration by adding to Section IV Wage and Salary Determination as follows :

E. Cost of Living Increment

All positions subject to the Bylaw shall be subject to annual adjustment by the change in the Cost of Living. The first year for adjustment shall be 1974. The index used shall consist of the U. S. Dept. of Labor, Boston Consumer Price Index (1967 = 100) all commodities. The Cost of Living adjustments shall be based upon the percentage change between the index figure published in October of each year. The percentage change shall be applied to the salary schedules regulation under this Bylaw and shall not for the purposes of collective bargaining be considered as a pay raise, and to act on anything relating thereto.

Robert C. Green, 115 Lyman Road, Milton

ARTICLE 26. To see if the Town will vote to establish a “Transitional Career Awards Program” for Milton police officers who do not receive educational incentive pay and to appropriate the sum of \$26,000 to implement the program as follows; and to act on anything relating thereto.

Effective July 1, 1974, a police officer who commences his fifth year of service as a police officer for the Town of Milton shall receive an additional \$400 per year, and a police officer who commences his tenth year of service shall be paid an additional \$600 per year, and a police officer who commences his fifteenth year of service shall be paid an additional \$800 per year, and a police officer who commences his twentieth year of service shall be paid an additional \$1000 per year.

MARCH MEETING

Such payments shall be lump sum in nature and rendered on the first pay period in August, annually.

Only police officers employed on or before July 1, 1974 will be eligible to participate in the "Transitional Career Award Program." Police Officers hired after July 1, 1974, will not be eligible to participate therein, but will be eligible and will be encouraged to participate in the "Education Incentive Plan."

VOTED: That the Town vote "NO".

ARTICLE 27. To see if the Town will vote to require the Chief of Police, or in his absence the officer in charge of the Milton Police Dept., to cover all existing routes on all shifts. This need for coverage was established when the one-man cruiser system and 4-2-1 work week were implemented two years ago. This requires that every shift will maintain the following coverage to insure a minimum level of police protection for citizens in all Route Sectors of the Town.

One Platoon Commander
One Desk Sergeant
One Street Supervisor
One Communication Officer
One Ambulance Driver
Six One-man motorized sector cruisers
One East Milton Walking Route
One Detective, day shift – 8:00 A.M. to 4:00 P.M.
One Detective, first half, nights – 4 00 P.M. to 12 00 A.M.

Donald L. Hunt, 22 Orono Street, Milton
Richard G. Wells, 31 Granite Place, Milton
Robert C. Green, 115 Lyman Road, Milton

VOTED: That the Town vote “NO”.

ARTICLE 30. To see what sum of money the Town will vote to appropriate for the support of Schools for the twelve month period beginning July 1, 1974 and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading “Recommended”:

Schools

Salaries & Wages	\$5,022,447.00
General Expenses	833,459.00
Custodians – Private Work	5,000.00
Out-of-State Travel	4,500.00

MARCH MEETING

Curriculum Development	8,000.00
Summer Education Dev.	11,500.00
School Lunch Program	91,950.00
Summer School Program	2,800.00
Research & Development	2,500.00
Vocational Education	49,733.00
Total	\$6,031,889.00

and that to meet said appropriation the sum of \$5,999,602, shall be raided from the tax levy of the fiscal year and the balance of the appropriation \$32,287 shall be transferred from available funds in the Federal Grant (P.L. 874) to Public Schools Account.

Items enumerated within the Department total set forth shall be treated as segregated.

The Department is hereby authorized to exchange or trade-in old equipment for the same or similar type equipment.

Out-of-State travel is for necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information in which the Town is interested or which may tend to improve the service of the Department (G.L. Ch. 40, Sec. 5-34).

ARTICLE 31. To see if the Town will vote to appropriate the sum of \$698,584 for summer salaries for teachers and other professional employees of the school department for the school year ending on June 30, 1974, which have been withheld by negotiated agreement for payment on July 1, 1974 and to determine whether said appropriation shall be raised by borrowing or otherwise, and if by borrowing, to authorize the issuance of obligations of the Town therefor under any applicable provision of law; and to act on anything relating thereto.

VOTED: That the Town vote "yes" and that the sum of 698,584 be appropriated for salaries of teachers and other professional employees of the school department earned during the school year ending on June 30, 1974, but payable in July and August, 1974 and that to meet said appropriation the sum of \$3,584 shall be raised by taxation and the Treasurer, with the approval of the Board of Selectmen, be authorized to borrow up to the sum of \$695,000 under and pursuant to the provisions of Section 11 of Chapter 52 of the Acts of 1973 and to issue bonds or notes therefor.

UNANIMOUS VOTE

ARTICLE 32. To see what sum of money the Town will vote to appropriate for Evening Practical Art Courses under the provisions of General Laws Chapter 74, Section 14 for the twelve month period beginning July 1, 1974; and to act on anything relating thereto.

VOTED: That the Town appropriate the amount shown in the following tabulation under the heading "Recommended":

Appropriated	\$ 11,000.00
--------------------	--------------

ARTICLE 33. To see what sum of money the Town will vote to appropriate for the transportation of pupils to and from school for the twelve month period beginning July 1, 1974, said sum to be administered by the School Committee; and to act on anything relating thereto.

VOTED: That the Town appropriate the amount shown in the following tabulation under the heading "Recommended":

Appropriated	\$245,580.00
--------------------	--------------

MARCH MEETING

ARTICLE 34. To see what sum of money the Town will vote to appropriate for the purpose of supplying clinical services for emotionally disturbed children of Milton through the South Shore Mental Health Association, such sum of money to be administered by the School Committee; and to act on anything relating thereto.

VOTED: That the Town appropriate the amount shown under the following tabulation under the heading "Recommended".

Appropriated \$ 6,800

ARTICLE 35. To see if the Town will vote to authorize a School project consisting of:

1. The reconstruction, remodeling, rehabilitation, modernization and original equipping as may be required at the senior high school to render it more suitable as a senior high school.
2. The lease or purchase and erection of a physical education facility on the site of the senior high school;
3. The lease or purchase and erection of an industrial arts facility on the site of the senior high school;

to see what sum of money the Town will vote to appropriate for the foregoing purposes or any of them; and determine how said appropriation shall be raised, whether by appropriation of unused funds or other monies, or by borrowing or otherwise; and if by borrowing to authorize the issuance of obligations of the Town therefor under any applicable provisions of law; and to act on anything relating thereto.

Town Meeting Member, Jane Sibley made a motion that each section of Article 35 be voted on separately. After considerable debate on the request of ten town meeting members the Moderator stated that Article 35 would be voted on three separate parts.

- VOTED:
1. That the Town appropriate \$118,322 for the reconstruction, remodeling, rehabilitation, modernization and original equipping as may be required at the senior high school to render it more suitable as a senior high school.
 2. That the Town appropriate \$118,260 to lease or purchase and erection of a physical education facility on the site of the senior high school.
 3. That the Town appropriate \$53,145 for the lease or purchase and erection of an industrial arts facility on the site of the senior high school.

The Town voted to appropriate the total amount of \$289,727 for remodeling and modernizing the senior high school, and for the purchase of physical education and industrial arts facilities, and that to meet said appropriation the sum of \$199,918 be raised from the tax levy of the fiscal year and the balance of the appropriation be transferred from available funds as follows: Collicot School Building Committee Account of \$1,314; Collicot School Remodeling Account of \$795; and the sale of the Police Station Account of \$87,700.

ARTICLE 36. To see if the Town will vote to appropriate the sum of \$15,000 for the purpose of indemnifying James L. Murphy for a judgment entered against him for damages arising out of the operation of a motor vehicle owned by the Town, all in

MARCH MEETING

accordance with the provisions of General Laws, Chapter 41, Section 100A; and to act on anything relating thereto.

VOTED: That the Town vote "YES" and that the sum of \$15,000 be appropriated.

ARTICLE 37. To see whether the Town will vote to increase the amount appropriated at the March meeting in 1972 to meet the cost of constructing, originally equipping, and furnishing a new Police Station; and to act on anything relating thereto.

VOTED: That the Town vote "YES" and that to meet said appropriation the sum of \$11,550 be transferred from the High School Addition Construction Account.

ARTICLE 38. To see if the Town will vote to extend to November 1, 1974 the existence of the committee originally appointed pursuant to Article 40 of the Warrant for the Town Meeting held in March, 1973, known as the Milton Ice Rink Committee, and to authorize the Moderator to appoint members to fill vacancies on said committee; and to act on anything relating thereto.

VOTED: That the Town vote "YES".

COMMITTEE

Thomas J. Flatley, Chrm.	170 Cabot Street
Leo C. Desmond	8 Chilton Park
William A. Edwards	44 Holmes Lane
William E. C. Eustis	1452 Canton Avenue
James C. Ferrucci	74 Whitelawn Avenue

ARTICLE 39. To hear and act upon the report of the committee known as Veteran's Memorial Committee appointed under Article 39 of the Warrant for the 1972 Town Meeting and to see what sum of money the Town will vote to appropriate therefor.

VOTED: That the Town vote "YES" and that the sum of \$2,500 be appropriated.

ARTICLE 40. To see if the Town will vote to amend Chapter 6 of the General Bylaws of the Town by adding a new section as follows:

SECTION 34 – Drinking or possession of alcoholic beverages, as defined in Chapter 138 of the Massachusetts General Laws, while in or upon any school building or school grounds, library grounds, park, playground, or other municipal building or land is prohibited. Whoever violates any provision of this section shall be fined an amount of not more than fifty dollars for each offense; and to act on anything relating thereto.

VOTED: That the Town vote "YES".

Boston, Mass. April 26, 1974. The foregoing amendment to Chapter 6 adopted under Article 40 approved by the Attorney General.

ARTICLE 41. To see if the Town will vote to amend Chapter 6 of the General Bylaws of the Town by adding a new section as follows:

SECTION 35 – No person shall drink any alcoholic beverages as defined in Chapter 138, Section 1 of the Massachusetts General Laws while on, in or upon any public way or upon any way in which the public has a right to access, or in any place to which members of the public have access as invitees or licensees, park or playground, or private land or place without

MARCH MEETING

consent of the owner or person in control thereof. All alcoholic beverages being used in violation of this bylaw shall be seized and safely held until final adjudication of the charge against the person arrested or summoned before the court. Whoever violates any provision of this section shall be fined in an amount of not more than fifty dollars for each offense; and to act on anything relating thereto.

VOTED: That the Town vote "YES".

Boston, Mass. April 26, 1974. The foregoing amendment to Chapter 6 adopted under Article 41 approved by the Attorney General.

ARTICLE 42. To see if the Town without the assessment of betterments and without making an appropriation will vote to accept the following streets as Town Ways, as laid out by the Selectmen.

ATHERTON STREET (from Mingo Street to Private Land)
MARGARET ROAD (from Atherton Street to Canton Avenue)
BARBARA LANE (From Blue Hill Avenue to Alfred Road)
ALFRED ROAD (from private land to end)
INDIAN SPRING ROAD
PEQUOT LANE
PAWNEE CIRCLE
COREY LANE

and to act on anything relating thereto.

PLANNING BOARD'S REPORT

March 7, 1974

To the Town Meeting:

Planning Board Report – Article 42

The Planning Board held a public hearing on January 17, 1974 and on a subsequent vote unanimously approved the acceptance of the following streets as Town Ways without the assessment of betterments:

ATHERTON STREET (from Mingo Street to Private Land)
MARGARET ROAD (from Atherton Street to Canton Avenue)
BARBARA LANE (from Blue Hill Avenue to Alfred Road)
ALFRED ROAD (from private land to end)
INDIAN SPRING ROAD
PEQUOT LANE
PAWNEE CIRCLE

MILTON PLANNING BOARD

(s) C. Mitchell Draper, Jr., Chairman

VOTED: That the Town vote YES" with the exception of Corey Lane.

ARTICLE 43. To see if the Town will vote under Massachusetts General Laws Chapter 121 B, to establish a Housing Authority and in that connection to make any and all determinations and declarations deemed necessary or desirable, or take any action in relation thereto, or act thereon.

MARCH MEETING

After considerable debate, Philip Casey, Chairman of the Board of Park Commissioners, submitted an amended recommendation, and this amended recommendation was voted.

VOTED: That the Town vote "YES" and that the sum of \$55,975, be appropriated and said funds to be administered by the Board of Park Commissioners, said funds shall not be expended until the Town has obtained approval for 50% Federal reimbursement.

ARTICLE 50. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt for the twelve month period beginning July 1, 1974; and to act on anything relating thereto.

VOTED: That the Town appropriate the amounts shown in the following tabulation under the heading, "Recommended":

Interest	\$ 184,349
Maturing Debt	545,000
GRAND TOTAL	\$ 729,349

ARTICLE 51. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures for the twelve month period beginning July 1, 1974 and to apply from Overlay Reserve such amount as the Town shall determine to meet in whole or in part such appropriation; and to act on anything relating thereto.

VOTED: That the sum of \$70,000 be appropriated and that to meet said appropriation the sum of \$45,000 be raised from the tax levy of the fiscal year and the balance of the appropriation \$25,000 be transferred from the Overlay Reserve.

ARTICLE 52. To see what sum of money the Town will vote to appropriate from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23.

VOTED: That the Town vote to appropriate the sum of \$150,000 from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with provisions of General Laws, Chapter 59, Section 23.

The Meeting was dissolved at 7:15 P.M.

Grace M. Coles
TOWN CLERK

MARCH MEETING

Amendments to the General Bylaws, Chapter 6, passed at the Annual Town Meeting held March 9, 1974 were sent to the Attorney General March 25, 1974. These amendments were approved by the Attorney General April 26, 1974 and were posted May 3, 1974 at 4:30 P.M.

Amendments to the General Bylaws, Chapter 6 adopted at the Annual Town Meeting March 9, 1974 were as follows:

Article 40, Alcoholic Beverage Bylaw – Town Property

Article 41, Alcoholic Beverage Bylaw – Public Ways

Amendments to the General Bylaws, Chapter 10, known as the Zoning Bylaw, permitted greenhouses and nurseries in single residence districts the right to sell, only during Christmas Season, cut trees, Christmas trees, boughs, holly and wreaths grown or fabricated elsewhere than on the premises. This amendment was adopted under Article 45.

Amendment to Chapter 10, known as the Zoning Bylaw, amended Section III, B. 1. (g) states that political or real estate signs of any size shall not be considered an accessory use. This Bylaw was approved by the Attorney General on June 25, 1974 and posted on July 10, 1974 at 11:00 A.M., adopted under Article 44.

No Bylaw becomes effective until after the approval of the Attorney General and publication as provided by General Laws. (Ter. Ed.) Chapter 40, Section 22.

The Bylaw changes have been published in a Town pamphlet, copies of which have been posted in public places in each precinct of the Town. Therefore, the Bylaw changes are in effect.

Grace M. Coles
TOWN CLERK

On Tuesday, March 12, 1974, William S. Mullen of Precinct 2 filed a petition for a recount of the ballots cast for Town Meeting Member for a term of three years. Paul A. Harrington of Precinct 5 filed a petition for a recount of the ballots cast for Town Meeting Member for a term of one year and A. Douglass Randlett of Precinct 5 filed a petition for a recount of the ballots cast for Town Meeting Member for a term of three years.

The following notice was sent to all fourteen candidates in Precinct 2 and to the thirty-nine candidates in Precinct 5.

“A petition for a recount of the votes cast for the one year and the three year terms in Precincts 5A and 5B and for the three year term in Precinct 2, has been filed with the Town Clerk.

Acting under Chapter 54, Section 135 of the General Laws there will be a recount of the votes cast for the one year term and the three year term in Precincts 5A and 5B and for the three year term in Precinct 2, on Tuesday, March 19, 1974, at 7:00 P.M. at the Milton High School Cafeteria.”

MARCH MEETING

The recount was held on Tuesday, March 19, 1974, at 7:00 P.M. with the following results announced by the Board of Registrars.

TOWN MEETING MEMBERS PRECINCT 2	VOTES CAST AT ELECTION	VOTES CAST AT RECOUNT
Joseph S. Creedon	460	459
Edward F. Curry	397	397
Alfred J. Donnell	369	367
Paul C. Girouard	381	382
Paul P. Joyce	409	410
Albert J. Kelley	408	409
Alan L. McKinnon	395	394
William A. Murdoch	378	376
Richard C. Ogar	305	304
Edward T. O'Neill	393	393
Rocco A. Mancini	258	259
William S. Mullen	300	299
William W. Mullen	223	223
William A. Tyrell	467	470
Blanks	2,645	2,624

The recount of the ballots for Town Meeting Members for a term of three years in Precinct 2 made no changes in the Town Meeting Members who were elected at the Annual Town Election held on March 2, 1974.

TOWN MEETING MEMBERS PRECINCT 5 (Three Year Term)	VOTES CAST AT ELECTION	VOTES CAST AT RECOUNT

Blanks	19,538	19,494

The recount of the ballots for Town Meeting Member for a term of three years resulted in a tie vote between A. Douglass Randlett and Paul E. W. White, each receiving 509 votes. This tie was broken by the elected Town Meeting Members for the three year term, casting ballots, which resulted in A. Douglass Randlett being elected for a term of three years. (See results of tie vote on page 67.)

Ronald E. Morrill	228	225
Steven W. Hamilton		1
Blanks	1,024	1,015

The recount of the ballots for Town Meeting Member for the term of one year resulted in Paul F. Harrington defeating Martha J. Donahue for Town Meeting Member for a term of one year.

There was a tie vote in the three year term for Town Meeting Member as a result of the recount held March 19, 1974. Both A. Douglass Randlett of 26 Thompson Lane and Paul E. W. White of 161 Churchills Lane, received 509 votes. Ballots were sent out to the newly elected Town Meeting Members, exclusive of the candidates in question, according to Chapter 306 of the Acts of 1936. The following letter accompanied the "Ballot".

Precinct 5 IMPORTANT NOTICE March 21, 1974

At our Precinct Recount held Tuesday, March 19, 1974 there was a tie vote in the three year term for Town Meeting Member Candidate from Precinct 5. There was a tie for A. Douglass Randlett of 26 Thompson Lane and Paul E. W. White of 161 Churchills Lane, each receiving 509 votes.

According to Chapter 306 of the Acts of 1936, the following applies to the procedure to break the tie:

“In the case of a tie vote which affects the election of town meeting members in any precinct, the members elected from such precinct at the same election, other than those whose election is so affected, shall, by majority vote, determine which of the voters receiving such tie vote shall serve as Town Meeting Member from such precinct.”

Will you please mark the enclosed ballot and return it AT ONCE, in the enclosed envelope to the Town Clerk.

/s/ Grace M. Coles

**WARRANT
NOVEMBER ELECTIONS**

Commonwealth of Massachusetts)
County of Norfolk)^{ss.}

To any of the Constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

- | | |
|-----------------|---|
| In Precinct 1. | Tucker School Hall, Blue Hills Parkway, |
| In Precinct 2. | Basement, Kidder Branch, Milton Public Library, Blue Hills Parkway, |
| In Precinct 3. | Milton-Hoosic Clubhouse, Central Avenue, |
| In Precinct 4. | Basement Playroom, rear of Pierce Elementary School, Gile Road, |
| In Precinct 5A. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 5B. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 6. | Gymnasium, Cunningham Junior High School, Edge Hill Road, |
| In Precinct 7. | St. Agatha's Auditorium, Adams Street, |

Tuesday, November fifth next, at eight o'clock in the forenoon, then and there to bring to the Precinct Officers of their respective Precincts their votes on one ballot respectively the following offices:

GOVERNOR, LIEUTENANT
GOVERNOR, ATTORNEY GENERAL, SECRETARY, TREASURER
AND RECEIVER-GENERAL, AUDITOR, all of the Commonwealth

REPRESENTATIVE IN CONGRESS
for the Eleventh Congressional District

COUNCILLOR for the
Fourth Councillor District

SENATOR for the Second
Suffolk and Norfolk Senatorial District

NOVEMBER ELECTION

ONE (1) REPRESENTATIVE

IN GENERAL COURT for the NINTH NORFOLK Representative District (PRECINCTS 1, 2, 4, 5, 6, and 7 ONLY)

ONE (1) REPRESENTATIVE

IN GENERAL COURT for the TWENTIETH SUFFOLK Representative District (PRECINCT 3 ONLY)

DISTRICT ATTORNEY for Norfolk District

ONE (1) COUNTY

COMMISSIONER for Norfolk County

SHERIFF for Norfolk County

also to vote on the acceptance of the following questions:

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 25, 1971, received 212 votes in the affirmative and 39 in the negative, and in a joint session of the two branches held June 6, 1973, received 235 votes in the affirmative and 19 in the negative? YES NO

SUMMARY

The proposed constitutional amendment, if approved, would replace the present Article 52 of the Articles of Amendment to the Constitution of the Commonwealth and would empower the General Court, by concurrent vote of the two houses, to take a recess or recesses amounting to not more than thirty days. The present Article 52 permits such recesses but provides that "no such recess shall extend beyond the sixtieth day" from the beginning of the legislative session.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held August 25, 1971, received 177 votes in the affirmative and 65 in the negative, and in a joint session of the two branches held June 6, 1973, received 166 votes in the affirmative and 93 in the negative? YES NO

SUMMARY

The proposed constitutional amendment, if approved, would provide for a census in the year 1975 and every tenth year thereafter of the inhabitants of each city and town as a basis for determining the representative, senatorial and councillor districts for the ten year period beginning with the first Wednesday in the fourth January following the taking of the census, provided that the districts as established based on the 1971 census shall terminate on the first Wednesday in January 1979. The census shall specify the number of inhabitants residing in each precinct of a town and each precinct and ward of a city.

Under the proposed amendment, the House of Representatives would consist of 160 members, in contrast to the present membership of 240, and the Senate of 40 members. The General Court would, at its first regular session after the year in which the

NOVEMBER ELECTIONS

census is taken, divide the Commonwealth into 160 representative districts and 40 senatorial districts of contiguous territory so that each representative and each senator will represent an equal number of inhabitants as nearly as may be; and such districts shall be formed, as nearly as may be, without uniting two counties or parts of two or more counties and, with respect to representative districts, without uniting, as nearly as may be, two towns or parts of two or more towns, two cities or parts of two or more cities, or a city and a town, or parts of cities and towns, into one district, and without dividing any town containing less than 2500 inhabitants. The General Court would be permitted to pass laws to limit the time within which judicial proceedings may be instituted calling in question any such division. The proposed amendment further provides that every representative, for one year at least immediately preceding his election, shall have been an inhabitant of the district for which he is chosen, and every senator shall be an inhabitant of this Commonwealth for five years at least preceding his election and at the time of his election shall be an inhabitant of the district for which he is chosen. Every representative and senator shall cease to represent his district when he shall cease to be an inhabitant of the Commonwealth. The manner of calling and conducting the elections for representatives and for senators and councillors, and of ascertaining their elections, shall be prescribed by law. The amendment vests original jurisdiction in the Supreme Judicial Court, upon petition of any voter of the Commonwealth, filed with the clerk of said court, for judicial relief relative to the establishment of House of Representatives, councillor, and senatorial districts.

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 7, 1972, received 250 votes in the affirmative and 3 in the negative, and in a joint session of the two branches held June 6, 1973, received 253 votes in the affirmative and 0 in the negative? YES NO

SUMMARY

The proposed constitutional amendment would repeal section 2 of Article 46 of the Articles of Amendments to the Constitution of the Commonwealth (the "anti-aid amendment", so-called), and replace it with a new section 2, for the purpose of allowing grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

The proposed amendment would delete the first clause of the present section 2, which requires that all moneys raised by taxation in the towns and cities for the support of public schools, and all moneys appropriated by the Commonwealth for the support of common schools shall be applied to or expended in only those schools conducted according to law under the order and superintendence of the authorities of the town or city in which the money is expended. The effect of the deletion of the first clause of section 2 would be to remove the constitutional prohibition against the use of public moneys, which have been raised by taxation or appropriated for support of public schools, for grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

The proposed amendment would also alter the second clause of the present section 2 by removing the prohibition against a grant, appropriation or use of public money or property or loan of public credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any school or institution of learning, whether under public control or otherwise, wherein any denominational doctrine is inculcated, or any other school or any college which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents. In place of the foregoing, the proposed amendment would prohibit the grant, appropriation or use of

NOVEMBER ELECTIONS

public money or property or loan of credit by the Commonwealth or any political subdivision for the purpose of founding, maintaining or aiding any primary or secondary school which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents.

The proposed amendment would also add to the present section 2 a provision that nothing therein shall be construed to prohibit grants in aid to private higher educational institutions or to students, or parents or guardians of students, attending such institutions.

QUESTION NO. 4

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held May 17, 1972, received 131 votes in the affirmative and 121 in the negative, and in a joint session of the two branches held May 8, 1974, received 139 votes in the affirmative and 119 in the negative. YES NO

SUMMARY

The proposed constitutional amendment would revise Article 78 of the Articles of Amendment to the Constitution to permit the expenditure of money from the highway fund for mass transportation lines and other mass transportation purposes in such manner as the Legislature may direct. The highway fund includes receipts from fees, duties, excises and license taxes relating to registration, operation or use of motor vehicles and taxes from the sale of motor vehicle fuels. The expenditure of money from such fund is presently restricted to highway and bridge construction, reconstruction, maintenance and repair, enforcement of state traffic laws, and administration of the tax statutes which provide highway fund receipts.

QUESTION NO. 5

LAW PROPOSED BY AN INITIATIVE PETITION

Do you approve of a law summarized below which was disapproved in the House of Representatives by a vote of 73 in the affirmative and 150 in the negative and was disapproved in the Senate by a vote of 16 in the affirmative and 22 in the negative? YES NO

SUMMARY

Provisions of the act established an independent Corrupt Practices Commission, with five members to be appointed by the Governor to staggered five year terms. The Commission has subpoena powers and is to investigate, by means of secret hearings, candidates' compliance with all state and federal laws relating to political campaign contributions and expenditures and corrupt practices. If probable cause is shown, the Commission is required to direct the Attorney General to take further action in the proper form and is required to make public a report of such action. In cases involving the campaign practices of the Attorney General himself, a special attorney is to be appointed. If no probable cause is shown, the Commission is to state so publicly.

Further, the proposed act extends the application of the current statute regarding the disclosure of campaign expenditures and contributions, to all candidates for office above the town and city level, with the exception of President and Vice-President of the United States. The act requires all such candidates to receive and disburse all amounts greater than \$25 by check, and makes it a crime to knowingly receive cash payment for a candidate or his committee for a service costing more than \$25. The act also requires candidates to designate a single bank as depository of funds and as recordkeeper, with records of receipts and expenditures to be open to public scrutiny.

NOVEMBER ELECTIONS

Provisions of the act extend present campaign spending limits to cover all media expenses and require all media firms (including: television, radio, newspaper, billboard, magazine, advertising, public relations, printing, opinion polling, computer, telephone, telegraph) to report the purchase of media services by candidates. Media expenses of candidates for the offices of district attorney, clerk of court, register of probate and insolvency, register of deeds, county commissioner, county treasurer and sheriff are limited to \$.07 for each resident of the respective electoral district. Other provisions of the act require candidates, upon official announcement or filing of nomination papers, to report all political receipts and expenditures since the date of the last general election for the office sought, and count such expenditures toward spending limits. The act also limits candidates to one political committee.

The act establishes a maximum penalty of one year imprisonment and/or \$10,000 fine for individuals engaged in corrupt practices, and a \$50,000 fine for corporations so involved. In addition, the Attorney General is permitted to bring an action for the removal of a candidate whose election was materially aided by corrupt practices on the part of the candidate or one acting in his behalf, where such removal is otherwise authorized by law.

QUESTION NO. 6

Should the General Court enact legislation during the nineteen hundred and seventy-five session reorganizing state government by creating a Department of Health Systems Regulation which shall have the power to administer the medicaid program, control and set rates for nursing homes, hospitals, and other health providers under medicaid, license and inspect health facilities and regulate private health insurance policies, medical and hospital service plans? YES NO

QUESTION NO. 7

E. Shall licenses be granted in the town of Milton for the sale therein of all alcoholic beverages to be consumed on the premises of apartment houses having a dining room capacity of not less than ninety-nine persons? YES NO

F. Shall licenses be granted in the town of Milton for the sale therein of all alcoholic beverages to be consumed on the premises by members and guests of war veterans' organizations located within the boundaries of the Town? YES NO

G. Shall licenses be granted in the town of Milton for the sale therein of all alcoholic beverages to be consumed on the premises to nonprofit golf clubs having a dining room capacity at the club house of not less than ninety-nine persons? YES NO

All to be voted for on one ballot.

For these purposes the Polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And you are directed to serve this Warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk before said meeting.

Given under our hands at Milton this tenth day of October, Nineteen Hundred and Seventy-four.

NOVEMBER ELECTIONS

(signed) JOHN P. LINEHAN
RALPH L. KENT
JAMES D. COLT
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk)ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on October 30, 1974, and leaving attested copies at the dwelling of the inhabitants.

(signed) John E. Whearty
Constable of Milton

The Warrant was posted in the Post Offices at East Milton and Milton Village on October 30, 1974 and was filed in the Town Clerk's Office October 30, 1974. The warrant was delivered to the homes of the inhabitants on October 30, 1974.

See page 84 for result of State Election by Precincts.

SPECIAL TOWN MEETING WARRANT

SPECIAL TOWN MEETING WARRANT

NOVEMBER 12, 1974

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Town affairs to meet at the Milton High School Auditorium on Brook Road in said Milton on Tuesday, the twelfth day of November next, at 7:30 o'clock in the evening, then and there to act upon the following Articles, to wit:

ARTICLE 1. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or gift or take by eminent domain for school purposes a parcel of land containing 10.7 acres, more or less, with frontage on Gile Road, shown on a plan entitled "High School Land Acquisition, Gile Road," dated September, 1974 by Lawrence W. DeCelle, Jr., Town Engineer, which plan is on file at the Office of the Town Engineer; to appropriate a sum of money therefor and determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise; and, if by borrowing, to authorize the issuance of obligations of the Town therefor under any applicable provision of law; and to act on anything relating thereto.

RECOMMENDED that the Board of Selectmen be authorized to acquire in the name and on behalf of the Town by purchase or gift or take by eminent domain for school purposes the parcel of land described in this article, and that the sum of \$66,000 be appropriated for this purpose and that to meet said appropriation the sum of \$66,000 be transferred from available funds.

ARTICLE 2. To see if the Town will vote to authorize the Moderator to appoint a Committee of five citizens, one of which is to be a member of the School Committee, to employ the services of an architect to prepare preliminary plans, specifications and cost estimates for the conversion of the Pierce School complex to a four-year high school on land now owned by the Town and for the reconstruction, remodeling, rehabilitation and modernization as may be required to render the present high school suitable for a grades six - eight middle school, to convert Tucker School to a one-unit school and to render Cunningham Junior High School suitable as an elementary school; said Committee to employ the services of professional consultants as it shall deem necessary or advisable and to report in writing to the Selectmen no later than January 22, 1975; and that a sum to be determined be appropriated for the use of said Committee; to determine how said appropriation shall be raised; and to act on anything relating thereto.

RECOMMENDED that the Town authorize the Moderator to appoint a Committee of five citizens, one of which may be a member of the School Committee, to employ the services of an architect for the purposes described in this article, to employ the services of professional consultants as it shall deem necessary or desirable, and to report in writing to the Selectmen no later than January 22, 1975; and that the sum of \$30,000 be appropriated for the use of this Committee, and that to meet said appropriation the sum of \$30,000 be transferred from available funds.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the time and place and for the purposes herein mentioned by posting attested copies of this

SPECIAL TOWN MEETING WARRANT

Warrant in each of the post offices of said Town seven days before said twelfth day of November and leaving printed copies thereof at the dwelling houses in said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said twelfth day of November next.

Given under our hands at Milton the Tenth day of October, Nineteen Hundred and Seventy-four.

(Signed) John P. Linehan
Ralph L. Kent
James D. Colt
Board of Selectmen

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town on November 5, 1974 and leaving attested copies at the dwelling of the inhabitants.

(Signed) John E. Whearty
Constable of Milton

The Warrant was posted in the Post Offices at East Milton and Milton Village on November 5, 1974, and was filed in the Town Clerk's Office November 5, 1974. The Warrant was delivered to the homes of the inhabitants on November 6, 1974.

The Suffolk Resolves Reenactment – Delegates and Townspeople listen as the Nineteen Articles are read by Dr. Joseph Warrent. September 8, 1974.

SPECIAL TOWN MEETING
SPECIAL TOWN MEETING
NOVEMBER 12, 1974

The Special Town Meeting held at the Milton High School Auditorium was opened at 7:35 P.M. by the Moderator, Robert K. Lamere. Those present stood while Rev. John F. O'Donnell from St. Mary of the Hills Church delivered the invocation.

The Moderator read the names of Town Meeting Members Thomas F. Garvey and Edward T. O'Neill, who had died since our last Annual Town Meeting.

There were 261 Town Meeting Members in attendance. The Moderator declared there was a quorum present. Those absent were as follows:

- | | |
|----------|---|
| Prec. 1. | Harry W. Devitt, John E. Grady, Mary Lee Evans Kimball,
James W. Knight, Vincent G. Mason, Paul R. McNaughton, |
| Prec. 2. | Edward F. Curry, John F. Fitzgerald, Jr., Paul P. Joyce,
Robert E. Joyce, Albert J. Kelley, |
| Prec. 3. | John L. Bremer, 2nd, |
| Prec. 5. | George M. Bartol, Charles Devens, Spencer Field,
Malcolm D. Perkins, Samuel H. Wolcott, Jr., |
| Prec. 6. | John V. Callahan and Paul F. Ochs. |

Permission was given to certain members of Boards and Committees who are not Town Meeting Members to sit with the Town Meeting Members with no right to vote.

Town Meeting Member, Frank W. Knowlton, Jr. from Precinct 3 made a motion to have the Town Meeting Members vote on Article 2 first. This motion was seconded, and on a vote of the Members this motion was lost.

ARTICLE 1. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by purchase or gift or take by eminent domain for school purposes a parcel of land containing 10.7 acres, more or less, with frontage on Gile Road, shown on a plan entitled "High School Land Acquisition, Gile Road," dated September, 1974, by Lawrence W. DeCelle, Jr., Town Engineer, which plan is on file at the Office of the Town Engineer; to appropriate a sum of money therefor and determine whether such appropriation shall be raised by transfer of available funds, by borrowing or otherwise; and, if by borrowing, to authorize the issuance of obligations of the Town therefor under any applicable provisions of law; and to act on anything relating thereto.

VOTED: That the Board of Selectmen be authorized to acquire in the name and on behalf of the Town by purchase or gift or take by eminent domain for school purposes the parcel of land described in this article, and that the sum of \$66,000 be appropriated for this purpose and that to meet said appropriation the sum of \$66,000 be transferred from available funds.

Standing Vote YES—67 NO—174. This article failed to pass.

ARTICLE 2. To see if the Town will vote to authorize the Moderator to appoint a Committee of five citizens, one of which is to be a member of the School Committee, to employ the services of an architect to prepare preliminary plans, specifications and cost

SPECIAL TOWN MEETING

estimates for the conversion of the Pierce School complex to a four-year high school on land now owned by the Town and for the reconstruction, remodeling, rehabilitation and modernization as may be required to render the present high school suitable for a grades six - eight middle school, to convert Tucker School to a one-unit school and to render Cunningham Junior High School suitable as an elementary school; said Committee to employ the services of professional consultants as it shall deem necessary or advisable and to report in writing to the Selectmen no later than January 22, 1975; and that a sum to be determined be appropriated for the use of said Committee; to determine how said appropriation shall be raised; and to act on anything relating thereto.

VOTED: That the Town authorize the Moderator to appoint a Committee of five citizens one of which may be a member of the School Committee, to employ the services of an architect for the purposes described in this article, to employ the services of professional consultants as it shall deem necessary or desirable, and to report in writing to the Selectmen no later than January 22, 1975; and that the sum of \$30,000 be appropriated for the use of this Committee, and that to meet said appropriation the sum of \$30,000 be transferred from available funds.

Standing Vote YES—59 NO—191. This article failed to pass.

The meeting was dissolved at 10:15 P.M.

TOWN CLERK

APPOINTMENTS MADE BY THE MODERATOR IN 1974

APPOINTMENTS MADE BY THE MODERATOR IN 1974

On March 26, 1974, the Moderator appointed Charles F. Barrett, 114 Woodland Road, as a Member and Chairman of the Board of Appeals of the Town of Milton to serve for a period of three years until 1977.

On March 26, 1974 the Moderator appointed Joseph L. Cotter, 10 Alden Road as an Associate Member of the Board of Appeals of the Town of Milton to fill the vacancy caused by the resignation of Carroll P. Sheehan, and to serve for the remainder of the unexpired term of Mr. Sheehan until 1975.

On March 26, 1974, the Moderator appointed Frank B. Frederick, 45 Morton Road, as an Associate Member of the Board of Appeals of the Town of Milton to serve for a period of three years until 1977.

On March 26, 1974, the Moderator appointed Carroll P. Sheehan, 97 Wendell Park, as a Member of the Board of Appeals to fill the vacancy caused by the resignation of Oliver S. Sughrue for the balance of the term until 1975.

On March 26, 1974, the Moderator appointed David S. Goldman, 93 Wendell Park, as a member and Chairman of the Housing for the Elderly Committee authorized under Article 1 of the Warrant for the November, 1969, Special Town Meeting, for a period of three years until 1977.

On April 22, 1974, the Moderator appointed the following persons to the committee authorized under Article 6 of the Warrant of the March, 1974, Annual Town Meeting:

LEGISLATIVE COMMITTEE

REPORTS OF SPECIAL COMMITTEES

REPORT OF THE WARRANT COMMITTEE

REPORT OF THE WARRANT COMMITTEE

FOR ANNUAL TOWN MEETING

November 9, 1974

The budgets presented in this warrant cover the period July 1, 1974 to June 30, 1975, our first fiscal year.

To provide a basis for your analysis of and judgment on the budgetary articles, we have again provided a comparison table for each article, and Table 3 which shows expense trends by department.

The committee recognizes the difficulties inherent in any attempt to analyze these budgets, particularly when comparisons are made with the prior budgets which covered an (18) month period. For that reason, among others, we welcome and encourage calls to committee members for any additional detail.

As always, the budgets presented to the committee reflect the rising costs associated with inflation, energy related crises and an increase in proposed services and programs for the residents of this town. Our initial task, and your ultimate responsibility, is to select programs and services at a level commensurate with the town's ability to pay. We have completed our duty of making recommendations with awareness that, once again, the total budgets for this year are up sharply.

Three major developments should be highlighted in reviewing this year's warrant.

First, the Emergency Employment Act (E.E.A.), which provided Federal funding for certain authorized positions, particularly in the police department, is now discontinued.

Second, the reorganization of several town departments into a public works department has now taken effect. It is expected that the same services will be provided for less cost because of productivity improvements. We strongly recommend continued careful analysis of this department to assure that the predicted improvements in net cost levels will be realized.

Third, revenue sharing continues and we are pleased to report the following balances available for use during 1974-75:

Balance	\$233,000.00
Anticipated receipts 1/1/74-6/30/75	497,500.00
Available	\$730,500.00
Jan. 1, 1974-June 30, 1974 appropriation	263,000.00
Estimate available F/Y 1974-75	\$467,500

The trend in payroll costs reported in the 1973 warrant continues. To put this trend in perspective we have enclosed a series of graphs on the closing pages of this warrant. The importance of this trend is underscored when you consider the associated costs of current and prospective pensions and other fringe benefits. We repeat the message of the 1973 warrant committee in urging town management to determine the level of these costs, and to consider in particular the possibility of additional funding of retirement benefits.

ESTIMATED TAX RATE

Table 1 on the opposite page shows the detail of our tax rate estimate for 1974/75 which totals \$157.

REPORT OF THE WARRANT COMMITTEE

The rate as estimated is almost 10% over 1973 and is caused by a 12.6% increase (\$1,431,000) in the recommended net total appropriation, offset, to some extent, by estimated increases in water revenues and state tax distributions.

Following table 1 is more detailed commentary on those articles of particular interest.

Table 1

ESTIMATE OF TAX RATE AND COMPARISON WITH PRIOR YEARS (In Thousands of Dollars)

	1972 (12 mos.)	1973 (12 mos.)	Jan. 1 - June 30 1974 (6 mos.)	Fiscal 1974-1975 (12 mos.)

Estimated Rate (Whole Dollars)				
Before Revenue Sharing	\$ 136	\$ 148	\$ 73	\$ 163
After Revenue Sharing	\$ 136	\$ 143	\$ 71	\$ 157

EMPLOYEE BENEFITS (Article 7)

The recommended appropriation for fiscal 1974-75 is approximately \$30,000 above the 1973 spending level, an increase of less than 4%.

REPORT OF THE WARRANT COMMITTEE

The primary element of this budget is the Town's participation in the contributory retirement system. This year \$415,109 is required by state law to provide benefits to those currently retired under this retirement system and to those who will retire during the coming fiscal year.

The Warrant Committee feels it necessary to express its concern over the largely unfunded nature of the Town's future liability to its current and retired employees under this system. In future years the amount necessary to pay for these benefits will increase substantially. The committee suggests that the Town attempt to assess the magnitude of this liability.

The Town's share of (50%) the cost of health, accident and medical insurance for Town employees and retired employees shows an approximate 10% increase to \$204,785.

Non-Contributory Pensions and Annuities provides retirement benefits to retired persons who were employed by the Town prior to the establishment of a contributory retirement system in 1937 and who opted not to join the new system. A slight decrease may be noted in the recommended appropriation of \$202,819 for this purpose. This change regretfully arises from the death of those who devoted their working years to the service of this Town. The proposed amount does not include the cost of living adjustment required by state law, the amount of which is not now known, but will be available for action by the Annual Town Meeting.

GENERAL GOVERNMENT (Article 8)

General Government includes the following budgets: Accountant, Assessors, Town Clerk, Election and Registration, General Services, Insurance (General) Law, Office Buildings, Town Report, Selectmen, Student Work Study Program, Treasurer-Collector, and Veterans' Benefits. The Committee recommends for the 12 month budget an appropriation of \$551,612, an increase of 18.8% over the expenditures of these departments for the 12 months of 1973 with non-recurring items eliminated, and an increase of 10.8% over the 18 month fiscal appropriation of \$746,733, reduced to a 12 month basis. This amount does not include any salary or wage classification increase proposed to the Town Meeting.

It may be helpful to group the expenses of these departments into the general areas of salaries and wages, new equipment and other expenses. Salaries and wages for fiscal 1974-1975, which represent 57% of the total appropriation requested for the General Government area, are 22.8% higher than corresponding expenses of 1973, or 17.4% higher, including the effect of the January 1, 1974, change in the schedule of weekly rates. Two full-time and one part-time custodians are being transferred from the Library Department to the Office Buildings Department and the complement and expenses of that latter department reflect this transfer. Apart from this apparent increase, there are no personnel increases in the General Government area for the coming fiscal year.

New equipment appropriations recommended are \$1,590, which is \$727 higher than 1973. An electronic accounting machine, with estimated costs of \$25,000, was requested of the Town Accountant, but neither the Town Government Study Committee nor the Warrant Committee recommends an appropriation for such equipment in the forthcoming fiscal year.

General expenses recommended are \$235,146, 13.2% higher than actual 12 month expenses of 1973. Areas of increases will be mentioned in the paragraphs which follow.

Assessors: An increase of \$1,993 due primarily to the cost of real estate tax billing and non-recurring printing expenses.

REPORT OF THE WARRANT COMMITTEE

General Services: An increase of \$2,086 due primarily to increased telephone costs and anticipated high demand for duplicating services.

Law: An increase of \$1,250 for secretarial services to recognize the amount of time the Counsel's secretary spends on Town of Milton business.

Office Buildings: If a capital outlay of \$6,000 in 1973-74 appropriation is excluded, the 1974-75 budget recommended is some \$15,000 higher than 1973. Approximately \$5,000 of this is due to higher projected lighting, heat, equipment maintenance and contractual cleaning service costs; about \$9,600 is the result of a transfer of expenses from the Library Department and an increase of \$2,500 in cleaning services provided to the libraries.

Treasurer-Collector: An increase of some \$2,500 in postage for an extra mailing of real estate tax bills and the anticipated postage increase.

PUBLIC SAFETY (Article 10)

The nine budgets in this category showed an increase of 12.6% over calendar year 1972. The budgets were kept within this limit primarily because the Committee, concerned with energy-related problems, deleted request for new vehicles for the plumbing and wire departments, a new van for the dog leash officer, and reduced the police request for new sedans.

An examination of this article shows the major increase is in the police department, up 27%, or approximately \$175,000 over calendar year 1972 before the 1974-75 personnel article is considered. The major factor resulting in this increase is the loss of federal funding for six officers, all of whose salaries had been paid under an E.E.A. grant during 1972 and 1973. In 1972, for example, approximately \$91,000 was received from this source.

At present Milton has a police staff of 64 men, which gives it the highest officer per population ratio of any town in the immediate area. The Committee concluded that it was sufficiently important to keep staffing at this level, even with the loss of federal funds. Accordingly, budgetary cuts were made primarily in the area of overtime pay.

The remaining budgets, which include traffic and street lighting, fire, building and civil defense, show modest increases primarily due to normal wage increases and the higher costs associated with the energy crisis.

HEALTH (Article 11)

The annual cost of the 3-year contract for the weekly curb-side collection of combined rubbish and garbage and the entire sanitary landfill operation accounts for 82% of the Health budget. This contract began on July 1, 1972 and will end June 30, 1975. Combining rubbish and garbage collection at a cost of \$265,000 a year has resulted in a savings of \$72,000 annually as compared with separate collections.

The Board of Health has included in their budget \$1,000 for the coming fiscal year for youth and adult use of the South Shore Mental Health facilities. Last year \$2,200 was appropriated for the 12-month period and \$1,100 for the 6-month period for a total for 18 months of \$3,300. No payments have been made from this appropriation as of December 31, 1973 because the use of the facilities has not exceeded the amount of service provided on the basis of State funding. Services for school children provided by the South Shore Mental Health Association are covered in a school article where the recommended amount for the fiscal year 1974-75 is \$6,800.

REPORT OF THE WARRANT COMMITTEE

We are recommending an appropriation of \$6,600 to improve the access road to the Town dump by re-paving the present road and by extending the paved area 400 ft. so as to include the region used most often by residents in the dumping of their household rubbish.

LIBRARY (Article 12)

Salary and wages have been reduced by \$24,623 and General Expenses by \$1,073, to reflect the transfer of custodians and custodial supplies to the Town Office Account. This will allow additional centralized coordination of custodial services under the Superintendent of the Town Office Buildings.

The Books and Periodicals Budget has been increased by \$4,858 over 1973 to reflect the increase of 22% in the price of books and 13% for Periodicals in 1973, and an anticipated increase of at least 22% in 1974-75.

PUBLIC WORKS (Article 13)

The 1974-75 fiscal year is the first under Chapter 570 of the Acts of 1973, the new consolidated Public Works Department law. Merged together in this budget are the former Engineering, Forestry, Highway, Sewer and Water Departments. Also included is the new central vehicle maintenance garage constructed last year.

The recommended budget includes the appropriation required for these former departments, gasoline and oil appropriations for all departments under the Selectmen's jurisdiction except Police, Fire and Wire; funds for vehicle maintenance and repair for all departments under the jurisdiction of the Selectmen, and labor for vehicle maintenance and repair for all Town Departments.

The number of employees in the consolidated Public Works Department is now 69, which compares with 72 in 1973 before consolidation. This represents an annual savings to the town of about \$30,000.

The 1974/75 Public Works General item recommended for appropriation, while higher than the actual expenditures in 1973, is largely due to the absence of snow fall in 1973. Water operations and improvements have increased because the cost of M.D.C. water is now \$180,000. The Vehicle Maintenance and Operations are reduced because the 1973 expenditures included part of the cost of construction of the garage facilities.

The Warrant Committee supports the use of program budgeting and accounting. It is recognized that the detailed breakdown shown in Table 7 represents an approximation of the breakdown of the work load for 1974-5. Once the accounting system by programs is established, helpful cost information will be available to identify areas for economy. Additionally, the Town Meeting will be able to have a better comprehension of activities of the Public Works Department, not only in dollar amounts but in terms that are meaningful to the layman. When historical accounting information is compiled, we expect that future Warrant Committees will increase the number of segregated program appropriations from the four that are shown in Article 13.

Water will continue to be treated as a separate financial enterprise, which has no impact on the property tax rate. All expenditures for Water System purposes will be accounted for separately and the necessary transfers will be made from the Water Cash Account for their payment.

The sum of \$54,523 received from the state gasoline tax will be used for street resurfacing. It is proposed to resurface all or part of the following streets:

REPORT OF THE WARRANT COMMITTEE

Centre Street – Brook Road to Adams Street
Gov. Stoughton Lane – entire length
Gun Hill Street – Cemetery Drive to Randolph Avenue
Highland Street – Clifton Road to Marshall Road
Hillside Street – Randolph Avenue to Harland Street

The two major items of equipment to be purchased are a new back hoe, which will eliminate 1973 Water Department rentals of approximately \$12,000, and a front end loader to replace two units requiring excessive maintenance. The cost of the new equipment has been distributed in the programs with \$25,890 to "Water Operations and Improvements" and \$32,900 to "Public Works General."

PARK (Article 16)

The Capital Outlay Budget includes \$10,000 for resurfacing four tennis courts, which appropriation will complete the modernization of all the Kelly Field courts.

YOUTH (Article 16)

The increase in salary and wages reflects the addition of a professional Youth Counselor in the budget, a position which was previously funded by the Department of Mental Health. Continued funding from this source is not expected. The need for this position is justified when it is noted that during the period November 1972-June 1973 the attendance at the drop-in center was 3,638, with 44 serious counseling cases.

CEMETERY (Article 17)

The recommendation, before application of the 1974/75 personnel article is \$16,000, 9% higher than actually spent in 1973. The tax rate effect of this public service enterprise (which we think should break even) is 82c per thousand before the 1974/75 personnel article.

PERSONNEL SCHEDULE (Article 20)

The major change this year is the incorporation of the Engineering, Forestry, Highway and Water positions into a new schedule for Public Works. The Schedule of Rates for Administrative and Professional has been expanded by Grades A-15, A-16, and A-17, with corresponding dollar increases. The Director of Public Works has been classified A-17 from A-14. The Assistant Director (Operations) becomes A-13 from A-10, and the Assistant Director (Administration) A-7 from A-5. These changes would add \$7,590.97 to the Town's budget, when compared at Step 4. Several other reclassifications and title changes are included in the W-grades to adjust the Labor section because of the formation of the Public Works Department. Only two reclassifications were made in the rest of the schedule; one S-8 going to S-9 in the General category and one A-3 to A-4 in the Administrative and Professional Schedule. These two changes add \$428.04 and \$714.62 respectively per year at Step 4 to the Town's total budget. The Rate Schedule for Labor now includes a Step 4 which is equivalent to the old Step 3. Step 1 has been eliminated for all Grades except W-1 and provides a lower weekly rate for new employees at that level. A new position "Youth Counselor" has been added to the Unclassified section.

For the fiscal year 1974/75 the schedule of weekly rates for Custodians and Labor shows an across-the-board increase of \$10 a week for the period 7/1/74 to 12/31/74, and an additional \$2 a week for the period 1/1/75 to 6/30/75. These increases were agreed upon

REPORT OF THE WARRANT COMMITTEE

through negotiations with the union. A general 6% increase in salaries and wages was approved by the Personnel Board for the non-union positions in the Town.

The Salaries and Wages of the Firemen and Policemen are determined by collective bargaining. At the time this Warrant was finalized for printing neither the Fire Union nor Police Union had concluded negotiations with the Town, and therefore no salary changes have been recommended. According to the Selectmen the Firemen's Union has demands that might require appropriations of up to \$200,000 more than the \$861,684 recommended in the Fire Department budget (Article 10), and the proposals of the Police Union might require up to \$350,000 more than the \$908,806 recommended for salaries and wages in their budget under Article 10.

Clearly the Fire and Police Unions are seeking an increase in salaries, wages and benefits that the Town cannot afford. The new Collective Bargaining Law provides the Town and the Police and Fire Unions with third party compulsory and binding arbitration to resolve impasses in contract renewal. The decisions of an Arbitrator would be final and binding on the Town, without Town Meeting approval or authorization.

It is hoped that satisfactory agreements will be reached with these two unions prior to Town Meeting.

SPECIAL ARTICLES

Police Pay and Benefits. (Articles 23-20)

The Warrant Committee recommends a "no" vote with respect to each of these articles, all of which relate to items of collective bargaining. In our view the appropriate forum to consider these proposals is a bargaining session, not a town meeting.

EDUCATION (Articles 30-35)

Close cooperation among members of the School Committee, School Administration and the Warrant Committee has resulted in recommendation of a budget that reflects a balanced concern with reducing expenses while still supplying quality education.

The total recommended appropriation under Article 30 is \$6,036,472. While this total reflects an increase of 17% when compared with 2/3 of the actual 18 month amount of \$5,165,857, it should be noted that the salaries and wages earned during the 18 month period are approximately \$700,000 more than was appropriated (see comments Article 31), making the corrected percent increase that of 7%.

The increase noted in Article 30 is due largely to a marked rise in the General Expense item to \$833,459. There are several categories within this budget item that have necessitated this increase. They include uncontrollable items such as fuel, light and power, water and transportation costs for the physically handicapped. In addition, there have been modest increases in improvement, maintenance and repair of buildings and grounds.

Article 31 covers \$698,584 for summer salaries for teachers and other professional employees. This amount was withheld from the 18 month appropriation and is payable on July 1, 1974. The recommendation is to borrow this amount and to bond up to a maximum of 3 years.

The recommended figure of \$245,580 in Article 33 for School Bus Transportation is based on the current contract which expires at the close of the school year in 1976. The School Committee is studying alternative proposals for school busing in the hope of reducing the cost of the current contract with no reduction in service to pupils.

REPORT OF THE WARRANT COMMITTEE

Article 35 is concerned with renovations and remodeling within the Senior High School building to improve the library facilities and with purchase and erection of additional Physical Education and Industrial Arts facilities. The School Department, School Committee and Special Building Needs Committee have reported for a number of years the need for increased space in the above areas. It is the opinion of the school authorities that if the senior high school building were converted for use as a junior high school the work to be done, as outlined in this article, would be necessary also for this latter type of facility. The remodeling to improve the library facilities will be \$118,322, the purchase and erection of the physical education facility \$53,145, and the industrial arts facility \$118,260. The Warrant Committee is recommending the appropriation of the total sum of \$289,727 for these purposes. The problems of school building needs are not exclusive to the Senior High School; however, in the absence of an overall plan for the school system, the most pressing needs at the Senior High School must begin to be met.

SPECIAL ARTICLES

Veterans' Memorial Committee. (Article 39)

This committee was established by the 1973 Town Meeting to consider an appropriate memorial to the Milton service men who died during World War II, the Korean War, and the Vietnam War. It is recommended that the Committee's alternate plan #2 be accepted and that \$2,500 be provided for construction. Under this plan a low semi-circular wall will be built in front of the Town Hall near the flag pole. A plaque and suitable plantings are included in the plans to complete this memorial.

Housing Authority. (Article 43)

The Warrant Committee does not recommend establishment of a Housing Authority at this time because the master plan is not yet completed, and the Housing Committee of the Town wishes to have further time to review the question of housing for the elderly, and low and moderate income residents.

Real Estate Advertising. (Article 44)

We recommend that approval be given to this change of the General By-Laws which will discontinue the exemption from the By-Laws of "For Sale" signs on properties being sold within the Town. We feel that this change will not hinder sales unduly by individual owners who may advertise their property in other ways.

Christmas Tree Sales. (Article 45)

Under the General By-Laws, greenhouses and nurseries located in single residence districts A, B, and C are not permitted to sell Christmas trees and related items because such sales are not an accessory use of the premises. We recommend approval of the By-Law amendment contained in this Article because the use would not be detrimental to the neighborhood with the limited extent of the sales considered.

Disposal Area Privileges. (Article 46)

All residents have the right to carry their own household rubbish or debris to the dump without charge while commercial users are required to purchase a permit for each use. It appears to us that control of the area through a permit system to contractors helps to prevent dumping of debris derived from outside of the Town. The present system of permit sales and on site checking will ensure that the space for dump use will be available to the Town for the future.

Unquity House Busing Petition. (Article 47)

We are not recommending the adoption of this article because the request is a duplication of town program now administered by the Park Commissioners.

REPORT OF THE WARRANT COMMITTEE

Sale of Alcohol – Golf Clubs. (Article 48)

Authorization by the General Court would permit the Selectmen to control the issuance of licenses to non-profit golf clubs for the sale of alcoholic beverages. Such sales appear entirely consistent with the operation of golf clubs, and may be essential to their economic success.

Pierce Field Lighting Petition. (Article 49)

This article is similar to one submitted by the Park Commissioners (estimated cost of \$55,975 plus annual operating costs) which has been withdrawn. This article, even though worthy, is not recommended because of the current and projected shortage of purchased power.

CONCLUSION

The chairman thanks the committee for their generous expenditure of time and talent, the clerk for her faithful and valuable service, and our families for their patience and understanding while this committee was at work.

Respectfully submitted,

GEORGE T. RYAN, Chairman

REPORT OF THE WARRANT COMMITTEE

REPORT OF THE WARRANT COMMITTEE

NOVEMBER ELECTIONS – NOVEMBER 5, 1974

To the Voters of the Town of Milton:

Pursuant to the provisions of Section 4, Chapter 3 of the General Bylaws of the Town, dated March 10, 1934, as amended, your Warrant Committee is required to consider and report in print upon all questions submitted to the voters of the Town. Following are the recommendations of your Committee:

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES".

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES".

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION

We recommend that the Town vote "YES".

QUESTION NO. 4

LAW PROPOSED BY AN INITIATIVE PETITION

We recommend that the Town vote "YES".

QUESTION NO. 5

LAW PROPOSED BY AN INITIATIVE PETITION

We recommend that the Town vote "NO".

QUESTION NO. 6

HEALTH SYSTEMS REGULATION QUESTION

We recommend that the Town vote "NO".

The Warrant Committee recommends a "NO" vote in view of the lack of available information regarding the complex issues involved.

QUESTION NO. 7

SALE OF LIQUOR

E. We recommend that the Town vote "YES".

F. We recommend that the Town vote "YES".

G. We recommend that the Town vote "YES".

Respectfully submitted,

ANNE E. COGHLAN, Chairman
ROGER L. GREGG, Secretary
BRIAN C. CROWLEY
JOHN B. DUNPHY

REPORT OF THE WARRANT COMMITTEE

The Warrant Committee hereby submits its recommendations on the Articles in the Warrant for the Special Town Meeting of November 12, 1974 as required by Chapter 3, Section 4, of the General Bylaws of the Town of Milton, Massachusetts.

These Articles submitted by the School Committee represent initial steps to correct space needs in the entire Milton school system. Additional space is needed for the various programs that are offered now, as well as for programs that cannot be implemented for lack of adequate facilities.

The Warrant Committee recommends a "YES" vote on both Article 1 and Article 2 because of its concern for maintaining and improving the quality of education in Milton.

ARTICLE 1 – LAND ACQUISITION

In order to construct a High School facility at the Pierce School complex, additional land is required to qualify for State aid. This area would be used primarily for athletic purposes, and in addition can be used for park and recreational facilities, a further benefit to the Town. The parcel of 10.7 acres is bounded by Gile Road, Pine Tree Brook and Blue Hills Parkway, (See Plate 1). This site is part of a tract formerly known as the Lamb estate. Professional appraisers were consulted to determine the recommended purchase or taking price of \$66,000. The final acquisition cost would be subject to adjustment if the land were taken by eminent domain and could be as much as twice the amount stated above.

The Warrant Committee recommends that this land be acquired to help meet school needs. We feel that the land is an excellent site for athletic and recreational facilities and is a good investment for the Town.

ARTICLE 2 – COMMITTEE ON PRELIMINARY PLANS

Acceptance of this Article would establish a Committee authorized to obtain preliminary plans, specifications and cost estimates for the projects to meet space needs in the schools. This Committee would be required to report to the Selectmen by January 22, 1975. The School Committee recommendations as embodied in the Article ask for conversion of the following schools:

1. the Pierce School complex to a four year high school
2. the High School to a middle school for grades 6-8
3. the Tucker School to a one unit elementary school
4. the Cunningham Junior High School to an elementary school

REPORT OF THE WARRANT COMMITTEE

The Warrant Committee recommends that such a Committee be established for the purposes outlined in the Article and that \$30,000 be appropriated for the use of the Committee. On the basis of the Report submitted by the Committee, it is expected that the School Committee will request approval of school building construction at the March 1975 Town Meeting. The Warrant Committee estimates that such a program might cost \$13 million dollars reduced, however, by State aid which until July 1, 1975 will be 65% of construction and interest costs.

ANALYSIS

The Warrant Committee has reviewed the problems of the schools and feels that action on the programs outlined above should be taken. Currently there are crowded classrooms at all levels: elementary, junior and senior high schools. Many rooms are not adequate for the specific courses being taught and space is not available to implement changes in curriculum. The Committee particularly notes the continued problem of inadequate space and facilities for physical education, athletics and industrial arts.

The current enrollment in the Milton public school system is 4,423 students which is comparable to enrollment figures of the past 5 years. The calculated capacity of the present school system, based on School Building Assistance Bureau guidelines, is 3,200 and 3,600 students. A significant decline in enrollment in the future is not expected when factors such as possible housing for the elderly, immigration and the continuing rise in the cost of private education are taken into consideration. We feel that this combination of factors may offset a possible decline in the birth rate.

The present high enrollment and the limitations in curriculum flexibility due to inadequate facilities are the main reasons for the actions recommended in this Warrant.

TAX RATE IMPACT

The Warrant Committee considered not only the tax impact of the Articles in this Warrant but also the effect of a major building program. The specific Article would have the following tax effect:

Article 1. Land Acquisition	\$0.89/1000
Article 2. Committee on Preliminary Plans	0.41/1000
TOTAL	\$1.30/1000*

*Based upon \$1 tax rate effect/74,000 dollars assessed value.

If a major building program is approved at the March 1975 Town Meeting, the estimated tax rate effect would be as indicated below. Note that this estimate is based upon a building construction cost of \$13 million dollars and borrowing over a 15 year period at a rate of 6.75%. The figures given below include State aid at the rate of 65% on the entire program.

	Principal	Interest	Total	Less State Aid	Net Total	Average Effect on Tax Rate
Total	\$13,000,000	\$7,011,563	\$20,011,563	\$13,007,516	\$7,004,047	\$6.31/000

The annual effect on the tax rate would be greater in the first years because of high interest payments and the fact that annual State reimbursement to the Town would be a fixed rate. The gross tax rate effect would be reduced somewhat in the first two years by the investment of unexpended bond proceeds in short term investments, but the reimbursement of the 65% may lag and counter the investment income. The maximum tax rate effect during the 15 year period should occur in the third year and be approximately \$10.31/1000, and the minimum effect would be about \$0.76/1000 in the final year.

REPORT OF THE WARRANT COMMITTEE

Additional operating costs scheduled to begin the third year are estimated to be \$200,000 per year and the tax rate effect would be \$2.70/1000 more for a total average effect of \$9.01/1000/year.

The above tax rate estimates do not take into account the effect of the cost of the proposed Regional Vocational School; however, the dollar amount of the building plan discussed above does not take into account reduced space requirements that would result from the establishment of a Vocational school.

SUMMARY

The majority of the Warrant Committee supports the Articles in this Warrant because it feels that there are needs in the Milton school system and that these needs must be met. We feel that postponement of a solution to these needs will result in increased future costs and burdens to all the citizens of the Town.

**REPORT OF PERMANENT
INSURANCE ADVISORY COMMITTEE**

**REPORT OF PERMANENT
INSURANCE ADVISORY COMMITTEE**

To the Honorable Board of Selectmen:

The Town of Milton insurance program continues in very satisfactory condition. In the opinion of this Committee, the Town has been able to obtain adequate protection at reasonable costs.

Despite substantial increases in payroll, the Town has been able to continue to hold down the cost level of Workmen's Compensation coverage, largely because recent deteriorating loss experience has not yet entered the rating formula.

The Town has been able to achieve substantial savings and at the same time increased coverage under its three-year Property policy covering buildings and their contents. The policy was renewed effective July 1, 1974 at which time the amount of coverage was increased from an actual cash value basis to a replacement cost basis with a simultaneous reduction in deductible limits and a reduction in premium.

It is with deep regret that we recognize the passing of Edward T. O'Neill after many years of devoted service as the Town Insurance Agent. Subsequently, the Board of Selectmen have appointed John T. MacVarish of 46 Huntington Road as Mr. O'Neill's successor.

Respectfully submitted,

**MICHAEL B. O'TOOLE, Chairman

DANIEL F. X. DAVIS**

THE COMMITTEE ON ELDERLY AFFAIRS
THE COMMITTEE ON ELDERLY AFFAIRS

January 16, 1975

To the Honorable Board of Selectmen:

The Committee on Elderly Affairs is pleased to submit its third report.

The Committee attended the following meetings: 6 times with the Milton Permanent Committee on Housing; 5 times with the State Department of Elder Affairs, The Quincy Council on Aging, and the Quincy Social Security Office; once at the First Parish Church, Unitarian, Milton regarding a Nursing Home; twice with the Director of the Retired Senior Volunteer Program, Quincy; and twice at Dedham with the State Department of Elder Affairs and several area councils about the establishment of Area Agencies on Aging, as there are now 29 towns in the Area.

The Committee's index file was up-dated to show all senior citizens living alone, and was used by several senior citizens to address, fill, and seal 4200 Elderly Housing Questionnaires prepared by the Permanent Committee on Housing. The Committee again extends its thanks to the Visiting Nurse & Social Service League for its Health & Flu Clinics, Meals on Wheels, and its continued devotion to the health and happiness of the Milton Senior Citizens.

Through the generosity and kindness of an anonymous donor, a booklet on available resources for Milton Senior Citizens will be printed shortly, and then distributed by volunteers, one to a household.

As of December 31, 1974, there were 6,508 persons, 60 years or older, listed in the files.

Respectfully submitted,

THE PERMANENT COMMITTEE ON HOUSING
THE PERMANENT COMMITTEE ON HOUSING

January 6, 1975

To the Honorable Board of Selectmen:

The Permanent Committee on Housing began meeting immediately after the Town Meeting of March, 1974 in order to seriously act upon its promise to study the problems of housing for the elderly citizens of Milton.

The Committee's work was hampered by the illness and then, sadly, the death of Miss Edith Bradley in June, 1974. Miss Bradley was the oldest member of the Committee in years of service, and her advice and counsel were missed by the Committee in its deliberations. On September 18, 1974, Mr. Charles H. Keenan was appointed as a member of the Committee.

In order to ascertain the needs and preferences of our elderly people, a simple questionnaire was prepared and mailed to 4166 Milton households, wherein at least one person was 62 or older. The Committee had hoped for a return of about 33%, or approximately 1400 answers. The actual response was 2175 answers, or about 52%. The large response emphasizes the strong interest our elderly people have in the area of housing, and additionally gave all of the concerned Boards and Committees of the town an excellent basis for an intelligent and responsible recommendation to the Town Meeting of 1975.

Despite a considerable amount of volunteer work contributed by members of the Committee on Elderly Affairs, the Committee found it necessary to request a transfer of \$780.20 from the reserve fund in order to cover the expenses of the questionnaire.

The results of the survey are as follows:

Option 1. Interested in low income, subsidized housing	220	10%
Option 2. Interested in moderate income, subsidized housing	333	15%
Option 3. Interested in condominium style living	42	2%
Option 4. Interested in garden apartments, market rentals	165	8%
Option 5. Prefer to remain where they are	1307	60%
Option 6. Intend to move out of Milton and retire to some other area	88	4%

Since the Committee specifically asked that only one option be checked, twenty, or 1% of the answers had to be discarded because directions were not followed. Of those who preferred options 5 and 6, 67 had comments to make about the rising tax rate. It should be emphasized that the above figures relate to household units. In order to ascertain the approximate number of people concerned, the figures should be multiplied by 1.5%.¹

In a meeting with representatives of the Department of Community Affairs, the Committee was advised that in a response of this high level, it would be safe to double the above figures to get a true picture of the needs of the town, plus or minus a 5% margin of error.

It is obvious that 40% of our respondents would prefer housing other than that which they presently occupy. This is an extremely high number in terms of human problems, and poses a situation that will be difficult to solve, since the desire for new housing runs the gamut from low income, subsidized housing to condominium and market rental garden apartments. In the largest group, those who intend to remain in their own homes, there was an additional factor prevalent. Many of the respondents commented that an increasing tax rate would make it difficult for them to continue to maintain their present homes. If this situation becomes a reality, obviously, the number of those desiring change will increase.

THE PERMANENT COMMITTEE ON HOUSING

As this report was being written, an additional element was added, emphasizing the difficulties in which many of our elderly citizens find themselves. The State Supreme Judicial Court has ruled that all communities must assess their real estate properties at 100% valuation. In all probability, Milton will have to comply with this judicial decision. There is no question, because of several factors, that those of our older citizens who live on marginal incomes will be adversely affected.

In the months of October through December of 1974, the Committee held a number of meetings to discuss the results of the survey with the Board of Selectmen, the Warrant Committee, the Planning Board, and with members of the Milton Residences for the Elderly, Inc. Further, all of the above mentioned Boards and Committees were invited to meetings held with representatives of the State Department of Community Affairs, the Massachusetts Housing Finance Agency, and the private builders/contractors sector. In addition, representatives of the League of Women Voters and the Committee on Elderly Affairs joined with us on most occasions to add their counsel to our deliberations.

On December 11, 1974, the Committee met and unanimously voted that the needs for housing for elderly citizens in Milton spanned the entire spectrum of low-income subsidized housing, moderate-income, subsidizing housing, and moderately priced and luxury garden apartments and/or condominiums.

The Committee agreed that only under the aegis of a Housing Authority can the needs of the low-income elderly be substantially met. Thus, as its first priority, the Committee voted, again unanimously, to submit an article in the Warrant of the Town Meeting, 1975, urging the Town Meeting to establish a Housing Authority, and, in that connection, to authorize the building of low-income, subsidized housing for the elderly.

The Committee also suggests that Town Authorities work with MRE, Inc., in order to provide additional housing for the elderly in the area of low-income and moderate-income, subsidized housing. Of particular interest to the Committee was the fact that under MRE, a mixed income community can be achieved. The Committee points out that as part of the mixed income community, 25% of the units built would be for low-income people, and the remainder would be for moderate income people and for those who could afford market rentals. The Committee endorses the idea of MRE building more units in town, and feels that in addition to a Housing Authority, great success can be achieved in solving many of our problems in the area of housing for elderly citizens.

The Committee also feels that elderly citizens who have spent many years in town have a right to expect options in housing, especially in the area of luxury and market rental garden apartments and/or condominiums. Currently, many are living in large homes which they neither need nor desire. These citizens, many of whom have served the town well in the past, are moving out of Milton to towns that provide the housing they require. It seems almost tragic that our town, in effect, should force these senior citizens into communities where they are comparative strangers, rather than provide for them in the community in which they have spent most of their lives, and in which they can still be productive. The Committee strongly believes the Planning Board should be investigating the possibilities of zoning changes in order to provide for the needs of this group of townspeople.

The problem is a large one, and at best, can only be partially solved. The solutions we are offering are necessary to help our own fellow citizens. The Committee feels that with proper planning, and with intelligent and progressive leadership by all of the Boards and Committees involved, the Town can and must accept the challenge it faces to provide proper housing for its elderly citizens. The Committee emphasizes that this can be done without sacrificing the character of the Town and still maintain Milton as a desirable place in which to live.

At the September 8, 1974 Reenactment of the Suffolk Resolves, Daniel Vose, left, greets Dr. Joseph Warren who authored the Resolves. In the 18th century, nine months later Dr. Warren was killed in the Battle of Bunker Hill at the age of thirty-three.

REVOLUTIONARY WAR BICENTENNIAL COMMITTEE

REVOLUTIONARY WAR BICENTENNIAL COMMITTEE

January 1, 1975

To the Honorable Board of Selectmen:

The Committee's activities in 1974 had a twofold purpose. First, we intended to commemorate Milton's role in the Revolution. This was accomplished by the Suffolk Resolves reenactment, the Parade, publications and the commemorative items.

Secondly we hoped to generate townwide interest and activity through July 4, 1976. Citizen response and enthusiasm has been very active. We believe that in many ways we succeeded beyond our expectations. "It Started Here" brought a lively comment from the Boston Globe. "Paul Revere" appeared in newspapers around the country including the New York Times. Many of our young people engaged in costume design, food fairs, the Bicentennial Road Race and classroom activities. The Arts and Crafts Festival, the period Church service and the Colonial Ball were directed by the Arts Council. These events were highly successful. The Ecumenical service at Thanksgiving time conducted by the Milton-Mattapan Clergy Association was a fitting conclusion to the year's activities.

We now see our task as sustaining this spirit in 1975 and preparing for 1976.

Our list of credits could fill several pages but we especially thank: Cunningham Park, Curry College, the First Parish Church, all participants in the Reenactment and the Parade, the Milton Public Library, the Milton Auxiliary Police, Milton Arts Council, Milton Fire Department, Milton Department of Public Works, Milton Historical Society, Milton Public Schools, Quincy Patriot Ledger, Milton Red Cross, Milton Record Transcript, Rotary Club, Milton Militia, Tileston and Holingsworth Company, Milton Yacht Club and our neighboring cities and towns that participated in our activities.

Also, Charles Morris, Kathleen McCann, William Kelley, the Student Task Force, the Quiltmakers, Roger Connor, Walter Kennedy, Richard DeWolfe, Rabbi Weistrop, Arthur Southall, William Loughran, Robert Kent, Bill Pederson, Donald Ellis, Tony Guest, Clifton Fasch, Richard Kent, Congressman James Burke, Mary McMahon, Bill McLaughlin, Fred Dempsey, Paul Reagan, Claire McSorley, Ken Brodie, Nancy Murnane and the support of your Honorable Board.

The above is intended as a representative sampling of the many who worked with the Committee contributing time, effort and expertise. "It Started Here" but it hasn't ended – we welcome old and new support in 1975 and 1976.

Respectfully submitted,

KENNETH LODGE, Chairman
ELIZABETH COLT, Secretary
MICHAEL CUMMINGS
WILLIAM P. MELLEY, JR.
EDWARD DUFFY

THE MILTON HISTORICAL COMMISSION

THE MILTON HISTORICAL COMMISSION

During the year 1974 the Milton Historical Commission met four times: February 5 at the Suffolk Resolves House, March 5 at the home of Mr. Joseph Burley, April 16 at the home of Mr. Charles A. Powers, Jr. and December 10 at the home of Chairman Charles R. Morris. Other members in attendance at one, or all, of the meetings were Mrs. Eileen F. Chamberlain, Doctor Robert Fallon, Mrs. Mary E. Palardy, and Mr. Edward Shatz.

Among the achievements of the Commission are the copyrighting of "The Story of the Suffolk Resolves" in its name, the recommendation to move the Powder Houses to its new location (this has been done), and the preparation of an inscription to be placed upon it, and the placing of the Amos Holbrook House on the National Register of Historic Places. At its final meeting in December the Commission unanimously voted to approve plans to restore Governor Hutchinson's "ha-ha", or sunken wall, near St. Michael's Church on Randolph Avenue, and to present a recommendation to the Massachusetts Historical Commission to have the "ha-ha" placed on the National Register of Historic Sites. The proper papers to achieve this have been filled out and as of now (January) presumably are on their way to Washington.

At the meeting of April 16th the Commission reaffirmed its primary responsibility as limited to the preservation of historical monuments in the Town of Milton.

CHARLES R. MORRIS, Chairman

REPORT OF THE REGIONAL SCHOOL DISTRICT

**REPORT OF THE REGIONAL SCHOOL DISTRICT
PLANNING BOARD FOR HINGHAM, HULL,
MILTON AND WEYMOUTH**

December 31, 1975

To the Honorable Board of Selectmen:

The Regional School District Planning Board has been meeting for about two years to study the feasibility of establishing a regional school district. By statute one School Committee member from each town is also a member of the Regional Planning Board. In addition to the statutory coordination required each Superintendent of Schools in the four towns has met periodically with the Committee and appointed a coordinator for this project who meets regularly with the Planning Board on the second and fourth Wednesday of each month to advise the Planning Board and the school superintendent of progress.

For more than a year, the Research Coordinating Unit of the Division of Occupational Education of the Massachusetts Department of Education guided the Planning Board through studies of area employment needs and preliminary surveys of attitude toward vocational education of students and teachers. Copies of these two volumes of data are available.

Then for about a year the Planning Board worked with a summary of the alternative delivery systems which did not require the cost of constructing new vocational facilities.

These delivery systems were converted to cost models and the most economical system will be to erect a school which will be used for instructing students in the vocations for 60 and 100 years, rather than to spend money to lease facilities without any equity.

We hope that our final report will be available early in 1975.

Respectfully submitted,

JOHN C. CROWLEY, School Committee Representative
COLETTE D. KNIGHT
HUGO SORGI

REPORT OF THE MILTON
ICE RINK COMMITTEE

REPORT OF THE MILTON
ICE RINK COMMITTEE

December 31, 1974

To the Honorable Board of Selectmen:

The Ice Skating Study Committee appointed by the Moderator as authorized under Article 40 of the 1973 Annual Town Meeting and as extended by vote of the 1974 Annual Town Meeting under Article 38 is pleased to submit this report.

The Committee has completed its survey on demand time and the availability of ice skating facilities. We have found that there has been a decline in public skating participation in artificial rinks in the metropolitan area. While the demand for ice rental time by leagues, schools and other youth groups remains strong, the increase in the number of M.D.C. rinks and private rinks has met this need to a great extent.

The M.D.C. this fall announced that a skating rink with seating capacity for 1,500 would be constructed as part of the Neponset School Boy Track complex on Hallet Street in Dorchester.

The above factors, together with the current economic situation, lead us to the conclusion that it would not be feasible nor desireable for the Town to construct a skating facility at this time.

We do, however, recognize that it is beyond the financial ability of some parents to pay the costs associated with the youth hockey programs. We, therefore, renew our previous recommendation that the Board of Park Commissioners explore the possibility of seeking an appropriation to provide direct grants to Milton Youth Hockey to meet the proportional costs of ice rental time for these youngsters.

Our appreciation is extended to all the Community and Youth Hockey officials who have assisted us with this study. We request that this Committee be discharged.

Respectfully submitted,

THOMAS J. FLATLEY, Chairman
LEO C. DESMOND
WILLIAM A. EDWARDS
WILLIAM E. C. EUSTIS
JAMES C. FERRUCCI

REPORT OF POLICE HEADQUARTERS
BUILDING COMMITTEE
REPORT OF POLICE HEADQUARTERS
BUILDING COMMITTEE

January 14, 1975

Board of Selectmen
Town Hall
Milton, Massachusetts 02186

Gentlemen:

The Building Committee wishes to submit it's final report on the construction of the new Police Headquarters building located at 40 Highland Street.

The Committee was appointed by the Moderator under Article 14 of the March 11, 1972 Town Meeting.

The Committee retained the architectural firm of Hughes and MacCarthy, Inc. of Natick and issued a construction contract to the low bidder, Michael Racioppi, Inc. on August 24, 1972. The new Police Headquarters was occupied and in full operation in September of 1973.

The 1972 Town Meeting authorized the expenditure of \$626,000. On January 3, 1974, the Warrant Committee authorized, with Town Council's approval, the transfer of \$9,274. for extraordinary expenses. The March 1974 Town Meeting authorized, under Article 37, the sum of \$11,500., to cover the inflationary increased cost of the driveway and parking lot paving plus finishing of the landscaping.

The Town was reimbursed from Federal Matching Funds, in the amount of \$100,000. for the inclusion of an Emergency Operating Center, utilized on a dual basis with police functions in the basement of the building. The Town also received the sum of \$87,700. from the sale of the old Police Station.

The Committee wishes to extend sincere thanks to the Board of Selectmen, the Chief of Police, officers and men of the Milton Police Department for their excellent assistance and cooperation. Special recognition go to Sgt. Richard G. Wells and Lt. Dennis J. Doyle, who served as liason between the Police Department and our Committee.

Lawrence W. DeCelle and the Public Works Department had an active and valuable part in this entire project and we wish to praise their significant assistance.

For the attractive landscaping design, we wish to extend grateful thanks for the assistance of the Milton Garden Club.

The Committee extends it's special thanks to the architectural firm of Hughes and MacCarty, Inc., Natick for a truly outstanding job. They were responsible for; the impressive Colonia Design, efficient functioning of the building, effective cost control, and constant attention to the smooth progress of the project.

Praise goes to the general contractor, Michael Racioppi, Inc. for excellent workmanship, a trouble free project coordination, and completing the project exactly in accordance with the time schedule.

The Committee was saddened by the death of one of it's valued members, Warren J. Murdock on June 10, 1973. Mr. Murdock's experience, careful deliberation, and wise council were greatly missed by the Committee.

REPORT OF POLICE HEADQUARTERS
BUILDING COMMITTEE

Having completed the responsibilities which it was formulated for the Committee request that it be discharged.

Respectfully submitted,

PHILIP M. HORAN, JR., Chairman
ROBERT J. KELLY, Secretary
DEAN M. BOYLAN
JOSEPH J. LANE

The Milton Militia was reestablished by proclamation of the Board of Selectmen.

September 29, 1974 – Paul Revere on “Meg” in the Bicentennial Parade.

DEPARTMENT REPORTS

REPORT OF THE BOARD OF SELECTMEN

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Milton:

On March 2 the members of the Board were re-elected and on March 7 the Board was organized with John P. Linehan as Chairman, Ralph L. Kent as Secretary and James D. Colt as the third member.

Community spirit and enthusiasm abounded this year as Milton launched the Nation's Bicentennial with a series of celebrations marking the 200th Anniversary of the adoption of the Suffolk Resolves. Our pageant, parade and festival has set the bicentennial pace for other communities to match. We extend thanks and appreciation to the hundreds of citizens who worked to make Milton's celebration such a success.

We were greatly pleased when the Wollaston Golf Club voted to proceed with plans to build the new 18-hole course on the former Cote property. We believe that this is an ideal land use which will enhance property values throughout the Town.

The Town's position that the State law granting preference to local residents applying for positions on the Police Department is constitutional was upheld by the Superior and Supreme Judicial Courts of Massachusetts. We appointed thirteen Milton residents to the Police force on July 2. A complex series of state and federal appeals confused the earlier rulings during the fall and early winter. At year's end, we are hopeful that the new leadership in the Attorney General's office will assist the cities and towns in resolving this problem.

A new diesel pumping engine was delivered to the East Milton Fire Station this summer. The new pumper, built by Maxim of Middleboro, has a 750 gallon water tank, a built-in foam system and a dry powder extinguisher system for fighting automobile fires.

The Public Works Department appropriation this year was based on a comprehensive program budget for the first time. We believe that this will greatly assist the Warrant Committee and Town Meeting members in relating the activities of the department to the costs.

The water rate was increased this year from 45 cents per 100 cubic feet to 60 cents. This increase was necessitated by a 6 cent increase in the Metropolitan Water District wholesale rate and by the increase in the cost to the Town of labor and materials used to maintain the water system. Water pressure in Milton increased by six to eight pounds per square inch this fall with the opening of a new deep rock tunnel between Chestnut Hill and the Neponset. This tunnel was constructed by the M.D.C. at a cost of \$9 million to improve the water distribution network to the southern members of the district.

A community beautification and landscaping program was initiated this spring which resulted in the planting of 480 shade trees. In addition, Town arborists completed plantings at the Police Station, Lawrence Mahoney Memorial Grove, and Town Office Building. Under the cooperative tree planting program, several neighborhoods and schools arranged to have shrubs and landscaping projects completed.

Major steps were taken to improve the neighborhoods along Blue Hill Avenue in Milton. Extensive sidewalk and tree lawn repairs were completed and additional shade trees were planted. We installed new street signs at intersecting streets reading "Blue Hill Avenue, Milton". The reconstruction of Rt. 138 is under design by the Massachusetts Department of Public Works and we have requested that a number of safety improvements be incorporated.

REPORT OF THE BOARD OF SELECTMEN

Normal traffic circulation was restored this summer with the completion of the new central Avenue Bridge. We are indebted to our legislative delegation – Senator Joseph B. Walsh, Rep. M. Joseph Manning and Rep. Joseph J. Semensi for arranging to have this project funded entirely by the State.

The Special Town Meeting in November rejected the School Committee's proposal to convert the Pierce School complex into a four year high school. While we acknowledge the need for school facility improvements at the High School as well as in the Elementary and Junior High schools, it is clear that the Town could not afford the program proposed by the School Committee. We are working with the School Committee to find a School Capital Improvement proposal which our Board can support and which will be both educationally and economically sound for our community.

In July the new sign bylaw went into effect prohibiting political and real estate "For Sale" signs in Milton. It is believed that Milton is the first municipality in Massachusetts to adopt such a strict measure. The bylaw was proposed by a citizen petition and its adoption was urged because the display of "For Sale" signs derogates from the residential quality of a neighborhood.

We were deeply grieved by the death of Insurance Agent Edward T. O'Neill and Planning Board member Thomas F. Garvey this year. John D. MacVarish was selected to serve as Insurance Agent and J. William Dolan was elected at a joint meeting with the Planning Board to fill Mr. Garvey's vacancy. Richard W. Renahan was elected by the Board of Selectmen and Board of Health to fill the vacancy caused by the resignation from the Health Board of Robert J. Kaler.

In the face of inflation and spiralling energy costs, we were pleased to be able to return to the Town over \$117,635 at the end of the 18 month fiscal year on June 30, 1974. This amount, coupled with receipts during the year, constitutes free cash in the total amount of \$565,982 which will be available for the 1975 Annual Town Meeting to offset the tax levy.

In preparing our budgets for the 1975 fiscal year, we were mindful of the tremendous burden which real estate taxes place on the senior citizens of Milton who live on a fixed income. We deleted a total of 10 full time positions from the staffing schedules of the departments this year and cut back in many other areas. We have worked in cooperation with the Warrant Committee to improve the productivity and efficiency of all departments. The net result has been a budget reduction from \$4,350,361 in 1974/75 to \$4,208,988 for the fiscal year beginning July 1, 1975 in departments under the jurisdiction of the Board of Selectmen.

An article will appear in the 1975 warrant calling for the creation of a Milton Housing Authority. The Board of Selectmen worked closely with the Housing Study Committee and conferred with the Chairman and met jointly with the Committee on a number of occasions. We assisted the Committee with a second comprehensive survey of senior citizens. We are convinced that additional low and moderate cost housing for the elderly is needed in our Town for the benefit of local senior citizens and endorse the creation of a local Housing Authority for this purpose.

We thank the various officers and employees of the Town, the Boards, Committees and Commissions for their cooperation during 1974 and especially thank our Executive Secretary and the two secretaries to the Board of Selectmen for their untiring efforts.

JOHN P. LINEHAN
RALPH L. KENT
JAMES D. COLT
Board of Selectmen

REPORT OF THE EXECUTIVE SECRETARY

REPORT OF THE EXECUTIVE SECRETARY

To the Honorable Board of Selectmen:

I am pleased to submit my seventh annual report.

TAX RATE

The tax rate this year increased by 13.3% from \$143 to \$162. This \$19 increase was the result of increased Town Meeting appropriations and higher State and County assessments which totaled the equivalent of \$35 on the tax rate but which were offset by the equivalent of \$16 on the tax rate in increased local, state and federal receipts.

In comparing the 1974/75 12 month appropriations to 2/3rds of the appropriations for the preceding 18 month transitional year, the seven largest areas of the increase were the school department, the State tax assessments, the appropriation for interest and maturing debt, the personnel board's non-school salary increase recommendation, the high school capital improvements, the Norfolk County tax assessments and the protection of persons and property budgets. The following is a tabulation of the increases and offsets which caused the \$19 tax rate increase.

The figures in the column headed "Net Change" for items with the asterisk (*) were calculated by subtracting 2/3rds of the 18 month 1973/74 appropriation or recapitulation sheet entry from the 12 month 1974/75 appropriation or recapitulation sheet entry.

The Net Tax Rate change is calculated on the basis of \$74,741 equals one dollar on the tax rate in 1974/75 and is expressed in \$/1,000 of assessed valuation.

Items in parenthesis are net increases in aid or decreases in appropriations which offset the increase in the tax rate.

CAUSES OF \$19 TAX RATE INCREASE

	Net Change 73/74 - 74/75	Net Tax Rate Change
*School Support	\$883,093	\$11.82
School Teachers Summer Salaries	264,538	3.54
(Fiscal cycle bond issue, interest and debt)		
High School Capital Improvements	199,918	2.67
(Excludes \$89,809 non-tax levy)		
Personnel Board Salary Increases	236,849	3.17
*Protection of Persons and Property	109,450	1.46
*Parks, Recreation, Holidays and Youth	30,028	.40
*Public Works	21,630	.29
(Excludes water increases)		
*Pensions and Group Insurance	30,916	.41
*General Government	48,683	.65
Pierce Field Lights	55,975	.75
*County Tax Assessments	196,654	2.63
*State Tax Assessments	490,297	6.56
Other	48,000	.65
*State Aid	(547,528)	(7.32)
*Motor Vehicle Excise Tax	(100,800)	(1.35)
*Revenue Sharing	(97,820)	

REPORT OF THE EXECUTIVE SECRETARY

Free Cash	(150,000)	(2.01)
*All Other Estimated Receipts and Available Funds	(223,630)	(2.99)
*Interest and Maturing Debt (not including Fiscal Cycle Bond Issue)	(81,648)	(1.09)

Milton's 13.3 percent tax rate increase, while unacceptably high, was smaller than Arlington 18.3%, Canton 17.7%, Needham 14.4% and a number of other suburban communities who are discriminated against in the distribution of certain State and Federal aid.

A comparison of tax rates for ten suburban communities is as follows:

COMPARATIVE MUNICIPAL FISCAL DATA, 1974

	Pop. 1974 1974	Tax Levy 1974	Actual Tax Rate - 1974	Full Val. Tax Rate - 1974	Per Capita Tax - 1974
Arlington	52,720	\$20,182,700	\$ 67.20	\$47.00	\$382.81
Belmont	27,750	12,825,600	53.75	37.10	462.18
Braintree	35,373	16,894,900	101.00	33.30	477.62
Brookline	58,090	32,921,800	80.00	51.20	566.78
Dedham	27,233	9,836,000	43.80	31.50	361.18
Lexington	31,628	17,092,800	70.40	38.70	540.43
Needham	29,737	14,023,100	51.50	34.00	471.57
Wellesley	27,951	15,248,800	56.00	35.30	545.55
Weymouth	55,325	20,708,200	56.40	41.20	374.30
Winchester	22,107	12,255,900	64.80	43.40	554.39
MEDIAN				37.90	508.56
AVERAGE				39.27	473.68
MILTON	27,011	10,548,200	\$62.20	37.50	390.51

Notes:

Population - 1970 U.S. Census data source - Metropolitan Area Planning Council

Tax Levy - The 1974 Tax Levy has been estimated on the basis of the six months returns reported to the Bureau of Local Taxation.

Full Value Tax Rate - 1974 estimates of the full value tax rate have been obtained from the Massachusetts Taxpayers Foundation, Inc. publications which were based upon Dec. 1, 1974 equalized valuations of the State Tax Commission.

The Collective Bargaining for the Police and Fire for the present year was concluded just before the 1974 Annual Town Meeting. The basis for the settlement was the 7.2% cost of living index with other adjustments in fringe benefits to maintain equity with the median of the ten Towns used in the above comparison. This approach to personnel policy has long been used by the Town. This year the Board of Selectmen also changed the Blue Cross-Blue Shield coverage from major to master medical.

As of the date of this report, the 1975/76 fiscal year collective bargaining has not been completed. The inflation rate of over ten percent has resulted in employee union wage proposals which are far beyond the Town's ability to pay. We are, however, hopeful that through the process of bargaining reasonable wage recommendations will be developed.

REPORT OF THE EXECUTIVE SECRETARY

In conclusion, I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, the Town employees, the members of the Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of appreciation is extended to the Town Accountant, Town Counsel, Public Works Director and the three secretaries in the Selectmen's Office who have helped us to meet all deadlines and commitments of the Board of Selectmen and the Town Meeting Mrs. Eleanor Bradshaw, Mrs. Helen Landry and Mrs. Grace Anderson.

Respectfully submitted,

JOHN A. CRONIN
Executive Secretary

The Bicentennial Festival on the Town Green this fall was a highlight activity sponsored by the new Milton Arts Council.

ANNUAL REPORT
MILTON TOWN GOVERNMENT STUDY COMMITTEE
ANNUAL REPORT

MILTON TOWN GOVERNMENT STUDY COMMITTEE

Edward J. Spellman resigned during the summer. Natalie Fultz was appointed by Moderator Robert K. Lamere to serve for the remainder of the unexpired term. Thomas A. Norris and Francis J. Kelley were re-appointed for three year terms.

During the year, the Committee investigated the possibility of restructuring certain of the Town offices, both in term of office, number of members of various boards and transforming elective positions to appointed ones. Specifically, the Committee has focused its attention on the Selectmen (both in number and term of office) and the Town Clerk and the Town Treasurer. The Committee appreciates that these items could result in major structural changes in Town government and therefore the Committee has no recommendation at this time and its investigation is on-going.

The Committee is also investigating the possibility of a change in the Town meeting date as well as the day of the week upon which elections are held. By recent legislative enactment the Town meeting date may be changed to April or May of each year and the Committee is analyzing the affect upon the various Town functions by any such change and the Committee is discussing the matter further with the Warrant Committee.

The Committee is continuing its indepth study of the Cemetery Department. One member is meeting with the trustees of the Cemetery, with regard to personnel and fiscal policy of that Department.

The Public Works sub-committee is continuing the study of the Town land fill operation to determine if it would be feasible and economical for the Public Works Department to undertake the operation of this facility.

The Committee collected statistics with regard to the representation of Town employees among Town meeting members. It has determined that 8% of the Town meeting members are Town employees or affiliates of Town employees (immediate family relationship) and the Committee plans no recommendation for change in this area.

A computer study group made up of a representative of the Committee, a member of the School Committee and a third member selected by the other two, has assisted Town officials and the Warrant Committee in analysis of data processing requirements and the best way of coordinating various departmental needs. This Committee has recommended acquisition by the Town by means of lease with a purchase option, of an electronic computer for accounting. This machine provides greater capacity and flexibility than present equipment and will permit savings in personnel costs as planned retirements take place.

For the future, the Committee is intending to study such things as:

1. The number of Fire Stations necessary for greater efficiency of the Fire Department and
2. The activities of the Town Treasurer's Office.

REPORT OF LEGISLATIVE COUNSEL
REPORT OF LEGISLATIVE COUNSEL

January 15, 1975

To the Board of Selectmen

Gentlemen:

I submit herewith my report as Legislative Counsel and Chairman of the Legislative Committee for the year 1974.

With the assistance of the Legislative Committee appointed by the Moderator, all bills filed in the Legislature in 1974 which might affect the interests of the Town were reviewed.

As a result of the vote on Article 48 of the Warrant for the 1974 Annual Town Meeting, I prepared a bill to place the question of a license for the sale of alcoholic beverages at the new Wollaston Golf Club on the ballot. This law was enacted as Chapter 294 of the Acts of 1974.

I appeared before the Committee on Public Service to make known the Town's view on House Bill No. 6415 relating to residency requirements for appointment to the municipal police and fire departments. The bill was subsequently enacted on July 30, 1974 as an amendment to General Laws, Chapter 31, Section 48A.

Senator Joseph B. Walsh and Representative M. Joseph Manning, as usual, extended me every courtesy and afforded me assistance at the State House on legislative matters affecting the Town of Milton.

Respectfully submitted,

ROBERT D. O'LEARY
Legislative Counsel

RDO'L/jg

REPORT OF TOWN COUNSEL
REPORT OF TOWN COUNSEL

January 15, 1975

To the Board of Selectmen

Gentlemen:

I submit herewith my report as Town Counsel for the year 1974.

One of the most interesting aspects of the position of Town Counsel in Milton is the multiformity of matters that usually arise during the year. The last twelve months have not proved an exception to this general rule.

The zoning case wherein the Milton Savings Bank sought a variance to erect a bank building on the Hoover Motors' land on Adams Street was heard in the Appeals Court. The decision affirmed the decree of the Superior Court which had denied the bank the variance. The Appeals Court in a second case reversed a Superior Court decision which had dismissed a citizen's suit challenging the right of the Board of Health to charge a fee for dumping at the Disposal Area. As this suit had been dismissed on the pleadings, it will now be necessary to have a trial on the merits of the controversy.

Several court suits were filed by parties who were dissatisfied with decisions of the Board of Appeals. Among those were the following:

A suit by Wollaston Golf Club which was displeased by conditions imposed on its special permit to construct a golf course in the Indian Cliff area; a suit by an abutting resident who was unhappy with the relief granted to Hendries, Inc.; a suit by Hendries, Inc. when it was denied a variance; a suit by an individual property owner who was denied a variance. These cases clearly demonstrate the difficulty, if not impossibility, for the Board of Appeals to render a decision in a contested case which will comply with the law and satisfy the parties in interest.

Fifteen tax abatement cases were filed against the Board of Assessors at either the Appellate Tax Board or the County Commissioners' Office. Twelve cases were either settled on terms favorable to the Town or resulted in decisions for the Town. Three of these cases are still pending.

At the request of the Planning Board, legal proceedings were instituted against the developer of the Huntington Road and Garden Street subdivisions because of the delay in completing the streets. The Town recovered sufficient funds to enable the construction work to be completed in accordance with the rules and regulations of the Planning Board.

The \$100,000 law suit commenced in 1973 against two police officers for alleged assault and battery and false arrest resulted in a default judgment in favor of the officers when the plaintiff failed to appear at court on the trial day.

The case that was the most confusing to the public, the most complicated to the parties involved, and the most complex from a lawyer's point of view was the law suit filed by the Town against the Civil Service Commission to enable the Town to grant a preference to local residents when making appointments to the police department as provided by state law. After the trial judge entered a decree favoring the Town and twenty-six cities and towns who had joined with us in this action, the Attorney General appealed the matter to the Supreme Court. Thereafter there were four hearings in Cambridge, two hearings in Boston and two hearings in Dedham in the Superior Court, four hearings before single

REPORT OF TOWN COUNSEL

justices of the Supreme Judicial Court in Boston and one hearing before the full bench of the same court. In each of these hearings the Attorney General and the Director of Civil Service were pertinaciously resisting compliance with the provisions of the statute passed by the Massachusetts Legislature. After the Supreme Judicial Court upheld the constitutionality of this law in June, the Director of Civil Service joined hands with a minority group in a class action in the U.S. District Court in July. Thereafter six hearings were held at the Federal Court, three hearings before single justices of the Supreme Judicial Court and another hearing before the full bench of the state court last month. Further litigation appears imminent. We are hopeful that the new Attorney General, who has taken office only this week, will expend his energy and the taxpayers' monies in an effort to uphold state law rather than pursue the course of action followed by his predecessor in this case.

No judgments were entered against the Town in tort actions during the year. Nine claims against the Town in the total sum of \$2460.29 were paid. The Town had twenty-nine claims for damages to its property amounting to \$8225.45 which I collected.

In closing I extend my sincere thanks for the assistance tendered me by my fellow employees, the consideration accorded me by the citizens of the Town, and the unfailing support afforded me by your Board.

Respectfully submitted,

ROBERT D. O'LEARY
Town Counsel

RDO'L/jg

REPORT OF MILTON PERSONNEL BOARD

REPORT OF THE MILTON PERSONNEL BOARD

January 16, 1975

The Personnel Board held eleven formal meetings in the year 1974. In addition, there were several informal meetings held by members of the Board with various officials of the Town of Milton. These meetings dealt specifically with matters of budgets, wages and interpretation of the existing wage plan.

As the position identification format of the Personnel Plan has not been changed since printed in the 1974 Town Meeting Warrant, it has been decided to eliminate this section from the 1975 Personnel Article for Town Meeting. This information will be printed in the Annual Town Report and therefore it will be a cost savings to eliminate it from the Warrant.

During the fall requests for certain job reclassifications were carefully reviewed and acted upon by the Board. Every effort is being made to keep abreast of salary trends and the Board is considering equitable salary changes for administrative and non-bargaining unit positions. The Board members have consulted with the Executive Secretary and the Board of Selectmen in connection with the collective bargaining as it applies to Police, Fire and Public Works employees.

Due to the present economic situation the Personnel Board has refused any requests for reclassifications and strongly desires to hold the line on temporary help, particularly with the assistance from the federally funded C.E.T.A. Program.

The Personnel Board wishes to thank Department Heads, Governing Boards and employees for their cooperation. We also wish to thank Miss Josephine McAteer, clerk to the Board, for her assistance to us in administering our responsibilities.

Respectfully submitted,

WALTER A. DENNIS, Chairman
JOHN J. O'BRIEN, Vice Chairman
JOHN F. DELANEY, JR.
FRANCIS P. McDERMOTT
JAMES D. FITZGERALD

BOARD OF APPEALS

BOARD OF APPEALS

To the Citizens of Milton:

The Board of Appeals presents the following report for the year 1974.

In March of this year Mr. Oliver S. Sughrue resigned as a regular member of the Board of Appeals. Mr. Sughrue had served on the Board continuously since October of 1966. The Board wishes to thank Mr. Sughrue for his many years of most dedicated and effective service.

Also in March, Mr. Carroll P. Sheehan, who has been an Associate Member of the Board since April 1972, was appointed a regular member of the Board to hold office until April 1975, and Mr. Joseph Cotter was appointed an Associate Member of the Board to serve for a period of three years until March 1977.

The Board wishes to take this opportunity to thank the Associate Members, Messrs. Frank B. Frederick, Dean M. Boylan and Joseph Cotter for their assistance in substituting for members of the Board who were unable to be present at various hearings.

During the past year we held 10 hearings. Of this number there were:

8 applications for Variances

4 granted

4 denied

2 applications for Special Permit

2 granted

Respectfully submitted,

CHARLES F. BARRETT, Chairman
DANIEL GANS, JR.
CARROLL P. SHEEHAN

REPORT OF PUBLIC WORKS DEPARTMENT
REPORT OF PUBLIC WORKS DEPARTMENT

January 27, 1975

To the Honorable Board of Selectmen Town Office Building Milton, Massachusetts

Gentlemen:

Submitted herewith is the second report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions.

CHAPTER 90 PROGRAM

Dana Avenue (Brush Hill Road to Boston Line) and Randolph Avenue (Centre Street to Brook Road) contract has been awarded and construction to start in April 1975.

The department issued 19 house numbers and 72 street opening permits.

Plans and specifications for 16 TOPICS locations have been reviewed and modified. Construction to be started in 1975.

The Central Avenue Bridge was completed in 1974. Total cost of this project was \$658,480.83 paid entirely by the state under the "Sub-Standard Bridge Act."

The Highway Safety Program, Chapter 90, Section 33B at the Cunningham, Collicot School and Cunningham Park was completed in 1974. This program is to be reimbursed 100% by the Commonwealth of Massachusetts. Total estimate of cost to be reimbursed is \$19,413.00.

HIGHWAY

A number of work programs are included in this division such as plowing, snow removal, sanding, street cleaning, basin cleaning, street and traffic control signs, and general maintenance of our entire street and road systems.

Street Clearance projects continue. Utilization of Forestry Personnel has proven very beneficial to produce increased length of streams cleaned in a year. This program is scheduled during winter months when other projects are limited by adverse weather.

The Drainage Program continues very active. Two thousand seven hundred and fifty four linear feet of drains, 19 catch basins and 17 manholes were installed under this program.

Permanent Construction for the year 1974 included installation of 2968 linear feet of curbing and resurfacing of several streets. A list of locations are included in a detailed D.P.W. report on file in the Engineering Office.

There were no streets constructed under the Betterment Act.

The engineers of the Public Works Department have prepared a list of sidewalks resurfaced and repaired. This is another joint project conducted with the Tree Climbers and Arborists with great success. A list of locations are included in a detailed D.P.W. report on file in the Engineering Office.

REPORT OF PUBLIC WORKS DEPARTMENT

Private Work Program was given special attention. The main purpose was to repair old trenches that became bothersome.

Chapter 497 of the Acts of 1971 provided the sum of \$104,065.46 for reconstruction, maintenance and repair of Public Ways. A list of locations are included in a detailed D.P.W. report on file in the Engineering Office.

Site work at the new Police Station was completed for the Police Station Building Committee. This work included loam and seeding, tree planting and cleanup.

The Powder House donated by the Lamb Sisters was moved to a site opposite the Town Office Building, in the area of the Police Station. This Powder House was moved by a private contractor in conjunction with the Public Works Department. Site work to be done around the Powder House in 1975.

New equipment purchased during 1974 was one (1) Cat Front End Loader.

FORESTRY AND SHADE TREE MAINTENANCE

Approximately 480 trees were planted along Town streets and on Town property during this past year. A variety of Locust, Maples, Lindens, Hemlocks, Pines, Dogwoods and shrubs were planted.

The Town Nursery at the Public Works Yard is progressing. Seedlings and small trees have been planted and will be nursed until ready for street planting. Sixty stumps were removed during the year.

The student work program with the Norfolk County Agricultural School in Walpole was continued with great success.

The Summer Youth Program was continued with the young men moving, painting and general maintenance.

REPORT OF PUBLIC WORKS DEPARTMENT

REPORT OF WATER OPERATIONS

REPORT OF WATER OPERATIONS

Seven service connections were made to supply new buildings. Nine services were laid from sideline of street to the buildings and four services were laid from main to sideline of street.

Five new hydrants were added to our system. The inspections, repairing, gating and painting of hydrants have been continued. Fourteen additional gates were added to the system.

Two hundred nineteen services were relaid during the year. This was sixty three per cent increase over 1973.

All the Metropolitan Water District Commission meetings were attended during the year.

This year the Board of Selectmen assigned Mr. Paul Williams, Plumbing Inspector, to work with our Water Operation. This has been a very successful undertaking as Mr. Williams experienced and know how enabled us to increase our production and quality of work completed.

New equipment purchased in 1974 was one (1) Case 680 C Back-hoe Loader.

CENTRAL MAINTENANCE GARAGE

The Central Maintenance Garage is in full swing. This is probably the busiest location in Town.

The Central Maintenance Garage is now serving over 120 Town Vehicles for servicing and repair. The preventative maintenance program is well underway and positive results are noticeable. Continued improvements such as storage capabilities, air outlets, hydraulic tools are being introduced. This facility becomes more important each day because of an increased work load and necessity to extend the service life of equipment. Down time has been reduced over the past year as the preventive maintenance program proves to be effective.

REPORT OF WATER OPERATIONS

IN MEMORIAM

John J. Casey

18 years Town Service

Patrick J. Minihan

26 years Town Service

OBJECTIVES

To continue with Water System Improvements.

To continue with Improved Drainage Program.

To continue to seek Federal Aid for Sewer Program.

To continue the Topics Program.

To continue to assist with equipment and personnel for all Town Projects.

To continue Stream Clearance Program.

To continue Program Budgeting and Accounting for Public Works.

CONCLUSION

I wish to take this opportunity to express my appreciation to all the Public Works Employees for their cooperation and assistance in compiling a very successful construction and maintenance year.

I wish to thank the Board of Selectmen, Executive Secretary and all Town Departments for their cooperation and assistance during 1974.

Respectfully submitted,

LAWRENCE W. DeCELLE, Jr.
Director of Public Works

ANNUAL REPORT OF THE TRUSTEES OF MILTON CEMETERY

January 8, 1975

To the Citizens of Milton:

The Board of Trustees of Milton Cemetery respectfully submit the following report for the year 1974.

There were 288 interments for the year. During the year there were 328 graves sold. These were assigned as follows: 3 eight grave lots, 12 six grave lots, 38 four grave lots and 80 single graves.

Our service charges were increased because of the rising cost of labor and materials. The amount of \$28,891.00 was added to the Perpetual Care Fund. The income from this fund, which is administered by the Town Treasurer, together with the revenue received for services, is used to reduce the cost to the Town for the maintenance of the Cemetery.

The relocation of the roadway entering the Cemetery from Gunhill Street has been started. The project should be completed in 1975. The relocation of this roadway will give better utilization of the land for grave space.

Vandals toppled 70 headstones one night. These stones and 30 more toppled at various other times during the year have all been righted by Cemetery personnel at a cost to the Town of \$25.00 for materials. Five old marble stones, that were broken, were epoxied together by a monument company at no cost to the Town.

Most of the street signs in the Cemetery have been stolen or broken during the last few years. They were replaced this year with heavier posts and standard street signs that were secured with bolts to discourage theft.

Several dozen trees were planted to enhance areas that did not have a sufficient number of trees present.

The Trustees wish to thank the other Departments for their cooperation and assistance whenever it was needed.

Respectfully submitted:

BOARD OF TRUSTEES

JOHN H. McCUE, Chairman

SPENCER FIELD, Secretary

HUGO W. SORGI

PAUL F. DOLAN

CHESTER V. VAPPI

REPORT OF FIRE DEPARTMENT

REPORT OF THE FIRE DEPARTMENT

January 2, 1975

To The Honorable Board of Selectmen

Gentlemen:

I herewith submit my report on the Fire Department for the year ending December 31, 1974:

ALARMS

During the year there was 1,489 alarms of fire received; 358 Bell alarms, 1,080 Still alarms and 51 Mutual Aid alarms.

ALARMS EACH MONTH

As of December 31, 1974 Firefighter Howard W. Ogden, who had been a member of the Department for twenty years retired. We extend our best wishes to him for every happiness.

On August 5, 1974, the new 1000 gallon triple combination Maxim pumper was received, said piece of apparatus to be known as Engine #2 and is a replacement of the old Engine #2 which was a 1943 Maxim pumper.

To the Board of Selectmen, Police Department, Auxiliary Fire Force members, various Department heads and their employees, the Officers and members of the Fire Department, I am most grateful for their loyalty and cooperation and I extend my sincere appreciation and thanks.

Respectfully submitted,

JOHN J. GRANT
Chief of Fire Department

Federal Revenue Sharing funds were used to acquire this new Fire Engine for the East Milton Station.

REPORT OF THE BOARD OF HEALTH

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Milton:

The Board of Health is pleased to submit its annual report for the year ending December 31, 1974.

ORGANIZATION

Virginia A. Gaffey, R.N., was elected to the Board for a three-year term in March, 1974. On March 5, 1974 the Board met and elected Miss Gaffey, Chairman, and Robert J. Kaler, Secretary. On December 7 Mr. Kaler resigned after eleven years service on the Board. At a joint meeting of the Board of Health and the Selectmen on December 12, Richard W. Renehan was appointed to fill the unexpired term. The Board appointed James F. Finneran as Agent to the Board; Alice A. Driscoll, Principal Clerk; Mary A. Fontana, R.N., Public Health Nurse; and John H. Gutteridge, D.V.M., as Inspector of Animals.

WELL CHILD CONFERENCE

The Well Child Conferences were held on the first Tuesday of each month in the clinic room of the Town Office Building. The clinics provided physical examinations and health appraisal of the infants and children and counseling for the parents. Immunizations against diptheria, tetanus, pertussis, measles and polio are provided and tine tests for detection of tuberculosis infection are administered.

SCHOOL HEALTH SERVICES

Physical examinations for pupils in the third, fifth, and eighth grades in parochial schools were provided. An amendment to the General Laws, Chapter 1197 of the Acts of 1973, requires that pupils in private schools be provided medical examinations at the individual request of a parent or guardian. These services were scheduled for third and fifth grade pupils at the Shaloh School and for eleventh grade students at Fontbonne Academy.

The Massachusetts Vision Test and the Pure Tone Audiometer Test for hearing were administered to all enrolled parochial school pupils.

Clinics held in public and parochial schools provided the following immunizations: Mumps, 116; diptheria and tetanus, 175; rubella, 111; measles, 44; and Sabin oral polio, 210.

The two-year dental health study conducted by the Forsyth Dental Health Center was completed at the Collicot School, the Cunningham Junior High School, and the Pierce School in April, 1974.

HOSPITALIZATION

During 1974 one patient was hospitalized at Norfolk County Hospital for fifty-four days. Tuberculosis casework in 1974 included two hospital admissions, two discharges, and nine contact referrals. A total of 37 home visits and 103 follow-up contacts of persons on chemotherapy or out-patient care were made.

Residents are tested for evidence of tuberculosis infection by the Public Health Nurse. An appointment can be made through the Board of Health office.

REPORT OF THE BOARD OF HEALTH

INSPECTION OF ANIMALS

A total of 146 dog bites were reported to the Board of Health in 1974. Animal bites other than dogs reported were one raccoon, one mouse, one snake, one horse, one mole, one monkey, one cat and two chipmunks. None showed any evidence of rabies. The Animal Inspector, John H. Gutteridge, D.V.M., examined 131 horses and 5 goats and inspected 22 stables.

ENVIRONMENTAL SANITATION

Thirteen permits to operate food service establishments were issued in 1974. Six permits for temporary food service operations were issued during the year. All food service establishments were inspected for compliance with the State Sanitary Code. Five establishments registered by the Board of Health to sell food at retail were inspected for compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with the General Laws.

Two permits for new individual sewage disposal systems and one permit for repair and alteration to an existing system were issued after inspection to determine compliance with the State Sanitary Code.

Licenses to deliver milk in the Town from vehicles were issued to twelve dealers. Twelve licenses were issued for sale of milk in retail stores. A license to manufacture carbonated non-alcoholic beverages, three licenses for the practice of massage and four permits for commercial stables were issued in accordance with the General Laws of the Commonwealth.

REFUSE COLLECTIONS AND DISPOSAL AREA

The refuse collection and sanitary landfill services were continued by the Charles B. Bosworth Co., Inc., of Milton. The three-year contract for these services will expire on June 30, 1975.

A new three-year contract with Stanley Roketenetz, Inc., of Woburn, Mass., was executed by the Board to commence on July 1, 1975. The new contract, subject to Town Meeting appropriation, will provide collection and sanitary landfill services until June 30, 1978 for the sum of \$781,591.20.

The Milton Environmental Committee continued to operate a recycling depot for paper, cans, glass and tires during the year. The collection of paper was suspended after November because of slackened business in the waste paper industry. The Committee plans to resume paper collection when the paper recycling business revives.

FINANCIAL SUMMARY

Appropriations to the Board of Health for 1974-75 fiscal year amounted to \$326,000. Income from various sources was as follows: Disposal Area: \$4,142; licenses and permits issued by the Board of Health: \$295; and sale of specifications: \$65.

Respectfully submitted,

Submitted

Drainage ditch construction	5,025 feet
Recorded calles for information and assistance	72

Respectfully submitted,

ALBERT W. HEUSER, Superintendent

REPORT OF THE WIRE DEPARTMENT

REPORT OF THE WIRE DEPARTMENT

January 14, 1975

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit my report of the Wire Department for the year ending December 31, 1974:

Permits were issued as follows:

January	18	1	17	\$ 76.00
February	19	3	16	119.75
March	28	3	25	162.50
April	26	0	26	80.50
May	49	4	45	195.50
June	34	2	32	160.00
July	40	3	37	225.50
August	26	2	24	139.00
September	21	0	21	72.00
October	27	5	22	217.75
November	19	0	19	72.50
December	22	0	22	67.25
	329	23	306	\$1,588.25

Fees received for the above permits amounting to One Thousand Five Hundred Eighty Dollars and Twenty Five Cents (\$1,588.25) have been collected and paid to the Town Treasurer.

Number of Certificates Issued	175
Total Horsepower Wired	328
Total Kilowatts Wired	1,368

FIRE AND POLICE ALARM SIGNALS

A new Master Fire Alarm Box and Auxiliary System was connected to the Municipal System at the following location:

612 China Trade Museum, 215 Adams Street

Fire Alarm Boxes at the following locations were replaced or repaired due to vandalism:

1314 Revere Street
132 Audubon Road
191 Curtis Road
19 Eliot Street

NEW CABLE INSTALLED

3800' of aerial and 350' of underground multi-conductor cable was replaced on Canton Avenue from Town Office Building to Whittier Road.

REPORT OF THE WIRE DEPARTMENT

2100' of underground cable was replaced on Adams Street from Libby Road to Centre Street.

The old rectifier and battery power supply for the Fire Alarm system has been replaced with a new transistor power supply system.

Repair and replacement work continues constantly to keep Fire and Police Alarm systems in good operating condition. Repairing and replacing wire and cable in poor condition due to age, storms, trees. Changing construction from old to new poles. Test, repair and paint all Fire and Police Boxes.

Electrical installations and repair work were done at the following Town Buildings:

Dept. Public Works Office Building, Central Maintenance Garage, Water Dept., Forestry Dept., Town Office Building, Thatcher Building and Fire Stations

TRAFFIC LIGHTS

The Traffic Signals at Edge Hill Road and Collicot School were updated with a complete new installation conforming with the State Code and Uniform Traffic Manual. The Traffic Signals at Reedsdale Road, Canton Avenue and Centre Street were also modified to allow improved traffic flow in all directions. These projects were completed under a State Safety Program which reimburses the Town 100%.

Traffic Signals repaired or replaced due to accidents at the following locations:

Brook Road and Randolph Avenue	(3 times)
Adams Street and Brook Road	(2 times)
Brook Road and Standish Road	(2 times)
Randolph Avenue and Centre Street	
Granite Avenue and Wood Street	
Blue Hill Avenue and Brush Hill Road	(Fire Pedestal)

All Traffic Signals were relamped and cleaned and the controllers were cleaned, oiled and repaired as necessary.

I wish to thank the Board of Selectmen and all the Town Departments for their co-operation and assistance during the past year. My thanks to the members of the Wire Department for their continued excellent work.

Respectfully submitted,

LEWIS E. PARK
INSPECTOR OF WIRES

Respectfully submitted,

PAUL D. WILLIAMS
Sealer of Weights and Measures

REPORT OF FENCE VIEWERS

REPORT OF THE FENCE VIEWERS

January 6, 1975

To the Honorable Board of Selectmen:

On July 11, 1974 your Board appointed the first woman Fence Viewer in the Town of Milton, namely, Teresa Shaughnessy.

Miss Shaughnessy, a Town employee for 43 years, retired as Town Clerk on August 31, 1970.

The other member of the Board of Fence Viewers, former Selectman Samuel G. Craig, died on August 20, 1974, leaving a vacancy to be filled by your Board.

I have had a few informal requests for information which I have disposed of by contacting the Building Commissioner.

Respectfully submitted,

TERESA SHAUGHNESSY
Fence Viewer

September 29, 1974 - Milton Women's Club float depicting Mary Phillips Webster at the First Celebration of the Suffolk Resolves in 1899.

PARK DEPARTMENT ANNUAL REPORT

PARK DEPARTMENT ANNUAL REPORT

To The Citizens of Milton:

The following is the Annual Report of the Board of Park Commissioners for the year ending 1974.

Mr. Philip E. Casey was re-elected to a three year term on March 3, 1974, and the Commission was organized with Philip E. Casey, as Chairman, John S. Shields as Secretary, and John T. Landry as the third member.

The Park and Recreation Department introduced some new programs this year which were very successful, one being girls basketball; gymnastics program for elementary school children; Run for Fun program; and a gymnastics camp for four weeks during the summer. Other programs offered by the Department were as follows:

Basketball	Baton Twirling
Street Hockey	Karate
Ballet	Women's Slimnastics
Acrobatic Dancing	Girl's Softball
Volley Ball	Men's Physical Fitness
Men's Softball	

The Park Department's Ski Program conducted at the Blue Hill Ski Area, continued to be an attractive program as over 400 persons registered. Fishing at Turner's Pond continues to be a big attraction with many, both young and old. The Fishing Derby, co-sponsored with the Unquity Sportsmen's Club, held each year, draws many active fishermen.

The Milton Park and Recreation Department's Exceptional Children's Program, conducted weekly during the summer months and on Saturdays during the winter months continues to be the finest in the Commonwealth.

The Fourth of July celebration was conducted this year by the Park and Recreation Department, held at Cunningham Park and Pierce Field, consisting of races, prizes and refreshments. The Milton Post #114 along with many volunteers assisted the Park Department.

The Park and Recreation Department joined in the Bicentennial Celebration by having floats by both the Park and the Recreation. Also joining the celebration, was a group from the Baton Twirling Program.

The major projects completed by the Park Department in 1974, were as follows:

- Resurfaced four (4) tennis courts at Kelly Field
- Resurfaced two (2) basketball courts at Kelly Field
- Installed curbing around the Flag Pole at Turner's Pond
- Rebuilt regulation diamond and softball diamond at Kelly Field
- Rebuilt diamond at Lamb Field
- Built basketball court behind the Town Office Building
- Cleared brush around Turner's Pond for foot path.

The Board of Park Commissioners would like to mention here that vandalism is still a serious problem and that problems in the Parks seem to become greater every year.

The Park and Recreation Department has been working very closely with Mr. Ted Pina, Town Youth Coordinator, relative to youth activities in the Town.

PARK DEPARTMENT ANNUAL REPORT

The Department also handles miscellaneous requests from Little League Baseball and Legion Baseball and Babe Ruth.

The Board of Park Commissioners at this time, would like to thank the Department's dedicated employees who have done such a good job and also to all the Town Departments, Boards and Commissions, who have helped and assisted the Park Department this past year.

Respectfully submitted,

PHILIP E. CASEY, Chairman
JOHN S. SHIELDS, Secretary
JOHN T. LANDRY

Total	383

Many of the officers attended various classes which will help them to be better police officers and, thus, better serve the citizens of Milton.

On August 30, 1974 Deputy Chief Thomas F. Doyle retired after 36 years of dedicated service to the Town of Milton. Deputy Doyle also headed up the Town's Auxiliary Police Force for many years.

The new Auxiliary Police Director is Lt. David E. MacDonald who has served with this department since 1960. Under Lt. MacDonald's direction the Auxiliary Police will continue to provide assistance on holiday weekends as well as patrolling school buildings to prevent vandalism.

The Department was saddened by the deaths of two of our retired officers. John A. Chamberlain, a Milton Police Officer for 33 years, died on October 23, 1974. Vincent G. Mason, a Milton Police Officer for 19 years, died on November 18, 1974.

We have occupied the new police station for over a year and are very proud of the way in which our two part-time custodians, John Regan and Paul J. Casey, maintain the building.

The morale of the Department continues to be good and the members are to be commended for their devotion to duty.

REPORT OF POLICE DEPARTMENT

To the officers and men of this Department I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, the Justices, Clerks and Probation Officers of the Courts and the officials and employees of other Town Departments who have assisted us during the year.

Respectfully submitted,

JOHN E. WHEARTY
Chief of Police

REPORT OF TRAFFIC COMMISSION
REPORT OF TRAFFIC COMMISSION

January 21, 1975

The Honorable Board of Selectmen
Town Office Building
Milton, Massachusetts

Gentlemen:

I herewith submit the annual report of the Town Traffic Commission:

The following are members of the Traffic Commission:

Chief John E. Whearty, Police Department, Chairman
Chief John J. Grant, Fire Department
Lawrence W. DeCelle, Jr., Town Engineer
Albert Zaniboni, Highway Department, Superintendent
William A. Creighton, Administrative Assistant, School Department
Lewis E. Park, Superintendent of the Wire Department, attended the meetings as an advisor

Seven meetings were held during the year. They were properly posted by the Town Clerk as required by law.

The following requests from various town departments and citizens were acted upon:

8 Requests for One-Way Streets

Two were recommended

Two were not recommended

On four requests no decision was made pending traffic studies.

2 Requests for Installation of Stop Signs

One was recommended

One was referred to the Engineering Department for a traffic study.

2 Requests for Commercial Vehicles to be Excluded

One was recommended

One was referred to the Engineering Department for a traffic study.

One request for installation of a "Bicyclist" sign was not recommended.

One request for a "Dead End" street was recommended.

Two requests for "Watch Children" signs were recommended.

A request for the reduction of the 30 M.P.H. signs on Squantum Street was not recommended.

It was decided that the Engineering Department should make a comprehensive study in regard to stop signs at Indian Springs, Whittier Road, etc.

It was recommended that a further study be made in regard to live truck parking on Eliot Street at Hendries.

REPORT OF TRAFFIC COMMISSION

At the request of the Board of Appeals a special meeting was held to discuss the best traffic pattern for entering and exiting from the Hoover Motors property should a variance be granted to Mr. DeWolfe. The Commission unanimously decided that the best traffic pattern would be to have the entrance from Libby Road at a distance of 125 to 150 feet from Adams Street (opposite the property owned by the Archdiocese of Boston) and the exit should be opposite the pumping station (opposite property owned by the Town of Milton).

Respectfully submitted,

JOHN E. WHEARTY, Chairman

BOARD OF RETIREMENT

REPORT OF CONSERVATION COMMISSION

REPORT OF CONSERVATION COMMISSION

To the Board of Selectmen:

The scope of the Conservation Commission's work expands each year and we become more involved in matters of the environment. As a result we find it necessary to seek advice from outside sources to satisfy our concern and questions. Fortunately we have been able to rely on our other Town boards and staff to supply this guidance, and their help is much appreciated.

Under the able leadership of Chairman Andrew Cox our commission has dealt with numerous conservation tasks and issues. In October after six years of chairmanship Mr. Cox resigned that position, and we elected Robert C. Oldfield as chairman. During the year we met formally eleven times besides going on various field trips.

We held one wetland hearing under the Wetlands Protection Act (Chapter 131 Section 40) involving 56 acres of wetland on the site of the new Wollaston Golf Course. There has been much interest by the Town over this 152-acre golf course. This hearing was held in March and we issued an order of conditions on the proposed development of the affected wetland. Since then we have followed the progress of the course by first-hand inspection and through the Engineering Department.

"Gosh, I'm sorry. I could have sworn this area was all wetlands last year."

REPORT OF CONSERVATION COMMISSION

This Commission has also attended various hearings at the State House on conservation issues as well as numerous meetings on the revisions of the Wetlands Protection Act. We have submitted suggestions on the proposed M.D.C. improvements on the Neponset River Reservation. We are in favor of a greenbelt around the Town along with a proposed bikepath. A close review of the Town's Master Plan with relation to land use and planning has also been a part of our meetings. We are still conferring with the Camping Association of Roslindale and Milton about the possible acquisition of a 28-acre parcel of land adjoining the Town Disposal Road.

We have all attended a great many outside meetings, on land use and wetland protection predominately. The accompanying picture from the New Yorker poignantly illustrates what is constantly confronting all conservation commissions and is one of their major concerns.

Shortly you will be receiving a booklet published by this Commission describing its functions and goals. A great deal of effort has been expended on this throughout the year and we hope that you will find it informative and helpful. Through this booklet and our weekly newspaper column "Conservationally Speaking . . ." and this Commission's activities we trust that the Townspeople will be reminded of the constant need of environmental concern.

Respectfully submitted,

ROBERT C. OLDFIELD, Chairman

ANN M. WALSH

REPORT OF ASSESSORS OF TAXES

REPORT OF ASSESSORS OF TAXES

January 12, 1975

To the Citizens of the Town of Milton:

The Board of Assessors is pleased to submit its report for the fiscal period July 1, 1974 to June 30, 1975.

At the annual Town Meeting of March 2, 1974, Daniel E. Duggan, Jr. was re-elected for a three year term. The Board organized as follows:

M. Joseph Manning – Chairman
Thomas S. Gunning, Jr. – Secretary
Daniel E. Duggan, Jr.

The Following administrative appointments were made:

Miss Ruth A. Dodd – Administrative Assistant
Mrs. Betty L. Myers – Secretary
Mrs. Elizabeth M. Mellen – Senior Account Clerk

As a result of the new fiscal year cycle, the Board set a tax rate of \$71.00 per one thousand valuation to cover the cost of governmental expenses for the period January 1, 1974 to June 30, 1974.

Many changes administratively came as a result of the change over to the new fiscal year cycle. Our staff adjusted to these changes in a most orderly manner.

On December 24, 1974 a decision of the Massachusetts Supreme Judicial Court was handed down to insure that all cities and towns apply the required standards of uniformity and full value assessment. As this is an important landmark decision in local property tax administration, the Board is presently studying in detail all avenues of approach to comply with the decision.

The Board wishes to thank those Departments that cooperated with us during the past eighteen months. To Town Counsel Robert D. O’Leary goes our sincere appreciation for his assistance.

A detailed statement of Receipts and Expenses for the period follows:

EXPENSES FOR 1975 FISCAL YEAR

ESTIMATED STATE & COUNTY ASSESSMENTS
(Commissioner’s Estimates)

REPORT OF THE PLANNING BOARD

REPORT OF THE PLANNING BOARD

January 30, 1975

At the organizational meeting of the Planning Board held on March 7, 1974, C. Mitchell Draper, Jr., was elected Chairman and Patrick H. Donahue was elected Secretary of the Planning Board, as well as the Planning Board member of the Conservation Commission. During the year the Board lost as a member, T. Frank Garvey, due to his untimely death. His dedicated service to the Planning Board will long be remembered. Dr. J. William Dolan was appointed at a joint meeting of the Board of Selectmen and the Planning Board to serve in Mr. Garvey's place until the March 1975 Town elections.

Regular meetings of the Planning Board were scheduled for Thursday's throughout the year and Tuesday's for most of the year. During calendar year 1974, the Board held fifty-five regular meetings and hearings. The Board's activities during the first part of the year were concentrated in the area of review and up-date of the Master Plan of the Town. When the construction season started, it became increasingly apparent that inflation and other economic conditions were causing problems in connection with completion of sub-divisions. These problems demanded and occupied the Board's attention increasingly as the year progressed.

The Board has noted in previous reports the decline in activity of single-family residence development. The decline continued in 1974, due in part to the high cost of land, financing, labor, and building materials. This respite in activity has proved fortunate for the Town, as it has allowed time to deal with sub-division problems and land use questions.

This year the Board received from the State, what the Board considers to be a preliminary draft of the revised Master Plan, which outlines some of the land use alternatives available to the Town.

During the year our Town Planner, Roger Nicholas, left the Town's employ. The Board is at this writing still seeking a qualified replacement. The absence of a Town Planner has handicapped the Board in its attempt to deal with Planning concepts on a locally-oriented basis. Completion of the Master Plan will involve further public hearings at which the Planning Board's preliminary thoughts regarding the Master Plan revision will be discussed and further citizen input obtained. When the Master Plan has been finalized, any changes necessary in the zoning bylaws to implement the Master Plan will, of course, be effected only after public hearings have been held on each specific proposal and a Town meeting approves the change by a two-thirds majority vote.

The Board wishes to thank the various Town officials, departments, and committees for their help and assistance throughout the year. The long-time secretary to the Planning Board, Mrs. Howard Fitzpatrick was ill during much of 1974. Her capable services were missed. To Lawrence W. DeCelle, Jr., Town Engineer, and his staff for their work on the Board's behalf, our thanks for their continued support.

Respectfully submitted,

REPORT OF VETERANS' SERVICES DEPARTMENT
REPORT OF VETERANS' SERVICES DEPARTMENT

January 14, 1975

Board of Selectmen
Town Office Building
Milton, MA 02186

Gentlemen:

As Director of Veterans Services and Veterans Agent, I am pleased to submit my report for the year ending December 31, 1974.

Claims initiated through the Veterans Administration for compensation and pension amounted to \$14,560.00 in new revenue for certain Milton residents during 1973. Additionally, eighty-one claims for educational financial assistance, post discharge dental treatment, Veterans Administration Hospital admissions and Massachusetts State Bonuses were processed, thereby providing an undetermined amount of educational and medical assistance.

The continued application of federally funded programs is reflected by substantial savings to the Town.

Respectfully submitted,

John F. Ryan, Jr.
Director

REPORT OF THE TRUSTEES OF THE
MILTON PUBLIC LIBRARY

REPORT OF THE TRUSTEES OF THE
MILTON PUBLIC LIBRARY

January 14, 1975

To the Citizens of Milton:

This has been a year of "firsts" for the Board of Trustees of the Milton Public Library. In March 1974 the Trustees, for the first time in the history of the Milton Public Library, elected a woman as Chairman of the Board of Trustees. Mrs. John G. Molloy was chosen to succeed Mr. C. Rodgers Burgin. For the first time also the Milton Public Library has a Trustee Emeritus. In March 1974 Mr. Burgin was elected the first Trustee Emeritus of the Milton Public Library in its history of over a hundred years of service to the Town of Milton. Mr. Burgin well deserves this recognition. He was first elected a Trustee in 1944. He was elected Chairman of the Board ten years later – in 1954 – a position he filled for twenty years until his retirement in March 1974 – thirty years of service to the Milton Public Library. The Trustees feel honored to have been guided by this brilliant man. His broad cultural knowledge and keen business experience coupled with his genial manner made him the ideal Chairman of the Board of Trustees. We are indeed grateful that as Trustee Emeritus he will bring all of these qualifications to the Board for years to come.

We would like to pay tribute to another valued Trustee who retired in March 1974 – Mrs. Charles F. Morse, Jr., who has served the Library well since her election in March 1957 at which time she was also elected Secretary, a position she ably filled until her retirement in March. Mrs. Morse was truly devoted to the Library. She brought with her a fine cultural background and a pleasing personality. She gave freely of her time, attending various Library organization meetings. We were indeed fortunate to have such a dedicated person as Mrs. Morse. She will be sorely missed.

It is our pleasure to extend a welcome to our two new Trustees, Mr. James M. Kickham and Mr. James M. Russell both of whom were elected to the Board in March 1974. Since their election they have shown great interest in our problems. They have certainly proved their worth. We are delighted to have them as members of the Board of Library Trustees.

The energy crisis created troubles with our heating problems at the Central Library. Suddenly everyone was cold. We made a thorough study of the heat situation. We received a great deal of advice, and held many consultations. Finally without revamping the entire system we made the necessary changes. We had chimneys and ducts cleaned. Controls have been repaired or replaced and will be calibrated correctly. One burner has been replaced and will now be more efficient. We had a little carpentry work done and added some cabinet heaters. Now we have plenty of heat, and we hope to consume less fuel. Granted, the system is old, but as things wear out they can be replaced. We feel that our heating system is basically in good shape and that it was all done as economically as possible. It was very time consuming, but we do feel a certain sense of satisfaction in a job well done.

At this point it is well to mention that the Board of Trustees of the Milton Public Library are empowered by State Law to have full charge of the Library Buildings and Grounds. Given a conscientious Board, such as we have, it stands to reason the best decisions will be made for the library. Anything that goes wrong in regard to these decisions will reflect on the Board of Trustees personally. With our election we assumed this responsibility.

The decorating of our Art Gallery on the second floor of the Central Library is finally completed. Shades have been installed over the skylight so that films may be shown during the day. Our new wall-to-wall carpet adds a feeling of warmth to the room. The

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

painting is finished and new chairs will complete the picture. All this has been accomplished with money from the Kidder Fund. It provides the ideal room for small meetings, films, and for exhibiting arts and crafts – a delightful and beautiful room for the use of the people of Milton. The Kidder Fund also provided the money used for an excellent alarm system at Central Library to alert the police in case of trouble.

We have other Funds from other generous people which you will find listed in our Treasurer's Report, but we are also fortunate to receive gifts and acts of kindness each year from people interested in helping the Library. Gifts of money are of course always welcome and we are indeed grateful to several very generous individuals as well as the Milton Woman's Club and the Milton Woman's Evening Division. The Milton Garden Club still brightens our Main desk with beautiful and unusual flower arrangements and the Milton Junior Woman's Club continues to conduct a very popular and well organized Spring and Fall "Library School" for the pre-schoolers in Central and the Branches. This is an outstanding accomplishment on the part of our Junior Women. We wish to thank these patrons of the Library.

Mrs. Finizio and Mrs. Molloy attended the Massachusetts Library Trustee Association meeting on November 2, 1974. It was an all day meeting which proved very informative because we met with Library Trustees from all over the State. In the afternoon group discussions were held on various pertinent subjects to help Trustees. We heard other Trustees discuss problems very similar to our own and we found their solutions very interesting.

In conclusion the Trustees would like to express our appreciation to our excellent staff and especially to our Head Librarian, Miss Marjorie Shaw, for maintaining such a high quality of service in our Library year after year. It is their devotion and loyalty that gives us our excellent Milton Public Library.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

To the Board of Trustees of the Milton Public Library I have the honor of presenting the annual report for the year ending December 31, 1974. This is the one hundred and third annual report.

Once again it is time to evaluate our Library services to the Town of Milton. 1974 has not been an easy nor satisfying year to try to give good services, and certainly not a year to branch out with services that are being offered by other libraries. We have tried very hard to keep expenses down, and services cost money.

BUILDINGS AND THEIR UPKEEP

All three buildings are now in good condition. We must see they are kept that way. It is poor policy to let repairs and upkeep be postponed, since they will only cost more in the end. Recently the foyer and the Art Gallery at Central have been repainted. This completes the six-year project of the renovation of the Art Gallery. Now we have a fine room that is ready for group meetings. Already townspeople have expressed their appreciation of such a convenient room available at no cost during Library hours. Later the Library hopes to invite various groups to hold program meetings here, and enjoy films and/or slides available from the Eastern Regional Interlibrary Loan Office without cost.

To relieve crowded stack conditions at all three buildings new book shelves were added to the branch libraries, and new metal stacks were put on the second and third floors of the Central stacks. Before moving books at Central we are weeding worn out, outdated, and duplicate books.

The branch libraries are now equipped with much-needed air conditioning. Unfortunately the cost of doing Central Library would be prohibitive.

INFLATION AND THE BOOK BUDGET

Since books are our stock-in-trade we are appalled at the rapid rise in book and periodical prices. Because of this increase the book budget has taken at least a 10% cut. We shall now be buying fewer copies of books (the branches will have to borrow from Central), fewer periodical subscriptions, more paperbacks where feasible, and book reviews will be even more carefully scrutinized to separate the chaff from the worthwhile.

It is especially in connection with our book budget that we are so grateful for monetary gifts from our good friends. A recent order for large-print books was paid for out of a Christmas check from a generous friend.

BOOK SELECTION PROBLEMS

In the past various wholesalers have issued monthly check lists of new books. We used these constantly for buying purposes, but in interest of economy these have been discontinued; and we are left to make up our own lists from publishers' catalogs and a dozen or so review sources. This is time-consuming and costly for the Library. Five or six of the Staff sit down every month to discuss what should be ordered. This is not only a democratic way of ordering, but it also insures covering many fields of interest. Branch librarians order for their own clientele. Reference books are usually suggested by the Reference Librarian. Requests of patrons are also carefully considered.

After the orders are mailed to wholesalers we meet another frustration. Because of paper shortages and printing costs the publishers are cutting down to one printing until there are large enough demands to warrant a second one. Patrons cannot understand why we do not have widely advertised books, but this is the reason. We have a back-log of eight to ten months in some instances.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

INFLATION AND ENERGY CONSERVATION VS. LIBRARY SERVICES

It is an accepted fact among librarians that recessions and depressions send people out to their libraries. There is always a decided upturn in library usage. Patrons cannot afford to buy their own books, magazines, and records, so they turn to the library for their reading, information, and recreation. Already our circulation is showing this increase, and the Reading Rooms are well-filled. Patrons cannot afford to go in town to concerts, theatres, movies, etc. (not to mention dangers of going out nights) so they depend on their libraries more. The question is: Will we be able to handle these increased demands on an already cut budget and smaller staff?

The number of hours the Milton Library is open is set by the Massachusetts Board of Library Commissioners. A library of our size must be open a certain number of hours encompassing morning, afternoon and evening time in order to qualify for State Aid (\$10,196 in our case).

This last winter we were asked by Town officials to close some hours to conserve heat and light. Since this was an emergency we unwillingly acceded. As expected, a storm of protest arose, and just as soon as possible the Trustees voted to return to our old schedules. This winter, in view of the increased use of our services, we feel we cannot jeopardize our State Aid nor our goodwill by cutting our business hours.

THE NEWSPAPER COLUMN

Except for hours of work put in by four Staff members this service costs us nothing. We are indebted to the *Milton Record Transcript* for the privilege of having space to publicize Library problems, services, and new books. The column has been well received by many patrons. They feel authorship by various Staff members has made for readability and diversity. We also welcome suggestions for the column. In fact we have profited from several of these. Now we are thinking of inviting a guest author occasionally to vary the perspective on subjects discussed.

OUR LIBRARY PAGES

It is time we paid tribute to our loyal group of Pages. Our high school and college girls are a most important part of the Library scheme. They help at the circulation desks, put books away in the stacks, keep the shelves neat and in order, and during the summer they help in many ways while the regular Staff is on vacation. These Pages are willing workers, efficient, cooperative, and a joy to have working with us. We are not discriminating against the young men, but we do not have applicants. Anybody interested?

This past year library pages were put on the minimum wage scale by order of the Federal Government. We did not have the money for this increase allotted in our budget, but we managed, with the help of the Personnel Board. For the 1975-'76 budget we have tried to ease the load by not filling two Page vacancies, one winter and one summer one. This means Staff members must help out in the Children's Room and scheduled hours on the Circulation Desk at Central. Of course then our own work piles up and has to be pigeonholed.

JUVENILE DEPARTMENTS

Preschool youngsters again are having a gala time at the "Library Schools" provided by the Junior Woman's Club volunteers. Stories, games, and crafts provide plenty of fun and chances for adjustment to getting along with others. We are very grateful for all these ladies do to provide such a good image for later Library usage. Materials for the use of the classes are provided from our N.T. Kidder Fund.

This past year Central Library has been trying to have juvenile book-oriented film programs on Saturday mornings, but this has not proved a success. Attendance has not warranted continuing the programs in 1975.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

Again a summer craft program was carried on most efficiently by two of the Library Pages. Everyone involved had a wonderful time, and a final exhibit showed the skill of both participants and teachers.

HOSPITAL SERVICE

One of our own Staff takes care of library service to patients at Milton Hospital. This is done on a voluntary basis on her own time. The Library tries to buy books of popular interest for the Hospital Collection. There is so little good entertaining fiction these days that we feel apologetic about our sparse offering in that category. Books have to be carefully screened for weight, size of print, and general acceptability. This limits the choice.

THE LIBRARY AND THE HISTORICAL SOCIETY

Both the Library's historical collection of books and clippings and the papers stored here belonging to the Historical Society have been extensively used for research on Bicentennial matters this year. Both collections are cataloged, making it easy to find needed reference materials.

The Library was the proud repository for two months for the famous Bicentennial quilt made by the ladies of the town. It hung in the Reference Room where many visitors enjoyed looking at the representations of historical events, Milton buildings, and flora and fauna connected with Milton past and present.

LOOKING AHEAD

We cannot predict anything startling or new for Library services in 1975. We have cut the budget all we can and still stay in business.

We hope to have an open house for adults on April 19th when townspeople can visit their libraries and see what makes them tick. Movies will be shown at Central several times during the day, and refreshments will be served. Save the date!

In regard to the old question of shut-in and invalid services — we have not given up planning for a Bookmobile to deliver books to these people, but now is not the time to inaugurate this project. However, we can promise that 1975 will see the beginning of a delivery service on some voluntary basis. More specifics later.

WITH THANKS

To a Board of Trustees who have worked hard this year getting an adequate heating system into Central Library. 1974 was a long cold winter in the Library. Some days the temperature hovered from 61° to 65° in the Reading Rooms and Work Rooms, and we were miserable. The heaters are still not entirely adjusted, but there is a vast improvement. There are even some days we are too hot!

To a loyal, hardworking Staff who have kept their sense of humor and a sense of duty to our patrons in the face of many difficulties.

To members of the Garden Clubs of Milton who have made us bright and cheerful with plants and flowers. They have helped so much to cheer everyone up.

To members of the Milton Art Association who have provided us with an ever-changing Painting-of-the-Month on display in Central Reading Room.

To those who have shown their pictures and crafts in our Art Gallery. These exhibits are much appreciated by our patrons.

ANNUAL REPORT OF THE MILTON PUBLIC LIBRARY

To our friends whose gifts have provided us with microfilmed periodicals, cassette players and cassettes for the Children's Room, new framed prints (this year with a Bicentennial motif) film strips, and Viewmaster films.

Respectfully submitted

REPORT OF THE LIBRARY TREASURER

January, 1975

To the Trustees of Milton Public Library:

The funds in the care of the Trustees were invested as summarized in the following tables of December 31, 1974.

	Book Value	Income for 1974
Common Stock	\$12,704.77	\$1,905.84
U.S. Treasury Bonds	4,780.00	261.84
Railroad Bonds	2,000.00	0
Savings Bank Deposit	20,200.96	838.78
	\$39,885.73	\$3,006.46

Two statements pertaining to funds in our control are appended as part of this report.

- (a) A list of the various funds by name and the investments in each.
- (b) A statement of the total investment income for 1974 and the disbursements from that income.

The library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund which is in the custody of a Boston Bank with the income therefrom remitted quarterly to the Town Treasurer.

The Oakland Hall Fund in the care of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. In 1974 we spent from that income as follows:

OAKLAND HALL FUND

Books \$ 290.95

KIDDER FUND

Books \$1,886.72
Microfilm 59.96
Bond 13.00
Storage of films 25.00
Milton Jr. Woman's Club
(Supplies for pre-school library school) 150.26
Book Return 142.41
Refrigerator for Staff Room 218.88
Radiator cover — Art Room 100.00
Lights exhibit cases 579.80
Black Shade 85.12
Carpeting 670.00
Alarm system 1,779.14
Conference table 365.00

Wheel barrow	39.99
Floor lectern	144.20
Peg board	11.20
	\$6,270.68

We wish to thank those individuals and groups who continued their generosity to the Library during 1974. By reason of their support, the Library was able to purchase equipment and books which added greatly to the service we were able to render our patrons.

The Audio Visual Corner of the Children's Room at the Central Library.

REPORT OF CIVIL DEFENSE

OFFICE OF CIVIL DEFENSE

December 31, 1974

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

The report of the Civil Defense Organization for the year ending December 31, 1974 is as follows:

AUXILIARY FIRE DIVISION

This group has not been too active during the year but with some reorganizing we hope to have a good active Auxiliary Unit ready to help the regulars when needed. We have enrolled five new members and will uniform them when funds become available in July, 1975.

AUXILIARY POLICE DIVISION

We, of the Auxiliary Police, were very sorry to lose Deputy Chief Thomas Doyle who was our Officer-in-Charge from the regular Police Department since 1962.

He trained our men in the laws and regulations pertaining to Police work and gave freely of his time every third Thursday of the month to hold evening classes.

Several of our Auxiliary Police have, during his time as Commander, now joined the regular Milton Police force.

His retirement as Deputy Chief of the Milton Police Department was well earned and a loss to the Town.

We are now most fortunate to have as his successor, Lt. David E. Macdonald who is doing a great deal to keep our Auxiliaries active and well informed as to the changes in laws and statutes. He has enrolled eight new man into the group to replace some that have either retired or died.

During 1974 our Auxiliary Police have given over 4,000 hours of patrol duty at no cost to the Town checking on schools and other public buildings every night of the week to prevent vandalism. They also have participated in many parades and were used during Bi-Centennial activities for crowd control and traffic duty. Many thanks to them.

COMMUNICATION DIVISION

Our Emergency Operations Center (EOC) situated in the basement of our new Police Station is progressing as rapidly as possible with the limited amount of funds that I am allocated. We have been able to purchase four new radios to be used in times of disaster and we have two more in our upcoming budget. All of these radios have (or will be) been paid for with a fifty percent Federal share.

When our EOC is complete, we will have the most up-to-date Communications of any EOC in the Commonwealth of Massachusetts.

To your Honorable Board and all of the personnel of the various Town Departments, my thanks for their kind assistance.

Respectfully submitted,

Arthur Southall
Director of Civil Defense

REPORT OF CIVIL DEFENSE

The Board of Selectmen accepts a federal grant check from Civil Defense Officials reimbursing the Town for a part of the Police Station capital cost.

REPORT OF THE YOUTH DEPARTMENT

REPORT OF THE YOUTH DEPARTMENT

To The Honorable Board of Selectmen:

Gentlemen:

We hereby submit our annual report for the year ending December 31, 1974.

The Youth Department used 1974 as the beginning of its second phase stage in a three phase program of dealing with Milton youth. The first stage in a three phase program of dealing with Milton youth. The first phase having been assessment of problems and needs, the second phase being the implementation of test programs to meet these needs, and the third phase of having these programs maintained and carried on by other organizations and institutions already in the community.

During the past year the Department of Mental Health on the state level, found that the Milton Youth Program was one of the few town operated youth programs that was worthy of a "citation of excellence". Our Youth Center program was found to meet the criteria established by the state as meeting the needs of youth in a comprehensive setting. We have been used this pas year as a model for other communities who desire to establish working youth programs.

This past year also saw an increase participation by young people in many of the programs conducted by the Youth Office, most notably in the Youth Center Program, the Arts & Crafts Programs, the Adult Education Programs, and the Rent-A-Kid Program.

Below is a brief outline of the various programs being conducted by the Youth Office. A detailed report on all these programs is available at the Office of the Executive Secretary.

1. Participation in various programs reflect an increase:

	1973	1974
a. Youth Center	4,910	16,785
b. Summer Coffee House	8,000	7,050
c. Hotline calls	500	541
d. Job Bank Referrals	353	418
e. Counseling Intakes (formal)	68	55
f. Family education	75	148
g. Createens	200	107 (offered on session rath than 2)
h. Evening vocational Ed.	not offered	180
i. Other	162	200

2. Descriptive Outline of various programs:

- a. Drop-in Youth Center. The center provides recreational games, workshops, record-hops and dances (especially for Jr. High age youth), informal rap groups, informal counseling for young people, and formal counseling for both parents and youth. This program was cited by the state in 1974 as one of the 3 top youth centers across the state. The attendance of over 16,000 testifies to that. The center certainly hasn't been without its share of headaches. Any program that deals with that number of young people on a continual basis has difficult moments. Yet we view the overall program as a success and our goals and objectives met.

REPORT OF THE YOUTH DEPARTMENT

- b. Lifeline (Hotline), Inc. went through a major change in July. The Milton phone was moved to the Hotline trailer in Quincy at the Survival Hotline Center. With Survival Hotline operating its hotline 24 hours a day with over 30 volunteers and a paid director, it was decided that the Milton volunteer staff would benefit by working directly with Survival rather than having over 70% of the Lifline coverage being by an answering service. The result has been an increase in Milton calls and the cutting of operating cost in half.
- c. Family Life & Education: Through close planning with the Family Association of Greater Boston, Quincy Office, our parent education program has expanded to reach many more parents. We have the full cooperation of the School Department with parents groups covering both elementary school issues and issues on the secondary level. These six week courses cover a multitude of topics from family communication to limit setting and discipline, drugs and alcohol to problem solving.
- d. Summer Coffee House 1974 found most of its participants being of Jr. High Age. Losing the older teen-ager accounts for the 12% drop in attendance during the 10 week period. The program consisted of Saturday dances to live bands, workshops, and a variety of recreational programs three nights a week during the summer.
- e. Job Referrals: Jobs have been hard to come by during the past year. This has been especially true for young people looking for needed jobs. The Youth Office has continued to explore all avenues of finding young people job opportunities. Nearly 200 Milton youth are now enrolled in the Rent-A-Kid program. Through this approach 418 job referrals were handled (12 full time and 406 part time). In the federally funded N.Y.C. program 13 Milton teen-agers have found employment in various town departments.
- f. With the addition of the 55 formal counseling intakes during 1974, the total of serious cases handled by this office since August 1971 has reached 217. Family involvement is stressed in the great majority of these cases. This attitude is reflected by the program offered by the Family Association of Greater Boston Quincy Office. One morning a week a Family Services case worker works out of the Youth Office seeing families in need of the service.

3. Continued Financial Support from the State Funding.

As a town operated youth program, the Milton Youth Office has been one of the few programs to continue receiving state funding on a major level. Understanding the great burden facing local tax payers, this office will continue to use its energies to find sources of funding in addition to the needed local town funds in operating a quality, comprehensive youth program. The following state funds were received during 1974.

		1973 funding level	1974 request	1974 funding level
1.	Depart. of Mental Health	\$ 6,400	\$ 8,900	\$ 7,500
2.	Off. for Children	\$10,800	\$10,800	\$ 3,000
3.	Depart. Mental Health (Special projects)	none	\$ 3,440	\$ 3,440
	Totals	\$17,200	\$23,140	\$13,940

REPORT OF THE YOUTH DEPARTMENT

One of the exciting results of 1974 state funding has been the setting up of evening alternative vocational education programs around the town. Some 180 Milton teen-agers are actively involved in auto-mechanic courses (held at Lawrence Pontiacs, Foster's Shell Station, Mario's Citgo, and Central Avenue Getty Station), plumbing, carpentry, modeling and the World of Business. This is an example of a meaningful alternative to hanging which the Youth Office has turned its attention to.

4. The Youth Office has also put its energies into the area of alcohol education. Through the efforts of the Youth Office staff, a community meeting was held in late November to explore the problem of teen-age drinking. The creation of an Alcohol Task Force was the result of this meeting. Hopefully, 1975 will see the introduction of a comprehensive alcohol education program for the entire community.

Finally, as we enter 1975 it is hoped that the citizens of Milton will join with us, not only in an attempt to find solutions to the problems that trouble all of us, but also in providing Milton youth with a health atmosphere for personal growth and good citizenship.

Respectfully submitted,

Milton Youth Committee

Milton Youth Coordinator
Theodore S. Pina

REPORT OF DOG CONTROL UNIT
REPORT OF DOG CONTROL UNIT

January 9, 1975

TO: The Honorable Board of Selectmen

ANNUAL REPORT

This Unit evidenced the effects of the current monetary crisis during 1974. There has been a decline in the number of dog licenses issued in the Town. There has been an increase in requests from residents for the Dog Officer to accept their dogs for possible adoption by another family or "to be put to sleep". These are truly sad times; 144 dogs were destroyed in 1974.

In keeping with the request of the Board to hold the line, all ideas of purchasing a needed "van type vehicle" and expansion of coverage to include Sundays, have been suspended. Hopefully, in the near future, if financial conditions improve, these goals may be attained.

In July our original 1971 car was traded in and we were delighted to accept a used 1973 station wagon from the Police fleet. Our joy was short lived as the "new" car was demolished in a collision on Canton Avenue in early August. The Dog Officers were saved from having to do "foot patrol" by the foresight of Mr. Zaniboni in saving the old Fire Department car from being traded in. Al says, "It is always nice to have an extra car around".

Dog Officer Rogers was injured twice during 1974. In January, he suffered a bite on the right arm while attempting to capture a stray dog on Blue Hills Parkway. In November, at the Dog Pound, he was suddenly attacked by a stray German Shepherd which was in custody. No bites were inflicted in the second incident although a pair of coveralls and a shirt were destroyed. Both animals were restrained for specified times and sent away to their eternal rewards.

We are presently working with officials at Quincy District Court to smooth out our citation system. In December, the Court Clerk decided to void all our unused Violation Books and issued new books which conform to "a uniform standard for the County". The new books have the graduated fine system printed on them which is in conflict with our Bylaw. For the present, we will cross out that information which does not apply to us.

In our opinion, the "Leash Law" enforcement effort continues to be successful. Complaints are being handled on a current basis, problems are kept to a minimum, and citizens are serviced with diplomacy at all times.

Respectfully submitted,

JAMES P. ROGERS
Dog Officer

TOWN OF MILTON
FINANCIAL STATEMENTS

December 31, 1974

FINANCIAL STATEMENTS

REPORT OF THE TOWN ACCOUNTANT

January 22, 1975

To the Honorable Board of Selectmen:

I hereby submit the report of the Town Accountant for the eighteen month period ending June 30, 1974 arranged as follows:

1. Detailed listing of all receipts of the Town
2. Detailed listing of all expenditures by the Town
3. Summary of all departmental accounts, showing appropriations, expenditures and balances
4. Recapitulation of departmental expenditures
5. Balance Sheet as of June 30, 1974

All original bills and vouchers on which monies have been paid from the Treasury and all trust funds in the custody of the Town Treasurer and Library Trustees have been examined and found to be correct.

Respectfully submitted,

JOSEPHINE M. McATEER
Town Accountant

William B. Weston Fund

The \$15,000.00 Poor Fund left with Francis C. Welch Trustee is held in the Weston Estate, the Boston Safe Deposit and Trust Company now being Trustee. Copy of the will is in the custody of the Town Treasurer.

The \$6,000.00 Hospital Fund is now represented by Certificate No. 602 of the Massachusetts Life Fund. For the year 1974 income added to the Principal was \$4,809.11 and capital gains of \$2,698.79. The total of these amounts has been converted into units of the Fund. The December 31, 1974 balance is 9295.505 shares with a value of \$8.33 per share. Total value of the Fund is \$77,431.55.

REPORT OF TOWN TREASURER

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1974 \$858,467.30

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Fund

Amount held December 31, 1974 \$5,572.24

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E.T.L. Reed Park Fund

Amount held December 31, 1974 \$5,714.59

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the 'Jason Reed Fund', and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of, the Cemetery and the Parks in said Milton, both on account of the deep interest by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1974 \$2,626.67

Sarah G. Vose Fund

Amount held December 31, 1974 \$1,170.53

E. G. Tucker Fund

Amount held December 31, 1974 \$1,168.48

Herrick Fund

Amount held December 31, 1974 \$8,000.00

REPORT OF TOWN TREASURER

Bannin Family Fund

Amount held December 31, 1974 \$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of \$500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions."

George A. Briggs Fund

Amount held December 31, 1974 \$1,000.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of Georgie A. Briggs are buried."

George F. Duffy Fund

Amount held December 31, 1974 \$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of \$1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot No. 2624 in the Cemetery, said flowers to be placed on said lot from April 13 to September 10th each year."

Katherine A. Kelley Fund

Amount held December 31, 1974 \$1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held December 31, 1974 \$1,855.83

Charles T. Pierce, late of Brooklyn, N.Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of \$1,000.00, "the income to be used for the care of my family lot."

Mabel Hunt Slater Fund

Amount held December 31, 1974 \$1,000.00

Mary L. Peabody Cemetery Care Fund

Amount held December 31, 1974 \$1,746.54

Amount held December 31, 1974 \$1,000.00

Charles P. Edwards Fund

Amount held December 31, 1974 \$500.00

Selina M. Gibbons Scholarship Fund

Amount held December 31, 1974 \$11,089.18

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the following correspondence:

“To the School Committee of the Town of Milton:

“The Tuell Alumni Association herewith present, through your Board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School who, in the opinion of the above said faculty has shown similar qualities.

“The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year.”

Percy E. Sheldon

President, Tuell Alumni Association

June 2, 1923

For additional gifts to the fund, see report of 1947.

REPORT OF TOWN TREASURER

Nathaniel T. Kidder Fund

Amount held December 31, 1974 \$73,539.08

The following is an extract from the Will of Nathaniel T. Kidder.

Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of Twenty-five thousand dollars (\$25,000.00) in trust . . . the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

Governor Stoughton Trust Fund

Amount held December 31, 1974 \$22,339.65

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton's Will.

REPORT OF TOWN TREASURER

TREASURER'S REPORT OF TOWN BONDS

All bonds a/o Notes outstanding are unregistered. Interest on all issues is payable semi-annually, and all maturities and coupon interest are payable at the First National Bank of Boston, Massachusetts, unless otherwise noted.

All authorized but unissued balances have been rescinded by vote of the Town.

REPORT OF SCHOOL COMMITTEE
SCHOOL COMMITTEE REPORT
YEAR ENDING DECEMBER 31, 1974

Only recently the popular view of many a Miltonian was that his School Committee reposed in an ivory tower built with generous amounts of local tax money and isolated by a moat of fiscal autonomy from the votes of the Town Meeting and the pressures of the citizenry. During the past year, the School Committee has had a very different view of its own position.

First, the tower itself has become increasingly inadequate in the face of changing demands on education and an enrollment which in December was still within one percent of its historic high despite the prolonged dip in national, state and local birth rates.

Next, although the moat around the tower remains legally intact, despite serious efforts in the legislature to eliminate it, the School Committee has found itself caught between the increasing cost of existing commitments and state mandated programs, on the one hand, and the increasing reluctance of a budget conscious community to provide, on the other. As a practical fact, fiscal autonomy in the school budget has little more than symbolic value at a time when the school committee must seek needed building improvements from the Town Meeting and its members are being held accountable by the voters who elected them.

In respect to school buildings, a major part of the School Committee's efforts during the past year were devoted to repair and improvements of buildings. Not all of these efforts were successful.

The March 1974 Town Meeting appropriated money for three major improvements to the High School. One of these, renovation and enlargement of the library, was completed by fall. The other two were not begun because by July, the beginning of the fiscal year, the estimated cost had far exceeded the appropriation.

Still, the work at the High School had been intended as a short range solution to problems that threatened accreditation. The School Committee continued work on a long range solution to problems at all levels. The result was a proposal to a Special Town Meeting in November. The proposal was defeated by a greater margin than similar proposals on two previous occasions.

Since the main objection to the proposal had been its cost, the School Committee prepared a more modest plan to be implemented in several steps beginning with the March 1975 Town Meeting. The key difference between the new plan and the earlier one is that much less new school space is provided in the new plan. Under the first step of this plan, the present High School is modified and added to, eight classrooms are added to the Glover School and improvements are made at the Tucker School. The plan calls for further improvements to the High School and improvements at both junior high schools in following years.

The success of the new plan will depend first upon favorable action by the Town Meeting. In the longer run it will also require the cooperation of other Town Departments to permit maximum development of the High School site, possibly by such measures as closing Lincoln Street and covering a small part of Pine Tree Brook.

The fiscal condition of the School Department reflects the inflationary pressures of the times. Our labor costs, which represent about eighty percent of the budget, have increased moderately, while many of our other costs have increased exorbitantly. In addition, new demands have been placed upon us by programs newly initiated by the state or newly availed of by citizens concerned about their own inflated budgets.

REPORT OF SCHOOL COMMITTEE

Our most costly addition, the Chapter 766 program for children with learning disabilities, has the commendable aim of providing children with learning disabilities the same opportunity to learn as other children. But the cost of the program is high, partly because of the elaborate administrative procedures required and partly because of the additional services available to children. In one unusual case, it appears that the direct cost to the Town may be as high as \$15,000.00 per year for a single child. But the overall impact of the Chapter 766 program is less in Milton than in many other towns because we were already providing many of the required services before the law was enacted.

Other state mandated programs which add to local school costs include provision of free textbooks to nonpublic school children (we have to provide the same texts that are used in the public schools) and bus transportation for children attending nonpublic schools in Milton.

In addition to outside political forces, we find ourselves increasingly influenced by pressures from our own student body. Students at all levels appear to be seeking curricula which are more relevant to the world they know or expect to be a part of. This is particularly true at the high school level, where the value of college education has come increasingly in question and where interest in alternate forms of education and training has grown. Within its area of responsibility, the School Committee has responded by giving top priority to industrial arts facilities in its building program, but this does not provide for the student with serious vocational interest. Since Milton is not yet part of any vocational school district, such a student faces a very limited choice of the programs which are not fully enrolled in neighboring vocational school districts. Although we are acutely aware of the problem, we are not legally responsible for the solution. We support the concept of Milton's participation in a regional vocational school district and we cooperate with other Town Officials who are trying to bring a viable proposal to a referendum vote.

Although the past year left us with many unfulfilled objectives, we retain our convictions that public education is a potent factor in improving the lot of the individuals who will make up our society. We hope this view will spread to more of our fellow citizens in 1975.

Respectfully submitted,

DAVID JEFFRIES, Chairman
DONALD BURGESS, Secretary
JOHN C. CROWLEY
MARY R. FITZGERALD
JAMES G. MULLEN, JR.
ARTHUR E. SULLIVAN, M.D.

REPORT OF SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Following is my fifth annual report as Superintendent of Schools:

The year 1974 was highlighted by continuing diligent efforts by all concerned to correct the many space problems of the public schools.

Because of certain glaring inadequacies at the High School, and faced with the possible loss of accreditation of that school, the School Committee submitted an article to the March Town Meeting That would improve facilities for industrial arts and physical education and that would expand the library. Town Meeting Members acted favorably on this request and appropriated the sum of \$289,727.00 to accomplish these projects. Because construction costs expanded rapidly between the time the article was submitted and the time for actual construction, the sums to erect additional physical education and industrial arts facilities were inadequate. The library remodeling and expansion was completed, however, and the result is a library that is most attractive, well-equipped and is capable of seating over twice the number of students it could seat before the expansion.

Improvements at the High School, though much needed, did nothing to solve the many space problems that continued to exist throughout our schools. As a result, the Committee sought a Special Town Meeting in November and submitted articles to acquire additional land adjacent to the Pierce School complex, to convert the Pierce complex into a four-year high school, to remodel the High School for use as a middle school and to remodel Tucker School and Cunningham Junior High School. These articles were defeated.

Due to the urgent need for solutions to our space problems, much of the time of the Superintendent of Schools during 1974 was spent in providing information and collecting data for use by the School Committee in determining the courses to pursue to correct these needs.

In spite of predictions of a decreasing school enrollment and a decline in the birth rate, enrollments in both kindergarten and first grade were higher in September, 1974 than they were in September, 1973, thus it will be necessary for the administration to address itself continually to the need for adequate space in our schools.

During 1974 the curriculums in social studies, language arts and mathematics were rewritten for grades three through six. Curriculum development and revision also took place in the areas of physical education, secondary mathematics and computer programming.

Although the major responsibility of the Superintendent of Schools is, and should be, the supervision of the education that occurs in our schools, it becomes increasingly difficult to adequately fulfill that responsibility due to the pressures of space needs, negotiations with three separate organizations of employees and the resulting grievance and arbitration hearings and to demands of new state laws mandating changes in education. In spite of these demands on the superintendent's time, every effort was made to work closely with principals, department heads, other administrators and with curriculum groups to keep apprised of the progress and problems of our school system and to assist with the solutions to problems.

In an effort to keep the public informed about our schools the administration met on several occasions during 1974 with representatives of each of the P.T.A.s to inform them of the school system's plans and problems and to listen to their suggestions and constructive criticisms.

REPORT OF SCHOOL COMMITTEE

While we have definite problems of space we have many strengths in our schools and many dedicated, conscientious teachers. While we have certain shortcomings we have, also, a very excellent school system in most major respects.

To the School Committee, to my fellow administrators and to the teachers I express my gratitude for the support and co-operation they have rendered to me during 1974. To Mr. Francis Bagge, a dedicated citizen and a supporter of our schools, I wish to extend special thanks for the many hours and days that he unselfishly contributed to assist me personally with needed information concerning school construction costs and problems.

Respectfully submitted,

HARRY B. McCORMICK
Superintendent of Schools

The teletypes are active during a first period Computer Class at the High School.

REPORT OF SCHOOL COMMITTEE

ASSISTANT SUPERINTENDENT OF SCHOOLS

Following is my fifth annual report as Assistant Superintendent of Schools:

Although we have necessarily spent much time during the past year in planning for increased space needs, this office has been involved in a great variety of supportive functions necessary to the successful operation of the school system. Among these responsibilities have been participation in budget preparation, teacher negotiations, curricula study and implementation, community-school efforts, publicity, educational conferences, workshops and seminars, screening and placement of student and substitute teachers, designing of new teacher orientation meetings and arranging schedules of co-ordinators and special teachers.

Following an extensive and careful screening of many candidates, twenty-eight new teachers were added to the staff during the past year. Although a majority were employed because of retirements and resignations, seven new positions were created. Specifically, two new Grade 5 teachers were placed at Pierce Elementary and Tucker Schools in order to accommodate the increased number of students at those levels; one Physical Education instructor was added at Milton High School for the same purpose; a Spanish teacher addition at Pierce Junior High School provided equality of offering in this area to that available at Cunningham Junior High School, and three new Special Education teachers were hired as a result of statutory mandate under Chapter 766 of the General Laws of the Commonwealth of Massachusetts.

New teacher evaluations continued to receive a great deal of my attention throughout the school year, with class visitations, teacher conferences and final evaluations as a vital part of this function. It seems to me a truism to state that schools exist primarily for the purpose of instruction and so the intent of our evaluation procedure is to help the teacher improve his teaching. Also in this regard, I am very aware of the continuing need to examine and constantly reappraise our criteria of successful teaching, and this process requires constant attention to and understanding of new theories and ideas related to performance objectives and accountability.

In the area of curriculum development and revision, more work was done to further implement the Holt Basic Reading program for Grades 4 through 6; an elementary Penmanship Guide was completed; a Language Arts curriculum guide to serve Grades 3 through 6 was finished, and a new Social Studies curriculum was prepared and adopted for Grades 3 through 6. Much of the junior high effort was directed toward co-ordinating the offerings of the two junior high schools and a Home Economics curriculum was completed and implemented at Milton High School.

In the area of school-community relations, the past year witnessed the formation of the Elementary Parents' Council, a group of sincerely interested parents who shared with us a recognition of the need to strengthen the line of sound communication, particularly regarding curricula, between elementary parents and the school system. As a result of considerable mutual discussion and planning, seven programs were presented from January through November to all parents of elementary children. Approximately forty-five teachers, Department Heads and Directors representing all of our schools participated in explanations of curricula offerings in Language Arts, Music, Science, Guidance and Reading. A presentation was also made to assist parents of pre-kindergarten students and an evening meeting concerned itself with explanations of the Chapter 766 law. These meetings, favorably received, have provided a healthy experience in intergroup relationships and have established a logical vehicle for the on-going promotion of community-school communication. This series of programs will continue during the present school year and much credit is due the members of the Council for their productive efforts.

REPORT OF SCHOOL COMMITTEE

I want to thank the Superintendent of Schools, the School Committee, building Principals, Department Heads, Directors and faculty members for their co-operation during this past school year.

JOHN M. HASKELL

Assistant Superintendent of Schools

The quest for knowledge is pursued by Milton students with an environmental emphasis at Camp Wing.

REPORT OF SCHOOL COMMITTEE

ASSISTANT SUPERINTENDENT OF BUSINESS AFFAIRS

This was the year of expansion and improvement to the Milton High School Library. Seating capacity was more than doubled and carpeting was installed throughout. New heating and lighting and expanded facilities for book storage and display were provided as was new furniture, featuring carrels for individual study and use of audiovisual equipment. In conjunction with the expansion of the library, improvements were made in the science instructional area to adjust for displaced areas used to expand the library. The burner in the main boiler was replaced to insure uninterrupted operation of the heating system. Sixty-five dual lockers were installed to provide 130 additional locker spaces. The prime area painted was the boys locker room including all lockers.

At the Cunningham Junior High School the basketball floor was sanded and refinished to provide improved playing surface and to considerably brighten the gym. In the cafeteria all tables were refinished with formica to provide a finish much more sanitary and suitable for cafeteria use. Six classrooms were painted as was the boys locker room.

Pierce Junior High School – the usual painting program was continued with the cafeteria as the major area. Two rooms were divided with permanent partitions to provide two additional teaching areas. Improvements were made in two science classrooms, including new furniture, to provide better science facilities.

The painting program was continued in all elementary schools including the painting of the outside of Pierce Elementary School and the reglazing of all windows. At Tucker School several new window sashes were installed as were outside doors facing Oak Street. A former classroom was refurbished with new carpeting, painting, and furniture to provide a library formerly housed on the auditorium stage. A section of the hardtop was resurfaced in the rear of the building.

The work of maintaining our schools by the maintenance department and custodians deserves a word of appreciation.

To the School Committee, administrative office staff and personnel of other Town Departments; I wish to express my gratitude for their assistance and cooperation.

ROBERT F. COOKE
Assistant Superintendent of Business Affairs

REPORT OF SCHOOL COMMITTEE ADMINISTRATIVE ASSISTANT

BUS TRANSPORTATION

We are in our second year of our three year busing contract, and it is anticipated that a substantial increase in busing costs will occur when the new contract is finalized. However, it must be taken into consideration that our average reimbursement is 75% of our total costs. This department continues to make every effort to hold down the cost of busing without sacrificing safety or service to the students.

DATA PROCESSING

All on-going services are being maintained.

FEDERAL FUNDING

For the Fiscal Year 1974, we received approximately \$60,500 from federal sources. Approximately \$20,500 of this revenue was used to support occupational and career education courses at the High School and the two junior high schools. Approximately \$40,000 of the sum was obtained under Public Law 874. This money will be used to reduce the tax rate. Based on current estimates, the tax rate will be reduced by 53¢.

During the past year and a half this department has been a member of the Superintendents' Task Force to the Vocational Regional School District Planning Committee. After a long and intensive study of the needs of students in the four towns, more particularly in Milton, and the study of several educational delivery systems to meet these needs, this department is absolutely convinced that a regional vocational school is the best method whereby a substantial number of the students in Milton will be serviced to meet their educational needs, and this delivery system is the most feasible in terms of economy.

This department is appreciative of the cooperation extended to it by the School Committee and the Superintendent of Schools.

WILLIAM A. CREIGHTON
Administrative Assistant

REPORT OF SCHOOL COMMITTEE

MILTON HIGH SCHOOL

I herewith submit my fourth annual report as principal of Milton High School.

Grateful recognition for their many years of service to the Milton Public Schools must be given to Miss Ethel Wiley and Mrs. Hazel Douglas who retired in June. I am confident the entire Town joins me in wishing them many years of happiness.

The continuation of an 8-period day has permitted us to schedule classes with a minimum of conflicts. It is hoped that sometime in the very near future we will be able to convert back to a 7-period day solving the problems created by an 8-period day.

With the aid of federal funds for vocational education, we were able to introduce a program combining distributive education and art. The program is designed for students who plan a career in sales on either the retail or the wholesale level. The art portion of the program has permitted us to schedule first year art for two semesters rather than one and introduce a very successful art program which involves the use of all types of textiles.

The expansion of the library has added a new dimension to the academic program. I believe that when all the furnishings arrive and are in place the benefits of increased library facilities will affect every classroom in the school.

In the Spring we had a very successful baseball team, which won the Eastern Massachusetts Division I championship. Add to this the increased offerings in girls' athletics, the expanded assembly program, the expanded library, and the hope of additional space in industrial arts and physical education and you have an increase in the school spirit of both the students and faculty.

I offer my sincere thanks to the School Committee, the Superintendent, Assistant Superintendents, and the entire staff of Milton High School for their continual cooperation and support.

Respectfully submitted,

ROGER T. CONNOR
Principal

REPORT OF SCHOOL COMMITTEE

CUNNINGHAM JUNIOR HIGH SCHOOL

At the outset of this report best wishes are extended to Mr. Charles Caddoo who retired after thirty-two (32) years of devoted teaching and coaching in the Milton Public Schools.

The major changes and accomplishments at Cunningham during the 1973-74 school year include the following:

In order to facilitate the Chapter 766 law, a resource teacher has been added to the staff.

Major building improvements include resurfacing the gym floor and recovering the cafeteria tables as well as painting four classrooms.

In the area of curriculum, much effort was put into coordinating the programs of the two junior high schools.

Some of the more noteworthy activities included a "Career Day" for ninth grade students, organized by our guidance counselors, in which representatives of six major industries spoke to the students. A program on "Alcohol Abuse" sponsored for both students and parents was most successful. In addition, a book fair raised money to buy audiovisual equipment for our reading program.

Student activities continue to be very popular and much has been accomplished in the way of service to our school and to the community by the Blue and Gold Club and the Student Government. Also, a very cheerful locker mural was designed by one of our students and painted by some of our art students. Student-faculty discussions proved advantageous to student-teacher relationships.

The "Interested Parents Group" continues to function in a most productive manner. With their cooperation and support the annual field day was organized as was the alcohol abuse program. A sub-group, who served in an advisory capacity, met with the administration on a monthly basis to discuss school problems of mutual concern.

Much effort has been volunteered by the Cunningham staff to provide an effective program both in academics and in activities. Their sincere devotion and support has had a very positive effect on the educational atmosphere at Cunningham.

ALLEN G. ADAMS
Principal

REPORT OF SCHOOL COMMITTEE

PIERCE JUNIOR HIGH SCHOOL

The enrollment at the Pierce Junior High School decreased from 621 in the 1972-1973 school year to 590 during the 1973-1974 school year and this contributed greatly to an improved atmosphere for learning. It became possible to give more attention to curriculum development and planning and the teachers' professional skills were allowed to function more fully.

Plans were made to more fully meet the special needs of many students by dividing a larger classroom with a partition, thus making two smaller rooms. One of these became a teaching station where a resource teacher could meet the requirements of the law under Chapter 766.

Another of the larger rooms was divided to provide a teaching station so that Spanish could be offered as an elective in grade seven.

The effort given by Mr. Francis G. Bagge in developing these teaching stations was extremely valuable and greatly appreciated.

The educational progress over the 1973-1974 school year has been most gratifying. It is a tribute to a dedicated staff, a most supportive administration and school committee, and to an excellent student body.

C. J. McINTIRE
Principal

"It's a small, small world" as the Tucker School celebrates U.N. Day with a whole school assembly.

REPORT OF SCHOOL COMMITTEE

COLLICOT SCHOOL

I herewith submit my twenty-third annual report as principal of Collicot School. Our enrollment, as of December 1974, is seven hundred fifteen.

It is interesting to note that this overenrollment has been reached twice before. On the first occasion redistricting took place which removed the geographical area from Reedsdale Road and Randolph Avenue west to the Houghton Pond area. School population continued to build until it was again necessary to redistrict and remove the northern area from Collicot District. In spite of the fact that the area of this district has been drastically reduced, our pupil population is again at an unreasonable level both for instruction and building capacity.

The advent of public law requiring the prescription and implementation of specific individualized programs for pupils with learning difficulties is consistent with the programs which have been in use for more than five years at Collicot. However, we must take a practical look at the availability of these services and programs from the point of view of the pupils.

It becomes obvious that each elementary school has the same number of specialized resource teachers. It next becomes evident that nothing is more unequal than the equal treatment of unequals. Certainly, for example, one reading specialist serving the needs of more than seven hundred pupils cannot be as "available" to each pupil as the reading specialist in another Milton school with a four hundred pupil enrollment.

It is also worthy of note that the meetings and required paper work inherent in the requirements of the new laws use twenty-five percent of each specialist's time each week. Therefore, with four resource teachers, we have lost the pupil contact which is equivalent to losing one full-time resource specialist. As follow-up on our annual report of last year, the objective test analysis at the end of the 73-74 school year exceeded our expectations by a large margin. Regrouping for learning disability was discontinued for grade three since it seemed obvious that the classroom teacher and concerted coordinated efforts of all specialists for one half day at grade one and two levels was achieving remediation in the shortest possible time.

The experience of grade six faculty and students living and studying out-of-doors at Camp Wing in Duxbury during four days in June was exceptionally rewarding. I think, particularly for the pupils, a perspective was achieved which gave a reality to learning, teachers and school which might well prove its greatest worth when they reach adulthood. The junior counsellors from Milton High School filled a role that no adult could and won the admiration of both pupils and teachers. The attitude, planning and cooperation of the regular camp staff and the members and officers of the Boating Safety Detachment of the United States Coast Guard further combined to prove the so-called "generation gap" to be a product of unnatural surroundings and lack of opportunity for purposeful interaction between humans.

Our appreciation must be voiced to the staff of Collicot for the continual upgrading of their teaching and the conscientious efforts of teachers to care for the needs of individual pupils in spite of large numbers.

CHESTER W. RUGGLES
Principal

REPORT OF SCHOOL COMMITTEE

GLOVER SCHOOL

I herewith submit my eleventh annual report as principal of Glover School.

At Glover School this year we continue to implement the Open Court reading system. We have found this reading program a highly successful tool in presenting to the children a complete language arts approach. Our test results in May indicate an extremely high degree of accomplishment with children on all ability levels. By September of 1974 this program will be in all of our primary grades, kindergarten through grade three.

In the intermediate grades we have started to introduce the Holt, Rinehart and Winston reading system. This program also presents an entire language arts approach and we anticipate the same degree of success that we are having with the Open Court program.

We experienced another successful week at Camp Wing with our sixth graders and we are most grateful to our Parent-Teacher Association for their continued financial support of this very worthwhile experience.

Respectfully submitted,

MARY B. SCHOFIELD
Principal

PIERCE ELEMENTARY SCHOOL

I am submitting herewith my fourteenth Annual Report as Principal of the Pierce Elementary School. The report is for the 1973-74 school year.

Significant accomplishments at the Pierce Elementary School during the past year include the continued development of our very successful Junior High School Tutorial Program and the Parent-Citizen Volunteer Teacher Program under the general direction of our reading specialist, Miss Margaret Handrahan. The volunteers, who always work under the direct supervision of a classroom teacher, have assisted by working with small groups of youngsters and helping to perform tutorial-type services. These programs continue to be tremendously helpful to classroom teachers in reaching children who are in need of special instructional assistance at all levels. I consider these programs to be significant and of great importance since they are directly beneficial to a large number of youngsters at the Pierce Elementary School.

Included among other developments of merit during the 1973-74 school year are the following:

The Third Annual Science Fair
The Open House Program for parents
The Camp Wing trip by all sixth graders
The Guidance Program for all elementary pupils

Respectfully submitted,

ROBERT G. CONNOLLY
Principal

REPORT OF SCHOOL COMMITTEE

TUCKER SCHOOL

I herewith submit my nineteenth annual report as principal of the Tucker School.

Our curriculum has been strengthened with the adoption of the Holt Databank Social Studies program for grades three - six. It provides a rich system of educational resources with specified performance objectives accompanied by a wide array of material components, a workable design for instruction and a complete teacher support system. Prior to the implementation of the program teachers were involved in training workshops. I am pleased to report that Mrs. Betsy Buchbinder was selected as a leader participant for a regional seminar relating to the classroom use of these materials.

Another area of the curriculum which has been strengthened is the language arts program. We have initiated a penmanship guide and introduced the Holt Basic Reading Program for grades four through six. This represents a total language arts approach which lets language speak for itself while helping each child feel at ease with the printed symbols. There are fifteen levels of basic material so that our efforts to individualize are aided substantially.

The continuation of our released-time sessions has enabled us to devote time to the discussion and planning of ways to make citizenship values more meaningful and lasting. The excellent calibre of our staff members and their willingness to share team responsibilities is rewarding and inspirational amid the discouragements of crowded classes, inadequate facilities, and an increasing school enrollment.

I continue to appreciate the support and cooperation tendered us by all school department personnel.

Respectfully submitted,

ELEANOR C. BLAINE
Principal

SUPERVISOR OF ATTENDANCE

I herewith submit my annual report as supervisor of attendance for calendar year 1974.

Home visits	362
Residency investigations	196
Cases prosecuted at Quincy Juvenile Court	2
Number of court appearances	5

REPORT OF SCHOOL COMMITTEE

PUBLIC SCHOOLS MILTON, MASSACHUSETTS

School Calendar 1974 - 1975

Number of Days

August		
28	Orientation meeting - all new teachers	
September		19
3	All teachers return	
4	Schools open - all grades except kindergarten	
11	Kindergartens open	
October		21
14	No school - Columbus Day	
28	No school - Veterans Day	
November		18
8	No school - teachers' convention	
27	Schools close at noon - Thanksgiving	
December		15
2	Schools reopen	
20	Schools close for Christmas recess	
January		21
2	Schools reopen	
15	No school - Martin Luther King, Jr. Day	
February		15
14	Schools close for February recess -	
24	Schools reopen	
March		20
28	No school - Good Friday	
April		17
18	Schools close for April recess	
28	Schools reopen	
May		21
26	No school - Memorial Day	
June		18
1	High School graduation	
25	Schools close at noon - summer recess	

*Total number of days scheduled 185

*Under the law, schools must schedule at least 185 school days and schools must be in session a minimum of 180 days.

Closing of schools for the summer recess may occur earlier than June 25, 1975 if it is not necessary to use all of the scheduled additional days for inclement weather.
